# Enjoy **15% off** for Healtown Kids healthy posture desk & chair sets

- K15 Chair is designed in line with the ergonomic theories and are recommended by Shenzhen Association of Ergonomics Application. Sitting height adjustment scope for 35 - 47 cm, with shell-shaped back which helps to standardize children's sitting posture and support their back upright. The stress-reducing armrests could decentralize the pressure of the forearms to relieve muscle fatigue.
- The desks are made of natural and environment-friendly solid wood, which is healthy and free of formaldehyde, waterproof and moisture proof. Coupled with carbon steel legs, the desks are strong and durable.
- The heights of the chair and both desks can be adjusted, suitable for children aged 3-18 years old. Pink set or pinkish blue set are available for customer's choice.

The following ergonomic desks serve the function of precise angle adjustment:

0-15°writing

20-30°reading

50-70°drawing
