Other terms not included in the documents listed above may also be implied by New Zealand law.

1.2 These Terms and Conditions are subject to any specific terms set out in your Loan Agreement or Security documents (which will override the relevant part of these Terms and Conditions if they conflict with them). You agree to be bound by these Terms and Conditions and any other terms which apply to your Loan when you sign your Loan Agreement.

1.3 The terms and conditions governing your general banking relationship with us, including the operation of your Specified Account and other banking services we provide to you, are set out in the General Terms. If there is any conflict between any part of the General Terms and these Terms and Conditions, these Terms and Conditions will apply.

 - (i) the rate per annum (expressed on a percentage yield basis and rounded up to the nearest four decimal places) determined by us on the Quotation Day to be the bank bill reference rate (bid) administered by the New Zealand Financial Markets Association (or any other person who takes over administration of such rate) for a tenor of, or of about, that Interest Period as displayed at the Specified Time on that day on page BKBM (or its successor page) of the Reuters Monitor Screen; or
 - (ii) if no such rate is displayed or the basis on which the rate is calculated or displayed is changed and in our opinion (after consultation with you) it ceases to reflect our cost of funding to the same extent as at the date of your Loan Agreement, then BKBM will be the Reference Rate.

- (k) if an Interest Period would otherwise end on a day which is not a Business Day, that Interest Period is to be extended to end on the next Business Day, unless the result of that extension would be to carry the Interest Period over into the next calendar month, in which event it is to expire on the immediately preceding Business Day;
- (l) if you fail to nominate the length of an Interest Period, we shall determine its length and that determination will be binding on you; and
- (m) if an Interest Period would extend beyond the relevant Term, it shall be shortened so that it ends on the last day of the Term.

"Revolving Loan" means, if your Loan Agreement describes your Loan as a Revolving Loan, your loan or, as the context requires, the outstanding balance under your Revolving Loan at any time.

3. CHANGES TO THE TERMS OF YOUR LOAN

We may change these Terms and Conditions or any other term applying to your Loan at any time without having to obtain your agreement, by giving 14 days' prior notice of the change to you.

Unless stated elsewhere in your Loan Documents, changes will not however be made to any Interest Rate, the Loan Amount or Credit Limit, the timing for payment of any amounts payable to us or the Term of any Loan, unless made by agreement between us and you.

4. CONDITIONS PRECEDENT

Your Loan shall be available if we have received (in form and substance satisfactory to us):

- (aa) a signed copy of each Loan Document;
- (ab) any certificates from authorised persons and/or your solicitors that we request;
- (ac) payment of all fees and costs;
- (ad) evidence that all of our insurance requirements have been met; and
- (ae) evidence that any other conditions set out in the Loan Agreement or any related document have been met.

5. PROCEDURE FOR BORROWING

Unless otherwise specified in these Terms and Conditions or in your Loan Agreement, you may request that your Loan (or, if your Loan Agreement allows for progressive drawdowns, an advance under your Loan) is drawn down on any Business Day and in the amounts you request, as long as we are satisfied that no Event of Default is continuing or is likely to occur.

Unless your Loan Agreement specifies when your Loan must be drawn down, you must give us written notice of the date on which you want to borrow your Loan and in what amount before 10:00 am on the proposed drawdown date (or where the Loan is in a currency other than New Zealand currency, two Business Days prior to the proposed drawdown date) and your nominated bank account or solicitor's trust account for deposit.

If your Loan Agreement states that your Loan must be drawn down on a specified date (or dates) and your Loan is not drawn down on such date(s), this will constitute a breach of the Loan Documents and will also entitle us to recover our costs under clause 25 (Indemnities).

Unless your Loan Agreement provides otherwise, you may only borrow your Loan in one lump sum. This does not apply to any Construction Loan or Revolving Loan, which may be drawn down in stages.

For Loans other than Revolving Loans, any amount borrowed must not exceed your Loan Amount when added to all principal amounts outstanding under the same Loan.

If your Loan is a Revolving Loan, then notwithstanding the above and subject to any restrictions in your Loan Agreement, you may draw down the Loan at any time and in any amounts by any method we authorise, provided always that:

- (af) any amount borrowed under your Revolving Loan must not exceed your Credit Limit when added to all Drawings outstanding under your Revolving Loan;
- (ag) no Event of Default is continuing;
- (ah) the maximum aggregate number of Drawings outstanding at any one time during the Term shall be 10 unless we, in our absolute discretion, agree in writing otherwise; and
- (ai) the Drawing is:
 - (i) for an amount of not less than \$50,000 or (if less) the maximum amount you are permitted to borrow under (a) above; and
 - (ii) an integral multiple of \$50,000 or the maximum amount you are permitted to borrow under (a) above (as applicable).

6. INSURANCE

Your Loan Agreement and any Mortgage or other Security document will specify what insurance is required. You must keep all insurance in place until you have repaid the Loan and all other Amounts Owing. If we ask for it, you must give us a copy of your certificate of insurance. If we require it, the proceeds of any insurance claim must be used to repay the Amounts Owing. We may ask the insurance company to pay any proceeds directly to us.

7. TYPES OF LOANS

The type of commercial Loan you have will be specified in your Loan Agreement. Loan types are described below. Your Loan may be a combination of these types.

Fixed Rate Loans

Loans where the Interest Rate is fixed for a defined period. On the expiry of that period, the Interest Rate will automatically change to a Variable Interest Rate, unless you arrange otherwise with us. The period during which the Interest Rate is fixed is noted in your Loan Agreement.

Variable Rate Loans

Loans which are subject to our Variable Interest Rate noted in your Loan Agreement.

Amortising Loans

If your Loan Agreement specifies that your Loan is an amortising loan, the Loan Amount shall reduce on each date and by the amounts specified in your Loan Agreement.

Term Loans

Under a Term Loan, you must draw down your Loan in one lump sum, and (if your Loan is an amortising loan) make fixed, regular repayments of principal together with payments of interest on the outstanding balance or (if your Loan is a non-amortising loan) make fixed, regular repayments of interest on the outstanding balance and repay principal in one lump sum on the last day of the Term. Under a Term Loan, amounts repaid cannot be reborrowed.

Revolving Loans

Under a Revolving Loan amounts can be repaid and reborrowed at any time (subject to complying with the procedure for borrowing set out in clause 5). Interest in respect of your Loan (or any part thereof) shall be debited to your Specified Account on each Interest Payment Date. Fixed Interest Rates are not available on a Revolving Loan.

Construction Loans

When you borrow a Construction Loan, your Loan Agreement may specify some additional conditions.

8. PAYMENTS

If your Loan is amortising, payments of principal and interest must be made in the amounts and on the dates specified in your Loan Agreement.

If your Loan is not amortising, you must make regular payments of interest calculated in accordance with your Loan Agreement on each Interest Payment Date. You shall repay each Drawing in cleared funds by no later than 2.00 pm on the last day of the Interest Period for the Drawing.

For all Loans, all Amounts Owing must be paid in full on the last day of the Term.

Except where your Loan is specified in your Loan Agreement as a Revolving Loan (or your Loan Agreement specifies otherwise), amounts repaid or prepaid in respect of a Loan cannot be reborrowed.

9. INTEREST

Interest on your Loan will accrue daily on the outstanding balance of your Loan at the Interest Rate. It will be calculated on the basis of a year of 365 days or 360 days (depending on the practice of the relevant interbank market applicable to the currency of your Loan) and the actual number of days elapsed.

Interest is payable on each Interest Payment Date, with a final payment due on the last day of the Interest Period.

On each Interest Payment Date, interest otherwise due and payable may, upon your request and at our sole discretion, be capitalised to the Loan and shall itself bear interest, on the basis that the amount of capitalised interest is deemed to be an additional amount borrowed under your Loan.

Fixed Interest Rates

If your Loan is subject to a fixed Interest Rate, the initial period during which the fixed Interest Rate will stay the same will be specified in your Loan Agreement. The fixed rate which applies to your Loan will not change during the Fixed Rate Period (unless you fail to pay any amount to us when it is due, in which case default interest will be payable).

If you do not make alternative arrangements with us at least two Business Days before the end of the Fixed Rate Period, we will review your Interest Rate and may change it to a Variable Interest Rate (which may be higher than the Interest Rate which applied to your Loan during the Fixed Rate Period) when the Fixed Rate Period ends.

Variable Interest Rates

If your Loan is subject to a Variable Interest Rate, you will be advised of the Margin and the applicable Base Rate when we offer the Loan to you (or when your Loan becomes subject to a Variable Interest Rate (as the case may be)).

If you have a Construction Loan, it will automatically be subject to a Variable Interest Rate with principal and interest payable at the end of the interest only period, unless you request otherwise.

Progressive draw down

Where your Loan Agreement provides that you can draw down your Loan (or part of your Loan) progressively (that is, in stages rather than in one lump sum):

- (a) interest will be calculated on each Drawing and payable on each Interest Payment Date; and
- (b) at the end of the interest only period, you will continue to make regular interest payments and will further be required to make principal repayments in the amounts and dates specified in your Loan Agreement. The regular principal repayments specified in your Loan Agreement may be adjusted to reflect the actual amounts drawn down under your Loan, following consultation with you.

If you have a fixed rate Loan or a Term Loan then you may not draw down your Loan progressively.

10. MARKET DISRUPTION

Determination of rate

If the Base Rate for an Interest Period is to be determined by reference to the Reference Banks, but a Reference Bank does not supply a quotation by the Specified Time on the relevant Quotation Day for the relevant Interest Period, we will calculate the applicable Base Rate on the basis of the quotations received from the remaining Reference Banks.

Subject to any substitute basis for determining the rate of interest agreed under this clause 10, if we determine that a Market Disruption Event has occurred in relation to a Drawing for any Interest Period, then we shall promptly notify you, and the Interest Rate on that Drawing for the Interest Period shall be the rate per annum which is the sum (rounded up to the nearest four decimal places) of:

- (aj) the applicable Margin; and

- (ak) the rate notified by us as soon as practicable and in any event no later than the Business Day before interest is due to be paid in respect of that Interest Period, to be that which expresses as a percentage rate per annum to be our cost of funding that Drawing from whatever source or sources we may reasonably select.

We shall determine the rate so notified in good faith.

Alternative basis of interest or funding

If a Market Disruption Event occurs and you or we so require, we shall enter into negotiations with you (for a period of not more than 30 days) with a view to agreeing a substitute basis for determining the applicable Interest Rate. Any substitute basis so agreed shall only apply with your and our prior consent. In the event that no substitute basis is agreed at the end of the 30 day period, then the applicable Interest Rate shall continue to be determined in accordance with this clause 10.

Confidentiality:

- (al) Subject to sub-clause (b) below, you shall (and shall ensure that your officers and employees shall) keep confidential and not disclose to any other person any information described in, or arising from any negotiations under this clause 10.
- (am) However, you or your officers or employees may disclose such information:
- (i) to the extent required by any applicable law or regulation or listing rules;
 - (ii) to your directors, employees or contractors who need to know the information for the purpose of your Loan Agreement, or your professional advisers for a proper purpose, provided that you ensure that each such person to whom you disclose such information complies with the restrictions in this clause 10 as if such person were a party to your Loan Agreement; or
 - (iii) to the extent you reasonably deem necessary in connection with any actual or contemplated proceedings or a claim with respect to this clause 10.

11. HOW TO MAKE PAYMENTS

All Amounts Owing under your Loan will be deducted by direct debit from your Specified Account at the relevant due date for payment, or may be paid by any other method that we have confirmed is acceptable to us. Without prejudice to clause 23 (Set-off), if any Loan Document so provides, or if you have not made any payment on its due date, then we may debit any amount due to us from any account that you hold with us.

Where a Loan Document does not specify the date for payment of any amount, it will be payable on demand. You authorise us to deduct from your Specified Account all amounts required to be paid to us at the relevant due date for payment.

All payments are to be made in cleared funds without set-off or counter claim and free of any deduction or withholding, except to the extent required by law. If you or we are legally obliged to deduct or withhold an amount from any payment due to be paid to us under the Loan Documents, then that payment will be

increased so that we receive and retain, free from liability, a net amount equal to the amount that we would have received and retained if no deduction or withholding had been made.

Payments received by us will go towards payment of outstanding fees and costs under the Loan Documents and/or the General Terms, then towards interest and then towards payment of principal and other Amounts Owing (though we may change this order at our discretion).

If an amount is due on a day which is not a Business Day, you agree to pay it to us on the next Business Day unless the next Business Day falls in the following calendar month, in which case you agree to pay it to us on the previous Business Day. If applicable, any amount due will be adjusted accordingly.

12. EARLY REPAYMENT

Procedure for early repayment

You may prepay your Loan in full, or in part (in an amount of \$5,000 or higher) if you have given us at least 10 Business Days' irrevocable notice in writing of the date and amount of that prepayment. You will also have to pay any interest owing on the amount prepaid and may have to pay Break Costs and an administration fee.

If you are considering making an early repayment, we recommend that you contact us for details of any Break Costs and other fees which may be payable.

You may also be required to pay Break Costs and an administration fee on the same basis as if you have prepaid your Loan if you change your Loan to a different type of Loan or to a different type of Interest Rate.

Break Costs

You shall pay to us our Break Costs attributable to all or any part of your Loan or any sum due and payable but unpaid by you under the Loan Documents ("**Unpaid Sum**") being paid by you on a day other than the applicable due date or the last day of the applicable Default Interest Period for that Unpaid Sum.

Any Break Costs will be payable on the date that the full or part prepayment takes place or when you change your Loan to a different type of Loan or to a different type of Interest Rate. You may also have to pay our administrative costs arising from the early repayment.

Break Costs are an amount payable in lieu of interest which would otherwise have been paid.

13. REPRESENTATION AND WARRANTIES

At all times, you represent and warrant to us (by reference to the facts and circumstances at the relevant time) that:

- (a) (if you are a company or other corporate body) you are a legal entity validly existing under the laws of your jurisdiction of incorporation, capable of suing and being sued, and have the power and authority to own your assets and carry on your business as it is being conducted;

- (j) no action or step has been taken or legal proceedings been started or (to the best of your knowledge and belief) threatened to adjudicate you bankrupt or for your liquidation, dissolution or reorganisation, or for the appointment of a receiver, manager, receiver and manager, inspector, trustee, statutory manager, administrator or similar officer in respect of you or any of your assets;
- (k) you are solvent and are able to pay your debts as they become due in the normal course of business;
- (l) all information, including accounts and other financial information, provided by you or on your behalf, to us in connection with the Loan Documents is true, complete and accurate in all material respects and has, in the case of financial information, been prepared in accordance with GAAP and gives a true and fair view of your financial condition and operations for the period to which it relates;
- (m) you are not aware of any material facts or circumstances which have not been disclosed to us and which could affect our decision to provide the Loan to you;

- (n) you are, and at all times will be, the sole legal and (unless you are acting as a trustee of a trust disclosed in writing to us) beneficial owner of all of your assets and no security interest exists over any of your assets (except as expressly permitted by these Terms and Conditions or with our prior written consent); and

14. COVENANTS

You covenant with and undertake to us that you will (and in the case of a company or limited partnership, will ensure that any subsidiary will):

This clause does not prejudice your obligations under clause 15(d) (Negative covenants).

15. NEGATIVE COVENANTS

You will not (and in the case of a company or limited partnership, will ensure that any subsidiary will not) without our prior written consent:

- (a) create or allow to be created or permit to exist any security interest over any property in which you have rights (whether now or in the future) except:
- (i) any security interest created in our favour;
 - (ii) a lien or charge arising by operation of law; or
 - (iii) any purchase money security interest (as that term is defined in the Personal Property Securities Act 1999) in goods arising only because of the normal trade terms of the supplier of those goods,

 - (c) dispose of or agree to dispose of any material part of your assets, other than in the ordinary course of business on normal commercial terms and at arm's length, and otherwise in accordance with the Loan Documents;
 - (d) make any changes in any of your constitutive documents, other than an administrative or technical change;
 - (e) lend or provide any financial accommodation to, give any guarantee in respect of, take on any debt of or provide any financial assistance to, any person;
 - (f) incur any debt relating to financial accommodation unless that debt is subordinated to our satisfaction, or incur any other debt unless it is incurred in the ordinary course of business on normal commercial terms and at arm's length;
 - (g) (if you are a company or other corporate body) acquire your own shares, issue shares redeemable at the option of the holder of the shares or on a date specified in your constitutive documents or exercise any option to redeem your shares;

 - (i) (if you are a company or other corporate body) amalgamate with any other company or corporate body;

 - (m) change your name, address, fax number or email address without first giving us 10 Business Days' written notice of what your new name, address, fax number or email address will be.

16. TRUSTEES

16.1 If you have entered into the Loan Documents in your capacity as the trustee of a trust, the provisions of this clause 16 (Trustees) apply.

16.2 You represent and warrant that:

- (a) the person(s) named in the Loan Documents as trustee(s) of the trust is the sole trustee/are all of the trustees of the trust, and have been validly appointed and have the power and authority to hold the trust assets and carry on the trust's business;
- (b) you have the power under the trust deed, and have been duly authorised, to enter into the Loan Documents and transactions under them;
- (c) if we request, you will provide us with a copy of the trust deed constituting the trust and all other documents setting out the terms applying to the trust;
- (d) you have the right to be fully indemnified out of the trust assets in priority to the beneficiaries in respect of all of your obligations under the Loan Documents, and we are entitled to be subrogated to that right;
- (e) at the date of the Loan Agreement, the trust assets are (or will be) sufficient to satisfy all obligations in which you have a right of indemnity (including your obligations under the Loan Documents);
- (f) you are not in breach of the terms of the trust deed;
- (g) no action has been taken or proposed to wind-up, terminate or liquidate the trust;
- (h) no distribution or event for vesting of trust assets has been made or has occurred without our prior written consent;

- (k) our rights under the Loan Documents rank in priority to the interests of the beneficiaries of the trust.

16.3 You will:

- (b) not permit any restriction, limitation, set-off, counterclaim or other defence to or against:
 - (i) your rights of indemnity out of the trust assets;
 - (ii) any right of indemnity that may arise in your favour from a beneficiary; or
 - (iii) our right of subrogation to either indemnity referred to above; and
- (c) not repay any debt owing to any settlor or to any beneficiary of the trust.

- 16.4 If any Loan Document acknowledges that you do not have any interest or right in the assets of the trust (including as beneficiary), other than as a trustee, then your liability to us under the Loan Documents will be limited to the value of the trust assets that are available to meet your liability, unless we cannot recover Amounts Owing from the trust assets because any representation or warranty set out above is not correct, or because of dishonest, wilful default or misconduct by you in respect of any Loan Document. In this case ("**exceptional circumstances**"), the limitation of liability will not apply and you will be liable to us from your personal assets for the amount that we would have been able to recover from trust assets if the exceptional circumstances did not apply.
- 16.5 You will remain liable under each Loan Document to which you are party after you cease to be a trustee until we provide you with a release in writing. We will release you from your liabilities under a Loan Document when we are satisfied that section 45(2) of the Trustee Act 1956 has been complied with and that all new and remaining trustees are liable under that Loan Document.

 - (b) upon our request and in accordance with the terms of that request, require payment of any unpaid capital contribution;

- (h) not enter into a transaction, whether contingent or not, which has the effect of the limited partnership acquiring rights, interests or assets or incurring obligations or liabilities, including contingent liabilities, or disposing of assets the value of which is more than half the value of the limited partnership's assets before the transaction; and
- (i) not form or acquire a subsidiary.

18. PARTNERSHIPS

If you have entered into the Loan Documents as a partner of a partnership, you acknowledge and agree that:

- (b) as well as being jointly liable, you are individually liable for all obligations of the partnership under the Loan Documents, so that we may have recourse to your personal assets on the same basis as any other personal creditor.

19. EVENTS OF DEFAULT

- (o) any debt owed by you to any person is not paid when due or is declared (or is capable of being declared) due and payable or is placed on demand before its maturity because of any default (however described), or any security interest provided in respect of any such debt becomes enforceable by the relevant creditor;
- (p) (if you enter into the Loan Documents as a trustee of a trust):

- (s) any event which has a similar effect to any of the above events occurs under the law of any place outside New Zealand.

Your Loan Documents may describe other events (which may be described as 'events of default' or similar) in addition to the above which will allow us to require early repayment of the Loan or to exercise our other rights under the Loan Documents or at law.

20. DEFAULT INTEREST AND FEES

If you fail to pay any amount under the Loan Documents when it is due we will charge you interest at the Default Rate on the overdue amount from the due date until the overdue amount is fully repaid (before and after judgment). Default interest will accrue daily and be calculated by reference to successive periods of such length as we determine (each a "**Default Interest Period**"). Default interest will be debited from the Specified Account or any other account you hold with us on the last day of each Default Interest Period. We may also from time to time (at our discretion) add any default interest due but unpaid to the principal amount of your Loan.

We may also charge you a default fee if any Event of Default arises.

21. FEES AND COSTS

Fees and charges applicable to your Loan will be deducted from your Specified Account (or paid in such other manner which we confirm is acceptable to us).

If we incur any costs in connection with the Loan Documents, you agree to reimburse us for those costs on demand. We may deduct those costs from your Specified Account or any other account. If we make any such deduction, we will give you written notice that we have done so (but any failure to do so will not relieve you of your obligation to pay our costs).

22. INVESTIGATOR

If we believe that you might be in default under the Loan Documents, we may appoint an Investigator. The Investigator will have the power to investigate and enquire into your business, financial condition and operations. You agree to cooperate with the Investigator and comply with their reasonable requests. You also agree to pay the costs to us of appointing an Investigator and the costs of their investigation. We may appoint more than one Investigator in which case the appointment will be joint or several. Each Investigator will be your agent and you will be responsible for their acts and defaults.

23. SET-OFF

23.1 We may at any time, without notice to you, set-off against amounts we owe to you (regardless of the terms on which such amounts are owing or the currency of such amounts) any unpaid amount you may owe us under the Loan Documents, and may debit any account you have with us in order to effect such set-off. We may exercise this right even if the amount debited takes the debit balance over any approved limit, in which case we may charge interest and fees on the new debit balance. We may undertake any currency exchanges that we consider necessary to effect such set-off at your cost in accordance with our usual practice, and may also break any term deposit. If any amount is contingently due to us or is not quantified, we may retain and withhold repayment of any amounts owing by us to you until the relevant amount becomes due and/or quantified and is paid.

23.2 The rights in this clause 23 (Set-off) are contractual rights and do not create any security interest for the purposes of the Personal Property Securities Act 1999, nor do they affect any other right of set-off, combination of accounts, lien or other right to which we are entitled, whether by law or contract.

24. CHANGE IN CIRCUMSTANCES

24.1 If at any time we determine that it will become unlawful or contrary to any directive to make available, fund or continue to provide your Loan, or to perform any of our obligations or exercise any of our rights under the Loan Documents, we will notify you and your Loan will be cancelled. You must then repay all Amounts Owing on the date we specify in the notice.

24.2 If as a result of any new law or directive or any change to an existing law or directive or to the interpretation of any law or directive:

- (a) the cost to us of making the Loan available to you or continuing to provide the Loan, or of performing our obligations or exercising our rights under the Loan Documents, is increased;

- (b) any amount received or receivable by us under any Loan Document is reduced (except on account of tax on our overall income); or
- (c) we make any payment (except for tax on our overall income) or forgo any return on, or calculated by reference to, any amount received or receivable by us under any Loan Document,

(including any diminished yield to us arising from any imposition of, or change in, any capital adequacy, risk weighting, reserve asset or similar requirement) we will notify you and you will be required to indemnify us against such increased cost, reduced return, payment made or forgone return by paying us on demand the amount that we advise is required to indemnify us.

25. INDEMNITIES

You irrevocably agree to indemnify us (and any receiver appointed) on demand (by paying us or any receiver, as applicable, the amount required to compensate us or the receiver for the relevant costs) against:

- (a) all costs incurred by us due to all or any part of your Loan not being advanced on the required day (except through our fault);
- (b) all costs incurred by us due to the occurrence of an Event of Default;
- (c) all costs incurred by us or any receiver due to any failure by you to comply with any environmental law, or any obligation under any environmental law being imposed on us, or if we or any receiver has to act to ensure that you comply with any environmental law;
- (d) all costs incurred by us or any receiver enforcing or protecting (or considering or attempting to enforce or protect) our rights under any Loan Document or law;
- (e) all costs incurred by us or any receiver in connection with any claim against us or a receiver relating to any of your assets;
- (f) all costs incurred by us in connection with preparing, negotiating, executing, registering, changing, releasing and/or replacing any Loan Document;
- (g) all costs incurred by us in converting any payment received by us in a currency other than the currency in which it is due, into the relevant currency; and
- (h) all stamp duty, registration costs and other taxes that apply to a Loan Document or any payment under a Loan Document.

You may ask us to show you the personal information we hold about you and request any personal information to be corrected. You must promptly inform us of any changes in your personal details.

If we are asked to provide personal information about you to another person, we will only do so in accordance with these Terms and Conditions, with your prior consent or as required by law.

- (m) your use of electronic banking.

27. ASSIGNMENT

We may assign or transfer our rights and obligations under the Loan Documents to any other person and may disclose personal information about you to a potential assignee or transferee. In the event of any assignment or transfer by us, you irrevocably undertake to us to do all such acts and to execute all agreements as we may reasonably require to effect or perfect such assignment or transfer.

You are not permitted to assign or transfer your rights or obligations under the Loan Documents unless we agree in writing.

Please advise us if you are located outside New Zealand or are not entitled to be permanently resident in New Zealand.
