IMPORTANT:

CSOP Hang Seng Index ETF

- CSOP Hang Seng Index ETF (the "Sub-Fund") is a sub-fund of the CSOP ETF Series III, which is an umbrella unit trust established under Hong Kong law. The Sub-Fund is a passively managed index tracking exchange traded fund authorised under Chapter 8.6 of the Code on Unit Trusts and Mutual Funds. The units of the Sub-Fund are traded on the Stock Exchange of Hong Kong Limited (the "SEHK") essentially like shares.
- Sub-Fund is not principal guaranteed and your investments may suffer losses. There is no assurance that the Sub-Fund will achieve their respective investment objectives.
- The Sub-Fund is passively managed and the Manager will not have the discretion to adapt to market changes due to the inherent investment nature of the Sub-Fund. Falls in the value of the Hang Seng Index (the "Underlying Index") may result in a corresponding fall in the value of the Sub-Fund.
- The Sub-Fund's investment in equity securities is subject to general market risks, whose value may fluctuate due to various factors, such as changes in investment sentiment, political and economic conditions and issuer-specific factors.
- The Underlying Index tracks the performance of companies incorporated in, or with the majority of revenue derived from, or with a principal place of business in, the Greater China region and in particular Hong Kong listed securities of specific industry sectors. The NAV of the Sub-Fund is therefore likely to be more volatile than a more broad-based fund, such as a global or regional fund, as the Underlying Index is more susceptible to fluctuations in value resulting from adverse conditions in a single region.
- Generally, retail investors can only buy or sell units of the Sub-Fund on the SEHK. The trading price of the units on the SEHK is driven by market factors, such as the demand and supply of units, and may trade at a substantial premiums or discount to its NAV.

Please note that the above listed investment risks are not exhaustive, and investors should read the Prospectus and the Product Key Facts in detail before making any investment decision. Investment involves risks, investment value may rise or fall. Past performance information presented is not indicative of future performance. Investors should not rely on this material alone to make investment decisions.

Investment Objective

The investment objective of the Sub-Fund is to provide investment results that, before deduction of fees and expenses, closely correspond to the performance of the Hang Seng Index (the "Underlying Index").
