Remarks: Annualised Percentage Rate (APR) 1.76% is calculated based on loan size HK\$1,000,000, monthly flat rate 0.085% and 6-month repayment tenor, the above example is for reference only. The Annualised Percentage Rate is calculated according to the Code of Banking Practice. The annualised percentage rate is a reference rate which includes the basic interest rate and other fees and charges of a product expressed as an annualised rate. Above monthly flat rate is exclusively for civil servant and existing banking customer, please refer to promotion material for more detail. The final result is subject to the loan size and credit status. The above mentioned offer is subject to terms and conditions, please contact our Bank staff for enquiry.

[#] The monthly flat rate listed above is for reference purpose only; the final result is subject to the credit status and information/ documents submitted by the applicant.

Promotion Period: From now till 31 March 2017
