This does not affect any Notes issued prior to this Deed of Covenant. With respect to Notes issued prior to this Deed of Covenant, the 2022 Deed of Covenant shall continue in full force and effect. 3. **DIRECT RIGHTS**

Each Relevant Account Holder shall at the Effective Time for each of such Relevant Account Holder's Entries acquire against the Issuer all rights ("**Direct Rights**") that it would have had if, immediately before each such Effective Time, it had been the holder of the Original Notes to which each of such Entries relates including, without limitation, the right to receive all payments due at any time in respect of such Original Notes other than those corresponding to any already made under the relevant Global Note or the Notes represented by the relevant Global Certificate before the Effective Time relating to such Original Notes.

3.2 **No Further Act Required**

Except for the delivery of a Rights Notice, no further action shall be required on the part of any person in order for such Direct Rights to be acquired and for each Relevant Account Holder severally to have the benefit of, and to be able to enforce, such Direct Rights.

4. **EVIDENCE**

4.1 **Records Conclusive**

The records of each Account Issuer shall, in the absence of manifest error, be conclusive evidence as to the matters set out in paragraph 4.1(a) to 4.1(b), inclusive, below. For the purposes of this Clause one or more certificates issued by an Account Issuer stating:

- (a) whether or not one or more Rights Notices have been given and, if any such notice has been given:

 - (ii) the Original Notes to which it related;
- (b) in relation to each Relevant Account Holder:
 - (i) the name of the Relevant Account Holder;
 - (ii) the principal amount of the interests in respect of the Original Notes credited to the Securities Account of each Relevant Account Holder;
 - (iii) the Entries in respect of which Direct Rights have arisen that are credited to the Securities Account of such Relevant Account Holder,

shall be conclusive evidence of the records of such Account Issuer at the date of such certificate.

4.2 Blocked Securities Accounts

4.3 Original Notes and Entries Treated as Fungible

Where two or more Entries in the books of any Account Issuer relate to Original Notes that have identical terms and have Direct Rights that are identical in all respects, any certificate given pursuant to this Clause need not identify specific Original Notes or Entries, but may certify that an Entry (or the Direct Rights in respect of it) relates to an Original Note or another Entry that forms one of a class of identical Original Notes and/or Entries having identical Direct Rights.

5. TITLE TO ENTRIES

5.1 Each Relevant Account Holder Able to Enforce

Any Relevant Account Holder may protect and enforce its rights arising out of this Deed in respect of any Entry to which it is entitled in its own name without using the name of or obtaining any authority from any predecessor in title.

5.2 Payment to Relevant Account Holder Good Discharge

Each Relevant Account Holder is entitled to receive payment of the amount due in respect of each of its Entries and of all other sums referable to its Direct Rights to the exclusion of any other person and payment in full by the Issuer to such Relevant Account Holder shall discharge the Issuer from all obligations in respect of each such Entry and such Direct Rights. As a condition precedent to making any payment to a Relevant Account Holder in whole or partial discharge of any Direct Rights, the Issuer shall be entitled to require that reasonable arrangements are made (at the Issuer's expense, as the case may be) for confirmation of the receipt of such payment by the Relevant Account Holder to be given to, and for receipt of such confirmation to be acknowledged by, the Account Issuer in whose books the Entry in respect of which such payment is to be made is credited.

6. COUNTERPARTS OF THIS DEED

This Deed may be executed in one or more counterparts all of which when taken together shall constitute the same instrument. Executed originals of this Deed have been delivered to each Clearing System and shall be held to the exclusion of the Issuer until the Termination Date. The Issuer covenants with each Relevant Account Holder on demand to produce or procure that there is produced an executed original hereof to such Relevant Account Holder and allow it to take copies thereof on demand at any reasonable time. Any Relevant Account Holder may, in any proceedings relating to this Deed, protect and enforce its rights arising out of this Deed in respect of any Entry to which it is entitled upon the basis of a statement by an Account Issuer as provided in

Clause 4 and a copy of this Deed certified as being a true copy by a duly authorised officer of any Clearing System or the Issuer without the need for production in such proceedings or in any court of the actual records or this Deed. Any such certification shall be binding, except in the case of manifest error, upon the Issuer and all Relevant Account Holders. This Clause shall not limit any right of any Relevant Account Holder to the production of the originals of such records or documents in evidence.

7. AMENDMENT AND DISAPPLICATION OF THIS DEED

7.1 Amendment of this Deed

The Issuer may not amend, vary, terminate or suspend this Deed or its obligations under it until after the Termination Date unless such amendment, variation, termination or suspension shall have been approved by an Extraordinary Resolution (as defined in the Provisions for Meetings of Noteholders, set out in Schedule 1) to which the special quorum provisions specified in the Notes apply to the holders of each series of Notes outstanding, save that (i) nothing in this Clause shall prevent the Issuer from increasing or extending its obligations under this Deed by way of supplement to it at any time and (ii) the Issuer may amend, vary, terminate or suspend this Deed, without the consent of the Account Holders (or any other party) if in the reasonable opinion of the Issuer, such amendment, variation, termination or suspension will not materially and adversely offset the interest of Account Holders.

7.2 Disapplication of this Deed

This Deed shall not apply to a Global Note or Global Certificate if:

- (a) the Conditions applicable to such Global Note or Global Certificate state that this Deed shall not apply; or
- (b) each of the following provisions are satisfied:
 - (i) the Issuer executes a further agreement, deed, instrument or other document (the "**New Covenant**") that confers upon the Account Holders who have Entries relating to such Global Note or Global Certificate credited to their Securities Account rights that are substantially similar to the Direct Rights;
 - (ii) such Global Note or Global Certificate is issued after the date of execution of the New Covenant; and
 - (iii) the provisions of the New Covenant are disclosed to the subscribers of the related Notes.

8. BENEFIT OF DEED OF COVENANT

8.1 Deed Poll

This Deed shall take effect as a deed poll for the benefit of the Account Holders from time to time.

9. **GOVERNING LAW AND JURISDICTION**

9.1 **Governing Law**

This Deed (and any dispute, controversy, proceedings or claim of whatever nature (whether contractual, non-contractual or otherwise) arising out of or in any way relating to this Deed or its formation) shall be governed by and construed in accordance with English law.

9.2 **Jurisdiction**

The courts of England are to have jurisdiction to settle any disputes that may arise out of or in connection with this Deed and accordingly any legal action or proceedings arising out of or in connection with this Deed ("**Proceedings**") may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of such courts and waives any objection to Proceedings in such courts whether on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the Relevant Account Holders and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

 - (c) the total number and the certificate numbers (if applicable) of the Notes so deposited are listed, distinguishing with regard to each such resolution between those in respect

- 1.3 **"form of proxy"** means, in relation to any Meeting, a document in the English language available from the Registrar signed by a Noteholder or, in the case of a corporation, executed under its seal or signed on its behalf by a duly authorised officer and delivered to the Registrar not later than 48 hours before the time fixed for such Meeting, appointing a named individual or individuals to vote in respect of the Registered Notes held by such Noteholder;

- (a) A voting certificate and a block voting instruction cannot be outstanding simultaneously in respect of the same Bearer Note. A block voting instruction and a form of proxy cannot be outstanding simultaneously in respect of the same Registered Note.
 - (b) Voting certificates and block voting instructions shall be valid until the relevant Notes are released pursuant to this paragraph 1 and during the validity thereof the holder of any such voting certificate or (as the case may be) the proxy named in any such block voting instruction shall, for all purposes in connection with any meeting of Noteholders, be deemed to be the holder of the Notes to which such voting certificate or block voting instruction relates and the Issuer shall be deemed for such purposes not to be the holder of those Notes.
2. The Issuer at any time may, and upon a request in writing of Noteholders holding not less than one-tenth of the principal amount outstanding of the Notes of any particular Series for the time being outstanding shall, convene a meeting of the holders of Notes of such Series. Every such meeting shall be held at such time and place as the Issuer may specify.
3. At least 21 days' notice (exclusive of the day on which the notice is given and of the day on which the meeting is held) specifying the day, time and place of meeting shall be given to the holders of Notes of the relevant Series. Such notice shall be given in the manner provided in the Conditions and shall specify the nature of the resolutions to be proposed and shall include a statement to the effect that Notes may be deposited with (or to the order of) the Issuer for the purpose of obtaining voting certificates or requiring the Issuer to issue a block voting instruction or appointing proxies until 48 hours before the time fixed for the meeting but not thereafter.
4. A person (who may, but need not, be a Noteholder) nominated in writing by the Issuer shall be entitled to take the chair at every such meeting but if no such nomination is made or if at any meeting the person nominated shall not be present within 15 minutes after the time appointed for the holding of such meeting the Noteholders present shall

choose one of their number to be chairman. The chairman of an adjourned meeting need not be the same person as was chairman of the original meeting.

5. At any such meeting any two or more persons present in person holding Notes of the relevant Series or voting certificates or being proxies and holding or representing in the aggregate not less than one-tenth in principal amount of the Notes of the relevant Series for the time being outstanding shall (except for the purpose of passing an Extraordinary Resolution) form a quorum for the transaction of business and no business (other than the choosing of a chairman) shall be transacted at any meeting unless the requisite quorum be present at the commencement of business. The quorum at any such meeting for passing an Extraordinary Resolution shall (subject as provided below) be one or more persons present holding Notes or voting certificates or being proxies and holding or representing in the aggregate a clear majority in principal amount outstanding of the Notes for the time being outstanding of the relevant Series **provided that** at any meeting the business of which includes any of the matters specified in the proviso to paragraph 18 below the quorum shall be two or more persons present holding Notes or voting certificates or being proxies and holding or representing in the aggregate not less than two-thirds in principal amount of the Notes for the time being outstanding.
6. If within 15 minutes from the time appointed for any such meeting a quorum is not present, the meeting shall, if convened upon the requisition of Noteholders, be dissolved. In any other case it shall stand adjourned for such period, not being less than 28 days nor more than 42 days, as shall be appointed by the chairman. At such adjourned meeting one or more persons present in person holding Notes of the relevant Series or voting certificates or being proxies (whatever the principal amount of the Notes so held or represented) shall constitute a quorum and shall have the power to pass any resolution and to decide upon all matters which could properly have been dealt with at the original meeting had a quorum been present at such meeting **provided that** the quorum at any adjourned meeting at which an Extraordinary Resolution is to be proposed for the purpose of effecting any of the modifications specified in the proviso to paragraph 18 hereof shall be two or more persons so present holding or representing in the aggregate not less than one-third in principal amount of the Notes of the relevant Series for the time being outstanding.
7. The chairman may with the consent of (and shall if directed by) any meeting adjourn the same from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place.
8. At least ten days' notice of any meeting adjourned through want of a quorum shall be given in the same manner as of an original meeting and such notice shall state the quorum required at such adjourned meeting. It shall not, however, otherwise be necessary to give any notice of an adjourned meeting.
9. Every question submitted to a meeting shall be decided in the first instance by a show of hands and in case of equality of votes the chairman shall both on a show of hands and on a poll have a casting vote (regardless of whether such chairman is a Noteholder) in addition to the vote or votes (if any) to which he may be entitled as a Noteholder or as a holder of a voting certificate or as a proxy.

10. At any meeting, unless a poll is (before or on the declaration of the result of the show of hands) demanded by the chairman, the Issuer or by one or more persons holding one or more Notes of the relevant Series or voting certificates or being proxies and holding or representing in the aggregate not less than two per cent. of the principal amount of the Notes of the relevant Series for the time being outstanding, a declaration by the chairman that a resolution has been carried or carried by a particular majority or lost or not carried by any particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
11. If at any meeting a poll is so demanded, it shall be taken in such manner and (subject as hereinafter provided) either at once or after such an adjournment as the chairman directs and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the question on which the poll has been demanded.
12. Any poll demanded at any meeting on the election of a chairman or on any question of adjournment shall be taken at the meeting without adjournment.
13. The Issuer (through its representatives) and its financial and legal advisers shall be entitled to attend and speak at any meeting of the Noteholders of a specified Series. No person shall otherwise be entitled to attend or vote at any meeting of the Noteholders of a specified Series or to join with others in requesting the convening of such a meeting unless he is the Holder of a Note or a voting certificate or is a proxy in respect of the relevant Series.
14. Subject as provided in paragraph 13 hereof, at any meeting (a) on a show of hands every person who is present in person and who produces a Note or voting certificate or is a proxy in respect of the relevant Series shall have one vote and (b) on a poll every person who is so present shall have one vote in respect of each [•]¹ (or such lower principal amount as may result following any redemption or repayment) principal amount outstanding of Notes of the relevant Series so produced or represented by the voting certificate so produced or in respect of which he is a proxy or representative. Without prejudice to the obligations of proxies named in any block voting instruction or form of proxy, any person entitled to more than one vote need not use all his votes or cast all the votes to which he is entitled in the same way.
15. The person named in any block voting instruction or form of proxy need not be a Noteholder.
16. Each block voting instruction and each form of proxy in respect of a Note or Notes of a specified Series together (if so required by the Issuer) with proof satisfactory to the Issuer of its due execution, shall be deposited at the registered office of the Issuer (where the Issuer is not the recipient of block voting instructions or forms of proxy under paragraph 1 above) not less than 24 hours before the time appointed for holding the meeting or adjourned meeting at which the person named in the block voting instruction or form of proxy proposes to vote and in default the block voting instruction

¹ The currency and amount of the smallest denomination of Notes available in relation to the particular series shall be deemed to be inserted here.

shall not be treated as valid unless the chairman of the meeting decides otherwise before such meeting or adjourned meeting proceeds to business. A notarially certified copy of each such block voting instruction or form of proxy and satisfactory proof as aforesaid (if applicable) shall, if required by the Issuer, be produced by such person at the meeting or adjourned meeting but the Issuer shall not thereby be obliged to investigate or be concerned with the validity of, or the authority of, the person named in any such block voting instruction or form of proxy.

17. Any vote given in accordance with the terms of a block voting instruction or form of proxy shall be valid notwithstanding the previous revocation or amendment of the block voting instruction or form of proxy or of any of the Noteholders' instructions pursuant to which it was executed, **provided that** no intimation in writing of such revocation or amendment shall have been received by the Issuer at its registered office or by the chairman of the meeting in each case not less than 24 hours before the commencement of the meeting or adjourned meeting at which the block voting instruction or form of proxy is used.
18. A meeting of the Noteholders shall, in respect of Notes of the relevant Series and subject to the provisions contained in the Conditions, in addition to the powers given above, but without prejudice to any powers conferred on other persons, have power exercisable by Extraordinary Resolution:

This temporary Global Note is issued in respect of the Notes (the "**Notes**") of the Tranche and Series specified in the Second Schedule hereto of ICBC Standard Bank Plc (the "**Issuer**").

Interpretation and Definitions

References in this temporary Global Note to the "**Conditions**" are to the Terms and Conditions applicable to the Notes (which are in the form set out in Schedule 3 Part C to the Deed of Covenant executed by the Issuer as at 10 July 2023 and, as may be supplemented and/or amended up to, and including, the Issue Date, the "**Deed of Covenant**" (a copy of which is available for inspection at the Specified Office of the Issuer and which the Issuer acknowledges to apply to the Notes represented by this temporary Global Note), as such form is supplemented and/or modified and/or superseded by the provisions of this temporary Global Note (including any supplemental definitions and any modifications or additions set out in the Second Schedule hereto), which in the event of any conflict shall prevail. Other capitalised terms used in this temporary Global Note shall have the meanings given to them in the Conditions. If the Second Schedule hereto specifies that the applicable TEFRA exemption is either "**C Rules**" or "**not applicable**", this temporary Global Note is a "**C Rules Note**", otherwise this temporary Global Note is a "**D Rules Note**".

Aggregate Nominal Amount

The aggregate nominal amount from time to time of this temporary Global Note shall be an amount equal to the aggregate nominal amount of the Notes as shall be shown by the latest entry in the fourth column of part 1 of the First Schedule hereto, which shall be completed by or on behalf of the Issuer upon (i) the issue of Notes represented hereby, (ii) the exchange of the whole or a part of this temporary Global Note for a corresponding interest in a permanent Global Note or, as the case may be, for Definitive Notes, (iii) the redemption or purchase and cancellation of Notes represented hereby, (iv) in the case of Partly Paid Notes, the forfeiture of Notes represented hereby in accordance with the Conditions relating to such Partly Paid Notes and/or (v) the exchange of interests in this temporary Global Note for direct enforcement rights, all as described below.

Promise to Pay

Subject as provided herein, the Issuer, for value received, promises to pay to the bearer of this temporary Global Note, upon presentation and (when no further payment is due in respect of this temporary Global Note) surrender of this temporary Global Note, on the Maturity Date (or on such earlier date as the amount payable upon redemption under the Conditions may become

payable in accordance with the Conditions) the amount payable upon redemption under the Conditions in respect of the aggregate nominal amount of Notes represented by this temporary Global Note and (unless this temporary Global Note does not bear interest) to pay interest in respect of the Notes from the Interest Commencement Date in arrear at the rates, on the dates for payment, and in accordance with the methods of calculation provided for in the Conditions, save that the calculation is made in respect of the total aggregate amount of the Notes, together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions.

Exchange

Definitive Notes

If so specified in the Second Schedule hereto, and in accordance with the term of the notice specified thereto, this temporary Global Note may be exchanged in whole (free of charge to the holder) on surrender to or to the order of the Issuer for Definitive Notes, in an aggregate nominal amount equal to the nominal amount of this temporary Global Note submitted for exchange; **provided that**, in the case of any part of a D Rules Note submitted for exchange for Definitive Notes, there shall have been Certification with respect to such nominal amount submitted for such exchange dated no earlier than the Exchange Date.

Permanent Global Note

In the case of D Rules Notes only, on or after the first day following the expiry of 40 days after the Issue Date (the "**Exchange Date**"), this temporary Global Note may be exchanged in accordance with the Second Schedule hereto (free of charge to the holder), in whole or from time to time in part by its presentation and, on exchange in full, surrender to or to the order of the Issuer for interests in a permanent Global Note, in an aggregate nominal amount equal to the nominal amount of this temporary Global Note submitted for exchange; **provided that**, in the case of any part of a D Rules Note submitted for exchange for a permanent Global Note, there shall have been Certification with respect to such nominal amount submitted for such exchange dated no earlier than the Exchange Date.

"**Certification**" means the presentation to the Issuer of a certificate or certificates with respect to one or more interests in this temporary Global Note, signed by Euroclear or Clearstream, Luxembourg, substantially to the effect set out in Schedule 7 to the Deed of Covenant to the effect that it has received a certificate or certificates substantially to the effect set out in Schedule 6 to the Deed of Covenant with respect thereto and that no contrary advice as to the contents thereof has been received by Euroclear or Clearstream, Luxembourg, as the case may be.

Upon the whole or a part of this temporary Global Note being exchanged for a permanent Global Note, such permanent Global Note shall be exchangeable in accordance with its terms for Definitive Notes.

The Definitive Notes for which this temporary Global Note or a permanent Global Note may be exchangeable shall be duly executed and authenticated, and shall have attached to them all Coupons (and, where appropriate, Talons) in respect of interest, and all Receipts in respect of Instalment Amounts, that have not already been paid on this temporary Global Note or the permanent Global Note, as the case may be, shall be security printed and shall be substantially

in the form set out in the Schedules to the Deed of Covenant as supplemented and/or modified and/or superseded by the terms of the Second Schedule hereto.

On exchange in full and surrender of this temporary Global Note for Definitive Notes, the Issuer shall, if the holder so requests, procure that it is cancelled and returned to the holder together with the relevant Definitive Notes. On any exchange of a part of this temporary Global Note for an equivalent interest in a permanent Global Note, the portion of the nominal amount hereof so exchanged shall be endorsed by or on behalf of the Issuer in part 1 of the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so exchanged and endorsed.

If, for any actual or alleged reason that would not have been applicable had there been no exchange of this temporary Global Note (or part of this temporary Global Note) or in any other circumstances whatsoever, the Issuer does not perform or comply with any one or more of what are expressed to be its obligations under any Definitive Notes, then any right or remedy relating in any way to the obligation(s) in question may be exercised or pursued on the basis of this temporary Global Note despite its stated cancellation after its exchange in full, as an alternative, or in addition, to the Definitive Notes (or the Coupons, Receipts or Talons appertaining to them as appropriate). With this exception, upon exchange in full and cancellation of this temporary Global Note for Definitive Notes, this temporary Global Note shall become void.

Benefit of Conditions

Except as otherwise specified herein, this temporary Global Note is subject to the Conditions and, until the whole of this temporary Global Note is exchanged for equivalent interests in a permanent Global Note or for Definitive Notes, as the case may be, the holder of this temporary Global Note shall in all respects be entitled to the same benefits as if it were the holder of the permanent Global Note (or the relevant part of it) or the Definitive Notes, as the case may be, for which it may be exchanged as if such permanent Global Note or Definitive Notes had been issued on the Issue Date.

Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this temporary Global Note that falls due after the Exchange Date unless, upon due presentation of this temporary Global Note for exchange, delivery of (or, in the case of a subsequent exchange, due endorsement of) a permanent Global Note or delivery of Definitive Notes, as the case may be, is improperly withheld or refused by or on behalf of the Issuer.

Payments due in respect of a D Rules Note before the Exchange Date shall only be made in relation to such nominal amount of this temporary Global Note with respect to which there shall have been Certification dated no earlier than such due date for payment. If such presentation of certification as to non-US beneficial ownership is not made on or prior to the Exchange Date, then no payments in respect of Notes represented by a Global Note will be made until such certification is made.

Any payments that are made in respect of this temporary Global Note shall be made to its holder against presentation and (if no further payment falls to be made on it) surrender of it at the Specified Office of the Issuer or of any paying agent provided for in the Conditions. If any payment in full of principal is made in respect of any Note represented by this temporary Global Note, the portion of this temporary Global Note representing such Note shall be cancelled and

the amount so cancelled shall be endorsed by or on behalf of the Issuer in part 1 of the First Schedule hereto (such endorsement being *prima facie* evidence that the payment in question has been made) whereupon the nominal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed. If any other payments are made in respect of the Notes represented by this temporary Global Note, a record of each such payment shall be endorsed by or on behalf of the Issuer on an additional schedule hereto (such endorsement being *prima facie* evidence that the payment in question has been made). Paragraph (a) of Condition 6.8 (*Non-Business Days*) will not apply to payments in respect of Notes represented by this temporary Global Note.

Cancellation

Cancellation of any Note represented by this temporary Global Note that is required by the Conditions to be cancelled (other than upon its redemption) shall be effected by reduction in the nominal amount of this temporary Global Note representing such Note on its presentation to or to the order of the Issuer for endorsement in part 1 of the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed.

Notices

Notices required to be given in respect of the Notes represented by this temporary Global Note may be given by their being delivered (so long as this temporary Global Note is held on behalf of Euroclear and Clearstream, Luxembourg or any other clearing system) to Euroclear, Clearstream, Luxembourg or such other clearing system, as the case may be, or otherwise to the holder of this temporary Global Note, rather than by publication as required by the Conditions.

No provision of this temporary Global Note shall alter or impair the obligation of the Issuer to pay the principal and premium of and interest on the Notes when due in accordance with the Conditions.

This temporary Global Note (and any dispute, controversy, proceedings or claim of whatever nature (whether contractual, non-contractual or otherwise) arising out of or in any way relating to this temporary Global Note or its formation) shall be governed by and construed in accordance with English law.

The Issuer has caused this temporary Global Note to be duly signed and entered into on its behalf on the Issue Date.

Except as otherwise specified herein, this permanent Global Note is subject to the Conditions and, until the whole of this permanent Global Note is exchanged for Definitive Notes, the holder of this permanent Global Note shall in all respects be entitled to the same benefits as if it were the holder of the Definitive Notes for which it may be exchanged and as if such Definitive Notes had been issued on the Issue Date.

Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this permanent Global Note that falls due after an Exchange Date for such Notes, unless upon due presentation of this permanent Global Note for exchange, delivery of Definitive Notes is improperly withheld or refused by or on behalf of the Issuer or the Issuer does not perform or comply with any one or more of what are expressed to be its obligations under any Definitive Notes.

Payments in respect of this permanent Global Note shall be made to its holder against presentation and (if no further payment falls to be made on it) surrender of it at the specified office of the Issuer or of any Paying Agent provided for in the Conditions. A record of each such payment shall be endorsed on the First or Second Schedule hereto, as appropriate, by the Issuer, which endorsement shall (until the contrary is proved) be *prima facie* evidence that the payment in question has been made. Paragraph (a) of Condition 6.8 (*Non-Business Days*) will not apply to payments in respect of Notes represented by this permanent Global Note.

Prescription

Claims in respect of principal and interest (as each is defined in the Conditions) in respect of this permanent Global Note shall become void unless it is presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) from the appropriate Relevant Date.

Meetings

For the purposes of any meeting of Noteholders, the holder of this permanent Global Note shall (unless this permanent Global Note represents only one Note) be treated as two persons for the purposes of any quorum requirements of a meeting of Noteholders and, at any such meeting, as having one vote in respect of each integral currency unit of the Specified Currency of the Notes.

Cancellation

Cancellation of any Note represented by this permanent Global Note that is required by the Conditions to be cancelled (other than upon its redemption) shall be effected by reduction in the nominal amount of this permanent Global Note representing such Note on its presentation to or to the order of the Issuer for endorsement in part 1 of the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed.

Purchase

Notes may only be purchased by the Issuer, or any of its subsidiaries if they are purchased together with the right to receive all future payments of interest and Instalment Amounts (if any) thereon.

Issuer's Options

Any option of the Issuer provided for in the Conditions shall be exercised by the Issuer giving notice to the Noteholders within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the serial numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required.

Noteholders' Options

Any right (including any option) of the Noteholders provided for in the Conditions may be exercised by the holder of this permanent Global Note giving notice to the Issuer within the time limits relating to the deposit of Notes with the Issuer set out in the Conditions and at the same time presenting this permanent Global Note to the Issuer for notation accordingly in the Fourth Schedule hereto, **provided that**:

- (a) where the form of such notice is prescribed in the Deed of Covenant or any document relating to the Notes (the "**Prescribed Form**"), for so long as the Notes are represented by a Global Note, notice need not be given in the Prescribed Form but may be in any form (including electronic) **provided that** it contains all or substantially all the information required in the Prescribed Form and adequately identifies the relevant Notes;

- (b) the notice shall not be required to contain the certificate numbers of the Notes in respect of which the option has been exercised; and
- (c) the notice shall state the nominal amount of Notes in respect of which the right is exercised.

Events of Default

The holder hereof may from time to time exercise the right to declare Notes represented by this permanent Global Note due and payable following an Event of Default in accordance with the Conditions by stating in a notice given to the Issuer the nominal amount of Notes (which may be less than the outstanding nominal amount hereof) to which such notice relates.

If principal in respect of any Notes is not paid when due (but subject as provided below), the holder of this permanent Global Note may from time to time elect that Direct Rights under the provisions of (and as defined in) the Deed of Covenant (a copy of which is available for inspection at the Specified Office of the Issuer and which the Issuer acknowledges to apply to the Notes represented by this permanent Global Note) shall come into effect in respect of a nominal amount of Notes up to the aggregate nominal amount in respect of which such failure to pay principal has occurred. Such election shall be made by notice to the Issuer and presentation of this permanent Global Note to or to the order of the Issuer for reduction of the nominal amount of Notes represented by this permanent Global Note by such amount as may be stated in such notice by endorsement in part 1 of the First Schedule hereto and a corresponding endorsement in part 2 of the First Schedule hereto of such nominal amount of Notes formerly represented hereby as the nominal amount of Notes in respect of which Direct Rights have arisen under the Deed of Covenant. Upon each such notice being given, this permanent Global Note shall become void to the extent of the nominal amount stated in such notice, save to the extent that the appropriate Direct Rights shall fail to take effect, for whatever reason.

No such election may however be made on or before an Exchange Date unless the holder elects in such notice that the exchange for such Notes shall no longer take place.

Notices

Notices required to be given in respect of the Notes represented by this permanent Global Note may be given by their being delivered (so long as this permanent Global Note is held on behalf of Euroclear, Clearstream, Luxembourg or any other clearing system) to Euroclear, Clearstream, Luxembourg or such other clearing system, as the case may be, or otherwise to the holder of this permanent Global Note, rather than by publication as required by the Conditions.

Negotiability

This permanent Global Note is a bearer document and negotiable and accordingly:

- (a) is freely transferable by delivery and such transfer shall operate to confer upon the transferee all rights and benefits appertaining hereto and to bind the transferee with all obligations appertaining hereto pursuant to the Conditions;
- (b) the holder of this permanent Global Note is and shall be absolutely entitled as against all previous holders to receive all amounts by way of amounts payable upon redemption,

interest or otherwise payable in respect of this permanent Global Note and the Issuer has waived against such holder and any previous holder of this permanent Global Note all rights of set-off or counterclaim that would or might otherwise be available to it in respect of the obligations evidenced by this Global Note; and

- (c) payment upon due presentation of this permanent Global Note as provided herein shall operate as a good discharge against such holder and all previous holders of this permanent Global Note.

No provisions of this permanent Global Note shall alter or impair the obligation of the Issuer to pay the principal and premium of and interest on the Notes when due in accordance with the Conditions.

This permanent Global Note (and any dispute, controversy, proceedings or claim of whatever nature (whether contractual, non-contractual or otherwise) arising out of or in any way relating to this permanent Global Note or its formation) shall be governed by and construed in accordance with English law.

The Issuer has caused this permanent Global Note to be duly signed and entered into on its behalf on the Issue Date.

Transfer of Notes Represented by Restricted Global Certificates

If the Schedule hereto states that the Notes are to be represented by a Restricted Global Certificate on issue, transfers of the holding of Notes represented by this Global Certificate pursuant to Condition 2.1 may only be made in part:

- (a) if the Notes represented by this Global Certificate are held on behalf of Euroclear or Clearstream, Luxembourg or any other clearing system (except for DTC) (an "**Alternative Clearing System**") and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so; or

Definitive Certificates issued in exchange for a beneficial interest in a Restricted Global Certificate shall bear the legend applicable to such Notes as set out in "Transfer Restrictions". Where the holding of Notes represented by this Global Certificate is only transferable in its entirety, the Certificate issued to the transferee upon transfer of such holding shall be a Global Certificate. Where transfers are permitted in part, Certificates issued to transferees shall not be Global Certificates unless the transferee so requests and certifies to the Registrar that it is, or is acting as a nominee for, Clearstream, Luxembourg, Euroclear, DTC and/or an Alternative Clearing System.

These provisions will not prevent the trading of interests in the Notes within a clearing system whilst they are held on the behalf of such clearing system, but will limit the circumstances in which the Notes may be withdrawn from the relevant clearing system.

Meetings

For the purposes of any meeting of Noteholders, the holder of the Notes represented by this Global Certificate shall (unless this Global Certificate represents only one Note) be treated as two persons for the purposes of any quorum requirements of a meeting of Noteholders, and as being entitled to one vote in respect of each integral currency unit of the Specified Currency of the Notes.

Events of Default

If principal in respect of any Notes is not paid when due, the holder of the Notes represented by this Global Certificate may (subject as provided below) from time to time elect that Direct Rights under the provisions of (and as defined in) the Deed of Covenant shall come into effect in respect of a nominal amount of Notes up to the aggregate nominal amount in respect of which such failure to pay has occurred. Such election shall be made by notice to the Issuer by the holder of the Notes represented by this Global Certificate specifying the nominal amount of Notes represented by this Global Certificate in respect of which Direct Rights shall arise under the Deed of Covenant. Upon each such notice being given, this Global Certificate and the corresponding entry in the Register shall become void to the extent of the nominal amount stated in such notice, save to the extent that the appropriate Direct Rights shall fail to take effect, for whatever reason.

No such election may however be made unless the transfer of the whole or a part of the holding of Notes represented by this Global Certificate shall have been improperly withheld or refused.

Noteholders' Options

Any right (including any option) of the Noteholders provided for in the Conditions may be exercised by the holder of this Global Certificate giving notice to the Issuer within the time limits relating to the deposit of Notes with the Issuer set out in the Conditions, **provided that**:

- (a) where the form of such notice is prescribed in the Deed of Covenant or any document relating to the Notes (the "**Prescribed Form**"), for so long as the Notes are represented by a Global Note or Global Certificate, notice need not be given in the Prescribed Form but may be in any form (including electronic) **provided that** it contains all or

substantially all the information required in the Prescribed Form and adequately identifies the relevant Notes; and

- (b) the notice shall state the nominal amount of Notes in respect of which the right is exercised.

The statements set out in the legend above are an integral part of the Notes in respect of which this Global Certificate is issued and by acceptance hereof the holder of the Notes evidenced by this Global Certificate or any owner of an interest in such Notes agrees to be subject to and bound by the terms of such legend. For as long as the Notes in respect of which this Global Certificate is issued are "restricted securities" within the meaning of Rule 144(a)(3) under the Securities Act, the Issuer will, during any period in which it is neither subject to Section 13 or 15(d) of the Exchange Act, nor exempt from reporting pursuant to Rule 12g3-2(b) thereunder, provide to any holder or beneficial owner of such restricted securities or to any prospective purchaser designated by such holder or beneficial owner, in each case upon the request of such holder, beneficial owner or prospective purchaser, the information required to be provided by Rule 144A(d)(4) under the Securities Act.

This Restricted Global Certificate (and any dispute, controversy, proceedings or claim of whatever nature (whether contractual, non-contractual or otherwise) arising out of or in any way relating to this Restricted Global Certificate or its formation) shall be governed by and construed in accordance with English law.

The Issuer has caused this Restricted Global Certificate to be duly signed and entered into on its behalf on the Issue Date.

Interpretation and Definitions

References in this Global Certificate to the "**Conditions**" are to the Terms and Conditions applicable to the Notes (which are in the form set out in Schedule 3 Part C to the Deed of Covenant executed by the Issuer as at 10 July 2023 and, as may be supplemented and/or amended up to, and including, the Issue Date, the "**Deed of Covenant**" as such form is supplemented and/or modified and/or superseded by the provisions of this Global Certificate (including the supplemental definitions and any modifications or additions set out in the Schedule hereto), which in the event of any conflict shall prevail). Other capitalised terms used in this Global Certificate shall have the meanings given to them in the Conditions.

Promise to Pay

The Issuer, for value received, promises to pay to the holder of the Notes represented by this Global Certificate upon presentation and (when no further payment is due in respect of the Notes represented by this Global Certificate) surrender of this Global Certificate on the Maturity Date (or on such earlier date as the amount payable upon redemption under the

Conditions may become payable in accordance with the Conditions) the amount payable upon redemption under the Conditions in respect of the Notes represented by this Global Certificate and (unless the Notes represented by this Certificate do not bear interest) to pay interest in respect of such Notes from the Interest Commencement Date in arrear at the rates, in the amounts and on the dates for payment provided for in the Conditions, save that the calculation is made in respect of the total aggregate amount of the Notes represented by this Global Certificate together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions.

For the purposes of this Global Certificate, (a) the holder of the Notes represented by this Global Certificate is bound by the provisions of the Deed of Covenant, (b) the Issuer certifies that the Registered Holder is, at the date hereof, entered in the Register as the holder of the Notes represented by this Global Certificate, (c) this Global Certificate is evidence of entitlement only, (d) title to the Notes represented by this Global Certificate passes only on due registration on the Register, and (e) only the holder of the Notes represented by this Global Certificate is entitled to payments in respect of the Notes represented by this Global Certificate.

Payments of principal and interest on Notes represented by a Global Certificate shall be paid to the person shown on the Register at the Record Date. The "**Record Date**" in respect of any Notes which are represented by a Global Certificate is close of business in Euroclear or Clearstream Luxembourg, as the case may be on the Clearing System Business Day before the due date for such payment, where "**Clearing System Business Day**" means a day on which Euroclear or Clearstream Luxembourg (as applicable) is open for business.

Transfer of Notes Represented by Unrestricted Global Certificates

If the Schedule hereto states that the Notes are to be represented by a Unrestricted Global Certificate on issue, transfers of the holding of Notes represented by this Global Certificate pursuant to Condition 2.1 may only be made in part:

- (a) if the Notes represented by this Global Certificate are held on behalf of Euroclear or Clearstream, Luxembourg or any other clearing system (an "**Alternative Clearing System**") and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so; or
- (b) upon or following any failure to pay principal in respect of any Notes when it is due and payable; or
- (c) with the consent of the Issuer,

provided that, in the case of the first transfer of part of a holding pursuant to (a) or (b) above, the holder of the Registered Notes represented by this Global Certificate has given the Registrar not less than 30 days' notice at its specified office of such holder's intention to effect such transfer. Where the holding of Notes represented by this Global Certificate is only transferable in its entirety, the Certificate issued to the transferee upon transfer of such holding shall be a Global Certificate. Where transfers are permitted in part, Certificates issued to transferees shall not be Global Certificates unless the transferee so requests and certifies to the Registrar that it is, or is acting as a nominee for, Clearstream, Luxembourg, Euroclear, DTC and/or an Alternative Clearing System.

These provisions will not prevent the trading of interests in the Notes within a clearing system whilst they are held on behalf of such clearing system, but will limit the circumstances in which the Notes may be withdrawn from the relevant clearing system.

Meetings

For the purposes of any meeting of Noteholders, the holder of the Notes represented by this Global Certificate shall (unless this Global Certificate represents only one Note) be treated as two persons for the purposes of any quorum requirements of a meeting of Noteholders, and as being entitled to one vote in respect of each integral currency unit of the Specified Currency of the Notes.

Events of Default

If principal in respect of any Notes is not paid when due, the holder of the Notes represented by this Global Certificate may (subject as provided below) from time to time elect that Direct Rights under the provisions of (and as defined in) the Deed of Covenant shall come into effect in respect of a nominal amount of Notes up to the aggregate nominal amount in respect of which such failure to pay has occurred. Such election shall be made by notice to the Issuer by the holder of the Notes represented by this Global Certificate specifying the nominal amount of Notes represented by this Global Certificate in respect of which Direct Rights shall arise under the Deed of Covenant. Upon each such notice being given, this Global Certificate and the corresponding entry in the Register shall become void to the extent of the nominal amount stated in such notice, save to the extent that the appropriate Direct Rights shall fail to take effect, for whatever reason.

No such election may however be made unless the transfer of the whole or a part of the holding of Notes represented by this Global Certificate shall have been improperly withheld or refused.

Noteholders' Options

Any right (including any option) of the Noteholders provided for in the Conditions may be exercised by the holder of this Global Certificate giving notice to the Issuer within the time limits relating to the deposit of Notes with the Issuer set out in the Conditions, **provided that**:

- (a) where the form of such notice is prescribed in the Deed of Covenant or any document relating to the Notes (the "**Prescribed Form**"), for so long as the Notes are represented by a Global Note or Global Certificate, notice need not be given in the Prescribed Form but may be in any form (including electronic) **provided that** it contains all or substantially all the information required in the Prescribed Form and adequately identifies the relevant Notes; and
- (b) the notice shall state the nominal amount of Notes in respect of which the right is exercised.

This Unrestricted Global Certificate (and any dispute, controversy, proceedings or claim of whatever nature (whether contractual, non-contractual or otherwise) arising out of or in any way relating to this Unrestricted Global Certificate or its formation) shall be governed by and construed in accordance with English law.

The Issuer has caused this Unrestricted Global Certificate to be duly signed and entered into on its behalf on the Issue Date.

TERMS AND CONDITIONS OF THE NOTES

The notes ("**Notes**") are issued in series (each a "**Series**") and each Series may comprise of one or more tranches ("**Tranches**" and each a "**Tranche**") of Notes. The Notes are issued with the benefit of a deed of covenant (the "**Deed of Covenant**") dated 10 July 2023 executed by the Issuer. All Tranches of Notes comprising the same Series will be subject to identical terms, other than in respect of the Issue Date or the Interest Commencement Date, if applicable (each as specified in the applicable Final Terms). Each Series will be the subject of final terms (each a set of "**Final Terms**", which term also includes reference to Series Prospectus (as defined in the Base Prospectus relating to the Notes) when applicable) endorsed on the Notes, a copy of which will be available for inspection by any holder of such Notes at the specified UK office (as defined below).

References in these terms and conditions (the "**Conditions**") to "Notes" are to the Notes of one Series only, not to all Notes which may be issued under the Programme, and references to "Coupons" (as defined below) are to Coupons relating to Notes of the relevant Series.

Certain capitalised terms used in these Conditions are defined in Condition 4.11 (*Definitions*) and elsewhere in these Conditions. All capitalised terms that are not defined in these Conditions will have the meanings given to them in the relevant Final Terms, the absence of any such meaning indicating that such term is not applicable to the Notes. References in these Conditions to (i) "**principal**" shall be deemed to include any premium payable in respect of the Notes, all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 5 (*Redemption, Purchase Options and Physical Delivery*) or any amendment or supplement to it and (ii) "**interest**" shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 6 (*Payments*) or any amendment or supplement to it.

1. **Form, Denomination and Title**

1.1 **Form and Denomination**

The Notes are issued in bearer form ("**Bearer Notes**") or in registered form ("**Registered Notes**") in each case in the Specified Denomination(s) shown in the Final Terms **provided that** in the case of any Notes which are to be admitted to trading on a regulated market within the European Economic Area or offered to the public in a Member State of the European Economic Area in circumstances which require the publication of a prospectus under the Prospectus Regulation, the minimum Specified Denomination shall be €100,000 (or its equivalent in any other currency as at the date of issue of the relevant Notes).

If any Notes are neither admitted to trading on a regulated market in the European Economic Area nor offered in the European Economic Area in circumstances where a prospectus is required to be published under the Prospectus Regulation (an "**Exempt Note**"), the final terms (or the relevant provisions thereof) will be set out in a Pricing Supplement attached to or endorsed on the Notes which may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the Conditions, supplement, replace or modify the Conditions for the purposes of the Notes). If the relevant Notes are Exempt Notes, any reference in these Conditions to the applicable Final Terms shall be deemed to be a reference to applicable the Pricing Supplement.

1.2 **Bearer Notes**

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate talons) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. Notes, the principal amount of which is repayable by instalments ("**Instalment Notes**") are issued with one or more Receipts attached.

1.3 **Registered Notes**

Registered Notes are represented by registered certificates ("**Certificates**") and, save as provided in Condition 2.2 (*Exercise of Options or Partial Redemption in respect of Registered Notes*), each Certificate shall represent the entire holding of Registered Notes by the same holder.

1.4 Title

Title to the Bearer Notes and the Receipts, Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register (the "**Register**") that the Issuer shall keep or shall procure to be kept by any person appointed as registrar and specified in the Final Terms (in that capacity, the "**Registrar**"). Except as ordered by a court of competent jurisdiction or as required by law, the holder of any Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes whether or not it is overdue and regardless of any notice of ownership, trust or interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

2. Transfers of Registered Notes

2.1 Transfer of Registered Notes

The Final Terms may specify that the Registered Notes of any Series may be transferred only with the prior written consent of the Issuer. One or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate, (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer), duly completed and executed and any other evidence as the Registrar may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor **provided that** in the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding. All transfers of Notes and entries on the Register will be made subject to the detailed regulations concerning transfers of Notes set out in the Schedule to the Deed of Covenant. The regulations may be changed by the Issuer, with the prior written approval of the Noteholders. A copy of the current regulations will be made available by the Registrar to any Noteholder upon request.

2.2 Exercise of Options or Partial Redemption in respect of Registered Notes

In the case of an exercise of an Issuer's or Noteholders' option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.

2.3 Delivery of New Certificates

Each new Certificate to be issued pursuant to Condition 2.1 (*Transfer of Registered Notes*) or 2.2 (*Exercise of Options or Partial Redemption in respect of Registered Notes*) shall be available for delivery within three business days of receipt of the request for exchange, form of transfer or Exercise Notice (as defined in Condition 5.6 (*Redemption at the Option of Noteholders*)) and surrender of the Certificate for exchange together with satisfaction of any other requirements imposed by these Conditions. 2.4 **Transfer Free of Charge**

Transfer of Notes and Certificates on registration, transfer, partial redemption or exercise of an option shall be effected without charge by or on behalf of the Issuer, except upon payment of any tax or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Issuer may require).

2.5 **Closed Periods**

No Noteholder may require the transfer of a Registered Note of any Series to be registered (a) during the period of 15 days ending on the due date for redemption of, or payment of any Instalment Amount in respect of, that Note, (b) during the period of 15 days prior to the date on which Notes may be called for redemption by the Issuer pursuant to Condition 5.5 (*Redemption at the Option of the Issuer*), (c) after any such Note has been called for redemption or (d) during the period of seven days ending on (and including) any Record Date (as defined in Condition 6.2 (*Registered Notes*)).

3. **Status**

The Notes and Coupons relating to them constitute direct, unsubordinated and unsecured obligations of the Issuer and rank *pari passu* without any preference among themselves and (save for certain debts required to be preferred by law) equally with all other present and future unsecured and unsubordinated obligations of the Issuer from time to time outstanding.

- (B) if the Relevant Screen Page is not available or if sub-paragraph (A)(1) applies and no such offered quotation appears on the Relevant Screen Page or if sub-paragraph (A)(2) above applies and fewer than three such offered quotations appear on the Relevant Screen Page in each case as at the time specified above, subject as provided below, the Calculation Agent shall request, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. - (C) if paragraph (B) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, **provided that**, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

- (1) the Rate of Interest shall be the arithmetic mean, as calculated by the Calculation Agent, of the rates of interest that each of the five major banks selected by the Calculation Agent in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the benchmark rate on which the relevant Floating Rate Option is based is quoting to leading banks in respect of an amount of deposits in the Specified Currency that is representative for a single transaction in the relevant market for a period equal to the relevant Interest Period (commencing on the first day of such Interest Period) on the Interest Determination Date at such local time which is customary to determine bid and offered rates in respect of deposits in the Specified Currency in the relevant market, **provided that** if the Calculation Agent is unable to find five such banks then as many of such banks as the Calculation Agent is able to select so long as there are at least two such banks selected;
- (2) the Rate of Interest shall be determined by reference to the rate which the Calculation Agent determines has replaced the relevant Floating Rate Option in customary market usage in the international debt capital markets for the purposes of determining rates of interest in respect of bonds denominated in the Specified Currency and of a comparable duration to the relevant Interest Period, or, if the Calculation Agent determines that there is no such rate, such other rate as the Calculation Agent determines is most comparable to the relevant Floating Rate Option;

If the Calculation Agent determines the Rate of Interest in accordance with (1), (2) or (3) above it may make such adjustment(s) that it determines to be appropriate, if any, to any variable, calculation methodology, valuation, settlement, payment terms or any other terms of the Floating Rate Notes to account for such change to the method of determination of the Rate of Interest, including (but not limited to) any such adjustment(s) that the Calculation Agent determines are required in order to reduce or eliminate, to the extent reasonable practicable, any change in the economic value of the Floating Rate Notes from such change to the method of determination of the Rate of Interest.

If the Calculation Agent determines that the application of (1), (2) or (3) above would not achieve a commercially reasonable result, the Calculation Agent may determine that the Floating Rate Notes shall be redeemed, in which event the Issuer will cause to be paid to each Noteholder in respect of each Floating Rate Note held by it an amount determined pursuant to Condition 5.4 (*Early Redemption Amount - Other Notes*).

- (B) *Administrator/Benchmark Event*: if the Calculation Agent determines that an Administrator/Benchmark Event has occurred or is existing on any day in respect of any Floating Rate Notes and a Relevant Benchmark, the Calculation Agent may determine that the Floating Rate Notes shall be redeemed, in which event the Issuer will cause to be paid to each Noteholder in respect of each Floating Rate Note held by it an amount determined pursuant to Condition 5.4 (*Early Redemption Amount - Other Notes*).

Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable per Calculation Amount in respect of such Interest Period shall be the sum of the Interest Amounts payable in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be for the period for which interest is required to be calculated.

For the avoidance of doubt, in relation to any amount which is payable under these Conditions in respect of a Note and which is calculated by reference to a Calculation Amount, references to "Note" shall mean to a Note having a nominal amount (or face value) equal to the Calculation Amount.

Payments of interest in respect of the Notes will be made in the Specified Currency, unless the Dual Currency Note Provisions are specified in the relevant Final Terms to be applicable in respect of payments of interest, in which case payments of interest in respect of the Notes will be made in the Settlement Currency in accordance with the provisions of Condition 4.4.

Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 4.2(b) (*Interest on Floating Rate Notes and Variable Linked Interest Notes – Business Day Convention*), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 10 (*Events of Default*), the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition 4.9 but no publication of the Rate of Interest or the Interest Amount so calculated need be made. - (B) Notwithstanding the provisions above of this sub-paragraph (vi), where the Currency Performance or the Relevant OTC Exchange Rate at any time on any Trigger Reference Date is at or below the Additional FX Exposure Trigger, the Issuer may (in its sole discretion) by giving no less than two business days' irrevocable notice to the Noteholders (or such other notice period as may be specified in the Final Terms, such period being the "**Additional FX Exposure Trigger Notice Period**"), elect to redeem the Notes on the redemption date specified in such notice at the "Early Redemption Amount" specified in the Final Terms, as adjusted for the FX Exposure Amount pursuant to sub-paragraph (C) below.

If the FX Exposure Amount is a positive value it shall be added to the redemption amount either determined pursuant to Condition 5.2 (*Redemption of Specified Event Linked Notes following a Specified Event*), Condition 5.3 (*Redemption for Taxation Reasons*) or Condition 5.5 (*Redemption at the Option of the Issuer*) (as applicable) or the "Early Redemption Amount" specified in the Final Terms, and if the FX Exposure Amount is a negative value it shall be subtracted from the redemption amount determined pursuant to Condition 5.2 (*Redemption of Specified Event Linked Notes following a Specified Event*), Condition 5.3 (*Redemption for Taxation Reasons*) or Condition 5.5 (*Redemption at the Option of the Issuer*) or the abovementioned Early Redemption Amount specified in the Final Terms (as applicable). In such event (and **provided that** no Specified Event has occurred) the Issuer may, but shall not be obliged to, on giving not more than 30 nor less 15 days' notice to the Noteholders, and upon expiry of such notice, redeem all but not some only of the Notes at the Early Redemption Amount less, in the case of any Instalment Note, the aggregate of all Instalment Amounts that shall have become due and payable in respect of such Notes prior to the date fixed for redemption under any other Condition (which amount, if and to the extent not then paid, shall remain due and payable), together with any interest accrued to the date fixed for redemption. The provisions of this Condition 5.3 (*Redemption for Taxation Reasons*) are without prejudice to those of Condition 7 (*Taxation*).
- (b) The Issuer may, at its option, redeem some or all of the Notes (on giving not less than 15 or more than 30 days' irrevocable notice to holders (or such other notice period as may be specified in the relevant Final Terms)) in the event that the Issuer determines in good faith that it has suffered, or there is a substantial likelihood that it will suffer, a deduction or withholding in respect of a payment made to it, as a result of the Issuer's inability to comply with the reporting requirements imposed by the FATCA, **provided that** (1) such inability to comply with the reporting requirements is attributable to non-compliance by any holder of such Notes (or a foreign withholding agent (if any) in the chain of custody of payments made to the holders) with the Issuer's requests for certifications or identifying information and (2) (in the reasonable determination of the Issuer) compliance with the reporting requirements would (or there is a substantial likelihood that it would) preclude such deduction or withholding (such event, a **"Tax Termination Event"**). Upon a Tax Termination Event, Notes held by compliant holders, in addition to those held by non-compliant holders, may be redeemed or terminated. In the event of an early redemption of the Notes following a Tax Termination Event, the Issuer will cause to be paid to each such holder in respect of each such Note held by it the Early Redemption Amount.

The calculation of the Amortised Face Amount in accordance with this paragraph shall continue to be made (both before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the Maturity Redemption Amount together with any interest that may accrue in accordance with Condition 4.3 (*Zero Coupon Notes*).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown in the Final Terms.

(b) *Other Notes*

So long as the Notes are listed on any stock exchange and the rules of the relevant stock exchange or other relevant authority so require, the Issuer shall, once in each year in which there has been a partial redemption of the Notes, cause to be published in a leading newspaper of general circulation as specified by such stock exchange or other relevant authority a notice specifying

the aggregate nominal amount of Notes outstanding and a list of the Notes drawn for redemption but not surrendered.

No Note or Certificate so deposited and option exercised may be withdrawn without the prior consent of the Issuer.

In the event of an early redemption of Notes pursuant to this Condition 5.6 (*Redemption at the Option of Noteholders*), the Optional Redemption Amount may be less than the principal amount of the Notes being redeemed.

- (iii) cancel any of the Issuer's obligations (including in respect of any interest, principal and/or any other amounts) under the relevant Notes,

and, in the case of (i), (ii) and/or (iii) above, the Issuer shall provide a notice to the relevant Noteholders in accordance with Condition 15 (*Notices*).

For the purposes of this Condition 5B, "Change in Law (Settlement) Disruption Event" means, on or after the date of issue of the relevant Notes, (A) the adoption of or any change in any applicable law or regulation or (B) the promulgation of or any change in the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation (including (in each case), without limitation, the imposition or announcement of any economic or financial sanctions, trade embargoes or related restrictive measures), as a result of which the Issuer determines (in its sole and absolute discretion) that it is, or is substantially likely to be, unlawful for the Issuer to make any payments of interest, principal and/or any other amounts under the Notes.

5C. **Impossibility (Settlement) Disruption Event**

If "Impossibility (Settlement) Disruption Event" is specified as applicable in the relevant Final Terms, the Issuer may, following the occurrence of an Impossibility (Settlement) Disruption Event:

- (i) defer, without the incurrence of any interest, fees or penalty, the payment of the interest, principal and/or any other amounts due in respect of such Notes for such period until the Issuer believes (acting in good faith and in a commercially reasonable manner) that the Impossibility (Settlement) Disruption Event has ceased to occur (or, if earlier, the date falling twelve (12) calendar months after the scheduled maturity date of the Notes); and/or
- (ii) pay the Noteholders the relevant interest, principal and/or any other amount in such alternative currency (provided the payment in such currency is not also restricted or prohibited as a result

of such Impossibility (Settlement) Disruption Event) as the Issuer may determine in its sole discretion; and/or

- (iii) cancel any of the Issuer's obligations (including in respect of any interest, principal and/or any other amounts) under the relevant Notes,

and, in the case of (i), (ii) and/or (iii) above, the Issuer shall provide a notice to the relevant Noteholders in accordance with Condition 15 (*Notices*).

For the purposes of this Condition 5C, "Impossibility (Settlement) Disruption Event" means any event beyond the control of the Issuer (including, without limitation, any action or inaction by an applicable clearing or settlement system or by any central securities depository) as a result of which the Issuer is unable (after using commercially reasonable efforts) to make any payments of interest, principal and/or any other amounts due under the Notes.

6. Payments

6.1 Bearer Notes

Payments of principal and interest in respect of Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Receipts (in the case of payments of Instalment Amounts other than on the due date for redemption and **provided that** the Receipt is presented for payment together with its relative Note), Notes (in the case of all other payments of principal and, in the case of interest, as specified in Condition 6.6(f) (*Unmatured Coupons and Receipts and Unexchanged Talons*)) or Coupons (in the case of interest, save as specified in Condition 6.6(f) (*Unmatured Coupons and Unexchanged Talons*)), as the case may be, at any Specified Office of the Issuer outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the holder, by transfer to an account denominated in such currency with, a Bank. "**Bank**" means a bank in the principal financial centre for such currency or in the case of euro in a city in which banks have access to T2.

6.2 Registered Notes

- (a) Payments of principal (which for the purposes of this Condition 6.2 shall include the final Instalment Amount but not other Instalment Amounts) in respect of Registered Notes shall be made against presentation and surrender of the relevant Certificates at the Specified Office of the Issuer and in the manner provided in paragraph (b) below.
- (b) Interest (which for the purpose of this Condition 6.2 shall include all Instalment Amounts other than final Instalment Amounts) on Registered Notes shall be paid to the person shown on the Register at the close of business on the fifteenth day before the due date for payment thereof. Payments of interest on each Registered Note shall be made in the relevant currency by cheque drawn on a Bank and mailed to the holder (or to the first named of joint holders) of such Note at its address appearing in the Register. Upon application by the holder to the Specified Office of the Issuer before the Record Date such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a Bank.
- (c) If the amount of principal or interest which is due on any Registered Note is not paid in full otherwise than by reason of the operation of Condition 5.2 (*Redemption of Specified Event Linked Notes following a Specified Event*) in the case of Specified Event Linked Notes, the Registrar will annotate the Register with a record of the amount of principal or interest, if any, in fact paid on such Registered Notes.

6.3 Payments in the United States

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any paying agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed paying agents with specified offices outside the United States with the reasonable expectation that such paying agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on

payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

6.4 **Payments Subject to Fiscal Laws**

All payments are subject in all cases to (i) any applicable fiscal or other laws, regulations and directives but without prejudice to the provisions of Condition 7 (*Taxation*) and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the United States Internal Revenue Code of 1986 or otherwise imposed pursuant to Sections 1471 through 1474 of the United States Internal Revenue Code of 1986, any regulations or agreements thereunder, any official interpretations thereof, or any law implementing an intergovernmental approach thereto. No commission or expenses shall be charged to the Noteholders, Couponholders or Receiptholders in respect of such payments.

6.5 **Appointment of Agents**

The Issuer reserves the right at any time to appoint and/or remove paying agents, or to act itself as paying agent. In addition, the Issuer shall forthwith appoint a paying agent in New York City in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in Condition 6.3 (*Payments in the United States*) above.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders.

6.6 **Unmatured Coupons and Receipts and Unexchanged Talons**

- (a) Upon the due date for final redemption of Bearer Notes which comprise Fixed Rate Notes (other than Dual Currency Notes or Variable Linked Notes) surrendered for payment otherwise than as a result of redemption pursuant to Condition 5.2 (*Redemption of Specified Event Linked Notes following a Specified Event*), such Notes should be surrendered for payment together with all unmaturing Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unmaturing Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unmaturing Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of ten years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 9 (*Prescription*)).
- (b) Upon the due date for redemption of any Bearer Note comprising a Floating Rate Note, Dual Currency Note or Variable Linked Note or upon redemption of any Bearer Note pursuant to Condition 5.2 (*Redemption of Specified Event Linked Notes following a Specified Event*), unmaturing Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (c) Upon the due date for redemption of any Bearer Note any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (d) Upon the due date for redemption of any Bearer Note that is redeemable in instalments, all Receipts relating to such Note having an Instalment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.
- (e) Where any Bearer Note that provides that the relative unmaturing Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmaturing Coupons, and where any Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made against the provision of such indemnity as the Issuer may require.
- (f) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall, subject to Condition 5.2 (*Redemption of Specified Event Linked Notes following a Specified Event*) in the case of Specified Event Linked Notes, be payable only against presentation (and surrender if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be. Interest

accrued on a Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.

6.7 Talons

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the Specified Office of the Issuer in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 9 (*Prescription*)).

6.8 Non-Business Days

If any date for payment in respect of any Bearer Note, Receipt or Coupon (or principal on a Registered Note in the circumstance of Condition 6.2(a) above) is not a business day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, "**business day**" means a day (other than a Saturday or a Sunday) on which commercial banks and foreign exchange markets settle payments and are open for business (including dealings in foreign exchange currency deposits);

- (a) in the relevant place of presentation; and
- (b) in each jurisdiction specified as a "Financial Centre" in the Final Terms; and
- (c)
 - (i) (in the case of a payment in a currency other than euro) where payment is to be made by transfer to an account maintained with a bank in the relevant currency, in the principal financial centre of the country of such currency (which, in the case of Australian dollars or New Zealand dollars, shall be Sydney or Auckland, respectively); or
 - (ii) (in the case of a payment in euro) which is a TARGET Business Day.

6.9 Additional Deduction Amount

If Additional Deduction Amount is specified as applicable in relevant the Final Terms, any amounts payable to a holder (whether of interest or principal or any other amount falling due in accordance with these Conditions) may be reduced by an amount determined by the Issuer in its sole discretion acting in good faith and a commercially reasonable manner (including, but not limited to, amounts in respect of taxes, duties, expenses, fees and commissions) **provided that** the aggregate of all amounts deducted pursuant to this Condition 6.9 shall not exceed the Maximum Aggregate Additional Deduction Amount.

7. Taxation

All payments made by or on behalf of the Issuer shall be made subject to any withholding or deduction for any taxes, duties, assessments or governmental charges of whatever nature which may be required to be made, paid, withheld or deducted. The Issuer shall not be liable as a result for, or otherwise obliged to pay, any additional amount to any of the Noteholders, Couponholders, or Receiptholders in respect of, or compensation for, any such withholding or deduction or any other amounts withheld or deducted pursuant to condition 6.4 above.

8. ERISA

- (a) If the Notes (or an interest therein) would be characterised as indebtedness without substantial equity features and not as an equity interest, each acquirer and subsequent transferee of such Notes will be deemed to have represented, warranted and agreed, by its acquisition and holding of such Notes (or an interest therein), that:

- (i) either:
 - (A) it is not (and for so long as it holds such Notes (or an interest therein) will not be) acting on behalf of a Benefit Plan Investor or a Similar Plan that is subject to any Similar Law; or
 - (B) its acquisition, holding and disposition of such Notes (or an interest therein) will not result in or constitute a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or a violation of any Similar Law;
- (ii) if it is a Benefit Plan Investor:
 - (A) none of the Transaction Parties has provided any investment recommendation or investment advice to the Benefit Plan Investor or Plan Fiduciary, on which either the Benefit Plan Investor or Plan Fiduciary has relied in connection with the decision to acquire such Notes (or an interest therein);
 - (B) the Transaction Parties are not otherwise undertaking to act as a "fiduciary" as that term is defined in Section (21) of ERISA or Section 4975(e)(3) of the Code, to the Benefit Plan Investor or Plan Fiduciary in connection with the Benefit Plan Investor's acquisition of such Notes (or an interest therein); and
 - (C) the Plan Fiduciary is exercising its own independent judgment in evaluating the transaction; and
 - (iii) it will not sell or otherwise transfer such Notes (or an interest therein) to any person without first obtaining the foregoing representations, warranties and agreements.
- (b) If the Notes (or an interest therein) would be characterised as an equity interest, each acquirer and subsequent transferee of such Notes will be deemed to have represented, warranted and agreed, by its acquisition and holding of such Notes (or an interest therein), that:
 - (i) it is not (and for so long as it holds such Notes (or an interest therein) will not be) acting on behalf of:
 - (A) a Benefit Plan Investor; or
 - (B) a Similar Plan that is subject to any Similar Law, unless its acquisition, holding and disposition of such Notes (or an interest therein) will not result in or constitute a violation of any Similar Law; and
 - (ii) it will not sell or otherwise transfer such Notes (or an interest therein) to any person without first obtaining the foregoing representations, warranties and agreements.

For the purpose of these Conditions, the following terms shall have the meanings set out below:

"Benefit Plan Investor" means (i) a Plan or (ii) a person or entity whose underlying assets include, or are deemed to include, "plan assets" by reason of a Plan's investment in the person or entity under the Plan Assets Regulation or otherwise for purposes of Title I of ERISA or Section 4975 of the Code;

"Code" means the U.S. Internal Revenue Code of 1986, as amended;

"ERISA" means the U.S. Employee Retirement Income Security Act of 1974, as amended;

4975(e)(1) of the Code that is subject to Section 4975 of the Code, including individual retirement accounts, health savings accounts and "Keogh" plans;

"Plan Fiduciary" means any fiduciary or other person investing the assets of the Benefit Plan Investor, or who otherwise has discretion or control over the investment and management of "plan assets";

"Similar Law" means a U.S. federal, state, local, non-U.S. or other law or regulation that contains one or more provisions that are substantially similar to the fiduciary responsibility and prohibited transaction provisions of Title I of ERISA, or Section 4975 of the Code;

"Similar Plan" means a "Governmental Plan" within the meaning of Section 3(32) of ERISA, a non-U.S. Plan described in Section 4(b)(4) of ERISA, a "Church Plan" within the meaning of Section 3(33) of ERISA that has made no election under Section 410(d) of the Code or an employee benefit plan that is not a Benefit Plan Investor; and

"Transaction Parties" means the Issuer, the Registrar, any paying agents appointed by the Issuer in respect of any Notes, any managers or initial purchasers in respect of any Notes and the Calculation Agent, or any of their respective affiliates (and the term **"Transaction Party"** shall be construed accordingly).

8.2 **Forced Transfer**

If the Issuer determines at any time that any Noteholder has made or been deemed to have made an ERISA related representation that is false or misleading (a **"Non-Permitted Holder"**), the Issuer may direct the Noteholder to sell or transfer its Note to a person who is not a Non-Permitted Holder within 14 days following receipt of notice of the direction. If the Noteholder fails to sell or transfer its Note within such period, the Issuer may cause the Note to be sold to an acquirer selected by the Issuer that certifies to the Issuer that such acquirer is not a Non-Permitted Holder, on terms as the Issuer may choose, subject to the transfer restrictions set out herein (and in the Deed of Covenant), and, pending such transfer, no further payments will be made in respect of the Note. The Issuer may select an acquirer by any means determined by it in its sole discretion. The proceeds of the sale, net of any commissions, expenses and taxes due in connection with the sale shall be remitted to the selling Noteholder. The terms and conditions of any sale hereunder (including the sale price) shall be determined in the sole discretion of the Issuer, subject to the transfer restrictions set out herein (and in the Deed of Covenant), and the Issuer shall not be liable to any person having an interest in the Note sold as a result of any sale or the exercise of such discretion.

9. **Prescription**

Claims against the Issuer for payment in respect of the Notes, Receipts and Coupons (which for this purpose shall not include Talons) shall be prescribed and become void unless made within ten years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect thereof.

10. **Events of Default**

Upon the occurrence of any of the following events in respect of the Notes of any relevant Series or any of them (each an **"Event of Default"**) namely:

- (a) default is made for more than 14 days in the payment on the due date of any principal or interest due and payable in respect of the Notes of the relevant Series or any of them on the due date for payment thereof; **provided that** it shall not be such a default to withhold or refuse any such payment if, in the sole opinion of the Issuer, there is a material risk of the payment being contrary to any fiscal or other law or regulation or the order of any court of competent jurisdiction, or any statement, guidance, policy, recommendation or interpretation of any governmental or regulatory body (whether or not having the force of law), in each case applicable to such payment; or
- (b) a default is made in the performance or observance by the Issuer of any other obligation under or in respect of the Notes of the relevant Series and such default shall continue for 30 days after written notice requiring such default to be remedied shall have been given to the Issuer by any holder of Notes of the relevant Series; or

- (c) an administrator is appointed, a resolution is passed or an order of a court of competent jurisdiction is made that the Issuer be wound up or dissolved otherwise than for the purposes of or pursuant to a consolidation, amalgamation, merger or reconstruction in which (i) a continuing corporation effectively assumes all obligations of the Issuer under the Notes of the relevant Series or (ii) the terms whereof have previously been approved by an Extraordinary Resolution (as defined in the terms for meetings of Noteholders set forth in the Schedule to the Deed of Covenant, copies of which can be obtained from the Specified Office of the Issuer) of the holders of Notes of the relevant Series; or
- (d) the Issuer stops pursuant or (otherwise than for the purposes of such a consolidation, amalgamation, merger or reconstruction as is referred to in paragraph (c) above) ceases, or through an official action of its Board of Directors threatens to cease, to carry on business or is unable to pay its debts as and when they fall due (within the meaning of any applicable bankruptcy or insolvency law); or
- (e) a trustee, receiver, liquidator, provisional liquidator, administrator or similar official is appointed of the whole or substantial part of the assets or undertaking of the Issuer; or
- (f) proceedings shall have been initiated against the Issuer under any applicable bankruptcy or insolvency law and such proceedings shall not have been discharged or stayed within a period of 60 days or the Issuer initiates or consents to such proceedings;

then **provided that** no Specified Event has occurred, any holder of a Note of the relevant Series may, by written notice to the Issuer at its Specified Office, declare the Note held by the holder to be forthwith due and payable whereupon the same shall become forthwith due and payable at the Maturity Redemption Amount, together with accrued interest (if any) to the date of repayment, without presentment, demand, protest or other notice of any kind all of which the Issuer expressly waives notwithstanding anything contained in such Note to the contrary unless, prior thereto, all Events of Default in respect of Notes of the relevant Series shall have been cured.

11. Meetings of Noteholders and Modifications

11.1 Modifications and Waivers

The Issuer may from time to time modify and amend the Notes (including the Conditions) or the Deed of Covenant, in each case without the consent of the holders of the Notes or (if applicable) any holders of Coupons or Receipts in respect of the Notes in accordance with, respectively, this Condition 11.1 or the Deed of Covenant, in such manner as the Issuer deems necessary or desirable, if the modification or amendment:

- (a) is of a formal, minor or technical nature; or
- (b) is made to cure a manifest or proven error; or
- (c) is made to cure any ambiguity; or is made to correct or supplement any defective provisions of the Notes or the Deed of Covenant (as applicable); or
- (d) will not materially and adversely affect the interests of the holders of the Notes or (if applicable) any holders of Coupons or Receipts in respect of the Notes.

Any such modification or amendment shall take effect in accordance with its terms and shall be binding on the holders of the Notes or (if applicable) any holders of Coupons or Receipts in respect of the Notes, and shall be notified to the Holders in accordance with Condition 15 (*Notices*) as soon as practicable (but failure to give such notice, or non-receipt thereof, shall not affect the validity of such modification or amendment).

11.2 Modification and Waiver with holder consent

- (a) *Majority Consent:* Subject as provided in paragraphs (b) and (c) below (and in each case subject to the consent of the Issuer), in order to modify and amend the Deed of Covenant and the Notes (including the Conditions), or to waive past Issuer defaults, a resolution in writing signed by the holders of at least a majority in aggregate principal amount of the Notes at the time outstanding (in the case of Notes), or of

such lesser percentage as may attend and vote at a meeting of holders of the Notes held in accordance with the Deed of Covenant shall be required.

(b) Consent by Extraordinary Resolution: Any modification which will:

- (i) extend the stated maturity of the principal of or any instalment of interest on any such Note or extend the date for expiration, settlement or payment of any coupon in relation to such Security;
- (ii) reduce the principal amount, redemption price of, or settlement price of, or interest on (as applicable), any such Note;
- (iii) change the currency of payment of such Note or interest thereon;
- (iv) impair the right to institute suit for the enforcement of any such payment on or with respect to any such Note;
- (v) reduce the percentage in aggregate principal amount of Notes outstanding necessary to modify or amend the Deed of Covenant, or to waive any past default; or
- (vi) reduce the voting or quorum requirements or the percentage of aggregate principal amount, redemption price or settlement price of Notes outstanding required to take any other action authorised to be taken by the holders of a specified principal amount of Notes,

may only be made if sanctioned by an Extraordinary Resolution.

(c) *Priority*: The terms of this Condition 11.2 are subject to the terms of Condition 11.1 (*Modifications and Waiver*).

11.3 Meetings of Holders

The terms for meetings of Noteholders set forth in the Schedule to the Deed of Covenant, copies of which can be obtained from the Specified Office of the Issuer, are incorporated in these Conditions and apply as if set out herein.

Such terms contain provisions for convening meetings of the holders of Notes of any Series to consider any matter affecting their interest including, without limitation, the modification by Extraordinary Resolution (as defined in such terms) of these Conditions. An Extraordinary Resolution passed at any meeting of the holders of Notes of any Series will be binding on all holders of Notes of such Series, whether or not they are present at the meeting, and on all holders of Coupons relating to Notes of such Series.

12. Replacement of Notes, Certificates, Receipts, Coupons and Talons

If a Note, Certificate, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange and other relevant authority regulations, at the Specified Office of the Issuer and of the Registrar (in the case of Certificates) or such other agent as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Certificate, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Certificates, Receipt, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Notes, Certificates, Receipt, Coupons or Talons must be surrendered before replacements will be issued.

13. **Further Issues**

The Issuer may from time to time without the consent of the Noteholders, Receiptholders or Couponholders create and issue further securities either having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single series with the outstanding securities of any series (including the Notes) or upon such terms as the Issuer may determine at the time of their issue. References in these Conditions to the Notes include (unless the context requires otherwise) any other securities issued pursuant to this Condition 13 and forming a single series with the Notes.

14. **Substitution**

14.1 The Issuer or any of its subsidiaries (as defined by Section 1159 of the Companies Act 2006) of which more than 90 per cent. of the shares carrying voting rights are directly or indirectly held by the Issuer (each a "**Subsidiary**") may, without the consent of the holders of Notes, assume liability as the principal debtor in respect of the Notes and any Coupons (the "**Substituted Debtor**"), **provided that:**

- (a) a deed poll and such other documents (if any) shall be executed by the Substituted Debtor as may be necessary to give full effect to the substitution (the "**Documents**") and (without limiting the generality of the foregoing) pursuant to which the Substituted Debtor shall undertake in favour of each holder of Notes to be bound by these Conditions as fully as if the Substituted Debtor had been named in the Notes as the Issuer; and
- (b) the Documents shall contain a warranty and representation (i) that the Substituted Debtor has obtained all necessary governmental and regulatory approvals and consents for such substitution, (ii) that the Substituted Debtor has obtained all necessary governmental and regulatory approvals and consents for the performance by the Substituted Debtor of its obligations under the Documents and that all such approvals and consents are in full force and effect and (iii) that the obligations assumed by the Substituted Debtor are valid and binding in accordance with their respective terms and enforceable by each holder of Notes.

14.2 Upon the execution of the Documents, the Substituted Debtor shall be deemed to be named in the Notes as the principal debtor in place of the Issuer and the Notes shall thereupon be deemed to be amended to give effect to the substitution. The execution of the Documents shall, in the case of the substitution of a Substituted Debtor as principal debtor, operate to release the Issuer or the previous substitute as aforesaid from all of its obligations as principal debtor in respect of the Notes.

14.3 The Documents shall be deposited with and held by the Issuer for so long as any of the Notes remains outstanding and for so long as any claim made against the Substituted Debtor by the holder of Notes in relation to the Notes or the Documents shall not have been fully adjudicated, settled or discharged. The Substituted Debtor shall acknowledge in the Documents the right of every holder of Notes to the production of the Documents for the enforcement of any of the Notes or the Documents.

14.4 Not later than 20 days after the execution of the Documents, the Substituted Debtor together with the Issuer shall give notice thereof to the holders of Notes in accordance with this Condition 14.

14.5 At any time after a substitution pursuant to Condition 14.1 (*Substitution*), the Substituted Debtor may, without the consent of the holders of Notes, substitute the Issuer or any other Subsidiary as the principal debtor in respect of the Notes to undertake its obligations in respect of the Notes **provided that** all the provisions specified in Conditions 14.1, 14.2, 14.3 and 14.4 (*Substitution*) above shall apply, *mutatis mutandis*, and without limitation, references in this Condition to the Issuer shall, where the context so requires, be deemed to be or include references to any such Substituted Debtor.

15. **Notices**

Notices to the holders of Registered Notes shall be mailed to them at their respective addresses in the Register and deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing. Notices to the holders of Bearer Notes shall be valid if published in a daily newspaper of general circulation in London (which is expected to be the Financial Times) and so long as the Notes are listed on Euronext Dublin and the rules of that Exchange so require, in a daily

newspaper with general circulation in Ireland (which is expected to be the Irish Times). If in the opinion of the Issuer any such publication is not practicable, notice shall be validly given if published in another leading daily English Language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the date of the first publication as provided above.

While the Notes are listed on Euronext Dublin, copies of all notices given in accordance with this Condition 15 shall be forwarded to the Companies Announcement Office of Euronext Dublin.

Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes to which the Coupons relate in accordance with this Condition 15.

16. Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999.

17. Governing Law and Jurisdiction

17.1 Governing Law

The Notes, the Receipts, the Coupons and the Talons, (and any dispute, controversy, proceedings or claim of whatever nature (whether contractual, non-contractual or otherwise) arising out of or in any way relating to the Notes, the Receipts, the Coupons and the Talons or their formation) shall be governed by, and construed in accordance with, English law.

17.2 Jurisdiction

The courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with any Notes, Receipts, Coupons or Talons and accordingly any legal action or proceedings arising out of or in connection with any Notes, Receipts, Coupons or Talons ("**Proceedings**") shall be brought in such courts. The Issuer irrevocably submits to the jurisdiction of the courts of England and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the holders of the Notes or Coupons and shall not affect the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

CREDIT LINKED DERIVATIVES ANNEX

Where specified as applicable in any Final Terms relating to the issue of Notes under the Programme, the provisions of this Credit Linked Derivatives Annex shall apply to such Notes as if expressly set out in the relevant Final Terms.

1. Amendment to the Conditions

5.2A Redemption

Unless previously redeemed, purchased and/or cancelled and notwithstanding Condition 5.1 (*Final Redemption*):

- (I) if 'Amortising Reference Obligation' is specified as applicable in the relevant Final Terms and the Conditions to Settlement have not been satisfied then, in respect of any Scheduled Instalment Date, the Issuer shall redeem each Note in part at the corresponding Instalment Redemption Amount (together with interest, if any, accrued to such Scheduled Instalment Date) on:
 - (i) such Scheduled Instalment Date; or
 - (ii) the Delayed Instalment Date, if the Calculation Agent determines a Potential Credit Event has occurred; and
- (II) if the Conditions to Settlement have not been satisfied, the Issuer shall redeem the Notes at the Final Redemption Amount of each Note (together with interest, if any, accrued to the Scheduled Termination Date) on:
 - (i) the Scheduled Termination Date; or
 - (ii) the Termination Date, if the Calculation Agent determines a Potential Credit Event has occurred, or
- (III) if "Cash Settlement at Maturity" is specified as applicable in the relevant Final Terms, the Final Redemption Amount will be equal to the Cash Settlement Amount determined in accordance with Condition 5.2F.

(b) *Redemption following Satisfaction of Conditions to Settlement*

Unless previously redeemed, purchased and/or cancelled, upon satisfaction of the Conditions to Settlement or upon the occurrence of a Trigger Event, no further amounts in respect of interest or principal will become due or payable and interest will cease to accrue in respect of the Notes with effect from the immediately preceding Interest Payment Date (or, if none, the Interest Commencement Date) and the Issuer will instead redeem the Notes:

- (i) if Auction Settlement applies, in accordance with Condition 5.2E (*Auction Settlement*), unless a Fallback Settlement Event occurs, in which event the Issuer will instead redeem the Notes in accordance with the applicable Fallback Settlement Method;
- (ii) if Cash Settlement applies, in accordance with Condition 5.2F (*Cash Settlement*); or
- (iii) if Physical Settlement applies, in accordance with Condition 5.2G (*Physical Settlement*).

Upon discharge by the Issuer of such payment or delivery obligation on or by the relevant Settlement Date (or, if the Auction Settlement Amount or Cash Settlement Amount is zero, upon the occurrence of the Auction Settlement Date or Cash Settlement Date), or otherwise as provided herein, the Issuer's obligations in respect of the Notes shall be discharged.

5.2B Suspension of the Issuer's Payment Obligations in relation to a Potential Credit Event or a Credit Event Resolution Request Date

(a) *Potential Credit Events*

Where the Calculation Agent determines that a Potential Credit Event (including without limitation, a Potential Failure to Pay or Potential Repudiation/Moratorium) has occurred on or prior to the Scheduled Termination Date (or in the case of paragraph (d) of the definition of Potential Credit Event, on or prior to the last day of the Notice Delivery Period), no further payments shall become due hereunder (whether of principal or interest) unless the Calculation Agent determines that such Potential Credit Event is cured (a "**Cure Event**") or that the Conditions to Settlement have not been satisfied in accordance with Condition 5.2C (*Satisfaction of Conditions to Settlement*) in which event any amounts which would have already fallen due but for this clause 5.2B(a) shall become payable (without any additional interest thereon) on or prior to the second Local Business Day after the date of such Cure Event and all other amounts shall remain payable in accordance with the Terms and Conditions of the Notes.

The Calculation Agent may give a Potential Credit Event Notice at any time specified in the definition of "**Potential Credit Event Notice**" (including after the occurrence of a Potential Credit Event) but failure to give a Potential Credit Event Notice shall not render invalid the determination of the Calculation Agent that a Potential Credit Event has occurred.

(b) *Settlement Suspension following Credit Event Resolution Request Date*

If, at any time after the delivery of a Credit Event Notice and, if applicable, a Notice of Publicly Available Information but prior to the Cash Settlement Date or Physical Settlement Date, a Credit Derivatives Determinations Committee is requested to determine whether a Credit Event has occurred or the date of occurrence of such Credit Event with respect to the Reference Entity in respect of which such Credit Event Notice has been served, the Issuer may elect (in its sole discretion) to suspend settlement of the Notes and if so, the timing requirements of Condition 5.2D (*Auction or Cash or Physical Settlement at the Issuer's Option*), Condition 5.2G(a) (*Delivery of Notice of Physical Settlement*), Condition 5.2G(b) (*Delivery on the Physical Settlement Date*), Condition 5.2G(c) (*Partial Cash Settlement following Extended Physical Settlement Date*), the Cash Settlement Date, the Valuation Date, the Physical Settlement Period, the Physical Settlement Date, the Notice of Physical Settlement, the Extension Date, the Notice Delivery Period, as applicable, and any other provision in this Credit Linked Derivatives Annex that pertains to valuation or settlement, and any obligation of the Issuer to redeem any Note (including pursuant to Condition 5.2A (*Redemption*)) or pay any amount of interest which would otherwise be due thereon, shall, in each case insofar as they relate to the relevant Reference Entity, be and remain suspended until:

- (i) a DC Credit Event Announcement or a DC No Credit Event Announcement has occurred; or
- (ii) the Credit Derivatives Determinations Committee has Resolved not to determine whether a Credit Event has occurred or the date of occurrence of such Credit Event,

after which such suspension shall terminate and any obligations so suspended shall resume on the Business Day following public announcement by ISDA of (i) or (ii) above, with the Issuer having the benefit of the full day notwithstanding when the suspension began.

Any amount of interest so suspended shall, subject always to Condition 5.2A (*Redemption*), become due on the date designated by the Calculation Agent, in its sole discretion but not later than 15 Business Days following such public announcement by ISDA.

During the period of any suspension of settlement as contemplated herein, the Issuer shall not be obliged to take any action in connection with the settlement of the Notes, (to the extent only that the Notes relate to the relevant Reference Entity) and no interest shall accrue on any payment of interest or principal which is deferred in accordance with this Condition 5.2B(b).

5.2C Satisfaction of the Conditions to Settlement.

The "Conditions to Settlement" will be satisfied:

- (i) if, at any time during either:
 - (A) the Notice Delivery Period; or
 - (B) at the Issuer's option, the period (I) from, and including, the date on which ISDA publicly announces (1) that the relevant Credit Derivatives Determinations Committee has Resolved not to determine whether a Credit Event has occurred or the date of occurrence of such Credit Event or (2) the occurrence of a DC Credit Event Announcement (II) to, and including, the date that is 14 calendar days thereafter (**provided that** the relevant Credit Event Resolution Request Date occurred on or prior to the end of the last day of the Notice Delivery Period (including prior to the Trade Date)),

the Calculation Agent sends Noteholders a Credit Event Notice and (if (1) Notice of Publicly Available Information is specified as a Condition to Settlement in the Final Terms, (2) where required by the Calculation Agent in its discretion, each Noteholder has provided to the Issuer a confidentiality undertaking in the form (if any) required by the Calculation Agent, and (3) no DC Credit Event Announcement has occurred) a Notice of Publicly Available Information; or

- (ii) if a DC Credit Event Announcement occurs (**provided that** the Issuer may in its sole discretion determine that any DC Credit Event Announcement does not fulfil the Conditions to Settlement for the purposes of any Notes).

The Issuer will not be obliged to send such notices or to redeem the Notes following any occurrence or event which would otherwise permit it to do so. The date on which the Conditions to Settlement have been satisfied (or, at the Issuer's option in the case of a DC Credit Event Announcement, the Credit Event Resolution Request Date) is the "**Event Determination Date**".

If, pursuant to the above, different Event Determination Dates have been determined with respect to different portions of the relevant Reference Entity Notional Amount or an Event Determination Date has been determined with respect to only a portion of the Reference Entity Notional Amount, the provisions of this Credit Linked Derivatives Annex shall, with effect from each such Event Determination Date, be deemed to apply separately to an aggregate outstanding principal amount of the Notes equal to each such portion and all the provisions hereof shall be construed accordingly with such modifications as the Calculation Agent shall determine are required in order to preserve the economic effects of the Notes considered in aggregate.

5.2D Auction or Cash or Physical Settlement at the Issuer's Option

If the Final Terms specify that "**Settlement Method at Issuer Option**" is applicable, on or before the 30th calendar day (subject to adjustment in accordance with the Following Business Day Convention) after the Event Determination Date, the Calculation Agent shall notify the Noteholders whether the Notes will redeem in accordance with Condition 5.2E (*Auction Settlement*), Condition 5.2F (*Cash Settlement*) or Condition 5.2G (*Physical Settlement*) (in each case, if specified as applicable for election in the Final Terms).

Notwithstanding the foregoing, if at any time after notification by the Calculation Agent that the Notes will redeem in accordance with Condition 5.2F (*Cash Settlement*) or Condition 5.2G (*Physical Settlement*) but prior to the Cash Settlement Date or Physical Settlement Date, a Credit Derivatives Determinations Committee is requested to determine whether a Credit Event has occurred or the date of occurrence of such Credit Event with respect to the Reference Entity in respect of which a Credit Event

Notice has been served, the Calculation Agent may, at the Issuer's option, notify the Noteholders at any time that such notification is revoked and the Notes will instead redeem in accordance with Condition 5.2E (*Auction Settlement*).

If Auction Settlement applies and the Final Terms specify that "Fallback Settlement Method at Issuer Option" is applicable, on or before the 30th calendar day (subject to adjustment in accordance with the Following Business Day Convention) after the Event Determination Date, the Calculation Agent shall notify the Noteholders whether the Fallback Settlement Method will be Cash Settlement or Physical Settlement.

Such notification(s) may be substantially in the form in the relevant Appendix hereto, contained within the Credit Event Notice or Notice of Publicly Available Information or in such other form as the Issuer or the Calculation Agent may determine from time to time.

5.2E **Auction Settlement**

(a) *Auction Settlement*

If Auction Settlement applies, on the Auction Settlement Date the Issuer shall redeem each Note, upon presentation and surrender of the same in accordance with Condition 6, by payment of the Auction Settlement Amount.

(b) *Auction Settlement Amount*

The "**Auction Settlement Amount**" in respect of each Note shall be:

- (i) the amount specified as such in the Final Terms; or
- (ii) if no such amount is specified, an amount determined by the Calculation Agent to be the greater of (a) zero and (b) the product of (I) the outstanding principal amount of such Note divided by the aggregate outstanding principal amount of the Notes, (II) the Reference Entity Notional Amount in respect of the relevant Reference Entity, and (III) the relevant Auction Final Price or, if so determined by the Issuer in its sole discretion, a Parallel Auction Final Price.

In each case the Auction Settlement Amount shall be reduced by the value of the Break Costs.

5.2F **Cash Settlement**

(a) *Cash Settlement*

If Cash Settlement applies, subject to Condition 5.2B(b) (*Settlement Suspension following Credit Event Resolution Request Date*), on the Cash Settlement Date the Issuer shall redeem each Note, upon presentation and surrender of the same in accordance with Condition 6 (*Payments*), by payment of the Cash Settlement Amount.

(b) *Cash Settlement Amount*

The "**Cash Settlement Amount**" in respect of each Note shall be:

- (i) the amount specified as such in the Final Terms; or,
- (ii) if no such amount is specified, an amount determined by the Calculation Agent to be the greater of (a) zero and (b) the product of (I) the outstanding principal amount of such Note divided by the aggregate outstanding principal amount of the Notes, (II) the Reference Entity Notional Amount in respect of the relevant Reference Entity (or, as the case may be, the outstanding principal balance in respect of the relevant Valuation Obligation or Deliverable Obligation thereof), and (III) the relevant Final Price or, if

the Calculation Agent selects more than one Valuation Obligation with respect to a Reference Entity, the relevant Weighted Average Final Price.

In each case the Cash Settlement Amount shall be reduced by the value of the Break Costs.

(c) *Final Price*

The "**Final Price**" shall be the Market Value of the relevant Valuation Obligations or Deliverable Obligations as determined by the Calculation Agent in accordance with the provisions below:

- (i) the Calculation Agent shall attempt to obtain Full Quotations with respect to the Valuation Date from three Dealers. If at least two such Full Quotations are not available on the Valuation Date, then on the next following Business Day (and, if necessary, on each Business Day thereafter until the fifth Business Day following the Valuation Date) the Calculation Agent shall attempt to obtain Full Quotations from three Dealers and, if at least two Full Quotations are not available, a Weighted Average Quotation;
- (ii) if the Calculation Agent is unable to obtain at least two Full Quotations or a Weighted Average Quotation on the same Business Day on or prior to the fifth Business Day following the applicable Valuation Date the Quotations shall be deemed to be zero; and
- (iii) the Market Value of the relevant Valuation Obligations or Deliverable Obligations shall be: (A) if at least two Full Quotations are obtained, the highest Full Quotation; (B) if only a Weighted Average Quotation is obtained, such Weighted Average Quotation; and (C) if the Quotations are deemed to be zero, the Calculation Agent shall determine the Market Value in good faith in its absolute discretion and this may result in the Market Value being zero.

If the Conversion Date has occurred in respect of the Valuation Obligation, all references to the Final Price shall be replaced with the result, expressed as a percentage, obtained by dividing the product of:

- (A) the number of Underlying Shares deliverable in accordance with the terms of the Valuation Obligation in respect of the minimum liquidation preference or denomination of the Reference Obligation and
- (B) the Final Price for each Underlying Share, as determined in accordance with Section 5.9(b) of the ISDA 2002 equity derivative definitions on the basis that the Valuation Date will be the date so determined by the Calculation Agent,

by

the minimum liquidation preference or denomination of the Reference Obligation.

"**Conversion Date**" means the date on which the Reference Obligation is required to be converted into Underlying Shares in accordance with its terms;

"**Underlying Share**" means the shares into which the Reference Obligation is convertible, upon occurrence of the relevant conversion event specified in the terms of the Reference Obligation.

5.2G Physical Settlement

(a) *Delivery of Notice of Physical Settlement*

If Physical Settlement applies, the Calculation Agent will use reasonable endeavours to deliver to the Noteholders a Notice of Physical Settlement on or before:

- (i) subject to paragraph (ii) below, the later of:
 - (A) the 30th calendar day (subject to adjustment in accordance with the Following Business Day Convention) after the Event Determination Date, subject, where applicable, to Condition 5.2B(b) (*Settlement Suspension following Credit Event Resolution Request Date*); or
 - (B) at the Issuer's option, the 10th calendar day after (I) the date on which ISDA publicly announces that the relevant Credit Derivatives Determinations Committee has Resolved not to determine whether a Credit Event has occurred or the date of occurrence of such Credit Event or (II) the date of the relevant DC Credit Event Announcement, if any; or
- (ii) if so determined by the Issuer in its sole discretion, the (A) 30th calendar day after an Auction Cancellation Date or No Auction Announcement Date or (B) the Relevant City Business Day immediately following the later of the Parallel Auction Final Price Determination Date, if any (or, if more than one should occur, the last Parallel Auction Final Price Determination Date), and the Parallel Auction Cancellation Date, if any (or, if more than one should occur, the last Parallel Auction Cancellation Date).

For the purposes of determining whether a Notice of Physical Settlement has been delivered, the effective date of delivery of the first Notice of Physical Settlement (whether or not subsequently re-issued or changed) shall be used.

(b) *Delivery on the Physical Settlement Date*

If Physical Settlement applies, the Issuer shall use reasonable efforts, subject to Condition 5.2G(e) (*Asset Transfer Notice*), to Deliver to each Noteholder or to the Noteholder's order the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations. In the event that the Issuer, for any reason whatsoever (other than as a result of an event or circumstance contemplated in Condition 5.2G(g) (*Partial Cash Settlement due to impossibility, impracticability or illegality*)), does not affect Delivery of all or a portion of the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations to any Noteholder by the Physical Settlement Date, such failure shall not constitute an Event of Default and the Issuer may continue to attempt such Delivery until the Extended Physical Settlement Date.

(c) *Partial Cash Settlement following Extended Physical Settlement Date*

If, as at the relevant Extended Physical Settlement Date, any such Deliverable Obligations have not been Delivered, then, subject to Condition 5.2G(e) (*Asset Transfer Notice*) and Condition 5.2G(g) (*Partial Cash Settlement due to impossibility, impracticability or illegality*), Partial Cash Settlement shall apply with respect to such Deliverable Obligations and the Issuer shall pay to the relevant Noteholders an amount equal to the Partial Cash Settlement Amount to be apportioned *pro rata* amongst the relevant Noteholders on the Partial Cash Settlement Date.

"Extended Physical Settlement Date" means such date as the Calculation Agent may determine in its absolute discretion, **provided that** such date falls no later than the 180th calendar day following the Physical Settlement Date or, in the absence of such determination, such 180th calendar day.

(d) *Delivery*

To "Deliver" the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations pursuant to Condition 5.2G (*Physical Settlement*) means to deliver, novate, transfer (including in the case of a Guarantee, transfer of the benefit of the Guarantee), assign or sell, as appropriate, in the manner customary for the settlement of the applicable Deliverable Obligations, in order to convey all right, title (or, with respect to Deliverable Obligations where only equitable title is customarily conveyed, all equitable title) and interest in the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable, to the Noteholder or its designated nominee free and clear of any and all liens, charges, claims or encumbrances (excluding any liens routinely imposed on all securities in a relevant clearance system, but including without limitation any counterclaim, defence (other than a counterclaim or defence based on the factors set forth in paragraphs (a) to (d) (inclusive) of the definition of "**Credit Event**" or right of set-off by or of the Reference Entity or as applicable an Underlying Obligor); **provided that** (A) if a Deliverable Obligation is a Direct Loan Participation, "**Deliver**" means to create (or procure the creation of) a participation in favour of the relevant Noteholder or its designated nominee and (B) if a Deliverable Obligation is a Guarantee, "**Deliver**" shall mean to Deliver both the Guarantee and the Underlying Obligation, **provided further that** if the Guarantee has a Fixed Cap, (X) "**Deliver**" means to Deliver the Underlying Obligation, the Guarantee and all claims to any amounts which are subject to such Fixed Cap and (Y) those claims shall be deemed to be Deliverable Obligations. "**Delivery**" and "**Delivered**" shall be construed accordingly.

In the case of a Loan, Delivery may, at the option of the Issuer, be effected by granting a participation in all or part of the Loan or such other arrangement or using documentation specified by the Calculation Agent for such purpose. Each Noteholder agrees to comply, for the purposes of the Notes, with the provisions of any such documentation. Each Noteholder is deemed to further agree, that compliance by the Issuer with the provisions of any such documentation shall, without further action, constitute, Delivery for the purposes of this definition (to the extent that such documentation contains provisions describing how Delivery should be effected) and no Noteholder shall be permitted to request that the Issuer take nor shall the Issuer be required to take, any action or make any payment in connection with such Delivery, as applicable.

If Asset Package Delivery applies, (i) Delivery of a Prior Deliverable Obligation or a Package Observable Bond specified in the Notice of Physical Settlement or NOPS Amendment Notice, as applicable, may be satisfied by Delivery of the related Asset Package, and such Asset Package shall be treated as having the same currency, Outstanding Principal Balance or Due and Payable Amount, as applicable, as the Prior Deliverable Obligation or Package Observable Bond to which it corresponds had immediately prior to the Asset Package Credit Event, (ii) each Asset in the Asset Package shall be Delivered **provided that** if any such Asset is not a Bond, it shall be treated as if it were a Loan for these purposes, (iii) if the Asset Package is zero, the Outstanding Amount of the Prior Deliverable Obligation or Package Observable Bond shall be deemed to have been Delivered in full three Business Days following the date on which the Calculation Agent has notified the Noteholders of the detailed description of the Asset Package that the Issuer shall Deliver in the Notice of Physical Settlement, (iv) the Issuer may satisfy its obligation to make Delivery of the Prior Deliverable Obligation or Package Observable Bond in part by Delivery of each Asset in the Asset Package in the correct proportion and (v) if the relevant Asset is a Non-Transferable Instrument or Non-Financial Instrument, the Asset shall be deemed to be an amount of cash equal to the Asset Market Value.

(e) *Asset Transfer Notice*

In order to obtain Delivery of the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations each Noteholder must deliver to the Issuer or the Registrar (if different) within five Business Days of the date of delivery of the Notice of Physical Settlement or, if there is any NOPS Amendment Notice, the most recent NOPS Amendment Notice (the "**Cut-Off Date**"), a duly completed Asset Transfer Notice in accordance with Condition 5.2G(f) (*Asset Transfer Notice Requirements*) and, in the case of a holding of a Definitive Note or Registered Note, the Note (which expression shall, for the purposes of this Condition 5.2G(e),

include Certificate(s), Receipts(s) and, if applicable, all unmatured Coupons and unmatured and unexchanged Talons, in accordance with the provisions of Condition 6.6 (*Unmatured Coupons and Receipts and Unexchanged Talons*)). In the event that the Note is represented by a Global Note, an Asset Transfer Notice must be delivered to the Issuer via the relevant Clearing System, by such method of delivery as the relevant Clearing System shall have approved.

After delivery of an Asset Transfer Notice, no transfers of the Notes specified therein which are represented by a Global Note will be effected by any relevant Clearing System and no transfers of Registered Notes specified therein will be effected by the Registrar.

Upon receipt of a duly completed Asset Transfer Notice and, in the case of Definitive Notes or Registered Notes, the Note to which such notice relates, the Issuer, any relevant Clearing System or the Registrar, as the case may be, shall verify that the person specified therein as the accountholder or registered holder, as the case may be, is the Holder of the Note referred to therein according to its books or the Register, as the case may be.

Subject as provided herein, in relation to each Note, the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations will be Delivered to the relevant Noteholder at the risk of such Noteholder.

If the Asset Transfer Notice and (with respect to Definitive Notes and Registered Notes) the relevant Note are delivered to the Issuer later than close of business in London on the Cut-Off Date, then the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations will be Delivered as soon as practicable after the date on which Delivery of the same would otherwise be made, at the risk of such Noteholder in the manner provided above. For the avoidance of doubt, such Noteholder shall not be entitled to any payment or to other assets, whether in respect of interest or otherwise, in the event of the Delivery of the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations taking place after the date on which Delivery of the same would otherwise be made pursuant to the provisions of this Condition 5.2G (*Physical Settlement*) or otherwise due to circumstances beyond the control of the Issuer.

If any Noteholder fails to deliver an Asset Transfer Notice in the manner set out herein or delivers an Asset Transfer Notice on any day falling after the day that is 180 calendar days after the date of delivery of the Notice of Physical Settlement or, in the case of Definitive Notes or Registered Notes, fails to deliver the Note related thereto or fails to pay the Delivery Expenses as referred to in Condition 5.2G(i) (*Costs and Expenses*), the Issuer shall be discharged from its obligations in respect of such Note and shall have no further obligation or liability whatsoever in respect thereof.

Until Delivery of the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations is made to the relevant Noteholder, the Issuer or any person holding such assets on behalf of the Issuer shall continue to be the legal owner of those assets. None of the Issuer and any such other person shall (i) be under any obligation to deliver or procure delivery to such Noteholder or any subsequent transferee any letter, certificate, notice, circular or any other document or payment whatsoever received by that person in its capacity as the holder of such assets, (ii) be under any obligation to exercise or procure the exercise of any or all rights (including voting rights) attaching or appertaining to such assets until the date of Delivery or (iii) be under any liability to such Noteholder or subsequent transferee for any loss, liability, damage, cost or expense that such Noteholder or subsequent transferee may sustain or suffer as a result, whether directly or indirectly, of that person not being the legal owner of such assets until the date of Delivery. For the avoidance of doubt, each Noteholder further acknowledges and agrees that the terms of any Deliverable Obligation may be subject to amendment by the Issuer, the Calculation Agent or the parties thereto prior to Delivery or otherwise.

(f) *Asset Transfer Notice Requirements*

An Asset Transfer Notice is irrevocable and must:

- (i) specify the account details and name of the person to whom Delivery of the Relevant Proportion of the Deliverable Amount of the Deliverable Obligation is to be made;
- (ii) specify the number of Notes which are the subject of such notice;
- (iii) in the event such Notes are represented by a Global Note:
 - (A) specify the number of the Noteholder's account at the relevant Clearing System to be debited with such Notes; and
 - (B) irrevocably instruct and authorise the relevant Clearing System to debit the relevant Noteholder's account with such Notes on the due date for redemption of the Notes;
- (iv) in the event that such Notes are Registered Notes, irrevocably instruct and authorise the Registrar to effect the transfer of the relevant Notes;
- (v) authorise the production of such notice in any applicable administrative or legal proceedings;
- (vi) authorise the Issuer to deduct from the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations to be delivered in accordance with such notice, the Delivery Expenses as referred to in Condition 5.2G(i) (*Costs and Expenses*) below; and
- (vii) must be in the form in the relevant Appendix hereto with any amendments as determined by the Issuer or the Calculation Agent from time to time or in such other form made available by the Issuer or the Calculation Agent from time to time.

Failure properly to complete and deliver an Asset Transfer Notice and, in the case of Definitive Notes or Registered Notes, to deliver the relevant Note, may result in such notice being treated as null and void. Any determination as to whether such notice has been properly completed and delivered as provided in these Conditions shall be made by the Issuer in its sole and absolute discretion and shall be conclusive and binding on the relevant Noteholder.

(g) *Partial Cash Settlement due to impossibility, impracticability or illegality*

- (i) If due to an event beyond the control of the Issuer it is impossible, impracticable or illegal for the Issuer to Deliver, or due to an event beyond the control of any Noteholder or its designated nominee, it is impossible or illegal for such Noteholder to accept Delivery of, all or a portion of the Deliverable Amount of any of the Deliverable Obligations by the Physical Settlement Date (including, without limitation, failure of the relevant Clearing System or due to any law, regulation or court order, but not including market conditions or failure to obtain any requisite consent with respect to the Delivery of Loans) then by such date the Issuer or, as the case may be, the Noteholder shall provide a description in reasonable detail of the facts giving rise to such impossibility, impracticability or illegality and the Issuer shall Deliver and such Noteholder or its designated nominee shall take Delivery of that portion (if any) of the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations for which it is possible, practicable and legal to take Delivery. As soon as possible thereafter, the Issuer shall Deliver and such Noteholder, its originally designated nominee or any new designated nominee shall take Delivery of the remaining portion of the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations.
- (ii) If following the occurrence of any impossibility, impracticability or illegality referred to in (i) above, all or a portion of the Relevant Proportion of the Deliverable Amount

of the Deliverable Obligations is not Delivered on or prior to the Latest Permissible Physical Settlement Date, then Partial Cash Settlement pursuant to Condition 5.2G(g)(iii) shall be deemed to apply with respect to that portion of the Deliverable Amount of the Deliverable Obligations that cannot be Delivered for the reasons specified above (and/or, together with any other Deliverable Obligation which have not been delivered under Condition 5.2G(c) (*Partial Cash Settlement following Extended Physical Settlement Date*), the "**Undeliverable Obligations**").

- (iii) On the Partial Cash Settlement Date, the Issuer shall pay to the relevant Noteholders the Partial Cash Settlement Amount to be apportioned *pro rata* amongst the relevant Noteholders and upon discharge by the Issuer of such payment obligation on the Partial Cash Settlement Date, the Issuer's obligations in respect of the relevant Note shall be discharged.

(h) *Fractional Entitlement*

If the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations comprises less than a multiple of a whole number of the Deliverable Obligations at the relevant time, then (i) the Issuer shall not Deliver and the relevant Noteholder shall not be entitled to receive in respect of its Notes that fraction of an asset which is less than a whole number (the "**Fractional Entitlement**") and (ii) the Issuer shall pay to the relevant Noteholder a cash amount (to be paid at the same time as Delivery of the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations) equal to the value (as determined by the Calculation Agent) of such Fractional Entitlement.

(i) *Costs and expenses*

- (i) The costs and expenses (the "**Delivery Expenses**") of effecting any delivery of the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations (except for the expenses of delivery by uninsured regular mail (if any), which shall be borne by the Issuer) shall be borne by the Noteholder and shall at the option of each Noteholder as specified in the Asset Transfer Notice either be:

- (A) paid to the Issuer by such Noteholder prior to the Delivery of the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations (and, for the avoidance of doubt, the Issuer shall not be required to Deliver any portion of the Deliverable Amount of the Deliverable Obligations to such Noteholder until it has received such payment); or
- (B) deducted by the Issuer from the amount which may be payable to such Noteholder, in accordance with Condition 5.2G(h) (Fractional Entitlement).

- (ii) If there is not a cash amount owing to a Noteholder sufficient to cover the Delivery Expenses, the Issuer may convert such amount of the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations into cash sufficient to cover the Delivery Expenses in respect of such Note from which the Issuer shall deduct such Delivery Expenses. Each Note will then be redeemed by delivery of the remaining portion of the Deliverable Amount of the Deliverable Obligations in respect of such Note and, if applicable, payment of a cash amount in respect of any Fractional Entitlement arising, together with any other amounts to which such Noteholder is entitled upon redemption of such Note.

(j) *No Obligation to Register Noteholder*

The Issuer shall not be under any obligation to register or procure the registration of any Noteholder or any other person as the registered holder of any of the Deliverable Obligations to be delivered in the register of members or holders of debt securities of any company whose securities form part of the Deliverable Obligations. The Issuer shall not be obliged to account to any Noteholder for any entitlement received or receivable in respect of any of the Deliverable Obligations to be delivered if the date on which such are first traded ex such entitlement is on

or prior to the date of Delivery. The Issuer shall determine, in its sole and absolute discretion, the date on which such assets are so first traded ex any such entitlement.

(k) *Asset Package Delivery*

Asset Package Delivery will apply if an Asset Package Credit Event occurs, unless (i) such Asset Package Credit Event occurs prior to the Credit Event Backstop Date determined in respect of the Credit Event specified in the Credit Event Notice or DC Credit Event Announcement applicable to the Event Determination Date, or (ii) if the Reference Entity is a Sovereign, no Package Observable Bond exists immediately prior to such Asset Package Credit Event.

5.2H **Restructuring Credit Event**

(a) *Multiple Credit Event Notices*

Where Restructuring is an applicable Credit Event in relation to any Reference Entity upon the occurrence of a Restructuring Credit Event in relation to such Reference Entity for which either Modified Modified Restructuring Applicable, Mod Mod R Applicable, Modified Restructuring Applicable or Mod R Applicable is specified in the Final Terms or is applicable in respect of the Transaction Type:

- (i) the Calculation Agent may deliver multiple Credit Event Notices with respect to such Restructuring Credit Event, each such notice setting forth the amount of the relevant Reference Entity Notional Amount to which such Restructuring Credit Event applies (the "**Exercise Amount**"), **provided that** if the Credit Event Notice does not specify an Exercise Amount, the then outstanding Reference Entity Notional Amount will be deemed to have been specified as the Exercise Amount; and
- (ii) the provisions of this Credit Linked Derivatives Annex shall be deemed to apply to an aggregate outstanding principal amount of the Notes equal to the Exercise Amount only and all the provisions hereof shall be construed accordingly.

The Exercise Amount in connection with a Credit Event Notice describing a Restructuring must be an amount that is at least 1,000,000 units of the currency (or, if Japanese Yen, 100,000,000 units) in which the Reference Entity Notional Amount is denominated or any integral multiple thereof or the entire Reference Entity Notional Amount.

If any Note is subject to partial redemption in accordance with this Condition 5.2H(a), the relevant Note or, if the Notes are represented by a Global Note, such Global Note shall be endorsed to reflect such partial redemption.

(b) *Restructuring Maturity Limitation and Fully Transferable Obligation Applicable*

If "**Modified Restructuring Applicable**" or "**Mod R Applicable**" is specified in the Final Terms or is applicable in respect of the Transaction Type, and Restructuring is the only Credit Event specified in a Credit Event Notice, then a Deliverable Obligation or, as applicable, Valuation Obligation, may be specified in a Notice of Physical Settlement or specified in any NOPS Amendment Notice or, as applicable, selected by the Calculation Agent as a Valuation Obligation only if it:

- (i) is a Fully Transferable Obligation; and
- (ii) has a final maturity date not later than the Restructuring Maturity Limitation Date,

in each case, as of both the NOPS Effective Date and the Delivery Date.

(c) *Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation Applicable*

If "**Modified Modified Restructuring Applicable**" or "**Mod Mod R Applicable**" is specified in the Final Terms or is applicable in respect of the Transaction Type, and Restructuring is the only Credit Event specified in a Credit Event Notice, then unless the Deliverable Obligation is a Prior Deliverable Obligation and Asset Package Delivery applies due to a Governmental Intervention, a Deliverable Obligation or, as applicable, Valuation Obligation, may be specified in the Notice of Physical Settlement or specified in any NOPS Amendment Notice or, as applicable, selected by the Calculation Agent as a Valuation Obligation, only if it:

 - (b) *second*, by subtracting all or any portion of such amount which, pursuant to the terms of the obligation, (A) is subject to any Prohibited Action, or (B) may otherwise be reduced as a result of the effluxion of time or the occurrence or non-occurrence of an event or circumstance (other than by way of (I) payment or (II) a Permitted Contingency) (the amount determined pursuant to sub-paragraph (a) above less any amounts subtracted in accordance with accordance with this sub-paragraph (b), the "**Non-Contingent Amount**"); and

- (a) unless otherwise specified, in accordance with the terms of the obligation in effect on either (I) the NOPS Effective Date (or if the terms of the obligation are amended after such date but on or prior to the Delivery Date, the Delivery Date), or (II) the Valuation Date, as applicable; and
 - (b) with respect to the Quantum of the Claim only, in accordance with any applicable laws (insofar as such laws reduce or discount the size of the claim to reflect the original issue price or accrued value of the obligation); and
- (2) where Narrowly Tailored Credit Event is specified as "Applicable" in the Final Terms, in respect of an obligation, an amount calculated as follows:
 - (a) first, by determining, in respect of the obligation, the amount of the Reference Entity's principal payment obligations and, where applicable in accordance with the definition of Accrued Interest, the Reference Entity's accrued but unpaid interest payment obligations (which, in the case of a Guarantee will be the lower of (A) the Outstanding Principal Balance (including accrued but unpaid interest, where applicable) of the Underlying Obligation (determined as if references to the Reference Entity were references to the Underlying Obligor) and (B) the amount of the Fixed Cap, if any);

- (b) second, by subtracting all or any portion of such amount which, pursuant to the terms of the obligation, (A) is subject to any Prohibited Action, or (B) may otherwise be reduced as a result of the effluxion of time or the occurrence or non-occurrence of an event or circumstance (other than by way of (I) payment or (II) a Permitted Contingency) (the amount determined in sub-paragraph (a) less any amounts subtracted in accordance with this sub-paragraph (b), the "**Non-Contingent Amount**"); and
- (c) third, by determining the Quantum of the Claim, which shall then constitute the Outstanding Principal Balance,

in each case, determined:

- (i) unless otherwise specified, in accordance with the terms of the obligation in effect on either (I) the NOPS Effective Date (or if the terms of the obligation are amended after such date but on or prior to the Delivery Date, the Delivery Date), or (II) the Valuation Date, as applicable; and
- (ii) with respect to the Quantum of the Claim only, in accordance with any applicable laws (insofar as such laws reduce or discount the size of the claim to reflect the original issue price or accrued value of the obligation).

- (x) where such Bond or Loan was issued as a result of an exchange offer, the issue price or amount advanced of the new Bond or Loan resulting from the exchange shall be deemed to be equal to the aggregate Outstanding Principal Balance of the original obligation(s) that were tendered or exchanged (the "Original Obligation(s)") at the time of such exchange (determined without regard to market or trading value of the Original Obligation(s)); and
- (y) in the case of a Bond or Loan that is fungible with a prior debt obligation previously issued by the Reference Entity, such Bond or Loan shall be treated as having the same issue price or amount advanced as the prior debt obligation.

In circumstances where a holder would have received more than one obligation in exchange for the Original Obligation(s), the Calculation Agent will determine the allocation of the aggregate Outstanding Principal Balance of the Original Obligation(s) amongst each of the resulting obligations for the purpose of determining the issue price or amount advanced of the relevant Bond or Loan. (but less than seventy-five per cent.) of the Relevant Obligations of the Reference Entity, and not more than twenty-five per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entity that succeeds to more than twenty-five per cent. of the Relevant Obligations will be the sole Successor in respect of the relevant Reference Entity;
- (c) if more than one entity each succeeds, either directly or as a provider of a Relevant Guarantee, to more than twenty-five per cent. of the Relevant Obligations of the Reference Entity, and not more than twenty-five per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entities that succeed to more than twenty-five per cent. of the Relevant Obligations will each be a Successor (subject to Credit Linked Condition 8.2.1);
- (d) if one or more entities each succeeds, either directly or as a provider of a Relevant Guarantee, to more than twenty-five per cent. of the Relevant Obligations of the Reference Entity, and more

- (g) in respect of a Reference Entity which is not a Sovereign, if one entity assumes all of the obligations (including at least one Relevant Obligation) of the Reference Entity, and at the time of the determination either (A) the Reference Entity has ceased to exist, or (B) the Reference Entity is in the process of being dissolved (howsoever described) and the Reference Entity has not issued or incurred any Borrowed Money obligation at any time since the legally effective date of the assumption, such entity (the "Universal Successor") will be the sole Successor in respect of the relevant Reference Entity.

The Calculation Agent will be responsible for determining, as soon as reasonably practicable after delivery of a Successor Notice and with effect from the Succession Date, any Successor or Successors; **provided that** the Calculation Agent will not make such determination if, at the time of such determination, the DC Secretary has publicly announced that the relevant Credit Derivatives Determinations Committee has Resolved that there is no Successor based on the relevant succession to Relevant Obligations. The Calculation Agent will make all calculations and determinations required to be made under this definition on the basis of Eligible Information and will notify the Issuer of any such calculation or determination as soon as practicable. For purposes of this definition, "succeeded" and "succession" shall be construed accordingly.

In the case of an exchange offer, the determination required pursuant to this definition shall be made on the basis of the Outstanding Principal Balance of Relevant Obligations exchanged and not on the basis of the Outstanding Principal Balance of the Exchange Bonds or Loans.

If two or more entities (each, a **"Joint Potential Successor"**) jointly succeed to a Relevant Obligation (the **"Joint Relevant Obligation"**) either directly or as a provider of a Relevant Guarantee, then (i) if the Joint Relevant Obligation was a direct obligation of the Reference Entity, it shall be treated as having been succeeded to by the Joint Potential Successor (or Joint Potential Successors, in equal parts) which succeeded to such Joint Relevant Obligation as direct obligor or obligors, or (ii) if the Joint Relevant Obligation was a Relevant Guarantee, it shall be treated as having been succeeded to by the Joint Potential Successor (or Joint Potential Successors, in equal parts) which succeeded to such Joint Relevant Obligation as guarantor or guarantors, if any, or otherwise by each Joint Potential Successor in equal parts;

"Successor Backstop Date" means, for purposes of any Successor determination determined by DC Resolution, the date that is ninety calendar days prior to the Successor Resolution Request Date, otherwise, the date that is ninety calendar days prior to the earlier of (i) the date on which the Successor Notice is effective and (ii) in circumstances where (A) a Successor Resolution Request Date has occurred, (B) the relevant Credit Derivatives Determinations Committee has Resolved not to make a Successor determination and (C) the Successor Notice is delivered by the Calculation Agent not more than fourteen calendar days after the day on which the DC Secretary publicly announces that the relevant Credit Derivatives Determinations Committee has Resolved not to make a Successor determination, the Successor Resolution Request Date. The Successor Backstop Date shall not be subject to adjustment in accordance with any Business Day Convention;

"Successor Notice" means an irrevocable notice from the Calculation Agent that describes a succession (or, in relation to a Reference Entity that is a Sovereign, a Sovereign Succession Event) in respect of which a Succession Date has occurred and pursuant to which one or more Successors to the Reference Entity can be determined, and which contains a description in reasonable detail of the facts relevant to the determination to be made pursuant to the definition of Successor and any consequential amendments to the Reference Portfolio and/or the Notes as a result thereof;

"Successor Resolution Request Date" means, with respect to a notice to the DC Secretary requesting that a Credit Derivatives Determinations Committee be convened to Resolve one or more Successors to the Reference Entity, the date, as publicly announced by the DC Secretary, that the relevant Credit Derivatives Determinations Committee Resolves to be the date on which such notice is effective;

"Termination Date" means either:

- (i) the Scheduled Termination Date; or
- (ii) where the Calculation Agent determines a Potential Credit Event has occurred, the Termination Date shall be:
 - (A) the date falling two Business Days after the expiry of the Notice Delivery Period; or
 - (B) at the Issuer's option, if a Credit Event Resolution Request Date has occurred on or prior to the expiry of the Notice Delivery Period in relation to a Reference Entity, the date falling 15 Business Days following any date on which the Credit Derivatives Determinations Committee Resolves that the relevant event does not constitute a Credit Event, or Resolves not to make such determination;

"Trade Date" means the date specified in the Final Terms;

"Transaction Auction Settlement Terms" means the Credit Derivatives Auction Settlement Terms for which a relevant credit derivative transaction (including any Hedge Transaction) would be an Auction Covered Transaction;

"Transaction Type" means, unless otherwise specified in the Final Terms, each "Transaction Type" specified as such in the Physical Settlement Matrix from time to time.

Where a Transaction Type is specified in the Pricing Supplement in respect of any Reference Entity, then the provisions of this Credit Linked Derivatives Annex shall apply with respect to such Reference Entity in accordance with the Physical Settlement Matrix as it applies to such Transaction Type, as though such Physical Settlement Matrix were set out in full in the Pricing Supplement. To the extent that the Pricing Supplement specifies any such provision which is inconsistent with the Physical Settlement Matrix, the provisions of the Physical Settlement Matrix shall prevail;

"Trigger Event" means, at any time, either (i) the Reference Obligation Price becomes equal to or lower than the Trigger Level or (ii) the CDS Spread is greater than or higher than the Trigger Level, as specified in the relevant Final Terms;

"Trigger Event Date" means the date on which a Trigger Event occurs;

"Trigger Level" means the level specified in the relevant Final Terms;

"Transferable" means an obligation that is transferable to institutional investors without any contractual, statutory or regulatory restriction **provided that** none of the following shall be considered contractual, statutory or regulatory restrictions:

- (a) contractual, statutory or regulatory restrictions that provide for eligibility for resale pursuant to Rule 144A or Regulation S promulgated under the United States Securities Act of 1933, as amended (and any contractual, statutory or regulatory restrictions promulgated under the laws of any jurisdiction having a similar effect in relation to the eligibility for resale of an obligation);
- (b) restrictions on permitted investments such as statutory or regulatory investment restrictions on insurance companies and pension funds; or
- (c) restrictions in respect of blocked periods on or around payment dates or voting periods;

"Underlying Obligation" means, with respect to a guarantee, the obligation which is the subject of the guarantee;

"Underlying Obligor" means, with respect to an Underlying Obligation, the issuer in the case of a Bond, the borrower in the case of a Loan, or the principal obligor in the case of any other Underlying Obligation;

"Valuation Date" means:

- (i) any date as selected by the Calculation Agent in its sole discretion that is no later than 122 Business Days after: (i) the Event Determination Date or (ii) Auction Cancellation Date or (iii) No Auction Announcement Date or (iv) if "Cash Settlement at Maturity" is specified in the Final Terms, Scheduled Termination Date or Trigger Event Date, as the case may be; or
- (ii) if Partial Cash Settlement applies, any date as selected by the Calculation Agent in its sole discretion that is no later than 15 Business Days after the Latest Permissible Physical Settlement Date or, as applicable, the Extended Physical Settlement Date;

"Valuation Obligation" means in respect of a Reference Entity, and unless otherwise specified in the relevant Final Terms notwithstanding anything to the contrary in this Credit Linked Derivatives Annex, one or more obligations of such Reference Entity (either directly or as provider of a Qualifying Guarantee or, as the case may be, Qualifying Affiliate Guarantee), which would constitute a "Deliverable Obligation" if Physical Settlement were the applicable Settlement Method as selected by the Calculation Agent in its sole and absolute discretion on the applicable Valuation Date, **provided that**, for such purpose:

- (a) any reference to the words "Delivery Date" in the definitions of Conditionally Transferable Obligation, Deliverable Obligation, within any of the terms comprising Deliverable Obligation

Category or Deliverable Obligation Characteristic and Due and Payable Amount shall be deemed to be a reference to the words "relevant Valuation Date";

- (b) the deletion of the words "being Delivered" in the definition of "Deliverable Obligation"; and
- (c) the deletion of the whole of the second paragraph within the definition of "Not Contingent" and replacing it with the following:

"If an Obligation is a Convertible Obligation or an Exchangeable Obligation, then such Obligation may only be selected as a Valuation Obligation if the rights referred to in (A) and (B) above have not been exercised (or such exercise has been effectively rescinded) on or before the relevant Valuation Date."

For the avoidance of doubt, the use of Deliverable Obligation terms in the definition of "**Valuation Obligation**" is for convenience only and is not intended to amend the selected settlement method.

If the Calculation Agent selects more than one Valuation Obligation with respect to a Reference Entity, then the Calculation Agent shall in its sole and absolute discretion apportion to each such Valuation Obligation an outstanding principal balance (or the equivalent in the Specified Currency thereof converted at the foreign exchange rate prevailing on any date from (and including) the Event Determination Date to and (including) the Valuation Date, as selected by the Calculation Agent in its discretion), which in aggregate shall not exceed the relevant Reference Entity Notional Amount;

"**Valuation Time**" means the time specified as such in the Final Terms or if no such time is specified, 11:00 a.m. in London;

"**Voting Shares**" means the shares or other interests that have the power to elect the board of directors or similar governing body of an entity;

"**Weighted Average Final Price**" means the weighted average of the Final Prices determined for each selected Valuation Obligation of the relevant Reference Entity, weighted by the outstanding principal balance of each such Valuation Obligation;

"**Weighted Average Quotation**" means, in accordance with the Quotation Method, the weighted average of firm quotations obtained from Dealers at the Valuation Time, to the extent reasonably practicable, each for an amount of any Valuation Obligation or Deliverable Obligation with an Outstanding Principal Balance or Due and Payable Amount, as applicable, of as large a size as available but less than the Quotation Amount (but of a size equal to the Minimum Quotation) that in the aggregate are approximately equal to the Quotation Amount; and

Terms defined in the "*Terms and Conditions of the Notes*" and/or the Final Terms have the same meaning in this Credit Linked Derivatives Annex. In the event of any inconsistency between the Conditions and the Additional Conditions, the Additional Conditions will prevail. In the event of any inconsistency between the Final Terms and the Conditions and the Additional Conditions, the Final Terms will prevail.

DESCRIPTION OF AUCTION SETTLEMENT TERMS

If an Event Determination Date occurs with respect to the Notes and Auction Settlement applies, the Auction Settlement Amount with respect to the Notes will be calculated based on an Auction Final Price or Parallel Auction Final Price for the Reference Entity (if any). This description contains a summary of certain provisions of the Form of Credit Derivatives Auction Settlement Terms set forth at Annex B to the 2009 ISDA Credit Derivatives Determinations Committees and Auction Settlement Supplement to the 2003 ISDA Credit Derivatives Definitions, published by the International Swaps and Derivatives Association, Inc. ("**ISDA**") on 12 March 2009 (the "**Form of Auction Settlement Terms**") and is qualified by reference to the detailed provisions thereof and is subject to amendment from time to time in accordance with the Rules, including any amendment following the 2009 ISDA Credit Derivatives Determinations Committees, Auction Settlement and Restructuring Supplement dated 14 July 2009, as published by ISDA. The following does not purport to be complete and prospective investors must refer to the Form of Auction Settlement Terms for detailed information regarding the auction methodology set forth therein (the "**Auction Methodology**"). The Auction and the Auction Methodology apply to credit default swaps on the Reference Entity and do not apply specifically to the Notes. A copy of the Form of Auction Settlement Terms may be inspected at the offices of the Issuer and is also currently available at www.isda.org.

Investors should be aware that this summary of the Form of Auction Settlement Terms is accurate only as of the date hereof and the Form of Auction Settlement Terms may be amended from time to time without consultation with investors. At any time after the date of this memorandum, the latest Form of Auction Settlement Terms will be available on the ISDA website at www.isda.org (or any successor website thereto). Further, notwithstanding the fact that the Form of Auction Settlement Terms (as may be amended from time to time) appears on the ISDA website, investors should note that the Credit Derivatives Determinations Committees have the power to amend the form of Credit Derivatives Auction Settlement Terms for a particular auction and that this summary may therefore not be accurate in all cases.

Capitalized terms used but not defined in this summary have the meaning specified in the Rules and the Form of Auction Settlement Terms. All times of day in this summary refer to such times in London.

Publication of Credit Derivatives Auction Settlement Terms

Pursuant to the Credit Derivatives Determinations Committees Rules set forth in Annex A to the 2009 ISDA Credit Derivatives Determinations Committees and Auction Settlement Supplement to the 2003 ISDA Credit Derivatives Definitions (published on March 12, 2009) (the "**Rules**"), a Credit Derivatives Determinations Committee may determine that a Credit Event has occurred in respect of a Reference Entity (such entity, an "**Affected Reference Entity**") and that one or more auctions will be held in order to settle affected Auction Covered Transactions referencing such Affected Reference Entity based upon an Auction Final Price determined according to an auction procedure set forth in the Form of Auction Settlement Terms (each, an "**Auction**"). If an Auction is to be held, the Credit Derivatives Determinations Committee will publish Credit Derivatives Auction Settlement Terms in respect of the relevant Affected Reference Entity, based upon the Form of Auction Settlement Terms. In doing so, the Credit Derivatives Determinations Committee will make several related determinations, including the date on which the Auction will be held (the "**Auction Date**"), the institutions that will act as participating bidders in the Auction (the "**Participating Bidders**") and the supplemental terms that are detailed in Schedule 1 to the Form of Auction Settlement Terms. The Credit Derivatives Determinations Committee may also amend the Form of Auction Settlement Terms for a particular auction and may determine that a public comment period is necessary in order to effect such an amendment if such amendment is not contemplated by the Rules.

"**Auction Covered Transactions**" are credit derivative transactions referencing the Affected Reference Entity which satisfy the criteria set forth in the Credit Derivatives Auction Settlement Terms in respect of the relevant Affected Reference Entity, including in respect of the provisions in such credit derivative transactions that set forth the criteria for establishing what obligations may constitute Deliverable Obligations (or, in the case of a cash settled credit derivative transaction, the provisions therein that set forth the criteria for establishing what obligations may be valued to determine a final price).

Auction Methodology

Determining the Auction Currency Rate

On a specified fixing date, the "**Administrators**" (being both Markit Group Limited and Creditex Securities Corp. or such other entities appointed by ISDA) will determine the rate of conversion (each, an "**Auction Currency Rate**") as between the relevant currency and the currency of denomination of each Deliverable Obligation (each, a "**Relevant Pairing**") by reference to a rate source or, if such rate source is unavailable, by seeking mid-market rates of conversion from Participating Bidders (determined by each such Participating Bidder in a commercially reasonable manner) for each such Relevant Pairing.

Initial Bidding Period

During the Initial Bidding Period (which is the period initially determined by the Credit Derivatives Determinations Committee and specified in the Credit Derivatives Auction Settlement Terms in respect of the relevant Affected Reference Entity, as such period may be extended by the Administrators, *inter alia*, to preserve the integrity of an Auction), Participating Bidders will submit to the Administrators: (a) Initial Market Bids; (b) Initial Market Offers; (c) Dealer Physical Settlement Requests; and (d) Customer Physical Settlement Requests (to the extent received from customers).

Initial Market Bids and Initial Market Offers are firm quotations, expressed as percentages, to enter into credit derivative transactions in respect of the Affected Reference Entity on terms equivalent to the Representative Auction-Settled Transaction. A "**Representative Auction-Settled Transaction**" is a hypothetical single-name, physically settled credit default swap transaction referencing the Affected Reference Entity with the standard terms specified in the Form of Auction Settlement Terms.

The Initial Market Bid and Initial Market Offer submitted by each Participating Bidder must differ by no more than the designated Maximum Initial Market Bid-Offer Spread and must be an integral multiple of the Relevant Pricing Increment (each as determined by the Credit Derivatives Determinations Committee and specified in the Credit Derivatives Auction Settlement Terms in respect of the relevant Affected Reference Entity). The Initial Market Bid must be less than the Initial Market Offer.

Dealer Physical Settlement Requests and Customer Physical Settlement Requests are firm commitments, submitted by a Participating Bidder, on its own behalf or on behalf of a customer, as applicable, to enter into a Representative Auction-Settled Transaction, in each case, as seller (in which case, such commitment will be a "**Physical Settlement Buy Request**") or as buyer (in which case, such commitment will be a "**Physical Settlement Sell Request**"). Each Dealer Physical Settlement Request must be, to the best of such Participating Bidder's knowledge and belief, in the same direction as, and not in excess of, its Market Position. Each Customer Physical Settlement Request must be, to the best of the relevant customer's knowledge and belief (aggregated with all Customer Physical Settlement Requests submitted by such customer), in the same direction as, and not in excess of, its Market Position.

If the Administrators do not receive valid Initial Market Bids and Initial Market Offers from at least a minimum number of Participating Bidders (as determined by the Credit Derivatives Determinations Committee and specified in the Credit Derivatives Auction Settlement Terms in respect of the relevant Affected Reference Entity), the timeline will be adjusted and the Initial Bidding Period extended, with the Auction recommencing at such time(s) specified by the Administrators, otherwise it will proceed as follows.

The "**Market Position**" with respect to a Participating Bidder or customer, as applicable, is the aggregate amount of Deliverable Obligations that the relevant Participating Bidder or customer, as applicable, would have to buy or sell in order to obtain an identical risk profile after the Auction Settlement Date compared to its risk profile prior to the Auction Settlement Date with respect to all Auction Covered Transactions (excluding those Auction Covered Transactions for which the trade date is the date on which the Auction Final Price is determined (the "**Auction Final Price Determination Date**")) and all Auction-Linked Cash Settled Transactions to which such Participating Bidder, or any affiliate of such Participating Bidder, as applicable, or such customer, or any affiliate of such customer, as applicable, is a party and to which every other party is an Auction Party, such risk profile to be determined without regard to whether the original transactions were documented as cash settled or physically settled transactions.

Determination of Open Interest, Initial Market Midpoint and Adjustment Amounts

The Administrators will calculate the Open Interest, the Initial Market Midpoint and any Adjustment Amounts in respect of the Auction.

The Open Interest is the difference between all Physical Settlement Sell Requests and all Physical Settlement Buy Requests.

To determine the Initial Market Midpoint, the Administrators will: (a) sort the Initial Market Bids in descending order and the Initial Market Offers in ascending order, identifying non-tradeable markets for which bids are lower than offers; (b) sort non-tradeable markets in terms of tightness of spread between Initial Market Bid and Initial Market Offer; and (c) identify that half of the non-tradeable markets with the tightest spreads. The Initial Market Midpoint is determined as the arithmetic mean of the Initial Market Bids and Initial Market Offers contained in the half of non-tradeable markets with the tightest spreads.

Any Participating Bidder whose Initial Market Bid or Initial Market Offer forms part of a tradeable market will be required to make a payment to ISDA on the third Business Day after the Auction Final Price Determination Date (an "**Adjustment Amount**"), calculated in accordance with the Auction Methodology. Any payments of Adjustment Amounts will be used by ISDA to defray any costs related to any auction that ISDA has coordinated, or that ISDA may in the future coordinate, for purposes of settlement of credit derivative transactions.

If for any reason no single Initial Market Midpoint can be determined, the procedure set out above may be repeated.

At or prior to the Initial Bidding Information Publication Time (as determined by the Credit Derivatives Determinations Committee and specified in the Credit Derivatives Auction Settlement Terms in respect of the relevant Affected Reference Entity) on any day on which the Initial Bidding Period has successfully concluded, the Administrators publish the Open Interest, the Initial Market Midpoint and the details of any Adjustment Amounts in respect of the Auction.

If the Open Interest is zero, the Auction Final Price will be the Initial Market Midpoint.

Submission of Limit Order Submissions

In the event that the Open Interest does not equal zero, a subsequent bidding period will be commenced during the Initial Bidding Period which: (a) if the Open Interest is an offer to sell Deliverable Obligations, Participating Bidders submit Limit Bids; or (b) if the Open Interest is a bid to purchase Deliverable Obligations, Limit Offers, in each case, on behalf of customers and for their own account.

Matching bids and offers

If the Open Interest is a bid to purchase Deliverable Obligations, the Administrators will match the Open Interest against all Initial Market Offers and Limit Offers, as further described in the Auction Methodology. If the Open Interest is an offer to sell Deliverable Obligations, the Administrators will match the Open Interest against all Initial Market Bids and Limit Bids, as further described in the Auction Methodology.

(a) Auction Final Price when the Open Interest is Filled

The Auction Final Price will be the price associated with the matched Initial Market Bids and Limit Bids or Initial Market Offers and Limit Offers, as applicable, that is the highest offer or the lowest bid, as applicable, **provided that**: (a) if the Open Interest is an offer to sell and the price associated with the lowest matched bid exceeds the Initial Market Midpoint by more than the "**Cap Amount**" (being the percentage that is equal to one half of the Maximum Initial Market Bid-Offer Spread (rounded to the nearest Relevant Pricing Increment)), then the Auction Final Price will be the Initial Market Midpoint plus the Cap Amount; and (b) if the Open Interest is a bid to purchase and the Initial Market Midpoint exceeds the price associated with the highest offer by more than the Cap Amount, then the Auction Final Price will be the Initial Market Midpoint minus the Cap Amount.

(b) *Auction Final Price when the Open Interest is Not Filled*

If, once all the Initial Market Bids and Limit Bids or Initial Market Offers and Limit Offers, as applicable, have been matched to the Open Interest, part of the Open Interest remains, the Auction Final Price will be: (a) if the Open Interest is a bid to purchase Deliverable Obligations, the greater of (i) zero, and (ii) the highest Limit Offer or Initial Market Offer received; or (b) if the Open Interest is an offer to sell Deliverable Obligations, zero.

100 per cent. Cap to Auction Final Price

In all cases, if the Auction Final Price determined pursuant to the Auction Methodology is greater than 100 per cent., then the Auction Final Price will be deemed to be 100 per cent.

Publication of Auction Final Price

At or prior to the Subsequent Bidding Information Publication Time (as determined by the Credit Derivatives Determinations Committee and specified in the Credit Derivatives Auction Settlement Terms in respect of the relevant Affected Reference Entity) on any day on which the subsequent bidding period has successfully concluded, the Administrators will publish on their websites: (a) the Auction Final Price; (b) the names of the Participating Bidders who submitted bids, offers, valid Dealer Physical Settlement Requests and valid Customer Physical Settlement Requests, together with the details of all such bids and offers submitted by each; and (c) the details and size of all matched trades.

Execution of Trades Formed in the Auction

Each Participating Bidder whose Limit Bid or Initial Market Bid (or Limit Offer or Initial Market Offer if applicable) is matched against the Open Interest, and each Participating Bidder that submitted a Customer Physical Settlement Request or Dealer Physical Settlement Request, is deemed to have entered into a Representative Auction-Settled Transaction, and each customer that submitted such a Limit Bid, Limit Offer, or Physical Settlement Request is deemed to have entered into a Representative Auction-Settled Transaction with the dealer through whom the customer submitted such bid or offer. Accordingly, each such Participating Bidder or customer that is a seller of Deliverable Obligations as a result of a trade formed in the auction must deliver to the buyer to whom such Participating Bidder or customer has been matched a Notice of Physical Settlement indicating the Deliverable Obligations that it will deliver, and such Deliverable Obligations will be sold to the buyer in exchange for payment of the Auction Final Price.

Timing of Auction Settlement Provisions

If an Auction is held in respect of an Affected Reference Entity, it is expected that the relevant Auction Date will occur on the third Business Day immediately prior to the 30th calendar day after which the relevant Credit Derivatives Determinations Committee received the request from an eligible market participant (endorsed by a member of the relevant Credit Derivatives Determinations Committee) to resolve whether a Credit Event has occurred with respect to such Reference Entity.

In respect of an Affected Reference Entity for which an Auction is held, the Auction Settlement Date will occur on a Business Day following the Auction Final Price Determination Date, as determined by the Credit Derivatives Determinations Committee and specified in the Credit Derivatives Auction Settlement Terms in respect of the relevant Affected Reference Entity. By way of example, in recent ISDA CDS Auction Protocols (prior to the publication of the 2009 ISDA Credit Derivatives Determinations Committees, Auction Settlement and Restructuring Supplement dated 14 July 2009, as published by ISDA) this has been approximately five Business Days following the relevant Auction Final Price Determination Date.

Delayed Auction Provisions

The Auction timing may be adjusted under the relevant following circumstances: (a) the occurrence of an event or news the occurrence of which two or more Participating Bidders consider has or could have a material effect on the Auction Final Price; (b) if the Administrators are unable to determine an Auction Currency Rate on the Auction Currency Fixing Date with respect to each Relevant Pairing; (c) if the Auction Methodology does not result in an Auction Final Price for any reason (including, but not limited to, the failure to receive the minimum number of valid Initial Market Bids and Initial Market Offers); or (d) any combination of (a), (b) and (c) above.

Auction Cancellation

If an Auction Final Price has not been determined on or prior to: (a) the fifth Business Day following the Auction Date, in the events described in clause (a) or (d) of "Delayed Auction Provisions" above; or (b) the second Business Day following the Auction Date, in the events described in clause (b) or (c) of "Delayed Auction Provisions" above, then the Auction will be deemed to have been cancelled and the Administrators and ISDA will announce the occurrence of such cancellation on their respective websites.

For these purposes, "**Business Day**" means a day on which commercial banks and foreign exchange markets are generally open to settle payments in, if the Transaction Type of the relevant Affected Reference Entity is included in: (a) the Americas, New York; and (b) otherwise, London.

FUND LINKED NOTE ANNEX

Where specified as applicable in any Final Terms relating to the issue of Notes under the Programme, the provisions of this Fund Linked Note Annex shall apply to such Notes as if expressly set out in the relevant Final Terms.

1. Amendment to the Conditions

The following shall be inserted as Conditions 3A, 5.2A and 5.3 (together, the "**Additional Conditions**"):

3A Status of Fund Linked Notes

The Fund Linked Notes are linked to the performance of Units in the Fund from time to time, but Noteholders have no rights to any specific Units or other Fund interests and no Units or other Fund interests have been or will be charged or otherwise placed in custody or set aside to secure or satisfy the Issuer's obligations in respect of the Notes. Accordingly, at any time the Issuer may or may not be the owner of the whole or any part of the Units notionally underlying the Notes from time to time and the Issuer is not under any obligation to hold any Units or other interests in the Fund and may sell or otherwise dispose of the same at any time in its sole discretion.

5.1A Redemption and Purchase

- (a) *Scheduled redemption:* Unless previously redeemed, or purchased and cancelled, the Notes will be redeemed on the Maturity Date at a price per Note equal to the Note Executed Price, subject as provided in Condition 6 (*Payments*).
- (b) *Additional Disruption Event:* Following the occurrence of an Additional Disruption Event the Issuer shall, on giving not more than 30 nor less 15 days' notice to the Noteholders, and upon expiry of such notice, redeem all but not some only of the Notes at the Early Redemption Amount on such day as determined by the Issuer in its sole and absolute discretion (including, without limitation, a date on which the Issuer or any Hypothetical Broker Dealer is able to actually receive the redemption proceeds in respect of the Units or shares of the Fund from any of the Fund Service Providers).

5.2A Fund Disruption Events

- (a) *Potential Adjustment Events:* Subject to Condition 5.2A(b) (*Cash Distribution*) below and following the declaration by the Fund Manager of the terms of any Potential Adjustment Event, the Calculation Agent will, in good faith acting in a commercially reasonable manner, determine whether such Potential Adjustment Event has a diluting, concentrative or other effect on the theoretical value of the relevant Fund Unit and, if so, will (i) make the corresponding adjustment, if any, to any terms of the Fund Linked Notes as the Calculation Agent in good faith acting in a commercially reasonable manner determines appropriate to account for that diluting, concentrative or other effect and (ii) determine the effective date of that adjustment. In its determination of the existence and extent of any dilutive, concentrative or other effect on the theoretical value of the relevant Fund Unit of any Potential Adjustment Event, and any related adjustments to the terms of the Fund Linked Notes, the Calculation Agent shall take into account any amounts of local taxes that would, in the determination of the Calculation Agent, be withheld from or paid or otherwise incurred by the Issuer in connection with such Potential Adjustment Event.
- (b) *Cash Distributions:* Where the Fund Manager declares or pays a payment of distribution or dividend of cash to existing holders of the Fund Units, the Issuer will pay to the Noteholders an amount in the Specified Currency equal to the cash distribution or dividend after deducting all fees and expenses (including but not limited to the local taxes (if any) and handling fees, all as determined by the Calculation Agent in good faith and in a commercially reasonable manner) within five (5) Payment Days following receipt by the Issuer of such cash distribution or dividend, **provided that**

the payment date of such cash distribution or dividend will occur on or before two Payment Days prior to the Valuation Date or any other date on which the market value of the Fund Linked Notes is to be determined in accordance with these terms, as the case may be. For the avoidance of doubt, there is no obligation on the Issuer to make any payments after two Payment Days prior to the Valuation Date, or any other date on which the market value of the Fund Linked Notes is to be determined in accordance with these terms, as the case may be.

- (c) *Fund Merger Event:* Following the occurrence of a Fund Merger Event, the Calculation Agent may (but is not obliged to), in good faith acting in a commercially reasonable manner, determine any appropriate adjustment (which may include, but without obligation, a substitution of the Fund Unit), if any, to be made to any terms of the Fund Linked Notes (including for the avoidance of doubt, any adjustments to the Initial Subscription Price) to account for such event, and determine the effective date of that adjustment. If the Calculation Agent determines that no adjustment that it could make will produce a commercially reasonable result, the Issuer will redeem all, but not some only, of the Fund Linked Notes, at the Early Redemption Amount on such day as determined by the Issuer in its sole and absolute discretion (including, without limitation, a date on which the Issuer is able to actually receive the redemption proceeds in respect of the units or shares of the Fund from any of the Fund Service Providers).
- (d) *Correction of Prices:* In the event that any NAV of the Fund published by its Fund Service Provider on any date which is utilised for any calculation or determination in connection with the Fund Linked Notes is subsequently corrected and the correction is published by its Fund Service Provider by the third Payment Day prior to the next date on which any relevant payment may have to be made by the issuer or in respect of which any relevant determination in respect of the Fund Linked Notes may have to be made; then the Calculation Agent may determine the amount that is payable or deliverable or make any determination in connection with the Fund Linked Notes, after taking in to account such correction, and, to the extent necessary, may adjust any relevant terms of the Fund Linked Notes to account for such correction.

5.3 Redemption of Fund Linked Fund Linked Notes following an Additional Disruption Event

Following the occurrence of an Additional Disruption Event the Issuer shall, on giving not more than 30 nor less 15 days' notice to the Noteholders, and upon expiry of such notice, redeem all but not some only of the Fund Linked Notes at the Early Redemption Amount on such day as determined by the Issuer in its sole and absolute discretion (including, without limitation, a date on which the Issuer or any Hypothetical Broker Dealer is able to actually receive the redemption proceeds in respect of the Units or shares of the Fund from any of the Fund Service Providers).

Each holder of Fund Linked Notes by subscribing for or purchasing such Fund Linked Notes, will be deemed to accept and acknowledge that it is fully aware that:

- (i) upon the occurrence of an Additional Disruption Event, the obligations of the Issuer to make payments in respect of the Fund Linked Notes may be limited to the amount payable by the Issuer and the holder of the Fund Linked Notes shall have no further recourse to the Issuer in respect of the Fund Linked Notes;
- (ii) without prejudice to the foregoing, any right of the holder of the Fund Linked Notes to claim payment of any amount exceeding the amount so payable shall be automatically extinguished; and
- (iii) the holder of the Fund Linked Notes shall not be able to petition for the winding up of the Issuer as a consequence of the non-payment by the Issuer of any sum which but for this Condition 5.3 (*Redemption of Fund Linked Fund Linked Notes following an Additional Disruption Event*) would have been payable by the Issuer in respect of the Fund Linked Notes).

- (b) Where any payment due under the Conditions or FX Calculation is affected by an applicable Disruption Event, such payment or FX Calculation shall be made subject to and in accordance with this Currency Annex.

6.10 Disruption Events

- (a) *Applicable Disruption Events*

Where any payment of the Early Redemption Amount or FX Calculation in relation to the determination of the Early Redemption Amount is affected by an applicable Disruption Event, such payment obligation shall be altered or such FX Calculation shall be made pursuant to this Currency Annex. Otherwise, the Disruption Fallbacks shall not apply in relation to such Disruption Event.

(f) *Early Redemption upon Occurrence of an Administrator/Benchmark Event*

If the Calculation Agent determines that an Administrator/Benchmark Event has occurred and is continuing on a Settlement Date, Valuation Date (or, if different, the day on which rates for that Valuation Date would, in the ordinary course, be published or announced by the relevant price source) or Illiquidity Valuation Date, the Calculation Agent may determine that the Notes shall be redeemed, in which event the Issuer will cause to be paid to each Noteholder in respect of each Note held by it an amount determined pursuant to Condition 6.10(e) (*Early Redemption upon Occurrence of a Disruption Event*) above.

If no Disruption Fallback is specified, then, save as provided under Conditions 6.10(e) (*Disruption Events – Early Redemption upon Occurrence of a Disruption Event*), 6.11(b) (*Disruption Fallback – Presumed Disruption Fallbacks*) and 6.11(c) (*Disruption Fallback – Settlement Currency*), no Disruption Fallback will be deemed to have been specified. If one or more Disruption Fallbacks are specified, only the Disruption Fallbacks specified will apply (in the order so specified), save as provided in Conditions 6.10(e) (*Disruption Events – Early Redemption upon Occurrence of a Disruption Event*) and 6.11(c) (*Disruption Fallback – Settlement Currency*).

(b) *Presumed Disruption Fallbacks*

Unless otherwise provided in these Conditions and subject to Condition 6.10(e) (*Disruption Events – Early Redemption upon Occurrence of a Disruption Event*), if no Disruption Fallback is specified in the Disruption Event Terms with respect to an applicable Disruption Event, the following Disruption Fallbacks will be deemed to have been specified (in the following order) with respect to the Disruption Event indicated:

- (i) in respect of Settlement/Custodial Event, Assignment of Claim against Custodian;
- (ii) in respect of General Inconvertibility, General Non-Transferability, Specific Inconvertibility and Specific Non-Transferability,
 - (a) Currency Substitute; and
 - (b) Settlement Postponement;
- (iii) in respect of Benchmark Obligation Default and Governmental Authority Default,
 - (a) Local Asset Substitute-Gross, where the Benchmark Obligation so Delivered must be, in the case of Benchmark Obligation Default, the

Benchmark Obligation subject to that default or, in the case of Governmental Authority Default, an obligation subject to that default; and

- (b) Settlement Postponement;
 - (iv) in respect of Nationalisation,
 - (a) Settlement Postponement; and
 - (b) Assignment of Claim;
 - (v) in respect of Price Materiality, the Fallback Reference Price specified for such purpose or, if none is specified, the Fallback Reference Price as if Currency-Reference Dealers were the alternate Settlement Rate Option;
 - (vi) in respect of Illiquidity and Price Source Disruption,
 - (a) the Fallback Reference Price specified for such purpose or, if none is specified, the Fallback Reference Price as if Currency-Reference Dealers were the alternate Settlement Rate Option; and
 - (b) Calculation Agent Determination of Settlement Rate;
 - (vii) in respect of Dual Exchange Rate, the Fallback Reference Price specified for such purpose or, if none is specified, Calculation Agent Determination of Settlement Rate; and
 - (viii) in respect of Material Change in Circumstance, the Notes will be redeemed in accordance with Condition 6.10(e) (*Disruption Events - Early Redemption upon Occurrence of a Disruption Event*).
- (c) *Settlement Currency*

If in the sole determination of the Issuer (which shall be final and binding on the Noteholders):

- (i) after applying all applicable Disruption Fallbacks, the Issuer is not able to effect settlement of a Settlement Currency Amount in the Settlement Currency; or
- (ii) following the occurrence of a Credit Event, the payment of the Cash Settlement Amount or the Adjusted Cash Settlement Amount (as the case may be) is affected by a Disruption Event,

then the Issuer shall effect settlement of the Settlement Currency Amount or pay the Cash Settlement Amount or the Adjusted Cash Settlement Amount (as the case may be):

- (a) in the Reference Currency at such Spot Rate as the Calculation Agent shall determine and in such manner as the Issuer shall in its absolute discretion determine; or
- (b) if in the sole determination of the Issuer (which shall be final and binding on the Noteholders), it is not able to effect settlement or payment in the manner specified in sub-paragraph (a) above, in such currency and in such manner as it shall in its absolute discretion determine and converted at such Spot Rate as the Calculation Agent shall determine.

(d) *More than one Disruption Event*

Unless otherwise specified in the Disruption Event Terms, if the Calculation Agent determines that more than one applicable Disruption Event has occurred and is continuing on a Settlement Date, Valuation Date (or, if different, the day on which rates for that Valuation Date would, in the ordinary course, be published or announced by the relevant price source) or Illiquidity Valuation Date, then all such Disruption Events must be remedied in respect of such Note in accordance with the terms of the applicable Disruption Fallbacks in the following order:

- (i) if Settlement/Custodial Event is applicable, then the Disruption Fallback specified or deemed specified with respect to Settlement/Custodial Event must be applied until such Settlement/Custodial Event is remedied. If the Notes are to be settled in accordance with the provisions of the Assignment of Claim against Custodian Disruption Fallback, then the Disruption Events listed in sub paragraphs (ii) to (vi) (inclusive) below will be deemed remedied;
- (ii) if Dual Exchange Rate, Illiquidity, Price Materiality or Price Source Disruption is applicable and is not remedied before the Settlement Date, Valuation Date (or, if different, the day on which rates for that Valuation Date would, in the ordinary course, be published or announced by the relevant price source) or Illiquidity Valuation Date, then the Disruption Fallbacks specified or deemed specified with respect to Dual Exchange Rate, Illiquidity, Price Materiality or Price Source Disruption, respectively, must be applied to the Notes (in the specified order) until the Dual Exchange Rate Disruption Event, Illiquidity Disruption Event, Price Materiality Disruption Event or Price Source Disruption Event is remedied and a Settlement Rate is determined;
- (iii) if Nationalisation is applicable, then the Disruption Fallbacks specified or deemed specified with respect to Nationalisation must be applied (in the specified order) until such Nationalisation Disruption Event is remedied. If the payment obligations under the Notes are altered in accordance with the provisions of the Assignment of Claim Disruption Fallback, then the Disruption Events listed in sub-paragraphs (iv) to (vi) (inclusive) below will be deemed remedied;
- (iv) if Benchmark Obligation Default or Governmental Authority Default is applicable, then the Disruption Fallbacks specified or deemed specified with respect to Benchmark Obligation Default or Governmental Authority Default, as the case may be, must be applied (in the specified order) until such Benchmark Obligation Default Disruption Event or Governmental Authority Default Disruption Event is remedied. If the Notes are to be settled in accordance with the provisions of the Local Asset Substitute-Gross Disruption Fallback, then the Disruption Events listed in sub-paragraphs (v) and (vi) (inclusive) below will be deemed remedied;
- (v) if General Inconvertibility, General Non-Transferability, Specific Inconvertibility or Specific Non-Transferability is applicable, then the Disruption Fallbacks specified or deemed specified with respect to General Inconvertibility, General Non-Transferability, Specific Inconvertibility or Specific Non-Transferability, respectively, must be applied (in the specified order) until such General Inconvertibility Disruption Event, General Non-Transferability Disruption Event, Specific Inconvertibility Disruption Event or Specific Non-Transferability Disruption Event is remedied; and
- (vi) if Material Change in Circumstance is applicable, then the Disruption Fallbacks specified or deemed specified with respect to Material Change in Circumstance must be applied (in the specified order) until such Material Change in Circumstance Disruption Event is remedied.

(e) *Non-compliant Fallbacks*

Notwithstanding anything else in this Currency Annex, if, in respect of the Notes, it (a) is or would be unlawful at any time under any applicable law or regulation or (b) would contravene any applicable licensing requirements, in each case, for the Calculation Agent to determine the FX Rate, make any FX Calculation in relation to the Notes or make any other determination in respect of the Notes which it would otherwise be obliged to do so under this Currency Annex (or it would be unlawful or would contravene those licensing requirements were a determination to be made at such time), then (where no other applicable provision in this Currency Annex results in such determination being made) the Calculation Agent may determine that the Notes shall be redeemed, in which event the Issuer will cause to be paid to each Noteholder in respect of each Note held by it an amount determined Condition 6.10(e) (*Early Redemption upon Occurrence of a Disruption Event*).

(f) *Inability to remedy*

If the Calculation Agent determines that the Disruption Event cannot be remedied by applying any of the applicable Disruption Fallbacks, the Calculation Agent may determine that the Notes shall be redeemed, in which event the Issuer will cause to be paid to each Noteholder in respect of each Note held by it an amount determined pursuant to Condition 6.10(e) (*Early Redemption upon Occurrence of a Disruption Event*).

6.12 Settlement Basis

(a) *Cash Settlement*

(i) Where all of the applicable Disruption Events are remedied through the application of a Disruption Fallback which provides for cash payment (whether in the Settlement Currency or in another currency) on the relevant Settlement Date or through the application of the Settlement Postponement Disruption Fallback, such payment shall be made in the manner specified under this Condition 6 subject to the terms of the applicable Disruption Fallback.

(ii) Where Condition 6.12(a) (*Settlement Basis – Cash Settlement*) applies and it is in the opinion of the Issuer impossible or impracticable to effect payment pursuant to the applicable Disruption Fallback on the Settlement Date, the payment obligation shall be effected as soon as practicable after the Settlement Date on which such payment would otherwise be made. For the avoidance of doubt, no Noteholder shall be entitled to any additional payment or to other assets, whether in respect of interest or otherwise, in the event of such payment being effected after the date on which such payment would otherwise be made or otherwise due to circumstances beyond the control of the Issuer.

(b) *Physical Settlement*

Where a Disruption Event has occurred and save where Condition 6.12(a) (*Settlement Basis – Cash Settlement*) applies, the payment obligations under the Notes shall be replaced by an obligation to effect Physical Settlement in the manner specified under Condition 6.13 (*Physical Settlement*).

6.13 Physical Settlement

(a) *Notice of Physical Settlement*

If these Conditions require the Issuer to effect Physical Settlement following a Disruption Event and Deliver assets (including, without limitation, Benchmark

Obligations, rights and claims, but not cash) ("**Substitute Asset**") on a Physical Settlement Date, the Issuer shall, if such information is not already contained in the Disruption Event Notice, as soon as practicable after a Disruption Event has occurred, deliver to the Noteholders a notice (the "**Notice of Physical Settlement**") in which the Issuer shall give a detailed description of the applicable Disruption Fallback and the Substitute Asset. Where the Issuer requires the Noteholders to complete an Asset Transfer Notice in order to obtain Delivery of the Relevant Proportion of the Deliverable Amount of the Substitute Asset, the Notice of Physical Settlement shall provide for such request.

(b) *Delivery on the Physical Settlement Date*

On or prior to the Physical Settlement Date, the Issuer shall, subject to Condition 6.13(d) (*Pre-condition to Issuer's obligation to Deliver*), Deliver to each Noteholder the Relevant Proportion of the Deliverable Amount of the Substitute Asset. The Issuer's obligation to pay the relevant Settlement Currency Amount shall cease and be replaced by an obligation to Deliver the Relevant Proportion of the Deliverable Amount of the Substitute Asset pursuant to this Condition. In the event that the Issuer, for any reason whatsoever, is unable to effect Delivery of the Relevant Proportion of the Deliverable Amount of the Substitute Asset to any Noteholder by the Physical Settlement Date, the Issuer may continue to attempt such Delivery for an additional five Business Days after the Physical Settlement Date. Subject to Condition 6.13(f) (*Partial Cash Settlement*), failure by the Issuer to Deliver to a Noteholder the Relevant Proportion of the Deliverable Amount of the Substitute Asset on or prior to the date that is five Business Days after the Physical Settlement Date shall not constitute an Event of Default and shall not entitle the Noteholders to any right or claim for additional compensation or otherwise.

(c) *Delivery*

To "**Deliver**" the Relevant Proportion of the Deliverable Amount of the Substitute Asset pursuant to Condition 6.13(a) (*Notice of Physical Settlement*) and Condition 6.13(b) (*Delivery on the Physical Settlement Date*) means to deliver, novate, transfer (including in the case of a guarantee, transfer of the benefit of the guarantee), assign or sell, as appropriate, in the manner customary for the settlement of the applicable Substitute Asset (which shall include executing all necessary documentation and taking any other necessary actions), in order to convey all right, title and interest in the Relevant Proportion of the Deliverable Amount of the Substitute Asset to the Noteholder free and clear of any and all liens, charges, claims or encumbrances (including without limitation any counterclaim, defence or right of set-off); **provided that** to the extent that the Substitute Asset consists of guarantees, "**Deliver**" shall mean to Deliver both the guarantee and the underlying obligation. "**Delivery**" and "**Delivered**" shall be construed accordingly.

(d) *Pre-condition to Issuer's obligation to Deliver*

In order to obtain Delivery of the Relevant Proportion of the Deliverable Amount of the Substitute Asset, if requested by the Issuer pursuant to Condition 6.13(a) (*Notice of Physical Settlement*), each Noteholder must deliver to the Issuer or the Registrar (if different) within five Business Days of the date of delivery of the Notice of Physical Settlement (the "**Cut-Off Date**"), a duly completed Asset Transfer Notice in accordance with Condition 6.13(h) (*Asset Transfer Notice Requirements*) the form of which may be obtained from the specified office of the Issuer or the Registrar (if different) and, in the case of a holding of a Definitive Note or Registered Note, the Note (which expression shall, for the purposes of this Condition 6.13(d), include Certificate(s), Receipt(s) and, if applicable, all unmatured Coupons and unmatured and unexchanged Talons, in accordance with the provisions of Condition 6.6 (*Unmatured Coupons and Receipts and Unexchanged Talons*)). In the event that the Note is represented by a Global Note, an Asset Transfer Notice must be delivered to the Issuer

via the relevant Clearing System, by such method of delivery as the relevant Clearing System shall have approved.

After delivery of an Asset Transfer Notice, no transfers of the Notes specified therein which are represented by a Global Note will be effected by any relevant Clearing System and no transfers of Registered Notes specified therein will be effected by the Registrar.

(e) *Timing of delivery of Asset Transfer Notice*

Upon receipt of a duly completed Asset Transfer Notice and, in the case of Definitive Notes or Registered Notes, the Notes to which such notice relates, the Issuer, any relevant Clearing System or the Registrar, as the case may be, shall verify that the person specified therein as the accountholder or registered holder, as the case may be, is the Holder of the Note referred to therein according to its books or the Register, as the case may be.

Subject as provided herein, in relation to each Note, the Relevant Proportion of the Deliverable Amount of the Substitute Asset will be Delivered to the relevant Noteholder at the risk of such Noteholder.

If the Asset Transfer Notice and (with respect to Definitive Notes and Registered Notes) the relevant Note are delivered to the Issuer later than close of business in London on the Cut-Off Date, then the Relevant Proportion of the Deliverable Amount of the Substitute Assets will be Delivered as soon as practicable after the date on which Delivery of the same would otherwise be made, at the risk of such Noteholder in the manner provided above. For the avoidance of doubt, such Noteholder shall not be entitled to any payment or to other assets, whether in respect of interest or otherwise, in the event of the Delivery of the Relevant Proportion of the Deliverable Amount of the Substitute Asset taking place after the date on which Delivery of the same would otherwise be made pursuant to the provisions of this Condition 6.13 or otherwise due to circumstances beyond the control of the Issuer.

If the relevant Noteholder fails to deliver an Asset Transfer Notice in the manner set out herein or delivers an Asset Transfer Notice on any day falling after the day that is 180 calendar days after the Cut-Off Date or (in the case of Definitive Notes or Registered Notes) fails to deliver the Notes related thereto, or fails to pay the Delivery Expenses or the FX Break Costs (if they are a negative amount) pursuant to Condition 6.13(j) (*Physical Settlement – Costs and expenses*), the Issuer shall be discharged from its obligations in respect of such Note and shall have no further obligation or liability whatsoever in respect thereof.

(f) *Partial Cash Settlement*

- (i) If due to an event beyond the control of the Issuer it is impossible, impracticable or illegal for the Issuer to Deliver, or due to an event beyond the control of any Noteholder or its designated nominee, it is impossible, impracticable or illegal for such Noteholder to accept Delivery of, all or a portion of the Relevant Proportion of the Deliverable Amount of the Substitute Asset by the Physical Settlement Date (including, without limitation, failure of the relevant Clearing System or due to any law, regulation or court order, but not including market conditions or failure to obtain any requisite consent with respect to the Delivery of loans) then by such date the Issuer shall provide a description in reasonable detail of the facts giving rise to such impossibility, impracticability or illegality and the Issuer shall Deliver and such Noteholder or its designated nominee shall take Delivery of that portion (if any) of the Relevant Proportion of the Deliverable Amount of the Substitute Asset for which it is possible, practicable and legal to take Delivery. As soon as possible thereafter, the Issuer shall Deliver and such Noteholder, its originally designated nominee or any new designated

nominee shall take Delivery of the remaining portion of the Relevant Proportion of the Deliverable Amount of the Substitute Asset.

- (ii) If:
 - (A) following the occurrence of any impossibility, impracticability or illegality referred to in (i) above, all or a portion of the Relevant Proportion of the Deliverable Amount of the Substitute Asset is not Delivered on or prior to the Latest Permissible Physical Settlement Date; or
 - (B) all or a portion of the Relevant Proportion of the Deliverable Amount of the Substitute Asset includes assets which, due to the non-receipt of any requisite consents, are not, by the Physical Settlement Date, capable of being delivered, assigned, novated, transferred or sold to any relevant Noteholder or its nominee and such consents are not obtained or deemed given by the Latest Permissible Physical Settlement Date,

then Partial Cash Settlement pursuant to (iii) below shall be deemed to apply with respect to that portion of the Relevant Proportion of the Deliverable Amount of the Substitute Asset that cannot be Delivered for the reasons specified in (A) above (the "**Undeliverable Asset**") or that portion of the Relevant Proportion of the Deliverable Amount of the Substitute Asset of the type referred to in (B) above that cannot be Delivered to a Noteholder or its nominee without consent (the "**Consent Required Assets**").

- (iii) On the Partial Cash Settlement Date, the Issuer shall pay to each relevant Noteholder the Relevant Proportion of the Partial Cash Settlement Amount adjusted for any amount Delivered to the Noteholder pursuant to (i) above and upon discharge by the Issuer of such payment obligation on the Partial Cash Settlement Date, the Issuer's obligations in respect of the relevant Note(s) shall be discharged. For the purposes of this Condition 6.13(f):

"Partial Cash Settlement Amount" means, for each Undeliverable Asset or Consent Required Asset, the greater of (A) the Event Currency Amount or Specified Value, as applicable, of each Undeliverable Asset or Consent Required Asset, multiplied by the prevailing mid-market price of such Undeliverable Asset or Consent Required Asset as determined by the Calculation Agent and (B) zero; and

"Partial Cash Settlement Date" means the date that is three Business Days after the Latest Permissible Physical Settlement Date or as otherwise specified in the Final Terms.

- (g) *Delivery of Substitute Asset after Physical Settlement Date*

If, in accordance with Conditions 6.13(d) (*Pre-condition to Issuer's obligation to Deliver*), 6.13(e) (*Timing of delivery of Asset Transfer Notice*) and 6.13(f) (*Partial Cash Settlement*), the Relevant Proportion of the Deliverable Amount of the Substitute Asset is Delivered later than the Physical Settlement Date, until Delivery of the Relevant Proportion of the Deliverable Amount of the Substitute Asset is made to the relevant Noteholder, the Issuer or any person holding such assets on behalf of the Issuer shall continue to be the legal owner of those assets. None of the Issuer and any such other person shall (i) be under any obligation to deliver or procure delivery to such Noteholder or any subsequent transferee any letter, certificate, notice, circular or any other document or payment whatsoever received by that person in its capacity as the holder of such assets, (ii) be under any obligation to exercise or procure the exercise of any or all rights (including voting rights) attaching or appertaining to such assets until the date of Delivery, or (iii) be under any liability to such Noteholder or subsequent transferee for any loss, liability, damage, cost or expense that such

Noteholder or subsequent transferee may sustain or suffer as a result, whether directly or indirectly, of that person not being the legal owner of such assets until the date of Delivery.

(h) *Asset Transfer Notice Requirements*

An Asset Transfer Notice is irrevocable and must (to the extent applicable):

- (i) specify the account details or name of the person to whom Delivery of the Relevant Proportion of the Deliverable Amount of the Substitute Asset is to be made;
- (ii) specify the number of Notes which are the subject of such notice;
- (iii) in the event such Notes are represented by a Global Note:
 - (A) specify the number of the Noteholder's account at the relevant Clearing System to be debited with such Notes; and
 - (B) irrevocably instruct and authorise the relevant Clearing System to debit the relevant Noteholder's account with such Notes on the due date for redemption of the Notes;
- (iv) in the event that such Notes are Registered Notes, irrevocably instruct and authorise the Registrar to effect the transfer of the relevant Notes;
- (v) authorise the production of such notice in any applicable administrative or legal proceedings;
- (vi) authorise the Issuer to deduct from the Relevant Proportion of the Deliverable Amount of the Substitute Asset to be delivered in accordance with such notice, the Delivery Expenses as referred to in Condition 6.13(j) (*Physical Settlement – Costs and expenses*) below; and
- (vii) contain any further information as may be requested by the Issuer in the Notice of Physical Settlement for the purpose of effecting such settlement.

Failure properly to complete and deliver an Asset Transfer Notice and, in the case of Definitive Notes or Registered Notes, to deliver the relevant Note(s), may result in such notice being treated as null and void. Any determination as to whether such notice has been properly completed and delivered as provided in these Conditions shall be made by the Issuer in its sole and absolute discretion and shall be conclusive and binding on the relevant Noteholder.

(i) *Fractional Entitlement*

If the Relevant Proportion of the Deliverable Amount of the Substitute Asset comprises less than a multiple of a whole number of the Substitute Asset at the relevant time, then (i) the Issuer shall not Deliver and the relevant Noteholder shall not be entitled to receive in respect of its Notes that fraction of an asset which is less than a whole number (the "**Fractional Entitlement**") and (ii) the Issuer shall pay to the relevant Noteholder a cash amount (to be paid at the same time as Delivery of the Relevant Proportion of the Deliverable Amount of the Substitute Asset) equal to the value (as determined by the Calculation Agent) of such Fractional Entitlement.

(j) *Costs and expenses*

- (i) The costs and expenses, including any stamp, registration, documentation or similar taxes (the "**Delivery Expenses**"), of effecting any delivery of the

Relevant Proportion of the Deliverable Amount of the Substitute Asset (except for the expenses of delivery by uninsured regular mail (if any), which shall be borne by the Issuer) and the amount of the FX Break Costs (if they are a negative amount) shall be borne by the Noteholder and shall at the option of each Noteholder as specified in the Asset Transfer Notice either be:

- (A) paid to the Issuer by such Noteholder prior to the Delivery of the Relevant Proportion of the Deliverable Amount of the Substitute Asset (and, for the avoidance of doubt, the Issuer shall not be required to Deliver any portion of the Substitute Asset to such Noteholder until it has received such payment); or
 - (B) deducted by the Issuer from the amount which may be payable to such Noteholder in accordance with Conditions 6.13(f)(iii) (*Partial Cash Settlement*) and 6.13(i) (*Fractional Entitlement*) (if applicable).
- (ii) If the cash amount (if any) owing to a Noteholder under Conditions 6.13(f)(iii) (*Partial Cash Settlement*) and 6.13(i) (*Fractional Entitlement*) is not sufficient to cover the Delivery Expenses, the Issuer may convert such amount of the Relevant Proportion of the Deliverable Amount of the Substitute Asset into cash sufficient to cover the Delivery Expenses and the amount of the FX Break Costs (if they are a negative amount) in respect of such Note from which the Issuer shall deduct such Delivery Expenses and the FX Break Costs. Each Note will then be redeemed by delivery of the remaining portion of the Relevant Proportion of the Deliverable Amount of the Substitute Asset in respect of such Note and, if applicable and after any deduction to cover the Delivery Expenses and the amount of the FX Break Costs (if they are a negative amount), payment of a cash amount in respect of any Fractional Entitlement arising, together with any other amounts to which such Noteholder is entitled upon redemption of such Note.
- (iii) If the FX Break Costs are a positive amount, such amount shall be paid in cash to the Noteholder on the date on which the Relevant Proportion of the Deliverable Amount of the Substitute Assets is Delivered to the Noteholder or (if later) the date on which the remaining portion thereof is Delivered to the Noteholder pursuant to Condition 6.13(f)(iii) (*Partial Cash Settlement*) or on the Partial Cash Settlement Date.
- (k) *No Obligation to Register Noteholder*

The Issuer shall not be under any obligation to register or procure the registration of any Noteholder or any other person as the registered holder of any Substitute Asset to be delivered in the register of members or holders of securities of any company whose securities form part of the Substitute Asset. The Issuer shall not be obliged to account to any Noteholder for any entitlement received or receivable in respect of any of the Substitute Asset to be delivered if the date on which such are first traded ex such entitlement is on or prior to the date of Delivery. The Issuer shall determine, in its sole and absolute discretion, the date on which such assets are so first traded ex any such entitlement.

(l) *Delivery of Notices*

Any notice referred to in this Condition 6.13 (*Physical Settlement*) above delivered on or prior to 4.00 p.m. (London time) on a London Business Day will be effective on such London Business Day. A notice delivered after 4.00 p.m. (London time) on a London Business Day will be deemed effective on the next following London Business Day. Any such notice given must be in writing and, for so long as the Notes are held on behalf of a Clearing System, for the purpose of this Currency Annex, any such notice shall be treated as "delivered" to Noteholders when delivered to the relevant

Clearing System, whether by email, by facsimile, by hand or any other method of delivery accepted by the relevant Clearing System for notices for onward transmission to its accountholders."

- 1.2 In relation to the Notes, if the Credit Linked Derivatives Annex is applicable to the Notes, the following shall be inserted as Condition 5.2B(f):

"5.2B(f) If an event or circumstance which would otherwise constitute or give rise to a Disruption Event also constitutes a Credit Event, it will be treated as a Credit Event under the Credit Linked Derivatives Annex and will not constitute a Disruption Event."
