The Netherlands	Royal Delft	Sightseeing	2017-07-01 To 2017-12-15	All UnionPay Cards starting with 62	As a thank you for purchasing with your UnionPay card, we would like to offer you, a valued customer of Royal Delft and UnionPay, a special Royal Delft tile as a gift. This offer is valid until the 15th of December 2017. These tiles are quintessentially Dutch and traditionally these tiles were hung around the fireplace in Dutch townhouses. Besides this very practical use the tiles were also often used to decorate a room by hanging them on the wall. The tiles would show a collection of various decorations ranging from children's games to landscapes, and from food to cityscapes. Another popular theme was the flower, as shown on your tile. These tiles were often made with a multicoloured technique called polychrome instead of the world famous Delft Blue. These are two techniques we still use to this very day to decorate the Royal Delft earthenware.
