

Owner securities account agreement No. _____

Moscow

_____, 20__

Bank ICBC (joint-stock company), organized and existing under the laws of the Russian Federation, having a professional security market participant license for depository activities No 045-13992-000100 of August 18, 2016 issued by the Central Bank of the Russian Federation hereafter referred to as the Depository represented by _____, acting under _____, on the one part; and _____, hereafter referred to as the Depositor represented by _____, acting under _____, on the other part hereafter jointly referred to as the Parties, have entered into this owner securities account agreement (hereafter the Agreement) to the following effect:

1. Subject of the Agreement

1.1. Under the Agreement the Depository assumes the obligation to provide to the Depositor securities certificates safe deposit services, services for registration and verification of rights to securities belonging to the Depositor on the basis of the right of ownership or any other proprietary right, by opening and maintaining by the Depository of an owner securities account (hereafter - securities account), performing transactions on this securities account as well as services facilitating the exercise by the Depositor of the rights attached to its securities in accordance with the procedure established in the Terms of Depository Activities by Bank ICBC (JSC) (hereafter the Terms and Conditions) being an integral part of this Agreement.

The list of securities for which the Depository provides its services to the Depositor is determined under the Terms and Conditions.

The method of registration for each type of the Depositor's securities shall be determined under the Terms and Conditions.

1.2. The Depository shall open subaccounts for the Depositor within the Depositor's securities accounts in the event of performance by the Depositor of respective securities account transactions in accordance with the Terms and Conditions and the legislation of the Russian Federation.

1.3. The Depository shall maintain securities accounts and other accounts by making and keeping records on such accounts as regards securities reconciliation of the said records and the information in documents it receives.

2. The Depository shall:

2.1. No later than the next business day upon provision by the Depositor of the documents required under the Terms and Conditions and the conclusion of this Agreement, open and maintain a securities account(s) of the Depositor to record the securities transactions of the Depositor with indication of the date and basis for each transaction on the account.

2.2. Perform all depository transactions with the securities of which the certificates are kept and/or the rights in which are recorded in the Depositor's securities accounts in the order and within the timeframe established under the Terms and Conditions. Performance of such

transactions should not result in violation of provisions of the Terms and Conditions requirements of the legislation of the Russian Federation or of regulation of the Bank of Russia.

2.3. Refrain from performance of any transaction with the securities kept in the form of certificates and/or registered at the securities accounts without an order of the Depositor. In cases provided for under the Terms and Conditions, depository transactions shall be performed upon an initiative of the Depository's officials or the issuer or the registrar of security holders (hereinafter the registrar). In cases provided for under laws and regulations of the Russian Federation, depository transactions shall be performed upon the initiative of governmental bodies.

2.4. Make records on the Depositor's securities accounts only subject to documents which constitute grounds for such Transactions under the Terms and Conditions.

2.5. Register any encumbrance of the Depositor's securities in the order provided for under the Terms and Conditions.

2.6. Modify the Depositor's securities accounts in relation to conversion, distribution of additional securities among the owners, cancellation (redemption), split, consolidation of securities, consolidation of additional issues of issue-grade securities, cancellation of individual numbers (codes) of additional issues of issue-grade securities, other global transactions.

2.7. Provide to the Depositor reports on transactions performed with the Depositor's securities which are kept and/or the rights in which are registered by the Depository. The procedure and the forms of such reports by the Depository to the Depositor are provided in the Terms and Conditions. The balance and the securities account transactions performed shall be deemed confirmed if the Depositor makes no claims to the Depository within 5 (five) days after the transaction in the Depositor's securities account.

2.8. Act as nominee holder of the Depositor's securities in the Depositor's securities registry system or in a different Depository unless otherwise provided under legislative and other regulatory acts.

2.9. Ensure transfer of information and documents necessary to exercise the rights in the securities from issuers, correspondent depositories or registrars to the Depositor and from the Depositor to issuers, correspondent depositories or registrars in the order and within the time frame established by the issuers, registrars, correspondent depositories.

2.10. Ensure confidentiality of information on the Depositor's securities accounts, transactions on the Depositor's securities accounts and other information on the Depositor that the Depository may come to know in the course of depository activities.

2.11. Refrain from provision to any third parties except in cases and to the extent determined under the Terms and Conditions and laws and regulations of the Russian Federation of any information on the Depositor, its securities registered at the securities accounts and on transactions within such accounts.

2.12. Refrain from using information on the Depositor and its securities accounts for actions that harm or may harm the lawful rights and interests of the Depositor.

2.13. In the event that the issuer draws up any securities owners lists, transfer to the registrar or the correspondent depository all information on the Depositor and its securities necessary for the exercise of owners' rights: receipt of securities yield, participation in shareholders' general meetings and other rights.

2.14. Receive the yield due to the Depositor from the securities registered in the Depositor's securities accounts.

2.15. Upon the Depositor's request as well as in the event of termination of this Agreement, including due to termination of the Depository, deliver to the Depositor the securities registered in the securities accounts by:

- 1) reregistration of the securities in the name of the Depositor in the securities owners register or in any other depository specified by the Depositor;
- 2) return of securities certificates to the Depositor or their transfer to any other depository specified by the Depositor.

The transfer of the Depositor's securities to the depository specified by the Depositor shall not be performed if that depository specified by the Depositor cannot not service that particular securities issue under the legislation of the Russian Federation.

2.16. Compensate the Depositor any losses caused through non-performance or improper performance by the Depository of its obligations on safekeeping of securities certificates and/or registration of securities rights as well as in the event of improper performance of other obligations under the Terms and Conditions, unless the Depository proves that the losses were due to force majeure circumstances, willful intent or negligence of the Depositor or through unclear, incomplete or inaccurate orders of the Depositor.

2.17. In the event of receipt of official documents on the arrest of the Depositor's securities, inform the Depository of the arrest in writing within 2 (two) business days from the receipt of the respective documents at any address specified in the Depositor's information card.

3. The Depositor shall:

3.1. For the execution of the Agreement, provide to the Depository a package of documents in accordance with the requirements specified in the Terms and Conditions.

3.2. Comply with the requirements of the Terms and Conditions, the legislation of the Russian Federation and regulations of the Bank of Russia.

3.3. Use the securities accounts only for safekeeping of securities certificates and/or registration and verification of rights to the securities belonging to it on the basis of the right of ownership or any other proprietary right.

3.4. Confirm as of January 01 of every year the balance of securities in the Depositor's securities accounts based on the account statement from the Depository.

3.5. Provide the Depository no later than 5 (five) business days from the date of the occurrence of an event about the modification of data required to be entered into the Depositor's questionnaire in accordance with the Terms and Conditions as well as other information of significant importance for the performance by the Depository of its obligations to the Depositor under this Agreement. Not later than the deadline specified in the request of the Depository, provide copies of balance sheets, other documents and information specified in the request of the Depository.

3.6. Upon the Depository's request motivated by the registrar's, correspondent depository's respective request provide powers of attorney, documents and other information executed in accordance with the issuer's, registrar's, correspondent depository's requirements as may be necessary under the requirements of the legislation of the Russian Federation.

3.7. If it becomes necessary to conduct any events aimed at the implementation of the issuer's corporate activities in relation to the issued securities belonging to the Depositor, comply strictly with the issuer's directions transmitted by the Depository.

3.8. Pay for the Depository's services in full and within timeframe established by the Terms and Conditions in accordance with the tariffs of Bank ICBC (JSC) for the depository activities.

4. The Rights of the Depository

4.1. The Depository may:
