The Bank may transfer any amount(s) from any or all of the customer's account(s) (of any nature and whether the amount(s) is/are matured or not) to his/her Financing Account; and sell/redeem all of the collaterals which have been pledged for the facility and apply the proceeds from the sale/redemption after deducting all reasonable expenses to repay any amounts owing to the Bank by the customer in the order as reasonably adopted by the Bank without prior notice. If any Event of Default occurs, the Bank may cancel any outstanding instructions or terminate any contracts in relation to the customer's Financing Account without legal liability.
