WHO WE ARE

Background

The Bank was incorporated on 26 August 1969 and obtained a license from the Ministry of Finance to undertake finance and securities business on 26 October 1973 and listed on the Stock Exchange of Thailand on 22 November 1978. On 24 December 2004, the Ministry of Finance approved the merger of Asia Credit

Public Company Limited and Bualuang Finance Company Limited to establish a new commercial bank. The Company commenced its commercial banking operations under the name “ACL Bank Public Company Limited” on 23 December 2005.

On 26 February 2010, the Ministry of Finance granted a waiver to the Bank, thereby allowing the Industrial and Commercial Bank of China Limited or ICBC, a foreign bank established in P.R. China, to hold more than 49% of the Bank's total issued shares through ICBC's tender offer. ICBC, made a voluntary tender offer for all shares of the Bank during the period of 9 March 2010 to 16 April 2010. Through the said tender offer, ICBC acquired 97.24% of the total issued shares of the Bank. As a result, ICBC became the Bank's major shareholder when the first tender offer was completed on 21 April 2010. The Bank consequently changed its name from "ACL BANK Public Company Limited" to "Industrial and Commercial Bank of China (Thai) Public Company Limited - ICBC (Thai)" on 8 July 2010.
