The following (other than the italicised text) is the text of the terms and conditions of the Capital Securities.

The U.S.\$ 2,536,000,000 4.90 per cent. Non-Cumulative Subordinated Additional Tier 1 Capital Securities (the “Capital Securities”) of Industrial and Commercial Bank of China (Asia) Limited (the “Issuer”) became effective on 21 March 2018 (the “Settlement Date”) were authorised by the board of directors of the Issuer on 26 January 2018. In these terms and conditions of the Capital Securities (the “Conditions”), references to the “Fiscal Agent”, the “Paying Agent” (which expression shall include the Fiscal Agent), the “Registrar”, the “Transfer Agent” and the “Calculation Agent” (and “Agents” shall mean any of the Fiscal Agent, Paying Agent, Registrar, Transfer Agent and Calculation Agent and any other agent or agents appointed from time to time with respect to the Capital Securities) shall initially mean the Issuer and/or such other fiscal agent, paying agent, registrar, transfer agent or calculation agent as may be appointed from time to time by the Issuer in respect of the Capital Securities. Any reference to “Securityholders” or “holders” in relation to any Capital Securities shall mean the persons in whose name the Capital Securities are registered.

1 FORM, DENOMINATION AND TITLE

The Capital Securities are issued in registered form in denominations of U.S.\$200,000 each and integral multiples of U.S.\$ 1,000 in excess thereof (referred to as the “principal amount” of a Capital Security). The principal amount of a Capital Security is subject to adjustment following the occurrence of a Non-Viability Event (as defined in Condition 6) in accordance with Condition 6 and/or the exercise of any Hong Kong Resolution Authority Power (as defined in Condition 7) in accordance with Condition 7 and references in the Conditions to the “principal amount” of a Capital Security shall mean the principal amount of a Capital Security as so adjusted. A certificate (each a “Certificate”) will be issued to each Securityholder in respect of its registered holding of Capital Securities. Each Certificate will be numbered serially with an identifying number which will be recorded on the relevant Certificate and in the register of Securityholders (the “Register”) which the Issuer will procure to be kept by the Registrar and at the office of the Issuer.

Title to the Capital Securities will pass upon registration of transfers in the Register. The Issuer and the Agents will (except as otherwise required by law) deem and treat the registered holder of any Capital Security as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes.

2 TRANSFERS OF THE CAPITAL SECURITIES

2.1 Transfers of interests in Capital Securities

One or more Capital Securities may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Certificate representing such Capital Securities to be transferred, together with the form of transfer (as set out in Exhibit A hereto) endorsed on such Certificate, (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer), duly completed and executed and any other evidence as the Registrar or Transfer Agent may reasonably require to prove the title of the transferor and the authority of the individuals that have executed the form of transfer. In the case of a transfer of part only of a holding of Capital Securities represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor. In the case of a transfer of Capital Securities to a person who is already a holder of Capital Securities, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding. All transfers of Capital Securities and entries on the Register will be made in accordance with these Conditions and subject to the detailed regulations concerning transfers of Capital Securities set out in Exhibit B hereto. The regulations may be changed by the Issuer, with the prior written approval of the Registrar and the Fiscal Agent. A copy of the current regulations will be made available by the Registrar or any Transfer Agent to any Securityholder upon request.

2.2 Partial Write-off in respect of Capital Securities

In the case of a partial Write-off or cancellation, modification, conversion and/or change in form pursuant to Condition 7 of a holding of Capital Securities represented by a single Certificate, a new

Certificate shall be issued to the holder in respect of the balance of the holding not Written-off or not subject to cancellation, modification, conversion and/or change in form pursuant to Condition 7. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any Transfer Agent.

2.3 Delivery of New Certificates

Each new Certificate to be issued pursuant to Condition 2.1 or 2.2 shall be available for delivery within seven business days of receipt of the form of transfer and surrender of the Certificate for exchange, except for any Write-off or cancellation, modification, conversion and/or change in form pursuant to Condition 7, in which case any new Certificate to be issued shall be available for delivery as soon as practicable. Delivery of new Certificate(s) shall be made at the specified office of the Registrar or any Transfer Agent (as the case may be) to whom delivery or surrender of such form of transfer or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant form of transfer or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the Registrar or the relevant Transfer Agent the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2.3, “business day” means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the Registrar or the Transfer Agent (as the case may be).

2.4 Cost of Registration

Securityholders will not be required to bear the costs and expenses of effecting any registration of transfer as provided above, except for any costs or expenses of delivery other than by regular uninsured mail and except that the Issuer may require the payment of a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation to the registration.

2.5 Closed Periods

No Securityholder may require the transfer of a Capital Security to be registered (i) during the period of 15 days ending on (and including) the due date for redemption of, or payment of any principal or Distributions in respect of the Capital Securities or (ii) during the period commencing on the occurrence of a Non-Viability Event (as defined in Condition 6 below) and ending on (and including) the close of business in Hong Kong on the effective date of the related Write-off.

3 STATUS OF THE CAPITAL SECURITIES

3.1 Qualification and Ranking of the Capital Securities

The Capital Securities are intended to qualify as Additional Tier 1 capital under the Capital Regulations and as LAC debt instruments under the Loss Absorbing Capacity Rules.

The Capital Securities constitute direct, unconditional, unsecured and subordinated obligations of the Issuer ranking *pari passu* and without any preference among themselves. The rights and claims of the Securityholders are subordinated in the manner described below.

In the event of a Winding-Up of the Issuer, the claims of the Securityholders against the Issuer in respect of the Capital Securities shall be (x) subordinated in right of payment to the claims of, (i) depositors and all other unsubordinated creditors of the Issuer, (ii) creditors in respect of Non-Preferred Loss Absorbing Instruments, (iii) creditors in respect of Tier 2 Capital Instruments, and (iv) creditors in respect of all other Subordinated Indebtedness of the Issuer whose claims rank or are expressed to rank by operation of law or contract senior to the Capital Securities; (y) *pari passu* in right of payment to the claims of creditors in respect of Parity Obligations; and (z) senior in right of payment to the claims of creditors in respect of Junior Obligations, in each case, present and future.

For the purpose of these Conditions:

“Additional Tier 1 Capital Instruments” means any instrument or other obligation issued, entered into or guaranteed by the Issuer that constitutes Additional Tier 1 capital of the Issuer pursuant to the Capital Regulations.

“Authorized Institution” has the meaning given to that term in the Banking Ordinance (Cap. 155 of the Laws of Hong Kong) as amended or superseded from time to time.

“Capital Regulations” means the Banking (Capital) Rules (Cap. 155L of the Laws of Hong Kong) or any other capital regulations as amended or superseded from time to time applicable to the regulatory

capital of Authorized Institutions incorporated in Hong Kong or any supervisory guidelines issued or implemented by the Monetary Authority.

“Directors” means the Board of Directors from time to time of the Issuer and “Director” means any one of them.

“Junior Obligation” means all classes of the Issuer’s ordinary share capital, any Tier 1 Capital Instruments which are not Additional Tier 1 Capital Instruments, and any instrument or other obligation (including without limitation any preference share) issued, entered into or guaranteed by the Issuer that ranks or is expressed to rank junior to the Capital Securities by operation of law or contract.

“Loss Absorbing Capacity Rules” means the Financial Institutions (Resolution) (Loss-absorbing Capacity Requirements – Banking Sector) Rules (Cap. 628B of the Laws of Hong Kong) or any other loss-absorbing capacity regulations as amended or superseded from time to time applicable to the loss-absorbing capacity of Authorized Institutions incorporated in Hong Kong or any regulatory guidelines issued or implemented by the Monetary Authority.

“Loss Absorbing Instruments” means any notes, securities or other instruments issued, entered into or guaranteed by the Issuer that constitute “LAC debt instruments” under the Loss Absorbing Capacity Rules.

“Non-Preferred Loss Absorbing Instruments” means any Loss Absorbing Instrument that by operation of law or contract ranks or is expressed to rank senior to any:

(i) Tier 2 Capital Instruments; and/or

(ii) Tier 1 Capital Instruments.

“Monetary Authority” means the Monetary Authority appointed under section 5A of the Exchange Fund Ordinance (Cap. 66 of the Laws of Hong Kong) or any successor thereto.

“Parity Obligation” means any Additional Tier 1 Capital Instruments or any instrument or other obligation issued, entered into, or guaranteed by the Issuer that ranks or is expressed to rank *pari passu* with the Capital Securities by operation of law or contract, which for the avoidance of doubt, excludes any Junior Obligations of the Issuer.

“Subordinated Indebtedness” means all indebtedness which is subordinated, in the event of the Winding-Up of the Issuer, in right of payment to, and of all claims of the unsubordinated creditors of the Issuer (including its depositors) other than those whose claims rank or is expressed to rank by operation of law or contract *pari passu* with, or junior to, the claims of the holders of the Capital Securities. For this purpose indebtedness shall include all liabilities, whether actual or contingent.

“Tier 1 Capital Instruments” means any instrument or other obligation issued, entered into or guaranteed by the Issuer that constitutes Tier 1 capital of the Issuer pursuant to the Capital Regulations.

“Tier 2 Capital Instruments” means any instrument or other obligation issued, entered into or guaranteed by the Issuer that constitutes Tier 2 capital of the Issuer pursuant to the Capital Regulations.

“Winding-Up” shall mean, with respect to the Issuer, a final and effective order or resolution for the bankruptcy, winding-up, liquidation or similar proceeding in respect of the Issuer (except for the purposes of a consolidation, amalgamation, merger or reorganisation the terms of which have previously been approved by an Extraordinary Resolution (as defined in Exhibit C hereto) of the Securityholders).

3.2 Set-off

Subject to applicable law, no Securityholder may exercise, claim or plead any right of set-off, counter-claim or retention in respect of any amount owed to it by the Issuer arising under or in connection with the Capital Securities and each Securityholder shall, by virtue of being the Securityholder of any Capital Security be deemed to have waived all such rights of such set-off, counter-claim or retention.

Notwithstanding the preceding sentence, if any of the amounts owing to any Securityholder by the Issuer in respect of, or arising under or in connection with the Capital Securities is discharged by set-off, counterclaim or retention, such Securityholder shall, subject to applicable law, immediately pay an amount equal to the amount of such payment or discharge to the Issuer (or, in the event of its Winding-Up, the liquidator or, as appropriate, administrator of the Issuer) and, until such time as payment is made, shall hold an amount equal to such amount in trust for the Issuer (or the liquidator or, as appropriate, administrator of the Issuer (as the case may be)) and accordingly any such discharge shall be deemed not to have taken place and each Securityholder, by virtue of becoming a Securityholder of

any Capital Security, shall be deemed to have so agreed and undertaken with and to the Issuer and all depositors and other unsubordinated creditors of the Issuer for good consideration.

4 DISTRIBUTION

4.1 Non-Cumulative Distribution

The Capital Securities confer a right to receive non-cumulative distributions from the Settlement Date. Subject to Condition 5 below and from 21 March 2023, the Capital Securities confer a right to receive non-cumulative distributions (each a “Distribution”) on their principal amount (subject to adjustments following the occurrence of a Non-Viability Event in accordance with Condition 6 and/or the exercise of any Hong Kong Resolution Authority Power in accordance with Condition 7) from, and including, 21 March 2023 at the applicable Distribution Rate, payable semi-annually in arrear on 21 March and 21 September in each year in equal instalments, commencing on 21 September 2023 (each a “Distribution Payment Date”), provided that in respect of the first Distribution Payment Date on 21 September 2023 and each Distribution Payment Date thereafter up to the Revised First Call Date, the Distributions payable shall, subject to the paragraphs below, be equal to U.S.\$29.00 per Calculation Amount.

In these Conditions, the period beginning on and including 21 March 2023 and ending on but excluding the next succeeding Distribution Payment Date and each successive period beginning on and including a Distribution Payment Date and ending on but excluding the next succeeding Distribution Payment Date is called an “Distribution Period”.

Distributions will not be cumulative and Distributions which are not paid in accordance with these Conditions will not accumulate or compound and Securityholders will have no right to receive such Distributions at any time, even if subsequent Distributions are paid in the future, or be entitled to any claim in respect thereof against the Issuer. Unless otherwise provided in these Conditions, each Capital Security will cease to confer the right to receive any Distribution from the due date for redemption unless, upon surrender of the Certificate representing such Capital Security, payment of principal is improperly withheld or refused. In such event Distribution shall continue to accrue at such rate (both before and after judgment) until whichever is the earlier of (a) the date on which all amounts due in respect of such Capital Security have been paid; and (b) five days after the date on which the full amount of moneys payable in respect of such Capital Security has been received by the Fiscal Agent and notice to that effect has been given to the Securityholders in accordance with Condition 15.

No Securityholder shall have any claim in respect of any Distribution or part thereof cancelled and/or not due or payable pursuant to this Condition 4 and Condition 5 below. Accordingly, such Distribution shall not accumulate for the benefit of the Securityholders or entitle the Securityholders to any claim in respect thereof against the Issuer.

4.2 Distribution Rate

The rate of distribution (the “Distribution Rate”) applicable to the Capital Securities shall be:

- (i) in respect of the period from, and including, 21 March 2023 to, but excluding, 21 March 2028 (the “Revised First Call Date”), 5.80 per cent. per annum; and
- (ii) in respect of the period from, and including, the Revised First Call Date and each Distribution Reset Date thereafter to, but excluding, the immediately following Distribution Reset Date, the Reset Distribution Rate.

For the purposes of these Conditions:

“Calculation Business Day” means any day, excluding a Saturday and a Sunday, on which banks are open for general business (including dealings in foreign currencies) in New York City and Hong Kong.

“Calculation Date” means, in relation to a Reset Distribution Period, the third Calculation Business Day immediately preceding the relevant Distribution Reset Date on which such Reset Distribution Period commences.

“Comparable Treasury Issue” means the U.S. Treasury security selected by the Calculation Agent as having a maturity of five years that would be utilised, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities with a maturity of five years.

“Comparable Treasury Price” means, with respect to any Calculation Date, the average of three Reference Treasury Dealer Quotations for such Calculation Date.

“Distribution Reset Date” means the Revised First Call Date and the relevant dates falling every five calendar years after the Revised First Call Date.

“Fallback Calculation Date” means, in relation to a Reset Distribution Period, the second Calculation Business Day immediately preceding the relevant Distribution Reset Date on which such Reset Distribution Period commences.

“Reference Treasury Dealer” means each of the three nationally recognised investment banking firms selected by the Calculation Agent that are primary U.S. Government securities dealers.

“Reference Treasury Dealer Quotations” means with respect to each Reference Treasury Dealer, the average, as determined by the Calculation Agent, of the bid and asked prices for the Comparable Treasury Issue, expressed in each case as a percentage of its principal amount, quoted in writing to the Calculation Agent by such Reference Treasury Dealer at 5:00 pm (New York City time), on the Fallback Calculation Date.

“Reset Distribution Rate” means, in relation to a Reset Distribution Period, a fixed rate per annum (expressed as a percentage) equal to the aggregate of (a) the then prevailing Treasury Rate (as determined as set out below) to the relevant Distribution Reset Date and (b) the Spread.

“Reset Distribution Period” means the period from, and including, a Distribution Reset Date to, but excluding, the immediately following Distribution Reset Date.

“Spread” means 2.2192 per cent. per annum.

“Treasury Rate” , in respect of a Calculation Date, means the rate per annum (expressed as a percentage) as notified by the Calculation Agent to the Issuer and the Securityholders equal to the yield representing the average of the daily yields for the week immediately prior to the relevant Calculation Date, derived from the most recently published statistical release designated “H.15” (currently set out on the website <http://www.federalreserve.gov/releases/h15/current/default.htm>) or any successor publication that is published by the Board of Governors of the Federal Reserve System and that establishes yields on actively traded U.S. Treasury securities adjusted to constant maturity under the caption “Treasury constant maturities” for the maturity of five years.

If such release (or any successor release) is not published during the week preceding the relevant Calculation Date or does not contain such yields, “Treasury Rate” means the rate in per cent. per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for the relevant Fallback Calculation Date. If there is no Comparable Treasury Issue with a maturity within three months before or after the next succeeding Distribution Reset Date, yields for the two published maturities most closely corresponding to such Distribution Reset Date will be determined and the Treasury Rate will be interpolated or extrapolated from such yields on a straight line basis, rounding to the nearest month.

If there is no Comparable Treasury Price on the relevant Fallback Calculation Date for whatever reason, “Treasury Rate” means the rate per annum (expressed as a percentage) as notified by the Calculation Agent to the Issuer and the Securityholders equal to the yield representing the average of the daily yields for the week which was last available prior to the relevant Fallback Calculation Date, derived from the published statistical release designated “H.15” (currently set out on the website <http://www.federalreserve.gov/releases/h15/current/default.htm>) or any successor publication that is published by the Board of Governors of the Federal Reserve System and that establishes yields on actively traded U.S. Treasury securities adjusted to constant maturity under the caption “Treasury constant maturities” for the maturity of five years.

4.3 Calculation of Distribution and Relevant Reset Distribution Rate

The Calculation Agent will calculate the amount of Distribution in respect of any period by applying the applicable Distribution Rate to the Calculation Amount. If Distribution is required to be paid in respect of a Capital Security for any period (other than a complete Distribution Period), it shall be calculated by applying the applicable Distribution Rate to the Calculation Amount, multiplying the product by the relevant Day Count Fraction, rounding the resulting figure to the nearest cent (half a cent being rounded upwards) and multiplying such rounded figure by a fraction equal to the principal amount of such Capital Security divided by the Calculation Amount, where “Calculation Amount” means U.S.\$1,000, subject to adjustment following occurrence of a Non-Viability Event and/or the exercise of any Hong Kong Resolution Authority Power in accordance with Condition 7, and “Day Count Fraction” means, in

respect of any period, the number of days in the relevant period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with twelve 30-day months).

The Calculation Agent will prior to each Distribution Reset Date, calculate the applicable Reset Distribution Rate payable in respect of each Capital Security. The Calculation Agent will cause the Distribution and applicable Reset Distribution Rate determined by it to be promptly notified to the Fiscal Agent. Notice thereof shall also promptly be given by the Calculation Agent to the Issuer, the Fiscal Agent and the Registrar.

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition 4 by the Calculation Agent will (in the absence of manifest error) be binding on the Issuer, the Fiscal Agent and the Securityholders and (subject as aforesaid) no liability to any such person will attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions for such purposes.

4.4 Publication of Relevant Reset Distribution Rate

The Issuer shall cause notice of the then applicable Reset Distribution Rate to be notified to the Securityholders as soon as practicable in accordance with Condition 15 after determination thereof.

4.5 Determination or Calculation by Successor Calculation Agent

If the Calculation Agent does not at any time for any reason so determine the applicable Reset Distribution Rate, the Issuer shall as soon as practicable appoint a reputable financial institution of good standing as a successor calculation agent to do so and such determination or calculation shall be deemed to have been made by the Calculation Agent. In doing so, the successor calculation agent shall apply the foregoing provisions of this Condition 4, with any necessary consequential amendments, to the extent that, in the opinion of the successor calculation agent, it can do so and, in all other respects it shall do so in such manner as it shall deem fair and reasonable in all the circumstances.

5 Distribution Restrictions

5.1 Optional Distribution Cancellation Event

Unless a Distribution has already been cancelled in full pursuant to a Mandatory Distribution Cancellation Event, prior to any Distribution Payment Date the Issuer may, at its sole discretion, elect to cancel any payment of Distributions, in whole or in part, by the giving of a notice to the Securityholders signed by two Directors of the Issuer (a "Distribution Cancellation Notice") at least 10 Hong Kong Business Days prior to the relevant Distribution Payment Date (the "Optional Distribution Cancellation Event"). The Issuer shall have no obligation to pay any Distribution on any Distribution Payment Date if it validly elects not to do so in accordance with this Condition 5.1 and any failure to pay such Distribution shall not constitute an Event of Default. Distributions are non-cumulative and any Distribution that is cancelled shall therefore not be payable at any time thereafter, whether in a Winding-Up or otherwise.

"Hong Kong Business Day" means a day (other than a Saturday or Sunday) on which commercial banks and foreign exchange markets are open for general business in Hong Kong.

5.2 Mandatory Distribution Cancellation Event

Notwithstanding that a Distribution Cancellation Notice may not have been given, the Issuer shall not be obliged to pay, and shall not pay, any Distribution on the applicable Distribution Payment Date, in whole or in part, as applicable, if and to the extent that:

- (i) the Distributions scheduled to be paid together with any dividends, distributions or other payments scheduled to be paid or made during the Issuer's then current fiscal year on any Parity Obligations or any instruments which rank or are expressed to rank *pari passu* with any Parity Obligations shall exceed the Distributable Reserves (as defined below) as at such Distribution Determination Date; or
- (ii) the Monetary Authority directs the Issuer to cancel such Distribution (in whole or in part) or applicable Hong Kong banking regulations or other requirements of the Monetary Authority prevent the payment in full of dividends or other distributions when due on Parity Obligations, (each a "Mandatory Distribution Cancellation Event").

5.3 No Obligation to Pay

The Issuer shall have no obligation to pay a Distribution on any Distribution Payment Date if such non-payment complies with the Conditions and any failure to pay such Distribution shall not constitute an Event of Default. Distributions are non-cumulative and therefore any Distribution which is cancelled in accordance with the Conditions shall no longer be payable at any time thereafter whether in a Winding-Up or otherwise.

5.4 Distributable Reserves

Any Distribution may only be paid out of Distributable Reserves.

For the purpose of this Condition 5.4:

“Auditors” means the independent certified public accountants for the time being of the Issuer.

“Distributable Reserves” means the amounts for the time being available to the Issuer for distribution as a distribution in compliance with section 297 of the Companies Ordinance (Cap. 622 of the Laws of Hong Kong), as amended or modified from time to time, as at the date of the Issuer’s audited balance sheet last preceding the relevant Distribution Determination Date, and subject to the Monetary Authority’s current capital conservation requirements as applicable to the Issuer on the relevant Distribution Payment Date (the “Available Amount”); provided that if the Issuer reasonably determines that the Available Amount as at any Distribution Determination Date is lower than the Available Amount as at the date of the Issuer’s audited balance sheet last preceding the relevant Distribution Determination Date and is insufficient to pay the Distributions and any payments due on Parity Obligations on the relevant Distribution Payment Date in full, then on certification by two Directors and the Auditors of such revised amount, the Distributable Reserves shall for the purposes of Distributions mean the Available Amount as set forth in such certificate.

“Distribution Determination Date” means the day falling two Hong Kong Business Days prior to a Distribution Payment Date.

As at the date hereof, pursuant to section 297(1) of the Companies Ordinance (Cap. 622 of the Laws of Hong Kong), the Issuer may only make a distribution out of profits available for distribution. For the purposes of section 297 of the Companies Ordinance (Cap. 622 of the Laws of Hong Kong), the Issuer’s profits available for distribution are its accumulated, realised profits, so far as not previously utilised by distribution or capitalisation, less its accumulated, realised losses, so far as not previously written off in a reduction or reorganization of capital.

5.5 Dividend Stopper

If, on any Distribution Payment Date, payment of Distribution scheduled to be paid is not made in full by reasons of Condition 5, the Issuer shall not:

- (i) declare or pay in cash any distribution or dividend or make any other payment in cash on, and will procure that no distribution or dividend in cash or other payment in cash is made on, any Shares; or
- (ii) purchase, cancel or otherwise acquire any Shares or permit any of its Subsidiaries to do so,

in each case, unless or until the earlier of: (A) the Distribution scheduled to be paid on any subsequent Distribution Payment Date (which, for the avoidance of doubt, shall exclude any Distribution that has been cancelled in accordance with these Conditions prior to, and in respect of a Distribution Payment Date preceding, such subsequent Distribution Payment Date) has been paid in full to Securityholders or a designated third party trust account for the benefit of the Securityholders, or (B) the redemption or purchase and cancellation of the Capital Securities in full, or reduction of the principal amount of the Capital Securities in accordance with the Conditions to zero, or (C) the Issuer is permitted to do so by an Extraordinary Resolution of the Securityholders.

For the purpose of these Conditions:

“Shares” means the ordinary share capital of the Issuer.

“Subsidiary” means any company (i) in which the Issuer holds a majority of the voting rights, (ii) of which the Issuer is a member and has the right to appoint or remove a majority of the directors or (iii) of which the Issuer is a member and controls a majority of the voting rights, and includes any company which is a Subsidiary of a Subsidiary of the Issuer.

6 Non-Viability Loss Absorption

If a Non-Viability Event occurs and is continuing, the Issuer shall, on or prior to the provision of a Non-Viability Event Notice, irrevocably (without the need for the consent of the Securityholders) reduce the then principal amount of, and cancel any accrued but unpaid Distribution in respect of, each Capital Security (in each case in whole or in part) by an amount equal to the Non-Viability Event Write-off Amount per Capital Security (such reduction and cancellation, and the reduction and cancellation or conversion of any other Subordinated Capital Securities so reduced and cancelled or converted upon the occurrence of a Non-Viability Event, where applicable, being referred to herein as the “Write-off”, and “Written-off” shall be construed accordingly).

Concurrently with the giving of a Non-Viability Event Notice, the Issuer shall procure (unless otherwise directed by the Monetary Authority) that a similar notice be given in respect of other Subordinated Capital Securities in accordance with their terms. Any failure or delay in giving a Non-Viability Event Notice in respect of the Capital Securities or a similar notice in respect of any other Subordinated Capital Securities will not render the relevant Write-off invalid or affect such Write-off in any respect.

For the avoidance of doubt, any Write-off pursuant to this provision will not constitute an Event of Default under the Capital Securities.

Any Capital Security may be subject to one or more Write-offs in part (as the case may be), except where such Capital Security has been Written-off in its entirety.

Any references in these Conditions to principal in respect of the Capital Securities shall thereafter refer to the principal amount of the Capital Securities reduced by any applicable Write-off(s). In the case of a partial Write-off, a new Certificate shall be issued thereafter to each Securityholder in respect of the balance of the holding of Capital Securities not Written-off.

Once the principal amount of, and any accrued but unpaid Distribution under, the Capital Securities has been Written-off, the relevant amount(s) Written-off will not be restored in any circumstances including where the relevant Non-Viability Event ceases to continue. No Securityholder may exercise, claim or plead any right to any amount that has been Written-off, and each Securityholder shall, by virtue of his holding of any Capital Securities, be deemed to have waived all such rights to such amount that has been Written-off.

For the purpose of these Conditions:

“Non-Viability Event” means the earlier of:

- (a) the Monetary Authority notifying the Issuer in writing that the Monetary Authority is of the opinion that a Write-off or conversion is necessary, without which the Issuer would become non-viable; and
- (b) the Monetary Authority notifying the Issuer in writing that a decision has been made by the government body, a government officer or other relevant regulatory body with the authority to make such a decision, that a public sector injection of capital or equivalent support is necessary, without which the Issuer would become non-viable.

“Non-Viability Event Notice” means the notice which shall be given by the Issuer not more than two Hong Kong Business Days after the occurrence of a Non-Viability Event, to the Securityholders in accordance with Condition 15, and to the Paying Agents in writing and which shall state:

- (a) in reasonable detail the nature of the relevant Non-Viability Event; and
- (b) the Non-Viability Event Write-off Amount for (i) each Capital Security and (ii) each other Subordinated Capital Security in accordance with its terms.

“Non-Viability Event Write-off Amount” means the amount of principal and/or Distributions to be Written-off as the Monetary Authority may direct or, in the absence of such a direction, as the Issuer shall (in consultation with the Monetary Authority) determine to be necessary to satisfy the Monetary Authority that the Non-Viability Event will cease to continue. For the avoidance of doubt, (i) the full amount of the Capital Securities will be Written-off in full in the event that the amount Written-off is not sufficient for the Non-Viability Event to cease to continue and (ii) in the case of an event falling within paragraph (b) of the definition of Non-Viability Event, the Write-off will be effected in full before any public sector injection of capital or equivalent support. Further, the Non-Viability Event Write-off Amount in respect of each Capital Security will be calculated based on a percentage of the principal amount of that Capital Security.

“Subordinated Capital Securities” means any Junior Obligation or Parity Obligation which contain provisions relating to a write-down or conversion into ordinary shares in respect of its principal amount on the occurrence, or as a result, of a Non-Viability Event and in respect of which the conditions (if any) to the operation of such

provisions are (or with the giving of any certificate or notice which is capable of being given by the Issuer, would be) satisfied.

7 Hong Kong Resolution Authority Power

Notwithstanding any other term of the Capital Securities, including without limitation Condition 6, or any other agreement or arrangement, each Securityholder shall be subject, and shall be deemed to agree, be bound by and acknowledge that they are each subject, to having the Capital Securities held by such Securityholder being written off, cancelled, converted or modified, or to having the form of the Capital Securities changed, in the exercise of any Hong Kong Resolution Authority Power by the relevant Hong Kong Resolution Authority without prior notice and which may include (without limitation) and result in any of the following or some combination thereof:

- (a) the reduction or cancellation of all or a part of the principal amount of, or Distributions on, the Capital Securities;
- (b) the conversion of all or a part of the principal amount of, or Distributions on, the Capital Securities into shares or other securities or other obligations of the Issuer or another person (and the issue to or conferral on the holder of such shares, securities or obligations), including by means of an amendment, modification or variation of the terms of the Capital Securities; and
- (c) the amendment or alteration of the maturity of the Capital Securities or amendment or alteration of the amount of Distributions payable on the Capital Securities, or the date on which the Distributions become payable, including by suspending payment for a temporary period, or any other amendment or alteration of these Conditions.

With respect to (a), (b) and (c) above of this Condition 7, references to principal and Distributions shall include payments of principal and Distributions that have become due and payable (including principal that has become due and payable at the redemption date), but which have not been paid, prior to the exercise of any Hong Kong Resolution Authority Power. The rights of the Securityholders under the Capital Securities and these Conditions are subject to, and will be amended and varied, if necessary, solely to give effect to, the exercise of any Hong Kong Resolution Authority Power by the relevant Hong Kong Resolution Authority.

No repayment of the principal amount of the Capital Securities or payment of Distributions on the Capital Securities shall become due and payable or be paid after the exercise of any Hong Kong Resolution Authority Power by the relevant Hong Kong Resolution Authority unless, at the time that such repayment or payment, respectively, is scheduled to become due, such repayment or payment would be permitted to be made by the Issuer under the laws and regulations applicable to the Issuer and the Group.

Upon the exercise of any Hong Kong Resolution Authority Power by the relevant Hong Kong Resolution Authority with respect to the Capital Securities, the Issuer shall provide a written notice not more than two Hong Kong Business Days after the occurrence of such exercise of the Hong Kong Resolution Authority Power to notify the Securityholders of such exercise of the Hong Kong Resolution Authority Power in accordance with Condition 15.

Neither the reduction or cancellation, in part or in full, of the principal amount of, or Distributions on the Capital Securities, the conversion thereof into another share, security or other obligation of the Issuer or another person, or any other amendment or alteration of these Conditions or any other modification or change in form of the Capital Securities as a result of the exercise of any Hong Kong Resolution Authority Power by the relevant Hong Kong Resolution Authority with respect to the Issuer nor the exercise of the Hong Kong Resolution Authority Power by the relevant Hong Kong Resolution Authority with respect to the Capital Securities shall constitute an Event of Default under Condition 12.1.

The Financial Institutions (Resolution) Ordinance (Cap. 628 of the Laws of Hong Kong) (as amended or superseded from time to time, the “Financial Institutions (Resolution) Ordinance”) was passed by the Legislative Council of Hong Kong and published in the gazette of the Hong Kong Special Administrative Region Government (the “HKSAR Government”) in June 2016. The Financial Institutions (Resolution) Ordinance became effective on 7 July 2017 and all licensed banks in Hong Kong are subject to the Financial Institutions (Resolution) Ordinance.

8.3 Non-Payment Business Days

If any date for payment in respect of any Capital Security is not a Payment Business Day, the holder shall not be entitled to payment until the next following Payment Business Day nor to any distribution or other sum in respect of such postponed payment. In this Condition 8, “Payment Business Day” means a day (other than a Saturday, a Sunday or a public holiday) on which banks and foreign exchange markets are open for business in the relevant place of presentation (if presentation and/or surrender of such Capital Security is required) in New York City and Hong Kong and where payment is to be made by transfer to an account maintained with a bank in U.S. dollars, on which foreign exchange transactions may be carried on in U.S. dollars in New York City and Hong Kong.

The Capital Securities are perpetual securities in respect of which there is no fixed redemption date. The Capital Securities may not be redeemed at the option of the Issuer other than in accordance with this Condition.

9.2 Redemption for tax reasons

Subject to Condition 9.7, the Capital Securities then outstanding may be redeemed at the option of the Issuer in whole, but not in part, at any time, on giving not less than 30 nor more than 60 days' notice to the Fiscal Agent and in accordance with Condition 15, the Securityholders (which notice shall be irrevocable), if:

- (i) on the occasion of the next payment due under the Capital Securities, the Issuer has or will become obliged to pay additional amounts as provided or referred to in the Conditions as a result of any change in, or amendment to, the laws or regulations of Hong Kong or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after 21 March 2018; and
- (ii) such obligation will apply on the occasion of the next payment due in respect of the Capital Securities and cannot be avoided by the Issuer taking reasonable measures available to it;

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts, were a payment in respect of the Capital Securities then due.

Prior to giving any such notice of redemption, the Issuer shall deliver to the Fiscal Agent (i) a certificate signed by two Directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer to redeem have occurred, and an opinion of independent legal or tax advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment and (ii) a copy of the consent of the Monetary Authority; and the Fiscal Agent shall be entitled to accept the certificate as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on the Securityholders.

Capital Securities so redeemed will be redeemed at their principal amount together (if appropriate) with Distributions accrued to (but excluding) the date of redemption, subject to adjustment following the occurrence of a Non-Viability Event in accordance with Condition 6 and/or the exercise of any Hong Kong Resolution Authority Power in accordance with Condition 7.

9.3 Redemption for tax deduction reasons

Subject to Condition 9.7, the Capital Securities may be redeemed at the option of the Issuer in whole, but not in part, at any time, on giving not less than 30 nor more than 60 days' notice to the Fiscal Agent and in accordance with Condition 15, the Securityholders (which notice shall be irrevocable) following the occurrence of a Tax Deduction Event.

A "Tax Deduction Event" occurs if:

- (a) in respect of the Distributions payable on the Capital Securities, the Issuer is no longer, or will no longer be, entitled to claim a deduction in respect of computing its taxation liabilities in Hong Kong or any political subdivision or any authority thereof or therein having power to tax as a result of any change in, or amendment to, the laws or regulations of Hong Kong or any political subdivision or any authority thereof or therein or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after 21 March 2018; and
- (b) such tax non-deductibility cannot be avoided by the Issuer taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would cease to be able to claim a tax deduction in respect of the Distribution payable on the Capital Securities as provided in paragraph (a) above as a result of any change in, or amendment to, the laws or regulations of Hong Kong or any political subdivision or any authority thereof or therein or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after 21 March 2018.

Prior to giving any such notice of redemption, the Issuer shall deliver to the Fiscal Agent (i) a certificate signed by two Directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that (1) the conditions precedent to the right of the Issuer to redeem have occurred and (2) such tax non-deductibility cannot be avoided by the Issuer taking reasonable measures available to it, (ii) an opinion of independent legal or tax advisers of recognised standing to the effect that the event as described in paragraph (a) of a Tax Deduction Event has occurred or will occur and (iii) a copy of the consent of the Monetary Authority as referred to in Condition 9.7; and the Fiscal Agent shall be entitled to accept the certificate and consent as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on the Securityholders.

Capital Securities so redeemed will be redeemed at their principal amount together (if appropriate) with Distributions accrued to (but excluding) the date of redemption, subject to adjustment following the occurrence of a Non-Viability Event in accordance with Condition 6 and/or the exercise of any Hong Kong Resolution Authority Power in accordance with Condition 7.

9.4 Redemption of the Capital Securities for regulatory reasons

Subject to Condition 9.7, the Capital Securities may be redeemed at the option of the Issuer in whole, but not in part, at any time on giving not less than 30 nor more than 60 days' notice to the Fiscal Agent and in accordance with Condition 15, the Securityholders (which notice shall be irrevocable) following the occurrence of a Capital Event). For the purposes of these Conditions, "Capital Event" occurs if the Capital Securities, after having qualified as such, will no longer qualify (in whole or in part) as Additional Tier 1 Capital (or equivalent) of the Issuer as a result of any changes or amendments in (or any change in the application or official interpretation of) the relevant provisions of the Banking Ordinance (Cap. 155 of the Laws of Hong Kong), the Banking (Capital) Rules (Cap. 155L of the Laws of Hong Kong), or any successor legislation or regulations made thereunder, or any supervisory guidance issued by the Monetary Authority in relation thereto, in each case, as amended or modified from time to time (other than as a result of any discounting or amortisation requirements as to the eligibility of the Capital Securities for such inclusion pursuant to the relevant legislation and relevant guidelines in force from time to time), provided, however, that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which it is determined that a Capital Event will take effect.

Prior to giving any such notice of redemption, the Issuer shall deliver to the Fiscal Agent (i) a certificate signed by two Directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer to redeem have occurred, and an opinion of independent legal advisers or auditors of recognised standing to the effect that a Capital Event has occurred or will occur and (ii) a copy of the consent of the Monetary Authority as referred to in Condition 9.7; and the Fiscal Agent shall be entitled to accept the certificate and consent as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on the Securityholders.

Capital Securities so redeemed will be redeemed at their principal amount together (if appropriate) with Distributions accrued to (but excluding) the date of redemption, subject to adjustment following the occurrence of a Non-Viability Event in accordance with Condition 6 and/or the exercise of any Hong Kong Resolution Authority Power in accordance with Condition 7.

9.5 Redemption of the Capital Securities due to Loss Absorption Disqualification Event

Subject to Condition 9.7, the Capital Securities may be redeemed at the option of the Issuer in whole, but not in part, at any time on giving not less than 30 nor more than 60 days' notice to the Fiscal Agent and in accordance with Condition 15, the Securityholders (which notice shall be irrevocable) following the occurrence of a Loss Absorption Disqualification Event, provided, however, that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which it is determined that a Loss Absorption Disqualification Event will occur.

For the purposes of these Conditions, a "Loss Absorption Disqualification Event" occurs if the Capital Securities, after having qualified as such, will no longer qualify (in whole or in part) as a LAC debt instrument (or equivalent) of the Issuer pursuant to the Loss Absorbing Capacity Rules, as a result of any change in or amendment to (or any change in the application or official interpretation of) the relevant provisions of the Loss Absorbing Capacity Rules, or any successor legislation or regulations made thereunder, or any regulatory guidelines issued by the Monetary Authority in relation thereto, in each case, as amended or superseded from time to time (other than as a result of any discounting or

amortisation requirements as to the eligibility of the Capital Securities for such inclusion pursuant to the relevant legislation and relevant guidelines in force from time to time).

Prior to giving any such notice of redemption, the Issuer shall deliver to the Fiscal Agent (i) a certificate signed by two Directors stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer to redeem have occurred, (ii) an opinion of independent legal advisers or auditors of recognised standing to the effect that a Loss Absorption Disqualification Event has occurred or will occur and (iii) a copy of the consent of the Monetary Authority as referred to in Condition 9.7; and the Fiscal Agent shall be entitled to accept the certificate, opinion and consent as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on the Securityholders.

Capital Securities so redeemed will be redeemed at their principal amount together (if appropriate) with Distributions accrued to (but excluding) the date of redemption, subject to adjustment following the occurrence of a Non-Viability Event in accordance with Condition 6 and/or the exercise of any Hong Kong Resolution Authority Power in accordance with Condition 7.

9.6 Redemption at the option of the Issuer (Issuer Call)

Subject to Condition 9.7, the Issuer may, having given:

- (a) not less than 15 nor more than 30 days' notice to the Securityholders in accordance with Condition 15; and
- (b) not less than 15 days before the giving of the notice referred to in (a) above, notice to the Fiscal Agent and the Registrar;

(which notices shall be irrevocable and shall specify the date fixed for redemption), redeem the Capital Securities then outstanding in whole, but not in part, on the Revised First Call Date or any Distribution Payment Date thereafter, at their principal amount together (if appropriate) with Distributions accrued to (but excluding) the date of redemption, subject to adjustment following the occurrence of a Non-Viability Event in accordance with Condition 6 and/or the exercise of any Hong Kong Resolution Authority Power in accordance with Condition 7.

For the avoidance of doubt, the Issuer does not provide any undertaking that it will call the Capital Securities at any time.

9.7 Conditions for Redemption and Purchase in respect of the Capital Securities

Notwithstanding any other provision in these Conditions, the Issuer shall not redeem any of the Capital Securities (other than pursuant to Condition 12.1), and neither the Issuer nor any of its Controlled Affiliates shall purchase any of the Capital Securities, unless the prior consent of the Monetary Authority thereto shall have been obtained, to the extent such consent is required under the Capital Regulations and/or the Loss Absorbing Capacity Rules, or any successor legislation or regulations made thereunder, or any regulatory guidance issued by the Monetary Authority in relation thereto, in each case, as amended or modified from time to time.

Any Capital Securities so purchased in accordance with this Condition 9.7 (which may be in the open market or otherwise and at any price), while held by or on behalf of the Issuer or any such Controlled Affiliate, shall not entitle the holder to vote at any meetings of the Securityholders and shall not be deemed to be outstanding for, among other things, the purposes of calculating quorums at meetings of the Securityholders or for the purposes of Condition 12.1.

All Certificates representing Capital Securities purchased by or on behalf of the Issuer shall be surrendered for cancellation to the Transfer Agent or the Registrar and upon surrender thereof, all such Capital Securities shall be cancelled forthwith. Any Certificates so surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Capital Securities shall be discharged.

For the avoidance of doubt, this provision shall not apply to the Issuer or any of its Subsidiaries holding the Capital Securities in a purely nominee capacity.

In these Conditions, a "Controlled Affiliate" of the Issuer means any affiliates of the Issuer over which the Issuer exercises control or significant influence (excluding any holding company of the Issuer).

10 TAXATION

All payments of principal and Distribution in respect of the Capital Securities by or on behalf of the Issuer shall be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature (“Taxes”) imposed or levied by or on behalf of Hong Kong or any political subdivision or any authority thereof or therein having power to tax, unless the withholding or deduction of the Taxes is required by law. In that event, the Issuer will pay such additional amounts as shall be necessary in order that the net amounts received by the holders of the Capital Securities after such withholding or deduction shall equal the respective amounts of principal and Distribution which would otherwise have been receivable in respect of the Capital Securities in the absence of the withholding or deduction; except that no such additional amounts shall be payable with respect to any Capital Security:

- (a) presented for payment by or on behalf of, a holder who is liable to the Taxes in respect of such Capital Security by reason of his having some connection with Hong Kong other than the mere holding of such Capital Security; or
- (b) presented for payment more than 30 days after the Relevant Date except to the extent that a holder would have been entitled to additional amounts on presenting the same for payment on the last day of the period of 30 days assuming that day to have been a Payment Business Day.

As used in these Conditions, “Relevant Date” means the date on which the payment first becomes due but, if the full amount of the money payable has not been received by the Fiscal Agent or the Registrar, as the case may be, on or before the due date, it means the date on which, the full amount of the money having been so received, notice to that effect is duly given to the Securityholders by the Issuer in accordance with Condition 15.

11 PRESCRIPTION

Claims against the Issuer for payment in respect of the Capital Securities will become void unless made within a period of 10 years (in the case of principal) and five years (in the case of Distribution) after the Relevant Date (as defined in Condition 10) therefor.

12 EVENTS OF DEFAULT AND ENFORCEMENT

12.1 Events of Default and Winding-up Proceedings

If default is made in the payment of any amount of principal in respect of the Capital Securities on the due date for payment thereof or of any amount of Distribution in respect of the Capital Securities within seven days after the due date for payment thereof (each, an “Event of Default”) then in order to enforce the obligations of the Issuer, any holder of a Capital Security may institute a Winding-Up Proceeding against the Issuer.

If an order is made or an effective resolution is passed for the Winding-Up of the Issuer (whether or not an Event of Default has occurred and is continuing) then any holder of a Capital Security may, by written notice to the Issuer at the specified office of the Fiscal Agent, effective upon the date of receipt thereof by the Fiscal Agent, declare any Capital Security held by it to be forthwith due and payable whereupon the same shall become forthwith due and payable at its principal amount together with (if appropriate) Distributions accrued to (but excluding) the date of repayment, subject to adjustment following the occurrence of a Non-Viability Event in accordance with Condition 6 and/or the exercise of any Hong Kong Resolution Authority Power in accordance with Condition 7, without presentment, demand, protest or other notice of any kind.

In these Conditions:

“Winding-Up Proceedings” shall mean, with respect to the Issuer, proceedings in Hong Kong in respect of the Issuer for the bankruptcy, liquidation, winding-up, or other similar proceeding of the Issuer.

13 REPLACEMENT OF CAPITAL SECURITIES

Should any Certificate be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Registrar or the Transfer Agent upon payment by the claimant of such costs and expenses as may be

incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Certificates must be surrendered before replacements will be issued.

14 AGENTS

The Fiscal Agent, the Paying Agent, the Registrar, the Transfer Agent and the Calculation Agent shall initially mean the Issuer and its specified office for this purpose is listed in Exhibit D hereto. The Fiscal Agent, the Paying Agent, the Registrar, the Transfer Agent and the Calculation Agent and any Calculation Agent appointed from time to time in respect of any Capital Securities (save in the case of the Issuer) act solely as agents of the Issuer and do not assume any obligation or relationship of agency or trust for or with any Securityholder. The Issuer reserves the right at any time to vary or terminate the appointment of the Paying Agent, any other Paying Agent, any Registrar, any Transfer Agent or any Calculation Agent and to appoint additional or other Paying Agents or Transfer Agents, in each case, provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) a Registrar, (iii) a Transfer Agent, and (iv) a Calculation Agent.

Any such modification, authorisation or waiver shall be binding on the Securityholders, and such modification, authorisation or waiver shall be notified to the Securityholders as soon as practicable.
