1. Introduction

Welcome using ICBC (London) Corporate Internet Banking Services!

ICBC Corporate Internet Banking has made a remarkable achievement in the recent years and gained full recognition from all domestic and overseas peers as well as mass users. The corporate banking services are driven by our enormous technology and business innovations that devote itself to create more value for customers. With strong technical and management advantages, corporate Internet banking becomes an ultimate integrated enterprises' finance management platform to organise financial information and centralised funds management. Its powerful functions and leading advantages further demonstrate ICBC's professional service quality that gives you round-the-clock "one-stop" easy financing.

Product features:

- **Safety & Reliability:** Advanced information encryption transmission for corporate internet banking system, Multiple security code/password verification to ensure the safety of every transaction.
- **Extensive Service Scope :** Customer defined account users structure; different level of operational restrictions; bypass authorisation approval.
- **Convenient and flexible all-day service :** 24/7 “3A” services, accounts and transactions are clear at a glance. Menu is designed in a very friendly way for easy understanding and operating.
- **Enriched information :** Bank interest rates, foreign exchange rates, promotion information, as well as detailed function introduction, operation guide and help documents.

We will continuously develop various new products and new functions to satisfy customers' needs. You are very welcomed to join us. For any enquiry, please do not hesitate to telephone us or speak to our friendly customer advisors at any of our branches.

2. System requirements

- PC Hardware requirements: Intel Pentium III 500MHz processor or above.
128mb (RAM) or above
56kbps modem or above, or broadband, SVGA monitor
- Software requirements: Windows 98/2000/Millennium Edition/NT/XP/VISTA operation system
Internet Explorer 5.0 or above
Active X Control
- Internet Explorer requirements:

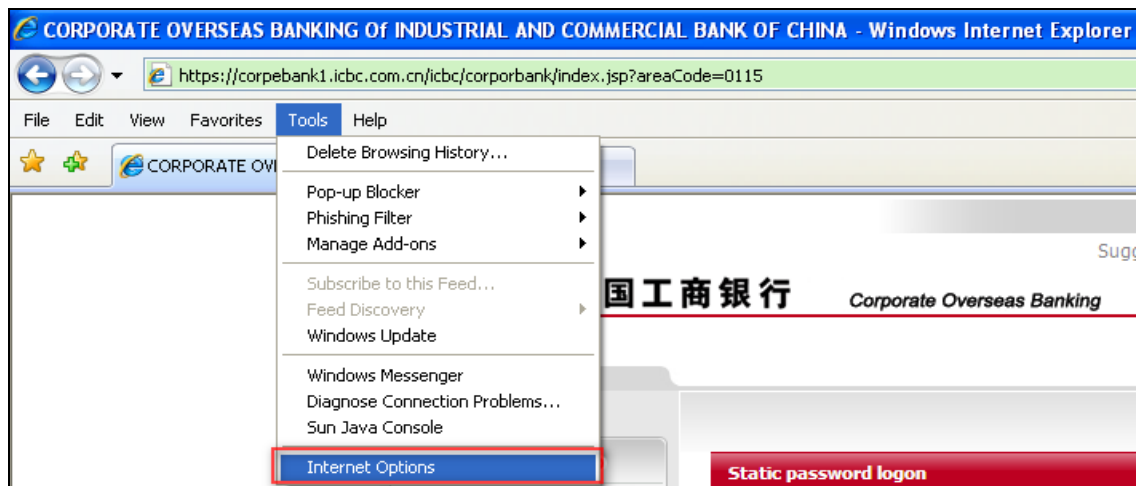

We recommend the following Internet Explorer settings:

1. [Tools] → [Pop up blocker] → [Turn off Pop up blocker]

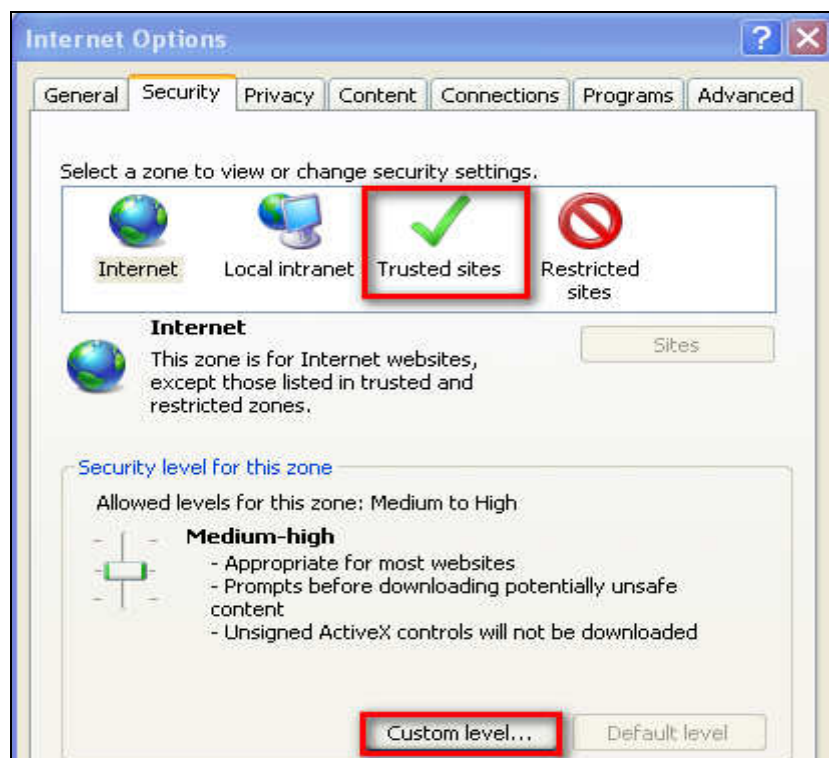

2. Set ICBC Internet banking logon website as trusted site:

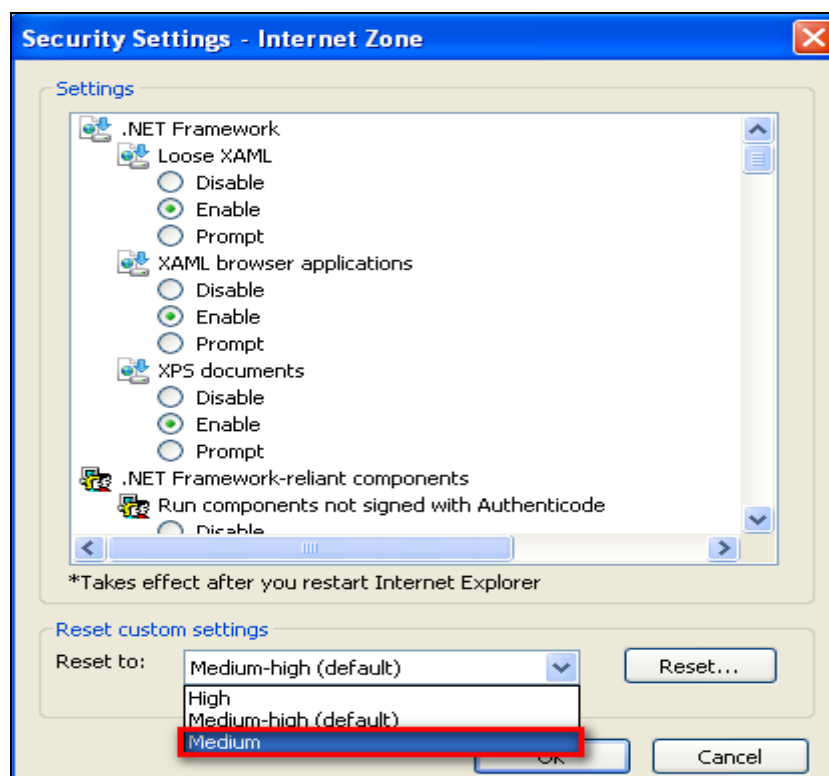

- a. [Tools] → Internet option]

- b. [Trusted sites] → [custom level]

c. Reset to [Medium-Low] or [Medium] and click [OK]

We recommend turn off Google, Yahoo and other Toolbar in your Internet Explorer's Toolbar.

Note:

For the best view, we recommend adjust your monitor resolution to 1024×768 or above.

3. First time access to the internet banking

3.1 First time logon

If you are in one or more of the following situations:

- i. First time access to the internet banking;
- ii. Logon to internet banking from a new PC;
- iii. Internet explorer has been updated;

Please follow the steps to install **Active X control**.

- a. The message 「this site may require the following Active X control: from' Industrial and Commercial Bank of China'」 prompts,

Click [Click here to install] → [Install Active control],

If installation is successful, please refer to 3.2 Input logon account number and password for details.

- b. If the installation failed, click [System Set-up] under the logon area to install ICBC Internet banking control to your computer.

商 銀行 Corporate Overseas Banking BANKING@HOME

Static password logon

v3.8

User ID: .c.0115

Password:

Verification code: 76e3 [Refresh verification code](#)

Login

Important If this is first time logon, please follow the link [System Set-up](#)

c. In the next page, select [Online Banking ActiveX] to install.

We suggest you to adjust your screen resolution of your computer to 1024 x 768 or above in order to use Internet Banking services properly. If your computer is already ready to use Internet Banking services, you can now directly logon. If this is your first time to use ICBC Internet Banking, You'd better download and install [Online Banking ActiveX](#). This ActiveX will better safeguard the security of your computer.

close

d. When installation completes, restart your computer.

Note:

1. Currently, this Active X control is incompatible with Mac and Windows 7.0.
2. If you would like to install Active X control in your company computer, please contact IT staff to confirm the firewall settings. We suggest IT staffs to assist the installation. Please note if firewall is turned on, Active X control will not be installed.

3.2 Input logon account number and password

Logon web address: :www.icbc.com。 Click Corporate Internet banking button in the home page. English is the default language on ICBC (London) Personal E-Banking homepage. If you would like to view in Simple Chinese, please click [简体中文] on the upper right corner.

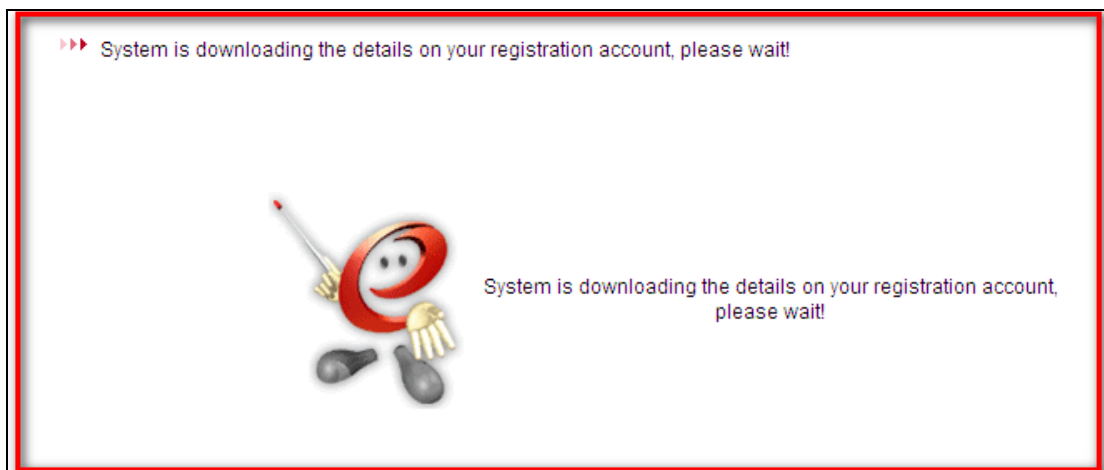

You may start logging when the system completes language switch over. Please follow the steps describe as below:

1. Firstly, please input your customer ID which was setup at the time of application. E.g. 'Test'
2. Input your temporary 6 digits password provided by the bank;
3. Input the verification code as shown on the right;
4. Click 「Login」 .

A successful logon confirmation will prompt.

3.3 Change password at first time logon

For safety reasons, the system will automatically prompt a notice to require amending logon password at the first time logon. Follow the steps to amend password:

The screenshot shows a 'Change Password' form with the following fields and steps:

- 1. Original Password: [*****]
- 2. New Password: [*****]
- 3. Confirm New Password: [*****]
- 4. Please Input Validation No.: [5513] [5 51 3]
- 5. Type of Certificate: [Passport]
- 6. Certificate No.: [G12453566]
- 7. [Confirm] [Reset]

1. Input your temporary 6 digit password again;
2. Type new password, which must be a combination of 6-30 letters(upper or lower case) and numbers;
3. Re-type your new password;
4. Enter the verification code shown on the right;
5. Select ID type which was used to apply Internet banking (e.g. passport);
6. Enter ID number. Please do not include symbol such as (), / (e.g.ID No. G 000 000 (0), should enter as G 000 000 0);
7. Click [Confirm] to change.

A new page will then prompt to confirm amendment is successful and require the user to re-logon with new password.

Note:

When you are entering the logon password, please pay attention prevent others from stealing.

4. Account enquiry

With ICBC (London) Corporate Internet banking services, you may review your accounts at any time anywhere, and may also review account balance summary and individual transactions according to the account and currency. In addition, bank statements, E-receipt and remittance instructions are all available for review, download and print, thus give you comprehensive accounting information that may optimize your assets management.

4.1 Information enquiry

If you would like to review some basic information regarding one of the corporate current accounts, please following the operation below:

Back

Note:

1. Payee should not delivery goods/services to buyer on the basis of an E-receipt.
2. Please avoid duplicate accounting records.

5. Funds transfer

5.1 Internal transfer

Internal transfer refers to funds movements between all your registered accounts at ICBC (London). Same currency transfers are available 24/7, however transfers between different currency accounts are only available in specific time period due to daily exchange rate fluctuation. (Please see section 11 for details).

Operations are as follow:

The screenshot displays the ICBC Corporate Overseas Banking interface. The top navigation bar includes 'Manage A/C', 'Receivable', 'Payments', 'Fixed Deposit', 'Online Loan', 'FX Trade', and 'Customer Services'. The 'Payments' menu is expanded, showing options like 'Operation Guide', 'Transfer', 'Internal Transfer', 'External Transfer', 'Check Instruction - Transfer', 'List of Payees', 'Batch Transfer', and 'Remit'. The main content area is titled 'Internal Transfer' and contains a form with the following fields: 'Transfer from' (ICBC LONDON LTD(United Kingdom)), 'From' (0115000100000379401 Current Account), 'Currency' (GBP), 'Check AC Bal.' button, 'Transfer to' (ICBC LONDON LTD(United Kingdom)), 'To' (0115000100000391323 Current Account), 'Currency' (GBP), 'Transfer amount' (GBP 39.00), and 'Reference' (test). 'Confirm' and 'Reset' buttons are at the bottom right.

Please go to [Payments] → [Transfer] → [Internal transfer]

1. Select a payment account. E.g. From 0115000100006376454
2. Choose a currency. You can review your account balance by click [Check AC Bal]
3. Select a receiving account. E.g. To 0115000100006378134. You may choose the same account as in 1, if it is a cross currency transfer. E.g. Transfer GBP and receive in USD.
4. Choose a receiving currency.
5. Choose a currency and enter the amount
6. Input reference and Click [Confirm].

The system will display the following information, please check the instruction again and enter the token code and verification code respectively. Click [Confirm] to proceed.

- a. Same currency transfers between different accounts.

Internal Transfer >> Help

The instruction you submitted is shown as above, please confirm!

Dynamic Password Card Coordinates:

Enter Dynamic Password:

Enter Verification Code: [Refresh verification code](#)

In the next page, the system will confirm if the instruction has been submitted successfully along with all the information as seen in the above picture. In addition, it will provide an instruction reference number for the purpose of tracking. (E.g. ACA1675) Customers are advised to make a note for future reference. However, in case the reference is lost, you may still be able to find out the instruction and its status using other criteria in the [Check instruction – transfer].

1. In [Transfer from], choose an account name.
2. Tick which instruction status you are looking for.
3. Select a searching period with a starting date on the left.
4. Choose an instruction type.
5. Click [Search]

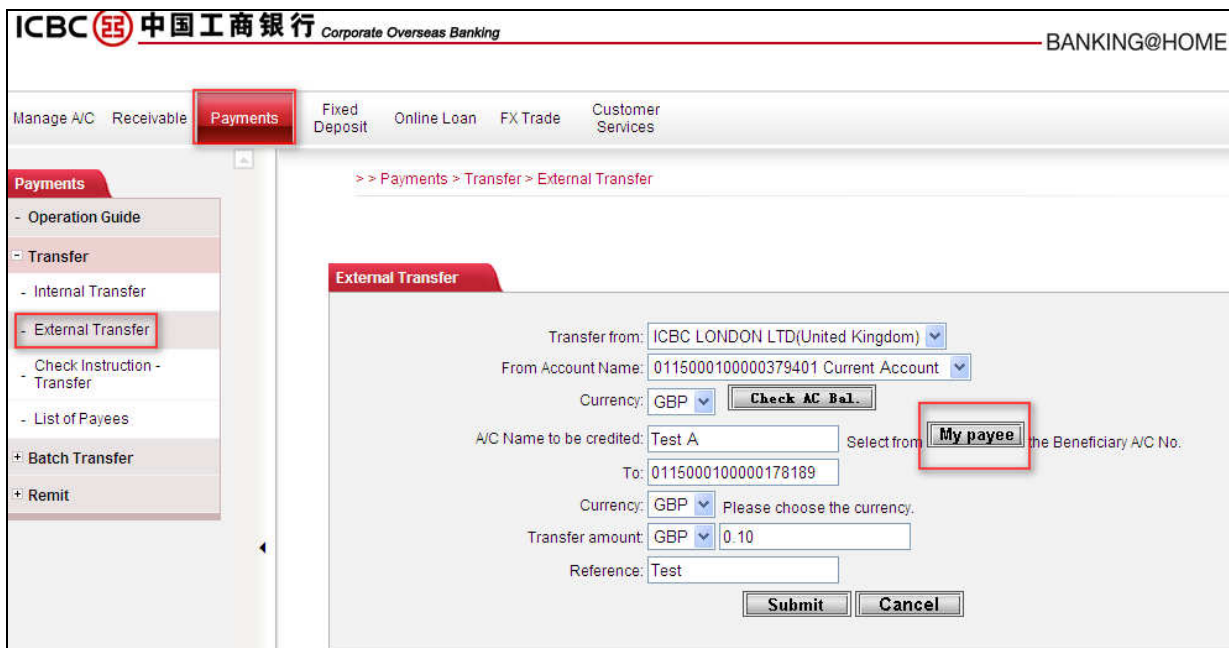

Click on the instruction reference number (e.g. ACA1675). The details of the instruction will be displayed as follow.

5.2 External transfer

External transfer refers to funds movements from your registered accounts at ICBC (London) to another ICBC customer account. Same currency transfers are available 24/7; however transfers between different currency accounts are only available in specific time period due to daily exchange rate fluctuation. (Please see section 10 for details).

Please go to [Payments] → [Transfer] → [External transfer]

1. Select a payment account. E.g. From 011500010000379401
2. Choose a currency. You can review your account balance by click [Check AC Bal]
3. Input beneficiary name or select the payee from [My Payee] list. Click [My payee] and tick your intended payee name.
4. Input beneficiary account number if you have not previously saved the payee information.
5. Choose a receiving currency.
5. Choose a currency and enter the amount
6. Input reference and Click [Submit].

If this is a new payee or you have not previously saved the payee information, the message below will be prompt. If you wish to save the information for future instructions, click [OK].

Similarly, the system will display the instruction information, please check again and enter the token code and verification code respectively. Click [Confirm] to proceed.

The system it will provide an instruction reference number for the purpose of tracking. (E.g. ACA1675) Customers are advised to make a note for future reference. However, in case the reference is lost, you may still be able to find out the instruction and its status using other criteria in the [Check instruction – transfer].

Note:

1. Make sure you enter the token card password with 90 seconds when the coordinate prompts.
2. You can track your instruction by [Remittance instruction enquiry].

6. Remittance

ICBC online remittance makes local, cross border, and multi currency remittance effortlessly.

Operations are as follow: go to main menu [Payments] → [Remit] → [Submit instruction - Remittance].

Step 1: Please read the [Circular on Remittance] carefully and tick the box if you agree. Remittance instruction will not be sent successfully unless you have confirmed agree to the terms. Once the terms is agreed, please fill in remittance account information in the required fields (* indicates it is mandatory).

The screenshot shows the ICBC Corporate Overseas Banking website. The navigation menu includes 'Manage A/C', 'Receivable', 'Payments', 'Fixed Deposit', 'Online Loan', 'FX Trade', and 'Customer Services'. The 'Payments' menu is expanded, showing options like 'Transfer', 'Batch Transfer', 'Remit', 'Submit Instruction - Remittance', 'Check Instruction - Remittance', and 'Sample'. The main content area is titled 'Submit Instruction - Remittance' and shows a breadcrumb trail: '>> Payments > Remit > Submit Instruction - Remittance'. A checkbox labeled 'I read and agree: Circular on Remittance' is checked. Below this, the form is titled 'Step 1: Select Remittance Account'. It includes a submission date of '15-03-2011' and a note that users can choose a 'Template' for details. The form fields are: 'Account Name in English: For test', 'From: ICBC LONDON LTD(United Kingdom)', 'Account No.: 0115000100000379401 Current Account', 'Currency: GBP', 'Remittance Purpose: Trade', 'Sender's Tel: 020 7397 8888', and 'Sender's Address: 36 king street'. A 'Check AC Bal.' button is also present.

Step 2: Please fill in beneficiary information in the required fields (* indicates it is mandatory). Make sure you select the correct receiving currency.

The screenshot shows the 'Step 2: Fill in Beneficiary's Details' form. The 'Remittance Destination' dropdown is set to 'Outside the UK'. The 'Transfers within ICBC?' section has 'yes' selected. The form fields are: 'Beneficiary's Name: Online test', 'To: 654165917154330', 'Currency: USD', 'Location of Beneficiary's Bank: BEIJING', 'City: BEIJING', 'SWIFT code of receiving bank: ICBKCNBJXXX', 'Bank Name: INDUSTRIAL AND COMMERCIAL BANK OF CHINA', 'Contact Number: 010-65275389', and 'Reference: FOR TEST'. All mandatory fields are marked with an asterisk.

Step 3: Fill in the amount of the payment (the amount beneficiary will receive), and select an account for remittance handling charges. You may save current remittance instruction as a template for future use.

Step 3: Fill in Amount Details

Remittance Amount: USD *

Company Name: ▾

Fee Charge Account: ▾

Currency: ▾

Similarly, the system will display the instruction information, please check again and enter the token password and verification code respectively. Click [Confirm] to proceed.

Non-RMB remittance	Bank working date before 14:30

12. FAQs

1). Q: Why I cannot use internet banking in VISTA operating system?

A: We recommend reinstall your I.E; or reinstall your Active X control, and restart your computer.

2). Q: Why I cannot use internet banking on another computer?

A: We recommend install Active X control, and restart your computer.

3). Q: I can use internet banking on my computer before, why I cannot use it now?

A: We recommend reinstall Active X control, and restart your computer.

4). Q: Why I cannot input logon password and verification code?

A: As this is your first time logon that your computer has not yet installed ActiveX control. Please refer to section 3 「First time access to the internet banking」 and follow the steps.

5). Q: Why Token card coordinate prompt [system error, please contact...]?

A: When token card coordinates shows, please input the coordinate value within 90 seconds or the input will be invalid. If the number of input errors/invalids accumulated up to 5 times, your token card will be temporarily barred until the next day. If up to 10 times still not correct, it will become permanently frozen. You may have to visit our branch to apply for a new token card.
