3.2 **No Further Act Required**

Except for the delivery of a Rights Notice, no further action shall be required on the part of any person in order for such Direct Rights to be acquired and for each Relevant Account Holder severally to have the benefit of, and to be able to enforce, such Direct Rights.

4. **EVIDENCE**

4.1 **Records Conclusive**

The records of each Account Issuer shall, in the absence of manifest error, be conclusive evidence as to the matters set out in sub-clause 4.1(a) to 4.1(b), inclusive, below. For the purposes of this clause one or more certificates issued by an Account Issuer stating:

 - (ii) the Original Notes to which it related;
- (b) in relation to each Relevant Account Holder:
 - (i) the name of the Relevant Account Holder;
 - (ii) the principal amount of the interests in respect of the Original Notes credited to the Securities Account of each Relevant Account Holder;

- (iii) the Entries in respect of which Direct Rights have arisen that are credited to the Securities Account of such Relevant Account Holder,

5. TITLE TO ENTRIES

5.1 Each Relevant Account Holder Able to Enforce

As a condition precedent to making any payment to a Relevant Account Holder in whole or partial discharge of any Direct Rights, the Issuer shall be entitled to require that reasonable arrangements are made (at the Issuer's expense, as the case may be) for confirmation of the receipt of such payment by the Relevant Account Holder to be given to, and for receipt of such confirmation to be acknowledged by, the Account Issuer in whose books the Entry in respect of which such payment is to be made is credited.

6. COUNTERPARTS OF THIS DEED

This Deed may be executed in one or more counterparts all of which when taken together shall constitute the same instrument. Executed originals of this Deed have been delivered to each Clearing System and shall be held to the exclusion of the

Issuer until the Termination Date. The Issuer covenants with each Relevant Account Holder on demand to produce or procure that there is produced an executed original hereof to such Relevant Account Holder and allow it to take copies thereof on demand at any reasonable time. Any Relevant Account Holder may, in any proceedings relating to this Deed, protect and enforce its rights arising out of this Deed in respect of any Entry to which it is entitled upon the basis of a statement by an Account Issuer as provided in Clause 4 and a copy of this Deed certified as being a true copy by a duly authorised officer of any Clearing System or the Issuer without the need for production in such proceedings or in any court of the actual records or this Deed. Any such certification shall be binding, except in the case of manifest error, upon the Issuer and all Relevant Account Holders. This clause shall not limit any right of any Relevant Account Holder to the production of the originals of such records or documents in evidence.

7. AMENDMENT AND DISAPPLICATION OF THIS DEED

7.1 Amendment of this Deed

The Issuer may not amend, vary, terminate or suspend this Deed or its obligations under it until after the Termination Date unless such amendment, variation, termination or suspension shall have been approved by an Extraordinary Resolution (as defined in the Provisions for Meetings of Noteholders, set out in Schedule 1) to which the special quorum provisions specified in the Notes apply to the holders of each series of Notes outstanding, save that (i) nothing in this clause shall prevent the Issuer from increasing or extending its obligations under this Deed by way of supplement to it at any time and (ii) the Issuer may amend, vary, terminate or suspend this Deed, without the consent of the Account Holders (or any other party) if in the reasonable opinion of the Issuer, such amendment, variation, termination or suspension will not materially and adversely offset the interest of Account Holders.

7.2 Disapplication of this Deed

This Deed shall not apply to a Global Note or Global Certificate if:

- (a) the Conditions applicable to such Global Note or Global Certificate state that this Deed shall not apply; or
- (b) each of the following provisions are satisfied:
 - (i) the Issuer executes a further agreement, deed, instrument or other document (the "**New Covenant**") that confers upon the Account Holders who have Entries relating to such Global Note or Global Certificate credited to their Securities Account rights that are substantially similar to the Direct Rights;
 - (ii) such Global Note or Global Certificate is issued after the date of execution of the New Covenant; and
 - (iii) the provisions of the New Covenant are disclosed to the subscribers of the related Notes.

The courts of England are to have jurisdiction to settle any disputes that may arise out of or in connection with this Deed and accordingly any legal action or proceedings arising out of or in connection with this Deed ("**Proceedings**") may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of such courts and waives any objection to Proceedings in such courts whether on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the Relevant Account Holders and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

- 2. The Issuer at any time may, and upon a request in writing of Noteholders holding not less than one-tenth of the principal amount outstanding of the Notes of any particular Series for the time being outstanding shall, convene a meeting of the holders of Notes of such Series. Every such meeting shall be held at such time and place as the Issuer may specify.
- 3. At least 21 days' notice (exclusive of the day on which the notice is given and of the day on which the meeting is held) specifying the day, time and place of meeting shall be given to the holders of Notes of the relevant Series. - 4. A person (who may, but need not, be a Noteholder) nominated in writing by the Issuer shall be entitled to take the chair at every such meeting but if no such nomination is

made or if at any meeting the person nominated shall not be present within 15 minutes after the time appointed for the holding of such meeting the Noteholders present shall choose one of their number to be chairman. The chairman of an adjourned meeting need not be the same person as was chairman of the original meeting.

5. At any such meeting any two or more persons present in person holding Notes of the relevant Series or voting certificates or being proxies and holding or representing in the aggregate not less than one-tenth in principal amount of the Notes of the relevant Series for the time being outstanding shall (except for the purpose of passing an Extraordinary Resolution) form a quorum for the transaction of business and no business (other than the choosing of a chairman) shall be transacted at any meeting unless the requisite quorum be present at the commencement of business. In any other case it shall stand adjourned for such period, not being less than 28 days nor more than 42 days, as shall be appointed by the chairman. At such adjourned meeting one or more persons present in person holding Notes of the relevant Series or voting certificates or being proxies (whatever the principal amount of the Notes so held or represented) shall constitute a quorum and shall have the power to pass any resolution and to decide upon all matters which could properly have been dealt with at the original meeting had a quorum been present at such meeting **provided that** the quorum at any adjourned meeting at which an Extraordinary Resolution is to be proposed for the purpose of effecting any of the modifications specified in the proviso to paragraph 18 hereof shall be two or more persons so present holding or representing in the aggregate not less than one-third in principal amount of the Notes of the relevant Series for the time being outstanding.
7. The chairman may with the consent of (and shall if directed by) any meeting adjourn the same from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place.
8. At least ten days' notice of any meeting adjourned through want of a quorum shall be given in the same manner as of an original meeting and such notice shall state the quorum required at such adjourned meeting. It shall not, however, otherwise be necessary to give any notice of an adjourned meeting.
9. Every question submitted to a meeting shall be decided in the first instance by a show of hands and in case of equality of votes the chairman shall both on a show of hands and on a poll have a casting vote (regardless of whether such chairman is a

Noteholder) in addition to the vote or votes (if any) to which he may be entitled as a Noteholder or as a holder of a voting certificate or as a proxy.

10. At any meeting, unless a poll is (before or on the declaration of the result of the show of hands) demanded by the chairman, the Issuer or by one or more persons holding one or more Notes of the relevant Series or voting certificates or being proxies and holding or representing in the aggregate not less than two per cent. of the principal amount of the Notes of the relevant Series for the time being outstanding, a declaration by the chairman that a resolution has been carried or carried by a particular majority or lost or not carried by any particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
11. If at any meeting a poll is so demanded, it shall be taken in such manner and (subject as hereinafter provided) either at once or after such an adjournment as the chairman directs and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the question on which the poll has been demanded.
12. Any poll demanded at any meeting on the election of a chairman or on any question of adjournment shall be taken at the meeting without adjournment.
13. The Issuer (through its representatives) and its financial and legal advisers shall be entitled to attend and speak at any meeting of the Noteholders of a specified Series. No person shall otherwise be entitled to attend or vote at any meeting of the Noteholders of a specified Series or to join with others in requesting the convening of such a meeting unless he is the Holder of a Note or a voting certificate or is a proxy in respect of the relevant Series.
14. Subject as provided in paragraph 13 hereof, at any meeting (a) on a show of hands every person who is present in person and who produces a Note or voting certificate or is a proxy in respect of the relevant Series shall have one vote and (b) on a poll every person who is so present shall have one vote in respect of each [•]¹ (or such lower principal amount as may result following any redemption or repayment) principal amount outstanding of Notes of the relevant Series so produced or represented by the voting certificate so produced or in respect of which he is a proxy or representative. Without prejudice to the obligations of proxies named in any block voting instruction or form of proxy, any person entitled to more than one vote need not use all his votes or cast all the votes to which he is entitled in the same way.
15. The person named in any block voting instruction or form of proxy need not be a Noteholder.
16. Each block voting instruction and each form of proxy in respect of a Note or Notes of a specified Series together (if so required by the Issuer) with proof satisfactory to the Issuer of its due execution, shall be deposited at the registered office of the Issuer (where the Issuer is not the recipient of block voting instructions or forms of proxy

¹ The currency and amount of the smallest denomination of Notes available in relation to the particular series shall be deemed to be inserted here.

under paragraph 1 above) not less than 24 hours before the time appointed for holding the meeting or adjourned meeting at which the person named in the block voting instruction or form of proxy proposes to vote and in default the block voting instruction shall not be treated as valid unless the chairman of the meeting decides otherwise before such meeting or adjourned meeting proceeds to business. A notarially certified copy of each such block voting instruction or form of proxy and satisfactory proof as aforesaid (if applicable) shall, if required by the Issuer, be produced by such person at the meeting or adjourned meeting but the Issuer shall not thereby be obliged to investigate or be concerned with the validity of, or the authority of, the person named in any such block voting instruction or form of proxy.

17. Any vote given in accordance with the terms of a block voting instruction or form of proxy shall be valid notwithstanding the previous revocation or amendment of the block voting instruction or form of proxy or of any of the Noteholders' instructions pursuant to which it was executed, **provided that** no intimation in writing of such revocation or amendment shall have been received by the Issuer at its registered office or by the chairman of the meeting in each case not less than 24 hours before the commencement of the meeting or adjourned meeting at which the block voting instruction or form of proxy is used.
18. A meeting of the Noteholders shall, in respect of Notes of the relevant Series and subject to the provisions contained in the Conditions, in addition to the powers given above, but without prejudice to any powers conferred on other persons, have power exercisable by Extraordinary Resolution:
 - 18.1 to sanction any proposal by the Issuer for any modification, abrogation, variation or compromise of, or arrangement in respect of, the rights of the Noteholders and/or Couponholders in respect of Notes of the relevant Series against the Issuer whether such rights shall arise under the Notes or otherwise;

This temporary Global Note is issued in respect of the Notes (the "**Notes**") of the Tranche and Series specified in the Second Schedule hereto of ICBC Standard Bank Plc (the "**Issuer**").

Interpretation and Definitions

References in this temporary Global Note to the "**Conditions**" are to the Terms and Conditions applicable to the Notes (which are in the form set out in Schedule 3 Part C to the Deed of Covenant executed by the Issuer as at 5 July 2017 and, as may be supplemented and/or amended up to, and including, the Issue Date, the "**Deed of Covenant**" (a copy of which is available for inspection at the Specified Office of the Issuer and which the Issuer acknowledges to apply to the Notes represented by this temporary Global Note), as such form is supplemented and/or modified and/or superseded by the provisions of this temporary Global Note (including any supplemental definitions and any modifications or additions set out in the Second Schedule hereto), which in the event of any conflict shall prevail. Other capitalised terms used in this temporary Global Note shall have the meanings given to them in the Conditions. If the Second Schedule hereto specifies that the applicable TEFRA exemption is either "**C Rules**" or "**not applicable**", this temporary Global Note is a "**C Rules Note**", otherwise this temporary Global Note is a "**D Rules Note**".

Aggregate Nominal Amount

The aggregate nominal amount from time to time of this temporary Global Note shall be an amount equal to the aggregate nominal amount of the Notes as shall be shown by the latest entry in the fourth column of part 1 of the First Schedule hereto, which shall be completed by or on behalf of the Issuer upon (i) the issue of Notes represented hereby, (ii) the exchange of the whole or a part of this temporary Global Note for a corresponding interest in a permanent Global Note or, as the case may be, for Definitive Notes, (iii) the redemption or purchase and cancellation of Notes represented hereby, (iv) in the case of Partly Paid Notes, the forfeiture of Notes represented hereby in accordance with the Conditions relating to such Partly Paid Notes and/or (v) the exchange of interests in this temporary Global Note for direct enforcement rights, all as described below.

Promise to Pay

Subject as provided herein, the Issuer, for value received, promises to pay to the bearer of this temporary Global Note, upon presentation and (when no further payment is due in respect of this temporary Global Note) surrender of this temporary Global Note, on the Maturity Date

(or on such earlier date as the amount payable upon redemption under the Conditions may become payable in accordance with the Conditions) the amount payable upon redemption under the Conditions in respect of the aggregate nominal amount of Notes represented by this temporary Global Note and (unless this temporary Global Note does not bear interest) to pay interest in respect of the Notes from the Interest Commencement Date in arrear at the rates, on the dates for payment, and in accordance with the methods of calculation provided for in the Conditions, save that the calculation is made in respect of the total aggregate amount of the Notes, together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions.

Exchange

Definitive Notes

If so specified in the Second Schedule hereto, and in accordance with the term of the notice specified thereto, this temporary Global Note may be exchanged in whole (free of charge to the holder) on surrender to or to the order of the Issuer for Definitive Notes, in an aggregate nominal amount equal to the nominal amount of this temporary Global Note submitted for exchange.

Permanent Global Note

In the case of D Rules Notes only, on or after the first day following the expiry of 40 days after the Issue Date (the "**Exchange Date**"), this temporary Global Note may be exchanged in accordance with the Second Schedule hereto (free of charge to the holder), in whole or from time to time in part by its presentation and, on exchange in full, surrender to or to the order of the Issuer for interests in a permanent Global Note, in an aggregate nominal amount equal to the nominal amount of this temporary Global Note submitted for exchange; **provided that**, in the case of any part of a D Rules Note submitted for exchange for a permanent Global Note, there shall have been Certification with respect to such nominal amount submitted for such exchange dated no earlier than the Exchange Date.

"**Certification**" means the presentation to the Issuer of a certificate or certificates with respect to one or more interests in this temporary Global Note, signed by Euroclear or Clearstream, Luxembourg, substantially to the effect set out in Schedule 7 to the Deed of Covenant to the effect that it has received a certificate or certificates substantially to the effect set out in Schedule 6 to the Deed of Covenant with respect thereto and that no contrary advice as to the contents thereof has been received by Euroclear or Clearstream, Luxembourg, as the case may be.

Upon the whole or a part of this temporary Global Note being exchanged for a permanent Global Note, such permanent Global Note shall be exchangeable in accordance with its terms for Definitive Notes.

The Definitive Notes for which this temporary Global Note or a permanent Global Note may be exchangeable shall be duly executed and authenticated, and shall have attached to them all Coupons (and, where appropriate, Talons) in respect of interest, and all Receipts in respect of Instalment Amounts, that have not already been paid on this temporary Global Note or the permanent Global Note, as the case may be, shall be security printed and shall be substantially in the form set out in the Schedules to the Deed of Covenant as supplemented and/or modified and/or superseded by the terms of the Second Schedule hereto.

On exchange in full and surrender of this temporary Global Note for Definitive Notes, the Issuer shall, if the holder so requests, procure that it is cancelled and returned to the holder together with the relevant Definitive Notes. On any exchange of a part of this temporary Global Note for an equivalent interest in a permanent Global Note, the portion of the nominal amount hereof so exchanged shall be endorsed by or on behalf of the Issuer in part 1 of the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so exchanged and endorsed.

If, for any actual or alleged reason that would not have been applicable had there been no exchange of this temporary Global Note (or part of this temporary Global Note) or in any other circumstances whatsoever, the Issuer does not perform or comply with any one or more of what are expressed to be its obligations under any Definitive Notes, then any right or remedy relating in any way to the obligation(s) in question may be exercised or pursued on the basis of this temporary Global Note despite its stated cancellation after its exchange in full, as an alternative, or in addition, to the Definitive Notes (or the Coupons, Receipts or Talons appertaining to them as appropriate). With this exception, upon exchange in full and cancellation of this temporary Global Note for Definitive Notes, this temporary Global Note shall become void.

Benefit of Conditions

Except as otherwise specified herein, this temporary Global Note is subject to the Conditions and, until the whole of this temporary Global Note is exchanged for equivalent interests in a permanent Global Note or for Definitive Notes, as the case may be, the holder of this temporary Global Note shall in all respects be entitled to the same benefits as if it were the holder of the permanent Global Note (or the relevant part of it) or the Definitive Notes, as the case may be, for which it may be exchanged as if such permanent Global Note or Definitive Notes had been issued on the Issue Date.

Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this temporary Global Note that falls due after the Exchange Date unless, upon due presentation of this temporary Global Note for exchange, delivery of (or, in the case of a subsequent exchange, due endorsement of) a permanent Global Note or delivery of Definitive Notes, as the case may be, is improperly withheld or refused by or on behalf of the Issuer.

Payments due in respect of a D Rules Note before the Exchange Date shall only be made in relation to such nominal amount of this temporary Global Note with respect to which there shall have been Certification dated no earlier than such due date for payment. If such presentation of certification as to non-US beneficial ownership is not made on or prior to the Exchange Date, then no payments in respect of Notes represented by a Global Note will be made until such certification is made.

Any payments that are made in respect of this temporary Global Note shall be made to its holder against presentation and (if no further payment falls to be made on it) surrender of it at the Specified Office of the Issuer or of the Paying Agent provided for in the Conditions. If any payment in full of principal is made in respect of any Note represented by this temporary Global Note, the portion of this temporary Global Note representing such Note shall be cancelled and the amount so cancelled shall be endorsed by or on behalf of the Issuer in part 1 of the First Schedule hereto (such endorsement being *prima facie* evidence that the payment

in question has been made) whereupon the nominal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed. If any other payments are made in respect of the Notes represented by this temporary Global Note, a record of each such payment shall be endorsed by or on behalf of the Issuer on an additional schedule hereto (such endorsement being *prima facie* evidence that the payment in question has been made). Paragraph (a) of Condition 6.8 (*Non-Business Days*) will not apply to payments in respect of Notes represented by this temporary Global Note.

Cancellation

Cancellation of any Note represented by this temporary Global Note that is required by the Conditions to be cancelled (other than upon its redemption) shall be effected by reduction in the nominal amount of this temporary Global Note representing such Note on its presentation to or to the order of the Issuer for endorsement in part 1 of the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed.

Notices

Notices required to be given in respect of the Notes represented by this temporary Global Note may be given by their being delivered (so long as this temporary Global Note is held on behalf of Euroclear and Clearstream, Luxembourg or any other clearing system) to Euroclear, Clearstream, Luxembourg or such other clearing system, as the case may be, or otherwise to the holder of this temporary Global Note, rather than by publication as required by the Conditions.

No provision of this temporary Global Note shall alter or impair the obligation of the Issuer to pay the principal and premium of and interest on the Notes when due in accordance with the Conditions.

This temporary Global Note (and any dispute, controversy, proceedings or claim of whatever nature (whether contractual, non-contractual or otherwise) arising out of or in any way relating to this temporary Global Note or its formation) shall be governed by and construed in accordance with English law.

The Issuer has caused this temporary Global Note to be duly signed and entered into on its behalf on the Issue Date.

Cancellation of any Note represented by this permanent Global Note that is required by the Conditions to be cancelled (other than upon its redemption) shall be effected by reduction in the nominal amount of this permanent Global Note representing such Note on its presentation to or to the order of the Issuer for endorsement in part 1 of the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed.

Issuer's Options

Any option of the Issuer provided for in the Conditions shall be exercised by the Issuer giving notice to the Noteholders within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the serial numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required.

Noteholders' Options

Any right (including any option) of the Noteholders provided for in the Conditions may be exercised by the holder of this permanent Global Note giving notice to the Issuer within the time limits relating to the deposit of Notes with the Issuer set out in the Conditions and at the same time presenting this permanent Global Note to the Issuer for notation accordingly in the Fourth Schedule hereto, **provided that**:

- (a) where the form of such notice is prescribed in the Deed of Covenant or any document relating to the Notes (the "**Prescribed Form**"), for so long as the Notes are represented by a Global Note, notice need not be given in the Prescribed Form but may be in any form (including electronic) **provided that** it contains all or substantially all the information required in the Prescribed Form and adequately identifies the relevant Notes;

- (b) the notice shall not be required to contain the certificate numbers of the Notes in respect of which the option has been exercised; and
- (c) the notice shall state the nominal amount of Notes in respect of which the right is exercised.

Events of Default

The holder hereof may from time to time exercise the right to declare Notes represented by this permanent Global Note due and payable following an Event of Default in accordance with the Conditions by stating in a notice given to the Issuer the nominal amount of Notes (which may be less than the outstanding nominal amount hereof) to which such notice relates.

If principal in respect of any Notes is not paid when due (but subject as provided below), the holder of this permanent Global Note may from time to time elect that Direct Rights under the provisions of (and as defined in) the Deed of Covenant (a copy of which is available for inspection at the Specified Office of the Issuer and which the Issuer acknowledges to apply to the Notes represented by this permanent Global Note) shall come into effect in respect of a nominal amount of Notes up to the aggregate nominal amount in respect of which such failure to pay principal has occurred. Such election shall be made by notice to the Issuer and presentation of this permanent Global Note to or to the order of the Issuer for reduction of the nominal amount of Notes represented by this permanent Global Note by such amount as may be stated in such notice by endorsement in part 1 of the First Schedule hereto and a corresponding endorsement in part 2 of the First Schedule hereto of such nominal amount of Notes formerly represented hereby as the nominal amount of Notes in respect of which Direct Rights have arisen under the Deed of Covenant. Upon each such notice being given, this permanent Global Note shall become void to the extent of the nominal amount stated in such notice, save to the extent that the appropriate Direct Rights shall fail to take effect, for whatever reason.

No such election may however be made on or before an Exchange Date unless the holder elects in such notice that the exchange for such Notes shall no longer take place.

For the purposes of this Global Certificate, (a) the holder of the Notes represented by this Global Certificate is bound by the provisions of the Deed of Covenant, (b) the Issuer certifies that the Registered Holder is, at the date hereof, entered in the Register as the holder of the Notes represented by this Global Certificate, (c) this Global Certificate is evidence of entitlement only, (d) title to the Notes represented by this Global Certificate passes only on due registration on the Register, and (e) only the holder of the Notes represented by this Global Certificate is entitled to payments in respect of the Notes represented by this Global Certificate.

Payments of principal and interest on Notes represented by a Global Certificate shall be paid to the person shown on the Register at the Record Date. The "**Record Date**" in respect of any Notes which are represented by a Global Certificate is close of business in Euroclear, Clearstream Luxembourg or DTC, as the case may be on the Clearing System Business Day before the due date for such payment, where "**Clearing System Business Day**" means a day on which Euroclear, Clearstream Luxembourg or DTC (as applicable) is open for business.

Payments through DTC: Registered Notes if specified hereon will be issued in the form of one or more Restricted Global Certificates and may be registered in the name of, or in the name of a nominee for, DTC. The Issuer or the relevant agent will deliver such US dollar amount in same day funds to DTC's nominee for payment through the DTC settlement system to those DTC participants entitled to receive the relevant payment who did not elect to receive such payment in such Specified Currency.

Transfer of Notes Represented by Restricted Global Certificates

If the Schedule hereto states that the Notes are to be represented by a Restricted Global Certificate on issue, transfers of the holding of Notes represented by this Global Certificate pursuant to Condition 2.1 may only be made in part:

- (a) if the Notes represented by this Global Certificate are held on behalf of Euroclear or Clearstream, Luxembourg or any other clearing system (except for DTC) (an "**Alternative Clearing System**") and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so; or
- (b) if the Notes represented by this Global Certificate are held on behalf of a Custodian for DTC and if DTC notifies the Issuer that it is no longer willing or able to discharge properly its responsibilities as depositary with respect to this Global Certificate or DTC ceases to be a "**clearing agency**" registered under the US Securities Exchange Act of 1934 or is at any time no longer eligible to act as such, and the Issuer is unable to locate a qualified successor within 90 days of receiving notice of such ineligibility on the part of DTC; or
- (c) upon or following any failure to pay principal in respect of any Notes when it is due and payable; or
- (d) with the consent of the Issuer,

provided that, in the case of the first transfer of part of a holding pursuant to (a), (b) or (c) above, the holder of the Notes represented by this Global Certificate has given the Registrar not less than 30 days' notice at its specified office of such holder's intention to effect such transfer. Definitive Certificates issued in exchange for a beneficial interest in a Restricted Global Certificate shall bear the legend applicable to such Notes as set out in "Transfer Restrictions". Where the holding of Notes represented by this Global Certificate is only transferable in its entirety, the Certificate issued to the transferee upon transfer of such holding shall be a Global Certificate. Where transfers are permitted in part, Certificates issued to transferees shall not be Global Certificates unless the transferee so requests and certifies to the Registrar that it is, or is acting as a nominee for, Clearstream, Luxembourg, Euroclear, DTC and/or an Alternative Clearing System.

These provisions will not prevent the trading of interests in the Notes within a clearing system whilst they are held on the behalf of such clearing system, but will limit the circumstances in which the Notes may be withdrawn from the relevant clearing system.

Meetings

For the purposes of any meeting of Noteholders, the holder of the Notes represented by this Global Certificate shall (unless this Global Certificate represents only one Note) be treated as two persons for the purposes of any quorum requirements of a meeting of Noteholders, and as being entitled to one vote in respect of each integral currency unit of the Specified Currency of the Notes.

Events of Default

If principal in respect of any Notes is not paid when due, the holder of the Notes represented by this Global Certificate may (subject as provided below) from time to time elect that Direct Rights under the provisions of (and as defined in) the Deed of Covenant shall come into effect in respect of a nominal amount of Notes up to the aggregate nominal amount in respect of which such failure to pay has occurred. Such election shall be made by notice to the Issuer by the holder of the Notes represented by this Global Certificate specifying the nominal amount of Notes represented by this Global Certificate in respect of which Direct Rights shall arise under the Deed of Covenant. Upon each such notice being given, this Global Certificate and the corresponding entry in the Register shall become void to the extent of the nominal amount stated in such notice, save to the extent that the appropriate Direct Rights shall fail to take effect, for whatever reason.

No such election may however be made unless the transfer of the whole or a part of the holding of Notes represented by this Global Certificate shall have been improperly withheld or refused.

Noteholders' Options

Any right (including any option) of the Noteholders provided for in the Conditions may be exercised by the holder of this Global Certificate giving notice to the Issuer within the time limits relating to the deposit of Notes with the Issuer set out in the Conditions, **provided that**:

- (a) where the form of such notice is prescribed in the Deed of Covenant or any document relating to the Notes (the "**Prescribed Form**"), for so long as the Notes are represented by a Global Note or Global Certificate, notice need not be given in the Prescribed Form but may be in any form (including electronic) **provided that** it contains all or substantially all the information required in the Prescribed Form and adequately identifies the relevant Notes; and
- (b) the notice shall state the nominal amount of Notes in respect of which the right is exercised.

The statements set out in the legend above are an integral part of the Notes in respect of which this Global Certificate is issued and by acceptance hereof the holder of the Notes evidenced by this Global Certificate or any owner of an interest in such Notes agrees to be subject to and bound by the terms of such legend. For as long as the Notes in respect of which this Global Certificate is issued are "restricted securities" within the meaning of Rule 144(a)(3) under the Securities Act, the Issuer will, during any period in which it is neither subject to Section 13 or 15(d) of the Exchange Act, nor exempt from reporting pursuant to Rule 12g3-2(b) thereunder, provide to any holder or beneficial owner of such restricted securities or to any prospective purchaser designated by such holder or beneficial owner, in each case upon the request of such holder, beneficial owner or prospective purchaser, the information required to be provided by Rule 144A(d)(4) under the Securities Act.

This Restricted Global Certificate (and any dispute, controversy, proceedings or claim of whatever nature (whether contractual, non-contractual or otherwise) arising out of or in any way relating to this Restricted Global Certificate or its formation) shall be governed by and construed in accordance with English law.

The Issuer has caused this Restricted Global Certificate to be duly signed and entered into on its behalf on the Issue Date.

PART C

TERMS AND CONDITIONS OF THE NOTES

The following (including the Annexes hereto), is the text of the terms and conditions that, subject to completion in accordance with the provisions of Part A of the relevant Final Terms (and, in the case of a Series Prospectus, any applicable schedule or annex thereto), shall be applicable to the Notes in definitive form (if any) issued in exchange for the Global Note(s) representing each Series. Where there are references to Final Terms in these Terms and Conditions, these references shall be deemed to include references to a Series Prospectus (as defined in the Base Prospectus in relation to the Notes) or, in relation to any Tranche of Exempt Notes, a Pricing Supplement, as applicable. The full text of these terms and conditions together with the relevant provisions of the Final Terms, Series Prospectus or Pricing Supplement, as applicable shall be endorsed on such Bearer Notes or on the Certificates relating to such Registered Notes.

The applicable Pricing Supplement in relation to any Tranche of Exempt Notes may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the following terms and conditions, supplement, replace or modify the following Terms and Conditions for the purpose of such Exempt Notes.

The notes ("**Notes**") are issued in series (each a "**Series**") and each Series may comprise of one or more tranches ("**Tranches**" and each a "**Tranche**") of Notes. The Notes are issued with the benefit of a deed of covenant (the "**Deed of Covenant**") dated 5 July 2017 executed by the Issuer. A Paying Agency Agreement dated 21 May 2015 has been entered into in relation to the Notes between the Issuer and Deutsche International Corporate Services (Ireland) Limited as Paying Agent (the "**Paying Agent**"). All Tranches of Notes comprising the same Series will be subject to identical terms, other than in respect of the Issue Date or the Interest Commencement Date, if applicable (each as specified in the applicable Final Terms). Each Series will be the subject of final terms (each a set of "**Final Terms**", which term also includes reference to Series Prospectus (as defined in the Base Prospectus relating to the Notes) when applicable) endorsed on the Notes, a copy of which will be available for inspection by any holder of such Notes at the specified UK office (as defined below).

References in these terms and conditions (the "**Conditions**") to "Notes" are to the Notes of one Series only, not to all Notes which may be issued under the Programme, and references to "Coupons" (as defined below) are to Coupons relating to Notes of the relevant Series.

Certain capitalised terms used in these Conditions are defined in Condition 4.10 (*Definitions*) and elsewhere in these Conditions. All capitalised terms that are not defined in these Conditions will have the meanings given to them in the relevant Final Terms, the absence of any such meaning indicating that such term is not applicable to the Notes. References in these Conditions to (i) "**principal**" shall be deemed to include any premium payable in respect of the Notes, all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 5 (*Redemption, Purchase Options and Physical Delivery*) or any amendment or supplement to it and (ii) "**interest**" shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 6 (*Payments*) or any amendment or supplement to it.

1. **Form, Denomination and Title**

1.1 **Form and Denomination**

The Notes are issued in bearer form ("**Bearer Notes**") or in registered form ("**Registered Notes**") in each case in the Specified Denomination(s) shown in the Final Terms **provided that** in the case of any Notes which are to be admitted to trading on a regulated market within the European Economic Area or offered to the public in a Member State of the European Economic Area in circumstances which require the publication of a prospectus under the Prospectus Directive, the minimum Specified Denomination shall be €100,000 (or its equivalent in any other currency as at the date of issue of the relevant Notes).

If any Notes are neither admitted to trading on a regulated market in the European Economic Area nor offered in the European Economic Area in circumstances where a prospectus is required to be published under the Prospectus Directive (an "**Exempt Note**"), the final terms (or the relevant provisions thereof) will be set out in a Pricing Supplement attached to or endorsed on the Notes which may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the Conditions, supplement, replace or modify the Conditions for the purposes of the Notes). If the relevant Notes are Exempt Notes, any reference in these Conditions to the applicable Final Terms shall be deemed to be a reference to applicable the Pricing Supplement.

1.2 **Bearer Notes**

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate talons) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. Notes, the principal amount of which is repayable by instalments ("**Instalment Notes**") are issued with one or more Receipts attached.

1.3 **Registered Notes**

Registered Notes are represented by registered certificates ("**Certificates**") and, save as provided in Condition 2.2 (*Exercise of Options or Partial Redemption in respect of Registered Notes*), each Certificate shall represent the entire holding of Registered Notes by the same holder.

1.4 **Title**

Title to the Bearer Notes and the Receipts, Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register (the "**Register**") that the Issuer shall keep or shall procure to be kept by any person appointed as registrar and specified in the Final Terms (in that capacity, the "**Registrar**"). Except as ordered by a court of competent jurisdiction or as required by law, the holder of any Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes whether or not it is overdue and regardless of any notice of ownership, trust or interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

2. Transfers of Registered Notes

2.1 Transfer of Registered Notes

The Final Terms may specify that the Registered Notes of any Series may be transferred only with the prior written consent of the Issuer. One or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate, (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer), duly completed and executed and any other evidence as the Registrar may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor **provided that** in the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding. All transfers of Notes and entries on the Register will be made subject to the detailed regulations concerning transfers of Notes set out in the Schedule to the Deed of Covenant. The regulations may be changed by the Issuer, with the prior written approval of the Noteholders. A copy of the current regulations will be made available by the Registrar to any Noteholder upon request.

2.2 Exercise of Options or Partial Redemption in respect of Registered Notes

In the case of an exercise of an Issuer's or Noteholders' option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.

2.3 Delivery of New Certificates

Each new Certificate to be issued pursuant to Condition 2.1 (*Transfer of Registered Notes*) or 2.2 (*Exercise of Options or Partial Redemption in respect of Registered Notes*) shall be available for delivery within three business days of receipt of the request for exchange, form of transfer or Exercise Notice (as defined in Condition 5.6 (*Redemption at the Option of Noteholders*)) and surrender of the Certificate for exchange together with satisfaction of any other requirements imposed by these Conditions. Delivery of the new Certificate(s) shall be made at the specified office of the Registrar to whom delivery or surrender of such request for exchange, form of transfer, Exercise Notice or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant

request for exchange, form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the Registrar the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2.3, "*business day*" means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the Registrar.

2.4 Transfer Free of Charge

Transfer of Notes and Certificates on registration, transfer, partial redemption or exercise of an option shall be effected without charge by or on behalf of the Issuer, but upon payment of any tax or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Issuer may require).

2.5 Closed Periods

No Noteholder may require the transfer of a Registered Note of any Series to be registered (a) during the period of 15 days ending on the due date for redemption of, or payment of any Instalment Amount in respect of, that Note, (b) during the period of 15 days prior to the date on which Notes may be called for redemption by the Issuer pursuant to Condition 5.5 (*Redemption at the Option of the Issuer*), (c) after any such Note has been called for redemption or (d) during the period of seven days ending on (and including) any Record Date (as defined in Condition 6.2 (*Registered Notes*)).

3. Status

The Notes and Coupons relating to them constitute direct, unsubordinated and unsecured obligations of the Issuer and rank *pari passu* without any preference among themselves and (save for certain debts required to be preferred by law) equally with all other present and future unsecured and unsubordinated obligations of the Issuer from time to time outstanding.

4. Interest and other Calculations and Definitions

4.1 Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest on its Calculation Amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 4.8 (*Calculations*).

4.2 Interest on Floating Rate Notes and Variable Linked Interest Notes

(a) Interest Payment Dates

Each Floating Rate Note and Variable Linked Interest Note bears interest on its Calculation Amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 4.8 (*Calculations*).

(b) **Business Day Convention**

If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment (the "**Floating Rate Business Day Convention**"), (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day (the "**Following Business Day Convention**"), (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day (the "**Modified Following Business Day Convention**") or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day (the "**Preceding Business Day Convention**").

(c) **Rate of Interest for Floating Rate Notes**

The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified below and the provisions below relating to either ISDA Determination, Screen Rate Determination or Rate Option Annex Determination shall apply, depending upon which is specified to apply in the Final Terms.

(i) **ISDA Determination for Floating Rate Notes**

Where ISDA Determination is specified in the Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (i), "**ISDA Rate**" for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (A) the Floating Rate Option is as specified in the Final Terms;
- (B) the Designated Maturity is a period specified in the Final Terms; and
- (C) the relevant Reset Date is the first day of that Interest Accrual Period, unless otherwise specified in the Final Terms.

For the purposes of the above sub-paragraph, "**Floating Rate**", "**Calculation Agent**", "**Floating Rate Option**", "**Designated Maturity**", "**Reset Date**" and "**Swap Transaction**" have the meanings given to those terms in the ISDA Definitions.

(ii) **Screen Rate Determination for Floating Rate Notes**

(A) Where Screen Rate Determination is specified in the Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate for the Designated Maturity which appears or appear, as the case may be, on the Relevant Screen Page as at either 11.00 a.m. (London time in the case of the London inter-bank offered rate ("**LIBOR**"), the London inter-bank bid rate ("**LIBID**") and the London inter-bank mean rate ("**LIMEAN**") or Brussels time in the case of the Euro-zone interbank offered rate ("**EURIBOR**") on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

(B) if the Relevant Screen Page is not available or if sub-paragraph (A)(1) applies and no such offered quotation appears on the Relevant Screen Page or if sub paragraph (A)(2) above applies and fewer than three such offered quotations appear on the Relevant Screen Page in each case as at the time specified above, subject as provided below, the Calculation Agent shall request, if the Reference Rate is LIBOR, LIBID or LIMEAN, the principal London office of each of the Reference Banks or, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate, if the Reference Rate is LIBOR, LIBID or LIMEAN, at approximately 11.00 a.m. (London time), or if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Accrual Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent; and

(C) if paragraph (B) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is LIBOR, LIBID or LIMEAN, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant

Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is LIBOR, LIBID or LIMEAN, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is LIBOR, LIBID or LIMEAN, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is LIBOR, LIBID or LIMEAN, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, **provided that**, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

(iii) **Rate Option Annex Determination for Floating Rate Notes**

- (A) Where Rate Option Annex Determination is specified in the Final Terms as the manner in which the Rate of Interest is to be determined, the Final Terms shall specify which Benchmark Rate is applicable and the Rate of Interest for each Interest Accrual Period shall be determined in accordance with the provisions set out for such Benchmark Rate in Part 2 of the Rate Option Annex.
- (B) Where, for any reason, it is not possible to determine the Rate of Interest for the relevant Benchmark Rate in accordance with the provisions of the Rate Option Annex, then such Rate of Interest shall be determined by the Calculation Agent in its sole and absolute discretion.

(d) **Interest Amount for Variable Linked Interest Notes**

The Interest Amount in respect of Variable Linked Interest Notes for each Interest Accrual Period shall be determined in the manner specified below and interest will accrue by reference to a variable or formula as specified below.

- (i) Where "**Variable Linked Interest – Standard**" is specified as applicable in the Final Terms, the Interest Amount will be determined in accordance with the following formula:

Interest Calculation Amount multiplied by Rate multiplied by Day Count
Fraction multiplied by FX Performance (if applicable)

Where:

"**Rate**" means the interest rate specified in the Final Terms;

"**FX Performance**" means FX Rate (0) divided by FX Rate (T) where:

"**FX Rate (0)**" means the rate specified in the Final Terms; and

"**FX Rate (T)**" means the Settlement Rate.

Provided that if a Disruption Event has occurred, the Interest Amount, if any, shall be adjusted in accordance with the Currency Annex and subject to the FX Break Costs adjustments pursuant to the Currency Annex.

Where "**Additional Accrued Interest**" is specified as applicable in the Final Terms, in relation to the Interest Period beginning on the Interest Commencement Date, the Noteholders will be entitled to receive the Specified Currency equivalent (as determined by the Issuer at its discretion) of any interest which accrued on the Reference Obligation from the Additional Accrued Interest Date prior to the Interest Commencement Date.

- (ii) Where "**Variable Linked Interest – Pass Through (Standard)**" is specified as applicable in the Final Terms, the Interest Amount will be determined in accordance with the following formula:

Interest Calculation Amount divided by the Relevant Portion multiplied by the
Pass Through Proportion (Interest)

Provided that if a Disruption Event has occurred, the Interest Amount, if any, shall be adjusted in accordance with the Currency Annex and subject to the FX Break Costs adjustments pursuant to the Currency Annex.

Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable per Calculation Amount in respect of such Interest Period shall be the sum of the Interest Amounts payable in respect of each of those Interest Accrual Periods. If the Notes become due and payable under Condition 10 (*Events of Default*), the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition 4.9 but no publication of the Rate of Interest or the Interest Amount so calculated need be made. (Instalment Calculation Amount divided by the Settlement Rate) divided by the Relevant Portion

provided that if a Disruption Event has occurred, the Instalment Redemption Amount in relation to the Notes, if any, shall be adjusted in accordance with the Currency Annex.

"Pass Through Proportion (Redemption)" has the meaning given to it in the relevant Final Terms.

"Redemption Calculation Amount" means the amount which the Issuer determines that a holder of the Specified Nominal Amount of the Reference Obligation would receive on the maturity date of the Reference Obligation. 5.2 Redemption of Specified Event Linked Notes following a Specified Event

- (a) Upon the occurrence of a Specified Event and the satisfaction of any conditions that may be specified in the relevant Annex as completed by the Final Terms, the Issuer may redeem all but not some only of the Notes in accordance with the Settlement Basis and the terms of such relevant Annex.
- (b) If the Notes are redeemed in accordance with this Condition 5.2 (*Redemption of Specified Event Linked Notes following a Specified Event*), upon redemption of each Note in accordance with the terms thereof the Issuer shall have discharged its obligations in respect of such Note and shall have no other liability or obligation whatsoever in respect thereof.
- (c) Each holder of Notes, Receipts or Coupons, by subscribing for or purchasing such Notes, Receipts or Coupons (if any), will be deemed to accept and acknowledge that it is fully aware that:
 - (i) upon the occurrence of a Specified Event, the obligations of the Issuer to make payments in respect of the Notes, Receipts and Coupons (if any) may be limited to the amount payable or the value of the assets deliverable by the Issuer and the holder of the Notes, Receipts and Coupons (if any) shall have no further recourse to the Issuer in respect of the Notes, Receipts and Coupons (if any), respectively;
 - (ii) without prejudice to the foregoing, any right of the holder of the Notes, Receipts and Coupons (if any) to claim payment of any amount exceeding the

amount so payable or the value of the assets so deliverable shall be automatically extinguished; and

- (iii) the holder of the Notes, Receipts and Coupons (if any) shall not be able to petition for the winding up of the Issuer as a consequence of the non-payment by the Issuer of any sum which but for this Condition 5.2 (*Redemption of Specified Event Linked Notes following a Specified Event*) would have been payable by the Issuer in respect of the Notes, Receipts and Coupons (if any).

5.3 Redemption for Taxation Reasons

- (a) If the Issuer, on the occasion of the next payment due in respect of the Notes, would be required by the laws and regulations of any jurisdiction or of any political subdivision thereof or any authority or agency therein or thereof having power to tax, to withhold or deduct amounts for or on account of tax in respect of payments under the Notes or would suffer tax in respect of its income so that it is not able to pay in full amounts due in respect of the Notes, then **provided that** no Specified Event has occurred the Issuer shall forthwith give notice of such circumstance to the Noteholders. In such event (and **provided that** no Specified Event has occurred) the Issuer may, but shall not be obliged to, on giving not more than 30 nor less 15 days' notice to the Noteholders, and upon expiry of such notice, redeem all but not some only of the Notes at the Early Redemption Amount less, in the case of any Instalment Note, the aggregate of all Instalment Amounts that shall have become due and payable in respect of such Notes prior to the date fixed for redemption under any other Condition (which amount, if and to the extent not then paid, shall remain due and payable), together with any interest accrued to the date fixed for redemption. The provisions of this Condition 5.3 (*Redemption for Taxation Reasons*) are without prejudice to those of Condition 7 (*Taxation*).
- (b) The Issuer may, at its option, redeem some or all of the Notes (on giving not less than 15 or more than 30 days' irrevocable notice to holders (or such other notice period as may be specified in the relevant Final Terms)) in the event that the Issuer determines in good faith that it has suffered, or there is a substantial likelihood that it will suffer, a deduction or withholding in respect of a payment made to it, as a result of the Issuer's inability to comply with the reporting requirements imposed by the Foreign Account Tax Compliance Provisions, **provided that** (1) such inability to comply with the reporting requirements is attributable to non-compliance by any holder of such Notes (or a foreign withholding agent (if any) in the chain of custody of payments made to the holders) with the Issuer's requests for certifications or identifying information and (2) (in the reasonable determination of the Issuer) compliance with the reporting requirements would (or there is a substantial likelihood that it would) preclude such deduction or withholding (such event, a "**Tax Termination Event**"). Upon a Tax Termination Event, Notes held by compliant holders, in addition to those held by non-compliant holders, may be redeemed or terminated. In the event of an early redemption of the Notes following a Tax Termination Event, the Issuer will cause to be paid to each such holder in respect of each such Note held by it the Early Redemption Amount.

5.4 Early Redemption Amount

- (a) **Zero Coupon Notes**

- (i) The Early Redemption Amount payable in respect of any Zero Coupon Note, the Early Redemption Amount of which is not linked to a variable and/or a formula, upon redemption of such Note pursuant to Condition 5.3 (*Redemption for Taxation Reasons*) or upon it becoming due and payable in accordance with Condition 10 (*Events of Default*), shall be the Amortised Face Amount (calculated as provided below) of such Note.
- (ii) Subject to the provisions of paragraph (iii) below, the Amortised Face Amount of any such Note shall be the Maturity Redemption Amount of such Note discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown in the Final Terms, shall be such rate as would produce an Amortised Face Amount equal to the issue price of the Note if it were discounted back to its issue price on the Issue Date) compounded annually.
- (iii) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 5.3 (*Redemption for Taxation Reasons*) or upon it becoming due and payable as provided in Condition 10 (*Events of Default*) is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as defined in paragraph (ii) above, except that such paragraph shall have effect as though the reference therein to the date on which the Note becomes due and payable were the Relevant Date. The calculation of the Amortised Face Amount in accordance with this paragraph shall continue to be made (both before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the Maturity Redemption Amount together with any interest that may accrue in accordance with Condition 4.3 (*Zero Coupon Notes*).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown in the Final Terms.

(b) **Other Notes**

The Early Redemption Amount payable in respect of any Note (other than Notes described in (a) above), upon redemption of such Note pursuant to Condition 5.3 (*Redemption for Taxation Reasons*), shall be the amount specified as such in the relevant Final Terms or, if no amount is so specified, the Final Redemption Amount, (or, if 'Amortising Reference Obligation' is specified as applicable in the relevant Final Terms, the aggregate of the Final Redemption Amount and all Instalment Redemption Amounts falling after the date fixed for early redemption) for the purposes of which the Valuation Date (if applicable) shall be deemed to be the date falling 5 Business Days prior to the date fixed for early redemption.

5.5 **Redemption at the Option of the Issuer**

If "**Call Option**" is specified to apply in the Final Terms then, provided no Specified Event has occurred, the Issuer may, on giving not less than five days' irrevocable notice to the Noteholders (or such other notice period as may be specified in the Final Terms), redeem, all or, if so provided in the Final Terms, some of the Notes on any Optional Redemption Date. Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption.

Any such redemption or exercise must relate to Notes of a nominal amount at least equal to the minimum nominal amount to be redeemed specified in the Final Terms and no greater than the maximum nominal amount to be redeemed specified in the Final Terms.

All Notes in respect of which any such notice is given shall be redeemed, on the date specified in such notice in accordance with this Condition 5.5.

In the case of a partial redemption the notice to Noteholders shall also contain the certificate numbers of the Bearer Notes, or in the case of Registered Notes shall specify the nominal amount of Registered Notes drawn and the holder(s) of such Registered Notes to be redeemed, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and stock exchange or other relevant authority requirements. So long as the Notes are listed on any stock exchange and the rules of the relevant stock exchange or other relevant authority so require, the Issuer shall, once in each year in which there has been a partial redemption of the Notes, cause to be published in a leading newspaper of general circulation as specified by such stock exchange or other relevant authority a notice specifying the aggregate nominal amount of Notes outstanding and a list of the Notes drawn for redemption but not surrendered.

5.6 Redemption at the Option of Noteholders

If "**Put Option**" is specified to apply in the Final Terms, **provided that** no Specified Event has occurred, the Issuer shall, at the option of the holder of any Note, upon the holder of such Note giving not less than fifteen business days' notice to the Issuer (or such other notice period as may be specified in the Final Terms) redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption.

To exercise such option the holder must deposit (in the case of Bearer Notes) such Note (together with all unmatured Receipts and Coupons and unexchanged Talons) or (in the case of Registered Notes) or the Certificate representing such Note(s) with the Issuer at its Specified Office, together with a duly completed option exercise notice ("**Exercise Notice**") in the form set out in the Schedule to the Deed of Covenant, copies of which are obtainable from the Specified Office of the Issuer within the notice period. No Note or Certificate so deposited and option exercised may be withdrawn without the prior consent of the Issuer.

In the event of an early redemption of Notes pursuant to this Condition 5.6 (*Redemption at the Option of Noteholders*), the Optional Redemption Amount may be less than the principal amount of the Notes being redeemed.

5.7 Partly Paid Notes

Partly Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions specified in the applicable Pricing Supplement, Partly Paid Notes will be issued as Exempt Notes only.

5.8 Purchases

The Issuer and any of its subsidiaries may at any time purchase Notes in the open market or otherwise and at any price **provided that** all unmatured Coupons, Receipts and unexchanged Talons relating thereto are attached thereto or surrendered therewith. Any Notes so purchased may be held by the Issuer or may be surrendered for cancellation.

5.9 Cancellation

All Notes purchased by or on behalf of the Issuer or any of its subsidiaries may be surrendered for cancellation, in the case of Bearer Notes, by surrendering each such Note together with all unmatured Coupons, Receipts and all unexchanged Talons to the Issuer and, in the case of Registered Notes, by surrendering the Certificate representing such Notes to the Registrar and, in each case, if so surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled (together with all unmatured Coupons, Receipts and unexchanged Talons attached thereto or surrendered therewith). Any Notes so surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

- (a) By its acquisition, holding and subsequent disposition of any Note characterised as debt, each acquirer and subsequent transferee thereof will be deemed to have represented and warranted, at the time of its acquisition and throughout the period it holds such Note, that it shall not acquire, hold or subsequently dispose of such Note for, on behalf of, or with the assets of any "employee benefit plan" subject to the fiduciary responsibility provisions of the Employee Retirement Income Security Act of 1974, as amended ("**ERISA**") or any "plan" subject to Section 4975 of the Internal Revenue Code of 1986, as amended (the "**Code**"), or an entity part or all of the assets of which constitute assets of any such employee benefit plan or plan by reason of Department of Labor Regulation Section 2510.3 101, Section 3(42) of ERISA or otherwise (each a "**Plan**") or any governmental, church, non-U.S. or other plan subject to any federal, state, local or non-U.S. law similar to the fiduciary responsibility provisions of ERISA or Section 4975 of the Code, unless such acquisition, holding and subsequent disposition of the Note will not constitute or result in any non-exempt prohibited transaction under Section 406 of ERISA or under Section 4975 of the Code (or in the case of a governmental, church, non-U.S. or other plan, a non-exempt violation of any similar federal, state, local or non-U.S. law). Any fiduciary of a Plan acquiring a Note in reliance upon the statutory "service provider exemption" under Section 408(b)(17) of ERISA and Section 4975(d)(20) of the Code represents and warrants at the time of the Plan's acquisition and throughout the period the Plan holds the Note that (x) the Plan fiduciary has made a good faith determination that the Plan is paying no more than, and is receiving no less than, adequate consideration in connection with the transaction and (y) none of SBGL or ICBC or any of their respective affiliates exercises discretionary authority or control or renders investment advice with respect to the assets of the Plan which the fiduciary is using to acquire the Note.

- (b) By its acquisition, holding and subsequent disposition of any Note characterized as equity, each acquirer and subsequent transferee thereof will be deemed to have represented and warranted, at the time of its acquisition and throughout the period it holds such Note, that it shall not acquire, hold or subsequently dispose of such Note for, or on behalf of, or with the assets of: (x) any Benefit Plan Investor (as defined in section 3(42) of ERISA) (including, for this purpose, the general account of an insurance company, any of the underlying assets of which constitute plan assets under Section 401 (c) of ERISA, or a wholly-owned subsidiary thereof), or (y) any governmental, church or non-U.S. plan which is subject to Similar Law whose acquisition, holding or disposition of such Note or interest would result in a violation of any Similar Law.

In addition, if Benefit Plan Investors are permitted to purchase Notes, any Benefit Plan Investor or a fiduciary purchasing the Notes on behalf of a Benefit Plan Investor (a "**Plan Fiduciary**"), should consider the impact of the new Department of Labor regulations promulgated at 29 C.F.R. Section 2510.3-21 on April 8, 2016 (81 Fed. Reg. 20,997) (the "**Fiduciary Rule**").

If Benefit Plan Investors are permitted to purchase Notes, each purchaser of the Notes that is a Benefit Plan Investor, including any Plan Fiduciary will be deemed to have represented by its purchase of the Notes that:

(1) none of the Issuer, the Registrar, the Paying Agent, the Dealer, the Calculation Agent, the Distributor, the initial purchasers of the Notes, nor any of their respective affiliates (each, a "**Transaction Party**") (other than the initial purchasers of the Notes) has provided or will provide advice with respect to the acquisition of the Notes by the Benefit Plan Investor, and the Initial Purchasers have not provided any advice other than to the Plan Fiduciary that is independent of the Transaction Parties and who:

(a) is a bank as defined in Section 202 of the Investment Advisers Act of 1940 (the "**Advisers Act**"), or similar institution that is regulated and supervised and subject to periodic examination by a state or federal agency;

(b) is an insurance carrier which is qualified under the laws of more than one state to perform the services of managing, acquiring or disposing of assets of a Benefit Plan Investor;

(c) is an investment adviser registered under the Advisers Act, or, if not registered as an investment adviser under the Advisers Act by reason of paragraph (1) of Section 203A of the Advisers Act, is registered as an investment adviser under the laws of the state in which it maintains its principal office and place of business;

(d) is a broker-dealer registered under the Securities Exchange Act of 1934, as amended; or

(e) has, and at all times that the Benefit Plan Investor is invested in the Notes will have, total assets of at least U.S. \$50,000,000 under its management or control (provided that this clause (e) shall not be satisfied if the Plan Fiduciary

is either (i) the owner or a relative of the owner of an investing individual retirement account or (ii) a participant or beneficiary of the Benefit Plan Investor investing in the Notes in such capacity);

(2) the Plan Fiduciary is capable of evaluating investment risks independently, both in general and with respect to particular transactions and investment strategies, including without limitation the acquisition by the Benefit Plan Investor of the Notes;

(3) the Plan Fiduciary is a "**fiduciary**" with respect to the Benefit Plan Investor within the meaning of Section 3(21) of ERISA, Section 4975 of the Code, or both, and is independent of the Transaction Parties for purposes of the Fiduciary Rule and responsible for exercising independent judgment in evaluating the Benefit Plan Investor's acquisition of the Notes;

(4) none of the Transaction Parties has exercised any authority to cause the Benefit Plan Investor to invest in the Notes or to negotiate the terms of the Benefit Plan Investor's investment in the Notes; and

(5) the Plan Fiduciary has been informed by the Transaction Parties:

(a) that none of the Transaction Parties has undertaken or will undertake to provide impartial investment advice or has given or will give advice in a fiduciary capacity in connection with the Benefit Plan Investor's acquisition of the Notes; and

(b) of the existence and nature of the Transaction Parties' fees, compensation arrangements and/or financial interests in the Benefit Plan Investor's acquisition of the Notes.

The above representations in this paragraph are intended to comply with the Fiduciary Rule. If the Fiduciary Rule is revoked, repealed or no longer effective, these representations shall be deemed to not be in effect.

8.2 **Forced Transfer**

If the Issuer determines at any time that any Noteholder has made or been deemed to have made an ERISA related representation that is false or misleading (a "**Non-Permitted Holder**"), the Issuer may direct the Noteholder to sell or transfer its Note to a person who is not a Non-Permitted Holder within 14 days following receipt of notice of the direction. If the Noteholder fails to sell or transfer its Note within such period, the Issuer may cause the Note to be sold to an acquirer selected by the Issuer that certifies to the Issuer that such acquirer is not a Non-Permitted Holder, on terms as the Issuer may choose, subject to the transfer restrictions set out herein (and in the Deed of Covenant), and, pending such transfer, no further payments will be made in respect of the Note. The Issuer may select an acquirer by any means determined by it in its sole discretion. The proceeds of the sale, net of any commissions, expenses and taxes due in connection with the sale shall be remitted to the selling Noteholder. The terms and conditions of any sale hereunder (including the sale price) shall be determined in the sole discretion of the Issuer, subject to the transfer restrictions set out herein (and in the Deed of Covenant), and the Issuer shall not be liable to any

person having an interest in the Note sold as a result of any sale or the exercise of such discretion.

9. **Prescription**

Claims against the Issuer for payment in respect of the Notes, Receipts and Coupons (which for this purpose shall not include Talons) shall be prescribed and become void unless made within ten years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect thereof.

10. **Events of Default**

Upon the occurrence of any of the following events in respect of the Notes of any relevant Series or any of them (each an "**Event of Default**") namely:

- (a) default is made for more than 14 days in the payment on the due date of any principal or interest due and payable in respect of the Notes of the relevant Series or any of them on the due date for payment thereof; or
- (b) a default is made in the performance or observance by the Issuer of any other obligation under or in respect of the Notes of the relevant Series and such default shall continue for 30 days after written notice requiring such default to be remedied shall have been given to the Issuer by any holder of Notes of the relevant Series; or
- (c) an administrator is appointed, a resolution is passed or an order of a court of competent jurisdiction is made that the Issuer be wound up or dissolved otherwise than for the purposes of or pursuant to a consolidation, amalgamation, merger or reconstruction in which (i) a continuing corporation effectively assumes all obligations of the Issuer under the Notes of the relevant Series or (ii) the terms whereof have previously been approved by an Extraordinary Resolution (as defined in the terms for meetings of Noteholders set forth in the Schedule to the Deed of Covenant, copies of which can be obtained from the Specified Office of the Issuer) of the holders of Notes of the relevant Series; or
- (d) the Issuer stops pursuant or (otherwise than for the purposes of such a consolidation, amalgamation, merger or reconstruction as is referred to in paragraph (c) above) ceases, or through an official action of its Board of Directors threatens to cease, to carry on business or is unable to pay its debts as and when they fall due (within the meaning of any applicable bankruptcy or insolvency law); or
- (e) a trustee, receiver, liquidator, provisional liquidator, administrator or similar official is appointed of the whole or substantial part of the assets or undertaking of the Issuer; or
- (f) proceedings shall have been initiated against the Issuer under any applicable bankruptcy or insolvency law and such proceedings shall not have been discharged or stayed within a period of 60 days or the Issuer initiates or consents to such proceedings;

then **provided that** no Specified Event has occurred, any holder of a Note of the relevant Series may, by written notice to the Issuer at its Specified Office, declare the

Note held by the holder to be forthwith due and payable whereupon the same shall become forthwith due and payable at the Maturity Redemption Amount, together with accrued interest (if any) to the date of repayment, without presentment, demand, protest or other notice of any kind all of which the Issuer expressly waives notwithstanding anything contained in such Note to the contrary unless, prior thereto, all Events of Default in respect of Notes of the relevant Series shall have been cured.

11. Meetings of Noteholders and Modifications

11.1 Modifications and Waivers

The Issuer may from time to time modify and amend the Notes (including the Conditions) or the Deed of Covenant, in each case without the consent of the holders of the Notes or (if applicable) any holders of Coupons or Receipts in respect of the Notes in accordance with, respectively, this Condition 11.1 or the Deed of Covenant, in such manner as the Issuer deems necessary or desirable, if the modification or amendment:

- (a) is of a formal, minor or technical nature; or
- (b) is made to cure a manifest or proven error; or
- (c) is made to cure any ambiguity; or is made to correct or supplement any defective provisions of the Notes or the Deed of Covenant (as applicable); or
- (d) will not materially and adversely affect the interests of the holders of the Notes or (if applicable) any holders of Coupons or Receipts in respect of the Notes.

Any such modification or amendment shall take effect in accordance with its terms and shall be binding on the holders of the Notes or (if applicable) any holders of Coupons or Receipts in respect of the Notes, and shall be notified to the Holders in accordance with Condition 15 (*Notices*) as soon as practicable (but failure to give such notice, or non-receipt thereof, shall not affect the validity of such modification or amendment).

11.2 Modification and Waiver with holder consent

- (a) *Majority Consent*: Subject as provided in paragraphs (b) and (c) below (and in each case subject to the consent of the Issuer), in order to modify and amend the Deed of Covenant and the Notes (including the Conditions), or to waive past Issuer defaults, a resolution in writing signed by the holders of at least a majority in aggregate principal amount of the Notes at the time outstanding (in the case of Notes), or of such lesser percentage as may attend and vote at a meeting of holders of the Notes held in accordance with the Deed of Covenant shall be required.
- (b) *Consent by Extraordinary Resolution*: Any modification which will:
 - (i) extend the stated maturity of the principal of or any instalment of interest on any such Note or extend the date for expiration, settlement or payment of any coupon in relation to such Security;

- (ii) reduce the principal amount, redemption price of, or settlement price of, or interest on (as applicable), any such Note;
- (iii) change the currency of payment of such Note or interest thereon;
- (iv) impair the right to institute suit for the enforcement of any such payment on or with respect to any such Note;
- (v) reduce the percentage in aggregate principal amount of Notes outstanding necessary to modify or amend the Deed of Covenant, or to waive any past default; or
- (vi) reduce the voting or quorum requirements or the percentage of aggregate principal amount, redemption price or settlement price of Notes outstanding required to take any other action authorised to be taken by the holders of a specified principal amount of Notes,

may only be made if sanctioned by an Extraordinary Resolution.

- (c) *Priority*: The terms of this Condition 11.2 are subject to the terms of Condition 11.1 (*Modifications and Waiver*).

11.3 Meetings of Holders

The terms for meetings of Noteholders set forth in the Schedule to the Deed of Covenant, copies of which can be obtained from the Specified Office of the Issuer, are incorporated in these Conditions and apply as if set out herein.

Such terms contain provisions for convening meetings of the holders of Notes of any Series to consider any matter affecting their interest including, without limitation, the modification by Extraordinary Resolution (as defined in such terms) of these Conditions. An Extraordinary Resolution passed at any meeting of the holders of Notes of any Series will be binding on all holders of Notes of such Series, whether or not they are present at the meeting, and on all holders of Coupons relating to Notes of such Series.

12. Replacement of Notes, Certificates, Receipts, Coupons and Talons

If a Note, Certificate, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange and other relevant authority regulations, at the Specified Office of the Issuer and of the Registrar (in the case of Certificates) or such other agent as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Certificate, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Certificates, Receipt, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Notes, Certificates, Receipt, Coupons or Talons must be surrendered before replacements will be issued.

13. **Further Issues**

The Issuer may from time to time without the consent of the Noteholders, Receiptholders or Couponholders create and issue further securities either having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single series with the outstanding securities of any series (including the Notes) or upon such terms as the Issuer may determine at the time of their issue. References in these Conditions to the Notes include (unless the context requires otherwise) any other securities issued pursuant to this Condition 13 and forming a single series with the Notes.

14. **Substitution**

14.1 The Issuer or any of its subsidiaries (as defined by Section 1159 of the Companies Act 2006) of which more than 90 per cent. of the shares carrying voting rights are directly or indirectly held by the Issuer (each a "**Subsidiary**") may, without the consent of the holders of Notes, assume liability as the principal debtor in respect of the Notes and any Coupons (the "**Substituted Debtor**"), **provided that:**

- (a) a deed poll and such other documents (if any) shall be executed by the Substituted Debtor as may be necessary to give full effect to the substitution (the "**Documents**") and (without limiting the generality of the foregoing) pursuant to which the Substituted Debtor shall undertake in favour of each holder of Notes to be bound by these Conditions as fully as if the Substituted Debtor had been named in the Notes as the Issuer; and
- (b) the Documents shall contain a warranty and representation (i) that the Substituted Debtor has obtained all necessary governmental and regulatory approvals and consents for such substitution, (ii) that the Substituted Debtor has obtained all necessary governmental and regulatory approvals and consents for the performance by the Substituted Debtor of its obligations under the Documents and that all such approvals and consents are in full force and effect and (iii) that the obligations assumed by the Substituted Debtor are valid and binding in accordance with their respective terms and enforceable by each holder of Notes.

14.2 Upon the execution of the Documents, the Substituted Debtor shall be deemed to be named in the Notes as the principal debtor in place of the Issuer and the Notes shall thereupon be deemed to be amended to give effect to the substitution. The execution of the Documents shall, in the case of the substitution of a Substituted Debtor as principal debtor, operate to release the Issuer or the previous substitute as aforesaid from all of its obligations as principal debtor in respect of the Notes.

14.3 The Documents shall be deposited with and held by the Issuer for so long as any of the Notes remains outstanding and for so long as any claim made against the Substituted Debtor by the holder of Notes in relation to the Notes or the Documents shall not have been fully adjudicated, settled or discharged. The Substituted Debtor shall acknowledge in the Documents the right of every holder of Notes to the production of the Documents for the enforcement of any of the Notes or the Documents.

- 14.4 Not later than 20 days after the execution of the Documents, the Substituted Debtor together with the Issuer shall give notice thereof to the holders of Notes in accordance with this Condition 14.
- 14.5 At any time after a substitution pursuant to Condition 14.1 (*Substitution*), the Substituted Debtor may, without the consent of the holders of Notes, substitute the Issuer or any other Subsidiary as the principal debtor in respect of the Notes to undertake its obligations in respect of the Notes **provided that** all the provisions specified in Conditions 14.1, 14.2, 14.3 and 14.4 (*Substitution*) above shall apply, *mutatis mutandis*, and without limitation, references in this Condition to the Issuer shall, where the context so requires, be deemed to be or include references to any such Substituted Debtor.

15. Notices

Notices to the holders of Registered Notes shall be mailed to them at their respective addresses in the Register and deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing. Notices to the holders of Bearer Notes shall be valid if published in a daily newspaper of general circulation in London (which is expected to be the Financial Times) and so long as the Notes are listed on the Irish Stock Exchange and the rules of that Exchange so require, in a daily newspaper with general circulation in Ireland (which is expected to be the Irish Times). If in the opinion of the Issuer any such publication is not practicable, notice shall be validly given if published in another leading daily English Language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the date of the first publication as provided above.

While the Notes are listed on the Irish Stock Exchange, copies of all notices given in accordance with this Condition 15 shall be forwarded to the Companies Announcement Office of the Irish Stock Exchange.

Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes to which the Coupons relate in accordance with this Condition 15.

16. Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999.

17. Governing Law and Jurisdiction

17.1 Governing Law

The Notes, the Receipts, the Coupons and the Talons, (and any dispute, controversy, proceedings or claim of whatever nature (whether contractual, non-contractual or otherwise) arising out of or in any way relating to the Notes, the Receipts, the Coupons and the Talons or their formation) shall be governed by, and construed in accordance with, English law.

17.2 Jurisdiction

The courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with any Notes, Receipts, Coupons or Talons and accordingly any legal action or proceedings arising out of or in connection with any Notes, Receipts, Coupons or Talons ("**Proceedings**") shall be brought in such courts. The Issuer irrevocably submits to the jurisdiction of the courts of England and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the holders of the Notes or Coupons and shall not affect the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

INDEX LINKED DERIVATIVES ANNEX

Where specified as applicable in any Pricing Supplement relating to the issue of Notes under the Programme, the provisions of this Index Linked Derivatives Annex shall apply to such Notes as if expressly set out in the relevant Pricing Supplement. This Annex relates to Exempt Notes only and the information contained herein has not been reviewed or approved by the Central Bank of Ireland.

1. Amendment to the Conditions

The following shall be inserted as Conditions 5.2A, 5.2B and 5.2C (together, the "**Additional Conditions**"):

5.2A Modification or Discontinuation of an Index or Exchange-traded Contract

- (a) If any Index is (i) not calculated and announced by its Sponsor but is calculated and announced by a successor sponsor acceptable to the Calculation Agent or (ii) replaced by a successor index using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Index, then in each case that index (the "**Successor Index**") shall be deemed to be the Index.
- (b) *The following provisions will not apply if Exchange-traded Price Valuation is specified as applicable in the Pricing Supplement, save in the circumstances set out in Condition 5.2A(c)(ii):*

If, in the determination of the Calculation Agent (i) on or before any Observation Date, Valuation Date, Initial Setting Date, Initial Averaging Date, Averaging Date or Interim Valuation Date the Sponsor announces that it will make a material change in the formula for or the method of calculating an Index or in any other way materially modifies an Index (other than a modification prescribed in that formula or method to maintain an Index in the event of changes in constituent securities and capitalisation and other routine events) (an "**Index Modification**") or permanently cancels the Index and no Successor Index exists (an "**Index Cancellation**") or (ii) on any Observation Date, Valuation Date, Initial Setting Date, Initial Averaging Date, Averaging Date or Interim Valuation Date the Sponsor fails to calculate and announce the Index Level (an "**Index Disruption**" and together with an Index Modification and an Index Cancellation, each an "**Index Adjustment Event**"), then:

- (i) if "Calculation Agent Adjustment" is specified as applicable in the Pricing Supplement, the Calculation Agent shall calculate the Final Redemption Amount using, in lieu of a published level for such Index, the level for such Index as at the relevant Valuation Time on the relevant Observation Date, Valuation Date, Initial Setting Date, Initial Averaging Date, Averaging Date or Interim Valuation Date as determined by the Calculation Agent in accordance with the formula for and method of calculating such Index last in effect before that change or failure, but using only those securities that comprised such Index immediately before that Index Adjustment Event (other than those securities that have since ceased to be listed on the relevant Exchange) and shall notify the Noteholders thereof (in accordance with Condition 16 (*Notices*)), **provided that** if the Calculation Agent determines that the modification is solely of a mathematical nature it may in its discretion alternatively use the published level of the Index and make such consequential changes to the method of

calculating the Final Redemption Amount and/or the relevant Interim Payment, as the case may be, as it may determine to be appropriate to preserve the economic equivalent effect of the Notes; or

- (ii) if "Redemption and Payment" is specified as applicable in the Pricing Supplement, then (1) in the case of an Index Disruption the Notes shall be redeemed on the relevant Observation Date, Valuation Date, Initial Setting Date, Initial Averaging Date, Averaging Date or Interim Valuation Date (as the case may be), (2) in the case of an Index Cancellation, the Notes shall be redeemed on the later of the Exchange Business Day in respect of the relevant Index immediately prior to the effectiveness of the Index Cancellation and the date the Index Cancellation is announced by the Sponsor and (3) in the case of an Index Modification, such date as the Calculation Agent may in its discretion determine not later than the Scheduled Trading Day in respect of the relevant Index prior to the effectiveness of such Index Modification. In such event the Issuer shall pay in respect of each Note an amount determined by the Calculation Agent as representing the fair market value of such Note immediately prior to such redemption the formula or method to calculate the relevant Index in effect immediately prior to the relevant Index Adjustment Event. The Calculation Agent will promptly notify Noteholders in accordance with Condition 16 (*Notices*) of any such redemption. Such payment shall be made within five Business Days of such redemption *mutatis mutandis* in accordance with Condition 6 (*Payments*).

If both "Calculation Agent Adjustment" and "Redemption and Payment" are specified as applicable in the relevant Pricing Supplement (or if neither is so specified), the Issuer may in its absolute discretion determine which provisions shall apply in any given circumstance.

- (c) *The following provisions will apply if Exchange-traded Price Valuation is specified as applicable in the Pricing Supplement:*

- (i) *Adjustments of the Exchange-traded Contract or the Official Settlement Price*

If the terms of the Exchange-traded Contract are changed by the relevant exchange, the calculation of the Final Redemption Amount and/or the relevant Interim Payment, as the case may be, shall be adjusted in such manner as the Calculation Agent may determine, in its absolute discretion, to be appropriate in order to preserve the equivalent economic effect of the Notes. Subject thereto, the Calculation Agent shall ignore, for purposes of determining the Final Redemption Amount and/or the relevant Interim Payment, as the case may be, adjustments made by the relevant exchange to the method of calculation of the Official Settlement Price (including, without limitation, the timing of the valuation of prices of securities). None of the Issuer or the Calculation Agent shall have any responsibility in respect of any error or omission or subsequent corrections made in the calculation or publication of an Official Settlement Price, whether caused by negligence or otherwise. If such an adjustment is made the Calculation Agent shall make such adjustment available to Noteholders at its Specified Office.

- (ii) *Non-Commencement or Discontinuance of the Exchange-traded Contract*

If there is no Official Settlement Price as a result of the fact that trading in the Exchange-traded Contract never commences or is permanently discontinued at any time on or prior to the Valuation Date, the Official Settlement Price for a Valuation Date shall be deemed to be

the level, as determined by the Calculation Agent, of the relevant Index at the Valuation Time on the relevant Exchange on the Valuation Date, subject as provided in Condition 5.2B(a) (*Disrupted Days*).

(d) *Index Correction*

If the level in respect of the relevant Index published on the Exchange or by the Sponsor and, which is utilised for any calculation or determination made under the Notes, is subsequently corrected and the correction is published by the Exchange or the Sponsor after the original publication but not later than three Business Days before the due date for payment of any amount under the Notes, which is to be calculated by reference to such price or level, the Calculation Agent will determine the amount, (if any) that is payable as a result of that correction, and to the extent necessary, will adjust the terms of the Notes to account for such correction.

5.2B Disrupted Days

- (a) *Unless Initial Averaging Dates or Averaging Dates are specified as applicable to the Initial Setting Date or the Valuation Date in the Pricing Supplement, the following provisions will apply to the Initial Setting Date or the Valuation Date (as the case may be) and these provisions shall in any case apply to Interim Valuation Dates and shall apply to Observation Dates unless there is an Observation Period:*

If the Calculation Agent determines that any Initial Setting Date, Interim Valuation Date, Observation Date or Valuation Date is a Disrupted Day in respect of an Index, then the Initial Setting Date, Interim Valuation Date, Observation Date or Valuation Date, as the case may be, for such Index shall be the first succeeding Scheduled Trading Day in respect of such Index that is not a Disrupted Day, unless each of the eight Scheduled Trading Days immediately following the original date that, but for the determination by the Calculation Agent of the occurrence of a Disrupted Day, would have been such Initial Setting Date, Interim Valuation Date, Observation Date or Valuation Date, as the case may be, is a Disrupted Day. In that case, (i) that eighth Scheduled Trading Day shall be deemed to be the Initial Setting Date, Interim Valuation Date, Observation Date or Valuation Date, as the case may be, for such Index, notwithstanding the fact that such day is a Disrupted Day, and (ii) the Calculation Agent shall determine the level of such Index as of the relevant Valuation Time on that eighth Scheduled Trading Day in accordance with (subject to the provisions of Condition 5.2A (*Modification or Discontinuation of an Index or Exchange-traded Contract*)) the formula for and method of calculating such Index last in effect prior to the occurrence of the first Disrupted Day using the Exchange-traded or quoted price as of the Valuation Time on that eighth Scheduled Trading Day of each security comprised in the Index (or, if the Calculation Agent determines that an event giving rise to a Disrupted Day has occurred in respect of the relevant security on that eighth Scheduled Trading Day, its good faith estimate of the value for the relevant security as of the Valuation Time on that eighth Scheduled Trading Day).

- (b) *If Initial Averaging Dates or Averaging Dates are specified as applicable in the Pricing Supplement, the following provisions will apply in relation thereto and, if an Observation Period is specified as applicable in the Pricing Supplement, the following provisions will apply in relation to the Observation Dates:*

If the Calculation Agent determines that an Initial Averaging Date, Averaging Date or Observation Date is a Disrupted Day in respect of an Index and, if under "Initial Averaging

Date Disrupted Day", "Averaging Date Disrupted Day" or "Observation Date Disrupted Day" (as the case may be) in the Pricing Supplement the consequence specified is:

- (i) **"Omission"**, then such Initial Averaging Date, Averaging Date or Observation Date (as the case may be) will be deemed not to be a relevant Initial Averaging Date, Averaging Date or Observation Date (as the case may be) for the purposes of determining the relevant Final Redemption Amount and/or the relevant Interim Payment, as the case may be, **provided that**, if through the operation of this provision there would not be an Initial Averaging Date, Averaging Date or Observation Date (as the case may be), then Condition 5.2B(a) will apply *mutatis mutandis* for the purposes of determining the relevant level on the final Initial Averaging Date, final Averaging Date or final Observation Date, as the case may be;
- (ii) **"Postponement"**, then Condition 5.2B(a) will apply *mutatis mutandis* for the purposes of determining the relevant level on that Initial Averaging Date, Averaging Date or Observation Date (as the case may be) irrespective of whether, pursuant to such determination, that deferred Initial Averaging Date, Averaging Date or Observation Date (as the case may be) would fall on a day that already is or is deemed to be an Initial Averaging Date, Averaging Date or Observation Date (as the case may be) in respect of the relevant Index; or
- (iii) **"Modified Postponement"**, then the Initial Averaging Date, Averaging Date or Observation Date (as the case may be) shall be the first succeeding Valid Date. If the first succeeding Valid Date has not occurred as of the Valuation Time on the eighth Scheduled Trading Day immediately following the original date that, but for the occurrence of another Initial Averaging Date, Averaging Date, Observation Date or Disrupted Day in respect of the relevant Index, would have been the final Initial Averaging Date, final Averaging Date or final Observation Date, as the case may be, in respect of the relevant Index then (A) that eighth Scheduled Trading Day shall be deemed the Initial Averaging Date, Averaging Date or Observation Date (as the case may be) in respect of the relevant Index (irrespective of whether that eighth Scheduled Trading Day is already an Initial Averaging Date, Averaging Date or Observation Date (as the case may be)), and (B) the Calculation Agent shall determine the relevant level for that Initial Averaging Date, Averaging Date or Observation Date (as the case may be) in accordance with Condition 5.2B(a).

"Valid Date" means a Scheduled Trading Day which the Calculation Agent determines is not a Disrupted Day and on which another Initial Averaging Date, Averaging Date or Observation Date (as the case may be) does not or is not deemed to occur.

(c) *Notification of Disrupted Days*

The Calculation Agent shall as soon as reasonably practicable under the circumstances notify the Noteholders of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day, would have been the Initial Setting Date, an Initial Averaging Date, an Averaging Date, an Observation Date, an Interim Valuation Date or a Valuation Date. Failure by the Calculation Agent to notify the Noteholders of the occurrence of a Disrupted Day shall not affect the validity of the occurrence and effect of such Disrupted Day.

5.2C Responsibility

None of the Issuer or the Calculation Agent shall have any responsibility in respect of any error or omission or subsequent corrections made in the calculation or announcement of an Index, whether caused by negligence or otherwise.

2. **Definitions**

EQUITY LINKED DERIVATIVES ANNEX

Where specified as applicable in any Pricing Supplement relating to the issue of Notes under the Programme, the provisions of this Equity Linked Derivatives Annex shall apply to such Notes as if expressly set out in the relevant Pricing Supplement. This Annex relates to Exempt Notes only and the information contained herein has not been reviewed or approved by the Central Bank of Ireland.

1. Amendment to the Conditions

The following shall be inserted as Conditions 5.2A, 5.2B, 5.2C, 5.2D, 5.2E and 5.2F (together, the "**Additional Conditions**"):

5.2A Redemption of Physically Settled Notes

This Condition only applies to Notes specified as Physically Settled Notes in the Pricing Supplement.

(a) *At Maturity*

Unless previously redeemed or purchased and cancelled, each Note shall be redeemed by the Issuer by delivery of the Share Amounts on the Share Delivery Date and payment on the Maturity Date of any Fractional Cash Amount.

The aggregate Share Amounts in respect of the Notes shall be delivered subject to and in accordance with this Condition 5.2A.

(b) *Delivery Notices*

In order to obtain delivery of the Share Amount(s) the relevant Noteholder must deliver to the Issuer, on or before the Presentation Date, the relevant Note(s) and a duly completed Delivery Notice.

The Delivery Notice shall be substantially in such form as the Issuer may determine and copies may be obtained from its Specified Office.

The Delivery Notice must:

- (i) specify the name and address of the relevant Noteholder and the securities account in Clearstream, Luxembourg, Euroclear or the Alternative Clearance System to be credited with the relevant Share Amounts; and
- (ii) authorise the production of such notice in any applicable administrative or legal proceedings.

No Delivery Notice may be withdrawn after receipt thereof by the Issuer.

Failure properly to complete and deliver a Delivery Notice may result in such notice being treated as null and void. Any determination as to whether such notice has been properly completed and delivered as provided in these Conditions shall be made by the Issuer and shall be conclusive and binding on the Issuer and the relevant Noteholder.

If the relevant Note and the related Delivery Notice are delivered or are deemed to be delivered to the Issuer on a day that is not a Banking Day in London, such Note and Delivery Notice shall be deemed to be delivered on the next following Banking Day in London.

If the holder of a Note does not deliver the Note and a Delivery Notice, in each case as set out above, on or before the Presentation Date as provided above, then the Issuer shall have no obligation to make delivery of the Share Amount in respect of such Note unless and until a duly completed Delivery Notice (together with the relevant Note) are each delivered as provided above and delivery of such Share Amount shall be made as soon as possible thereafter but not earlier than the Share Delivery Date.

All Delivery Expenses shall be for the account of the relevant Noteholder and no delivery and/or transfer of any Share Amount shall be required to be made until all Delivery Expenses have been paid to the satisfaction of the Issuer by such Noteholder.

For the avoidance of doubt, the relevant holder of a Note shall not be entitled to any additional or further payment by reason of the delivery of the Share Amount in respect of such Note occurring after the Share Delivery Date as a result of such Delivery Notice or Note being delivered after the Presentation Date.

(c) *Share Amounts*

(i) *Delivery of Share Amounts*

Without prejudice to Condition 5.2A(c)(ii), the Issuer shall on the Share Delivery Date, deliver or procure the delivery of the Share Amount in respect of each Note to such account at Clearstream, Luxembourg, Euroclear or the Alternative Clearance System as may be specified in the relevant Delivery Notice at the risk and expense of the relevant Noteholder. As used herein, "delivery" in relation to any Share Amount means the carrying out of the steps required of the Issuer (or such person as it may procure to make the relevant delivery) in order to effect the transfer of the relevant Share Amount in accordance with the relevant Delivery Notice and "deliver" shall be construed accordingly. The Issuer shall not be responsible for any delay or failure in the transfer of such Share Amount once such steps have been carried out, whether resulting from settlement periods of clearing systems, acts or omissions of registrars, incompatible or incorrect information being contained in the Delivery Notice or otherwise and shall have no responsibility for the lawfulness of the acquisition of the Shares comprising the Share Amount or any interest therein by any Noteholder or any other person.

In respect of each Share comprising the Share Amount, the Issuer shall not be under any obligation to register or procure the registration of the Noteholder or any other person as the registered shareholder in the register of members of the Share Issuer.

Noteholders should note that the actual date on which they become holders of the Shares comprising their Share Amount will depend, among other factors, on the procedures of the relevant clearing systems and share registrar and the effect of any Settlement Disruption Events.

The Issuer shall not at any time be obliged to account to a Noteholder for any amount or entitlement that it receives by way of a dividend or other distribution in respect of any of the Shares. Dividends and distributions in respect of the Shares which constitute a Potential

Adjustment Event may however result in an adjustment being made pursuant to Condition 5.2D (*Adjustments*).

Neither the Issuer nor any other person shall (i) be under any obligation to deliver (or procure delivery) to such Noteholder or any other person, any letter, certificate, notice, circular or any other document received by that person in its capacity as the holder of such Shares, (ii) be under any obligation to exercise or procure exercise of any or all rights (including voting rights) attaching to such Shares or (iii) be under any liability to such Noteholder or any subsequent beneficial owner of such Shares in respect of any loss or damage which such Noteholder or subsequent beneficial owner may sustain or suffer as a result, whether directly or indirectly, of that person being registered at any time as the legal owner of such Shares.

(ii) Settlement Disruption

If the Issuer determines that delivery of any Share Amount in respect of any Note by the Issuer in accordance with the Conditions is not practicable or permitted by reason of a Settlement Disruption Event subsisting, then the Share Delivery Date in respect of such Note shall be postponed to the first following Delivery Day in respect of which no such Settlement Disruption Event is subsisting and notice thereof shall be given to the relevant Noteholder by mail addressed to it at the address specified in the relevant Delivery Notice or in accordance with Condition 15 (*Notices*) **provided that** the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Note by delivering or procuring the delivery of such Share Amount using such other commercially reasonable manner as it may select and in such event the Share Delivery Date shall be such day as the Issuer deems appropriate in connection with delivery of such Share Amount in such other commercially reasonable and lawful manner. No Noteholder shall be entitled to any payment whether of interest or otherwise on such Note in the event of any delay in the delivery of the Share Amount pursuant to this paragraph and no liability in respect thereof shall attach to the Issuer.

Where a Settlement Disruption Event affects some but not all of the Shares comprising the Share Amount, the Share Delivery Date for the Shares comprising such Share Amount but not affected by the Settlement Disruption Event will be the originally designated Share Delivery Date.

For so long as delivery of the Share Amount in respect of any Note is not practicable or permitted by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof, the Issuer may elect in its sole discretion to satisfy its obligations in respect of each relevant Note by payment to the relevant Noteholder of the Disruption Cash Settlement Price on the third Currency Business Day following the date that notice of such election is given to the Noteholders in accordance with Condition 15 (*Notices*). Payment of the Disruption Cash Settlement Price will be made in such manner as shall be notified to the Noteholders in accordance with Condition 15 (*Notices*).

The Issuer shall give notice as soon as practicable to the Noteholders in accordance with Condition 15 (*Notices*) that a Settlement Disruption Event has occurred.

(iii) Aggregate Share Amount

The aggregate Share Amount to which a Noteholder may be entitled will be determined on the basis of the aggregate number of Notes which are the subject of the relevant Delivery Notice. The Issuer shall not be obliged to deliver a fraction of a Share but shall be obliged to

account for the Fractional Cash Amount of any such fraction to the relevant Noteholder on the Maturity Date and the Share Amount to be delivered shall be rounded down to the next integral number of Shares.

(d) *Prescription*

Claims for payment of principal or delivery of any Share Amount in respect of the Notes shall become void upon the expiry of ten years from the Relevant Date in respect thereof or, in the case of delivery, from the Share Delivery Date.

5.2B Redemption of Reverse Convertible Notes

This Condition only applies to Notes specified as Reverse Convertible Notes in the Pricing Supplement.

(a) *At Maturity*

Unless previously redeemed or purchased and cancelled, each Note shall be redeemed by the Issuer either:

- (i) at its Nominal Amount on the Maturity Date; or
- (ii) if the Issuer so elects in its sole and absolute discretion, by delivery of the Share Amounts on the Share Delivery Date (in lieu of payment of the Nominal Amount) and payment on the Maturity Date of any Fractional Cash Amount.

The Issuer shall, promptly after the Valuation Date, give notice to the Noteholders in accordance with Condition 15 (*Notices*) as to whether the Notes shall be redeemed pursuant to (i) or (ii) above.

If the Notes are to be redeemed pursuant to (ii) above, the aggregate Share Amounts in respect of the Notes shall be delivered subject to and in accordance with this Condition 5.2B.

(b) *Delivery Notices*

In order to obtain delivery of the Share Amount(s) if the Notes are to be redeemed in accordance with Condition 5.2B(a)(ii), the relevant Noteholder must deliver to the Issuer, on or before the Presentation Date, the relevant Notes(s) and a duly completed Delivery Notice.

The Delivery Notice shall be substantially in such form as the Issuer may determine and copies may be obtained from its Specified Office.

The Delivery Notice must:

- (i) specify the name and address of the relevant Noteholder and the securities account in Clearstream, Luxembourg, Euroclear or the Alternative Clearance System to be credited with the relevant Share Amounts; and
- (ii) authorise the production of such notice in any applicable administrative or legal proceedings. No Delivery Notice may be withdrawn after receipt thereof by the Issuer.

Failure properly to complete and deliver a Delivery Notice may result in such notice being treated as null and void. Any determination as to whether such notice has been properly completed and delivered as provided in these Conditions shall be made by the Issuer and shall be conclusive and binding on the Issuer and the relevant Noteholder.

If the relevant Note and the related Delivery Notice are delivered or are deemed to be delivered to the Issuer on a day that is not a Banking Day in London, such Note and Delivery Notice shall be deemed to be delivered on the next following Banking Day in London.

If the holder of a Note does not deliver the Note and a Delivery Notice, in each case as set out above, on or before the Presentation Date as provided above, then the Issuer shall have no obligation to make delivery of the Share Amount in respect of such Note unless and until a duly completed Delivery Notice (together with the relevant Note) are each delivered as provided above and delivery of such Share Amount shall be made as soon as possible thereafter but not earlier than the Share Delivery Date.

All Delivery Expenses shall be for the account of the relevant Noteholder and no delivery and/or transfer of any Share Amount shall be required to be made until all Delivery Expenses have been paid to the satisfaction of the Issuer by such Noteholder.

For the avoidance of doubt, the relevant holder of a Note shall not be entitled to any additional or further payment by reason of the delivery of the Share Amount in respect of such Note occurring after the Share Delivery Date as a result of such Delivery Notice or Note being delivered after the Presentation Date.

Noteholders should note that, since the Presentation Date falls before the Valuation Date, they will not know by then whether the Notes will be redeemed at their principal amount or by delivery of the Share Amount. However, if the Delivery Notice and the relevant Notes are not delivered by the Presentation Date in accordance with this Condition and the Notes are to be redeemed by delivery of the Share Amount, the Noteholder will receive the Share Amount later than if the Delivery Notice and the relevant Note had been so delivered by the Presentation Date. If the Notes are to be redeemed at their Nominal Amount payment will be made against presentation in accordance with Condition 6 (Payments).

(c) *Share Amounts*

(i) Delivery of Share Amounts

Without prejudice to Condition 5.2B(c)(ii), if the Notes are to be redeemed in accordance with Condition 5.2B(a)(ii), the Issuer shall on the Share Delivery Date, deliver or procure the delivery of the Share Amount in respect of each Note to such account at Clearstream, Luxembourg, Euroclear or the Alternative Clearance System as may be specified in the relevant Delivery Notice at the risk and expense of the relevant Noteholder. As used herein, "delivery" in relation to any Share Amount means the carrying out of the steps required of the Issuer (or such person as it may procure to make the relevant delivery) in order to effect the transfer of the relevant Share Amount in accordance with the relevant Delivery Notice and "deliver" shall be construed accordingly. The Issuer shall not be responsible for any delay or failure in the transfer of such Share Amount once such steps have been carried out, whether resulting from settlement periods of clearing systems, acts or omissions of registrars, incompatible or incorrect information being contained in the Delivery Notice or otherwise

and shall have no responsibility for the lawfulness of the acquisition of the Shares comprising the Share Amount or any interest therein by any Noteholder or any other person.

In respect of each Share comprising the Share Amount, the Issuer shall not be under any obligation to register or procure the registration of the Noteholder or any other person as the registered shareholder in the register of members of the Share Issuer.

Noteholders should note that the actual date on which they become holders of the Shares comprising their Share Amount will depend, among other factors, on the procedures of the relevant clearing systems and share registrar and the effect of any Settlement Disruption Events.

The Issuer shall not at any time be obliged to account to a Noteholder for any amount or entitlement that it receives by way of a dividend or other distribution in respect of any of the Shares. Dividends and distributions in respect of the Shares which constitute a Potential Adjustment Event may however result in an adjustment being made pursuant to Condition 5.2D (*Adjustments*).

Neither the Issuer nor any other person shall (i) be under any obligation to deliver (or procure delivery) to such Noteholder or any other person, any letter, certificate, notice, circular or any other document received by that person in its capacity as the holder of such Shares, (ii) be under any obligation to exercise or procure exercise of any or all rights (including voting rights) attaching to such Shares or (iii) be under any liability to such Noteholder or any subsequent beneficial owner of such Shares in respect of any loss or damage which such Noteholder or subsequent beneficial owner may sustain or suffer as a result, whether directly or indirectly, of that person being registered at any time as the legal owner of such Shares.

(ii) Settlement Disruption

If the Issuer determines that delivery of any Share Amount in respect of any Note by the Issuer in accordance with the Conditions is not practicable or permitted by reason of a Settlement Disruption Event subsisting, then the Share Delivery Date in respect of such Note shall be postponed to the first following Delivery Day in respect of which no such Settlement Disruption Event is subsisting and notice thereof shall be given to the relevant Noteholder by mail addressed to it at the address specified in the relevant Delivery Notice or in accordance with Condition 16 (*Notices*) **provided that** the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Note by delivering or procuring the delivery of such Share Amount using such other commercially reasonable manner as it may select and in such event the Share Delivery Date shall be such day as the Issuer deems appropriate in connection with delivery of such Share Amount in such other commercially reasonable and lawful manner. No Noteholder shall be entitled to any payment whether of interest or otherwise on such Note in the event of any delay in the delivery of the Share Amount pursuant to this paragraph and no liability in respect thereof shall attach to the Issuer.

Where a Settlement Disruption Event affects some but not all of the Shares comprising the Share Amount, the Share Delivery Date for the Shares comprising such Share Amount but not affected by the Settlement Disruption Event will be the originally designated Share Delivery Date.

For so long as delivery of the Share Amount in respect of any Note is not practicable or permitted by reason of a Settlement Disruption Event, then in lieu of physical settlement and

notwithstanding any other provision hereof, the Issuer may elect in its sole discretion to satisfy its obligations in respect of each relevant Note by payment to the relevant Noteholder of the Disruption Cash Settlement Price on the third Currency Business Day following the date that notice of such election is given to the Noteholders in accordance with Condition 16 (*Notices*). Payment of the Disruption Cash Settlement Price will be made in such manner as shall be notified to the Noteholders in accordance with Condition 16 (*Notices*).

The Issuer shall give notice as soon as practicable to the Noteholders in accordance with Condition 16 (*Notices*) that a Settlement Disruption Event has occurred.

(iii) Aggregate Share Amount

The aggregate Share Amount to which a Noteholder may be entitled will be determined on the basis of the aggregate number of Notes which are the subject of the relevant Delivery Notice. The Issuer shall not be obliged to deliver a fraction of a Share but shall be obliged to account for the Fractional Cash Amount of any such fraction to the relevant Noteholder on the Maturity Date and the Share Amount to be delivered shall be rounded down to the next integral number of Shares.

(d) Prescription

Claims for payment of principal or delivery of any Share Amount in respect of the Notes shall become void upon the expiry of ten years from the Relevant Date in respect thereof or, in the case of delivery, from the Share Delivery Date.

5.2C Disrupted Days

- (a) *Unless Initial Averaging Dates or Averaging Dates are specified as applicable to the Initial Setting Date or the Valuation Date in the Pricing Supplement, the following provisions will apply to the Initial Setting Date or the Valuation Date (as the case may be) and these provisions shall in any case apply to Interim Valuation Dates and shall apply to Observation Dates unless there is an Observation Period and to the Valuation Date in respect of Reverse Convertible Notes and Physically Settled Notes:*

If the Calculation Agent determines that any Initial Setting Date, Interim Valuation Date, Observation Date or Valuation Date, is a Disrupted Day in respect of a Share, then the Initial Setting Date, Interim Valuation Date, Observation Date or Valuation Date, as the case may be, in respect of that Share will be the first succeeding Scheduled Trading Day that is not a Disrupted Day in respect of that Share, unless each of the eight Scheduled Trading Days immediately following the original date that, but for the determination by the Calculation Agent of the occurrence of a Disrupted Day, would have been such Initial Setting Date, Interim Valuation Date, Observation Date or Valuation Date, as the case may be, is a Disrupted Day. In that case, (i) that eighth Scheduled Trading Day will be deemed to be the Initial Setting Date, Interim Valuation Date, Observation Date or Valuation Date, as the case may be, in respect of that Share, notwithstanding the fact that such day is a Disrupted Day, and (ii) the Calculation Agent shall determine the price of one such Share as its good faith estimate of the price of one such Share that would have prevailed, but for the occurrence of a Disrupted Day, at the Valuation Time on that eighth Scheduled Trading Day.

- (b) *If Initial Averaging Dates or Averaging Dates are specified as applicable in the Pricing Supplement, then the following provisions will apply in relation thereto and, if*

an Observation Period is specified as applicable in the Pricing Supplement, the following provisions will apply in relation to the Observation Dates:

If the Calculation Agent determines that an Initial Averaging Date, Averaging Date or Observation Date is a Disrupted Day in respect of a Share and if, under "Initial Averaging Date Disrupted Day", "Averaging Date Disrupted Day" or "Observation Date Disrupted Day" (as the case may be) in the Pricing Supplement, the consequence specified is:

- (i) **"Omission"**, then such Initial Averaging Date, Averaging Date or Observation Date (as the case may be) will be deemed not to be a relevant Initial Averaging Date, Averaging Date or Observation Date (as the case may be) for the purposes of determining the relevant Redemption Amount, **provided that**, if through the operation of this provision there would not be an Initial Averaging Date, Averaging Date or Observation Date (as the case may be) then Condition 5.2C(a) will apply *mutatis mutandis* for the purposes of determining the relevant price or amount on the final Initial Averaging Date, final Averaging Date or final Observation Date, as the case may be;
- (ii) **"Postponement"**, then Condition 5.2C(a) will apply *mutatis mutandis* for purposes of determining the relevant price or amount on that Initial Averaging Date, Averaging Date or Observation Date (as the case may be) irrespective of whether, pursuant to such determination, that deferred Initial Averaging Date, Averaging Date or Observation Date (as the case may be) would fall on a day that already is or is deemed to be an Initial Averaging Date, Averaging Date or Observation Date (as the case may be) in respect of that Share; or
- (iii) **"Modified Postponement"**, then the Initial Averaging Date, Averaging Date or Observation Date (as the case may be) shall be the first succeeding Valid Date. If the first succeeding Valid Date has not occurred as of the Valuation Time on the eighth Scheduled Trading Day immediately following the original date that, but for the occurrence of another Initial Averaging Date, Averaging Date, Observation Date or Disrupted Day in respect of that Share, would have been the final Initial Averaging Date, final Averaging Date or final Observation Date, as the case may be, then (A) that eighth Scheduled Trading Day shall be deemed the Initial Averaging Date, Averaging Date or Observation Date (as the case may be) in respect of that Share (irrespective of whether that eighth Scheduled Trading Day is already an Initial Averaging Date, Averaging Date or Observation Date (as the case may be)), and (B) the Calculation Agent shall determine the relevant price for that Initial Averaging Date, Averaging Date or Observation Date (as the case may be) with its good faith estimate of the Exchange traded price for the relevant Share that would have prevailed, but for the occurrence of a Disrupted Day, at the Valuation Time on that eighth Scheduled Trading Day.

"Valid Date", means a Scheduled Trading Day which the Calculation Agent determines is not a Disrupted Day and on which another Initial Averaging Date, Averaging Date or Observation Date (as the case may be) does not or is not deemed to occur.

5.2D Adjustments

- (a) *Adjustments*

Following the declaration by any Share Issuer of a Potential Adjustment Event (as defined below) or following any adjustment to the settlement terms of listed contracts on the relevant Shares traded on a Related Exchange, the Calculation Agent will determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the relevant Shares and, if so, will (i) make the corresponding adjustment, if any, to the calculation of the Final Redemption Amount and/or any other relevant terms as the Calculation Agent determines, in its absolute discretion, appropriate to account for that diluting or concentrative effect including in the case of a Share Basket Note, if Share Substitution is specified as applicable in the Pricing Supplement and the Issuer so determines in its absolute discretion, the replacement of the relevant Share Issuer and its Shares as provided in Condition 5.2F (*Share Substitution*) and (ii) determine the effective date(s) of the adjustment(s). In that case, such adjustments shall be deemed to be so made from such date(s).

The Calculation Agent may (but need not) in its absolute discretion determine the appropriate adjustments by reference to the adjustment(s) in respect of such Potential Adjustment Event made by any Related Exchange to listed contracts on the relevant Shares traded on such Related Exchange.

For the purposes hereof:

"Potential Adjustment Event" means with respect to any Share Issuer, any of the following:

- (A) a subdivision, consolidation or reclassification of relevant Shares (unless resulting in a Merger Event), or a free distribution or dividend of any Shares to existing holders by way of bonus, capitalisation or similar issue;

None of the Issuer or the Calculation Agent shall have any responsibility in respect of any error or omission or subsequent corrections made in the calculation or publication of an Official Settlement Price, whether caused by negligence or otherwise.

No adjustments under this Condition will affect the currency denomination of any payment obligation arising under the Notes.

In addition, following a Merger Event involving two or more Share Issuers, the Issuer may, in its absolute discretion, designate one or more of such Share Issuers as an Affected Share Issuer and select a Substitute Share Issuer in order to maintain the same number of Share Issuers as before the relevant Merger Event and, in the event of a demerger of a Share Issuer such that the holder of Shares in the relevant Share Issuer would thereby become the holder of Shares in two or more companies in place of the relevant Shares, the Issuer may, in its absolute discretion, following the declaration by the Share Issuer of the terms of such demerger, deem such Share Issuer an Affected Share Issuer."

"Trading Disruption" means, in respect of a Share, any suspension of or limitation imposed on trading (i) by the relevant Exchange or Related Exchange or otherwise and whether by reason of movements in price exceeding limits permitted by the relevant Exchange or Related Exchange or otherwise, or (ii) in futures or options contracts relating to the Share.

"Valid Date" is as defined in Condition 5.2C(b) (*Disrupted Days*).

"Valuation Date" means, in respect of a Share, either (a) subject as provided in Condition 5.2C (*Disrupted Days*), either the date specified as such in the Pricing Supplement or, if that day is not a Scheduled Trading Day for that Share, the next following day that is a Scheduled

Trading Day for that Share, or (b) if "Exchange-traded Price Valuation" is specified in the Pricing Supplement for that Share, the Valuation Date shall be the date specified as such in the Pricing Supplement **provided that** the Official Settlement Price is published on that day (irrespective of whether that day is a Disrupted Day) failing which the Valuation Date shall be determined as provided in (a) above.

"Valuation Time" means, in respect of a Share, the time specified as such in the Pricing Supplement or, if no such time is specified the close of trading on the relevant Exchange in relation to that Share or in either such case, such other time as the Calculation Agent may select in its absolute discretion and notify to Noteholders in accordance with Condition 15 (*Notices*). If the relevant Exchange closes prior to its Scheduled Closing Time and the specified Valuation Time is after the actual closing time for its regular trading session, then the Valuation Time shall be such actual closing time.

Terms defined in the "Terms and Conditions of the Notes" and/or the Pricing Supplement have the same meaning in this Equity Linked Derivatives Annex. In the event of any inconsistency between the Conditions and the Additional Conditions, the Additional Conditions will prevail. In the event of any inconsistency between the Pricing Supplement and the Conditions and the Additional Conditions, the Pricing Supplement will prevail.

CREDIT LINKED DERIVATIVES ANNEX

Where specified as applicable in any Final Terms relating to the issue of Notes under the Programme, the provisions of this Credit Linked Derivatives Annex shall apply to such Notes as if expressly set out in the relevant Final Terms.

1. Amendment to the Conditions

The following shall be inserted as Conditions 5.2A, 5.2B, 5.2C, 5.2D, 5.2E, 5.2F, 5.2G, 5.2H, 5.2I, 5.2J, 5.2K and 5.2L (together, the "**Additional Conditions**"):

5.2A Redemption

(a) *Redemption absent Satisfaction of Conditions to Settlement*

Unless previously redeemed, purchased and/or cancelled and notwithstanding Condition 5.1 (*Final Redemption*):

- (I) if 'Amortising Reference Obligation' is specified as applicable in the relevant Final Terms and the Conditions to Settlement have not been satisfied then, in respect of any Scheduled Instalment Date, the Issuer shall redeem each Note in part at the corresponding Instalment Redemption Amount (together with interest, if any, accrued to such Scheduled Instalment Date) on:
 - (i) such Scheduled Instalment Date; or
 - (ii) the Delayed Instalment Date, if the Calculation Agent determines a Potential Credit Event has occurred; and
- (II) if the Conditions to Settlement have not been satisfied, the Issuer shall redeem the Notes at the Final Redemption Amount of each Note (together with interest, if any, accrued to the Scheduled Termination Date) on:
 - (i) the Scheduled Termination Date; or
 - (ii) the Termination Date, if the Calculation Agent determines a Potential Credit Event has occurred, or
- (III) if "Cash Settlement at Maturity" is specified as applicable in the relevant Final Terms, the Final Redemption Amount will be equal to the Cash Settlement Amount determined in accordance with Condition 5.2F.

(b) *Redemption following Satisfaction of Conditions to Settlement*

Unless previously redeemed, purchased and/or cancelled, upon satisfaction of the Conditions to Settlement or upon the occurrence of a Trigger Event, no further amounts in respect of interest or principal will become due or payable and interest will cease to accrue in respect of the Notes with effect from the immediately preceding Interest Payment Date (or, if none, the Interest Commencement Date) and the Issuer will instead redeem the Notes:

- (i) if Auction Settlement applies, in accordance with Condition 5.2E (*Auction Settlement*), unless a Fallback Settlement Event occurs, in which event the

Issuer will instead redeem the Notes in accordance with the applicable Fallback Settlement Method;

- (ii) if Cash Settlement applies, in accordance with Condition 5.2F (*Cash Settlement*); or
- (iii) if Physical Settlement applies, in accordance with Condition 5.2G (*Physical Settlement*).

Upon discharge by the Issuer of such payment or delivery obligation on or by the relevant Settlement Date (or, if the Auction Settlement Amount or Cash Settlement Amount is zero, upon the occurrence of the Auction Settlement Date or Cash Settlement Date), or otherwise as provided herein, the Issuer's obligations in respect of the Notes shall be discharged.

5.2B Suspension of the Issuer's Payment Obligations in relation to a Potential Credit Event or a Credit Event Resolution Request Date

(a) *Potential Credit Events*

Where the Calculation Agent determines that a Potential Credit Event (including without limitation, a Potential Failure to Pay or Potential Repudiation/Moratorium) has occurred on or prior to the Scheduled Termination Date (or in the case of paragraph (d) of the definition of Potential Credit Event, on or prior to the last day of the Notice Delivery Period), no further payments shall become due hereunder (whether of principal or interest) unless the Calculation Agent determines that such Potential Credit Event is cured (a "**Cure Event**" or that the Conditions to Settlement have not been satisfied in accordance with Condition 5.2C (*Satisfaction of Conditions to Settlement*)) in which event any amounts which would have already fallen due but for this clause 5.2B(a) shall become payable (without any additional interest thereon) on or prior to the second Local Business Day after the date of such Cure Event and all other amounts shall remain payable in accordance with the Terms and Conditions of the Notes.

The Calculation Agent may give a Potential Credit Event Notice at any time specified in the definition of "**Potential Credit Event Notice**" (including after the occurrence of a Potential Credit Event) but failure to give a Potential Credit Event Notice shall not render invalid the determination of the Calculation Agent that a Potential Credit Event has occurred.

(b) *Settlement Suspension following Credit Event Resolution Request Date*

If, at any time after the delivery of a Credit Event Notice and, if applicable, a Notice of Publicly Available Information but prior to the Cash Settlement Date or Physical Settlement Date, a Credit Derivatives Determinations Committee is requested to determine whether a Credit Event has occurred or the date of occurrence of such Credit Event with respect to the Reference Entity in respect of which such Credit Event Notice has been served, the Issuer may elect (in its sole discretion) to suspend settlement of the Notes and if so, the timing requirements of Condition 5.2D (*Auction or Cash or Physical Settlement at the Issuer's Option*), Condition 5.2G(a) (*Delivery of Notice of Physical Settlement*), Condition 5.2G(b) (*Delivery on the Physical Settlement Date*), Condition 5.2G(c) (*Partial Cash Settlement following Extended*

Physical Settlement Date), the Cash Settlement Date, the Valuation Date, the Physical Settlement Period, the Physical Settlement Date, the Notice of Physical Settlement, the Extension Date, the Notice Delivery Period, as applicable, and any other provision in this Credit Linked Derivatives Annex that pertains to valuation or settlement, and any obligation of the Issuer to redeem any Note (including pursuant to Condition 5.2A (*Redemption*)) or pay any amount of interest which would otherwise be due thereon, shall, in each case insofar as they relate to the relevant Reference Entity, be and remain suspended until:

- (i) a DC Credit Event Announcement or a DC No Credit Event Announcement has occurred; or
- (ii) the Credit Derivatives Determinations Committee has Resolved not to determine whether a Credit Event has occurred or the date of occurrence of such Credit Event,

after which such suspension shall terminate and any obligations so suspended shall resume on the Business Day following public announcement by ISDA of (i) or (ii) above, with the Issuer having the benefit of the full day notwithstanding when the suspension began.

Any amount of interest so suspended shall, subject always to Condition 5.2A (*Redemption*), become due on the date designated by the Calculation Agent, in its sole discretion but not later than 15 Business Days following such public announcement by ISDA.

During the period of any suspension of settlement as contemplated herein, the Issuer shall not be obliged to take any action in connection with the settlement of the Notes, (to the extent only that the Notes relate to the relevant Reference Entity) and no interest shall accrue on any payment of interest or principal which is deferred in accordance with this Condition 5.2B(b).

5.2C Satisfaction of the Conditions to Settlement.

The "**Conditions to Settlement**" will be satisfied:

- (i) if, at any time during either:
 - (A) the Notice Delivery Period; or
 - (B) at the Issuer's option, the period (I) from, and including, the date on which ISDA publicly announces (1) that the relevant Credit Derivatives Determinations Committee has Resolved not to determine whether a Credit Event has occurred or the date of occurrence of such Credit Event or (2) the occurrence of a DC Credit Event Announcement (II) to, and including, the date that is 14 calendar days thereafter (**provided that** the relevant Credit Event Resolution Request Date occurred on or prior to the end of the last day of the Notice Delivery Period (including prior to the Trade Date)),

the Calculation Agent sends Noteholders a Credit Event Notice and (if (1) Notice of Publicly Available Information is specified as a Condition to

Settlement in the Final Terms, (2) where required by the Calculation Agent in its discretion, each Noteholder has provided to the Issuer a confidentiality undertaking in the form (if any) required by the Calculation Agent, and (3) no DC Credit Event Announcement has occurred) a Notice of Publicly Available Information; or

- (ii) if a DC Credit Event Announcement occurs (**provided that** the Issuer may in its sole discretion determine that any DC Credit Event Announcement does not fulfil the Conditions to Settlement for the purposes of any Notes).

The Issuer will not be obliged to send such notices or to redeem the Notes following any occurrence or event which would otherwise permit it to do so. The date on which the Conditions to Settlement have been satisfied (or, at the Issuer's option in the case of a DC Credit Event Announcement, the Credit Event Resolution Request Date) is the "**Event Determination Date**".

If, pursuant to the above, different Event Determination Dates have been determined with respect to different portions of the relevant Reference Entity Notional Amount or an Event Determination Date has been determined with respect to only a portion of the Reference Entity Notional Amount, the provisions of this Credit Linked Derivatives Annex shall, with effect from each such Event Determination Date, be deemed to apply separately to an aggregate outstanding principal amount of the Notes equal to each such portion and all the provisions hereof shall be construed accordingly with such modifications as the Calculation Agent shall determine are required in order to preserve the economic effects of the Notes considered in aggregate.

5.2D Auction or Cash or Physical Settlement at the Issuer's Option

If the Final Terms specify that "**Settlement Method at Issuer Option**" is applicable, on or before the 30th calendar day (subject to adjustment in accordance with the Following Business Day Convention) after the Event Determination Date, the Calculation Agent shall notify the Noteholders whether the Notes will redeem in accordance with Condition 5.2E (*Auction Settlement*), Condition 5.2F (*Cash Settlement*) or Condition 5.2G (*Physical Settlement*) (in each case, if specified as applicable for election in the Final Terms).

Notwithstanding the foregoing, if at any time after notification by the Calculation Agent that the Notes will redeem in accordance with Condition 5.2F (*Cash Settlement*) or Condition 5.2G (*Physical Settlement*) but prior to the Cash Settlement Date or Physical Settlement Date, a Credit Derivatives Determinations Committee is requested to determine whether a Credit Event has occurred or the date of occurrence of such Credit Event with respect to the Reference Entity in respect of which a Credit Event Notice has been served, the Calculation Agent may, at the Issuer's option, notify the Noteholders at any time that such notification is revoked and the Notes will instead redeem in accordance with Condition 5.2E (*Auction Settlement*).

If Auction Settlement applies and the Final Terms specify that "**Fallback Settlement Method at Issuer Option**" is applicable, on or before the 30th calendar day (subject to adjustment in accordance with the Following Business Day Convention) after the Event Determination Date, the Calculation Agent shall notify the Noteholders

whether the Fallback Settlement Method will be Cash Settlement or Physical Settlement.

Such notification(s) may be substantially in the form in the relevant Appendix hereto, contained within the Credit Event Notice or Notice of Publicly Available Information or in such other form as the Issuer or the Calculation Agent may determine from time to time.

5.2E Auction Settlement

(a) *Auction Settlement*

If Auction Settlement applies, on the Auction Settlement Date the Issuer shall redeem each Note, upon presentation and surrender of the same in accordance with Condition 6, by payment of the Auction Settlement Amount.

(b) *Auction Settlement Amount*

The "**Auction Settlement Amount**" in respect of each Note shall be:

- (i) the amount specified as such in the Final Terms; or
- (ii) if no such amount is specified, an amount determined by the Calculation Agent to be the greater of (a) zero and (b) the product of (I) the outstanding principal amount of such Note divided by the aggregate outstanding principal amount of the Notes, (II) the Reference Entity Notional Amount in respect of the relevant Reference Entity, and (III) the relevant Auction Final Price or, if so determined by the Issuer in its sole discretion, a Parallel Auction Final Price.

In each case the Auction Settlement Amount shall be reduced by the value of the Break Costs.

5.2F Cash Settlement

(c) *Cash Settlement*

If Cash Settlement applies, subject to Condition 5.2B(b) (*Settlement Suspension following Credit Event Resolution Request Date*), on the Cash Settlement Date the Issuer shall redeem each Note, upon presentation and surrender of the same in accordance with Condition 6 (*Payments*), by payment of the Cash Settlement Amount.

(d) *Cash Settlement Amount*

The "**Cash Settlement Amount**" in respect of each Note shall be:

- (i) the amount specified as such in the Final Terms; or,
- (ii) if no such amount is specified, an amount determined by the Calculation Agent to be the greater of (a) zero and (b) the product of (I) the outstanding principal amount of such Note divided by the aggregate outstanding principal amount of the Notes, (II) the Reference Entity Notional Amount in respect of the relevant Reference Entity (or, as the case may be, the outstanding principal balance in

respect of the relevant Valuation Obligation or Deliverable Obligation thereof), and (III) the relevant Final Price or, if the Calculation Agent selects more than one Valuation Obligation with respect to a Reference Entity, the relevant Weighted Average Final Price.

In each case the Cash Settlement Amount shall be reduced by the value of the Break Costs.

(e) *Final Price*

The "**Final Price**" shall be the Market Value of the relevant Valuation Obligations or Deliverable Obligations as determined by the Calculation Agent in accordance with the provisions below:

- (i) the Calculation Agent shall attempt to obtain Full Quotations with respect to the Valuation Date from three Dealers. If at least two such Full Quotations are not available on the Valuation Date, then on the next following Business Day (and, if necessary, on each Business Day thereafter until the fifth Business Day following the Valuation Date) the Calculation Agent shall attempt to obtain Full Quotations from three Dealers and, if at least two Full Quotations are not available, a Weighted Average Quotation;
- (ii) if the Calculation Agent is unable to obtain at least two Full Quotations or a Weighted Average Quotation on the same Business Day on or prior to the fifth Business Day following the applicable Valuation Date the Quotations shall be deemed to be zero; and
- (iii) the Market Value of the relevant Valuation Obligations or Deliverable Obligations shall be: (A) if at least two Full Quotations are obtained, the highest Full Quotation; (B) if only a Weighted Average Quotation is obtained, such Weighted Average Quotation; and (C) if the Quotations are deemed to be zero, the Calculation Agent shall determine the Market Value in good faith in its absolute discretion and this may result in the Market Value being zero.

If the Conversion Date has occurred in respect of the Valuation Obligation, all references to the Final Price shall be replaced with the result, expressed as a percentage, obtained by dividing the product of:

- (A) the number of Underlying Shares deliverable in accordance with the terms of the Valuation Obligation in respect of the minimum liquidation preference or denomination of the Reference Obligation and
- (B) the Final Price for each Underlying Share, as determined in accordance with Section 5.9(b) of the ISDA 2002 equity derivative definitions on the basis that the Valuation Date will be the date so determined by the Calculation Agent,

by

the minimum liquidation preference or denomination of the Reference Obligation.

"**Conversion Date**" means the date on which the Reference Obligation is required to be converted into Underlying Shares in accordance with its terms;

"Underlying Share" means the shares into which the Reference Obligation is convertible, upon occurrence of the relevant conversion event specified in the terms of the Reference Obligation.

5.2G Physical Settlement

(f) *Delivery of Notice of Physical Settlement*

If Physical Settlement applies, the Calculation Agent will use reasonable endeavours to deliver to the Noteholders a Notice of Physical Settlement on or before:

- (i) subject to paragraph (ii) below, the later of:
 - (A) the 30th calendar day (subject to adjustment in accordance with the Following Business Day Convention) after the Event Determination Date, subject, where applicable, to Condition 5.2B(b) (*Settlement Suspension following Credit Event Resolution Request Date*); or
 - (B) at the Issuer's option, the 10th calendar day after (I) the date on which ISDA publicly announces that the relevant Credit Derivatives Determinations Committee has Resolved not to determine whether a Credit Event has occurred or the date of occurrence of such Credit Event or (II) the date of the relevant DC Credit Event Announcement, if any; or
- (ii) if so determined by the Issuer in its sole discretion, the (A) 30th calendar day after an Auction Cancellation Date or No Auction Announcement Date or (B) the Relevant City Business Day immediately following the later of the Parallel Auction Final Price Determination Date, if any (or, if more than one should occur, the last Parallel Auction Final Price Determination Date), and the Parallel Auction Cancellation Date, if any (or, if more than one should occur, the last Parallel Auction Cancellation Date).

For the purposes of determining whether a Notice of Physical Settlement has been delivered, the effective date of delivery of the first Notice of Physical Settlement (whether or not subsequently re-issued or changed) shall be used.

(g) *Delivery on the Physical Settlement Date*

If Physical Settlement applies, the Issuer shall use reasonable efforts, subject to Condition 5.2G(e) (*Asset Transfer Notice*), to Deliver to each Noteholder or to the Noteholder's order the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations. In the event that the Issuer, for any reason whatsoever (other than as a result of an event or circumstance contemplated in Condition 5.2G(g) (*Partial Cash Settlement due to impossibility, impracticability or illegality*)), does not affect Delivery of all or a portion of the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations to any Noteholder by the Physical Settlement Date, such failure shall not constitute an Event of Default and the Issuer may continue to attempt such Delivery until the Extended Physical Settlement Date.

(h) *Partial Cash Settlement following Extended Physical Settlement Date*

If, as at the relevant Extended Physical Settlement Date, any such Deliverable Obligations have not been Delivered, then, subject to Condition 5.2G(e) (*Asset Transfer Notice*) and Condition 5.2G(g) (*Partial Cash Settlement due to impossibility, impracticability or illegality*), Partial Cash Settlement shall apply with respect to such Deliverable Obligations and the Issuer shall pay to the relevant Noteholders an amount equal to the Partial Cash Settlement Amount to be apportioned *pro rata* amongst the relevant Noteholders on the Partial Cash Settlement Date.

"Extended Physical Settlement Date" means such date as the Calculation Agent may determine in its absolute discretion, **provided that** such date falls no later than the 180th calendar day following the Physical Settlement Date or, in the absence of such determination, such 180th calendar day.

(i) *Delivery*

To "Deliver" the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations pursuant to Condition 5.2G (*Physical Settlement*) means to deliver, novate, transfer (including in the case of a Guarantee, transfer of the benefit of the Guarantee), assign or sell, as appropriate, in the manner customary for the settlement of the applicable Deliverable Obligations, in order to convey all right, title (or, with respect to Deliverable Obligations where only equitable title is customarily conveyed, all equitable title) and interest in the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations specified in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable, to the Noteholder or its designated nominee free and clear of any and all liens, charges, claims or encumbrances (excluding any liens routinely imposed on all securities in a relevant clearance system, but including without limitation any counterclaim, defence (other than a counterclaim or defence based on the factors set forth in paragraphs (a) to (d) (inclusive) of the definition of "**Credit Event**" or right of set-off by or of the Reference Entity or as applicable an Underlying Obligor); **provided that** (A) if a Deliverable Obligation is a Direct Loan Participation, "**Deliver**" means to create (or procure the creation of) a participation in favour of the relevant Noteholder or its designated nominee and (B) if a Deliverable Obligation is a Guarantee, "**Deliver**" shall mean to Deliver both the Guarantee and the Underlying Obligation, **provided further that** if the Guarantee has a Fixed Cap, (X) "**Deliver**" means to Deliver the Underlying Obligation, the Guarantee and all claims to any amounts which are subject to such Fixed Cap and (Y) those claims shall be deemed to be Deliverable Obligations. "**Delivery**" and "**Delivered**" shall be construed accordingly.

In the case of a Loan, Delivery may, at the option of the Issuer, be effected by granting a participation in all or part of the Loan or such other arrangement or using documentation specified by the Calculation Agent for such purpose. Each Noteholder agrees to comply, for the purposes of the Notes, with the provisions of any such documentation. Each Noteholder is deemed to further agree, that compliance by the Issuer with the provisions of any such documentation shall, without further action, constitute, Delivery for the purposes of this definition (to the extent that such documentation contains provisions describing how Delivery should be effected) and no Noteholder shall be permitted to request that the Issuer take nor shall the Issuer be required to take, any action or make any payment in connection with such Delivery, as applicable.

If Asset Package Delivery applies, (i) Delivery of a Prior Deliverable Obligation or a Package Observable Bond specified in the Notice of Physical Settlement or NOPS Amendment Notice, as applicable, may be satisfied by Delivery of the related Asset Package, and such Asset Package shall be treated as having the same currency, Outstanding Principal Balance or Due and Payable Amount, as applicable, as the Prior Deliverable Obligation or Package Observable Bond to which it corresponds had immediately prior to the Asset Package Credit Event, (ii) each Asset in the Asset Package shall be Delivered **provided that** if any such Asset is not a Bond, it shall be treated as if it were a Loan for these purposes, (iii) if the Asset Package is zero, the Outstanding Amount of the Prior Deliverable Obligation or Package Observable Bond shall be deemed to have been Delivered in full three Business Days following the date on which the Calculation Agent has notified the Noteholders of the detailed description of the Asset Package that the Issuer shall Deliver in the Notice of Physical Settlement, (iv) the Issuer may satisfy its obligation to make Delivery of the Prior Deliverable Obligation or Package Observable Bond in part by Delivery of each Asset in the Asset Package in the correct proportion and (v) if the relevant Asset is a Non-Transferable Instrument or Non-Financial Instrument, the Asset shall be deemed to be an amount of cash equal to the Asset Market Value.

(j) *Asset Transfer Notice*

In order to obtain Delivery of the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations each Noteholder must deliver to the Issuer or the Registrar (if different) within five Business Days of the date of delivery of the Notice of Physical Settlement or, if there is any NOPS Amendment Notice, the most recent NOPS Amendment Notice (the "**Cut-Off Date**"), a duly completed Asset Transfer Notice in accordance with Condition 5.2G(f) (*Asset Transfer Notice Requirements*) and, in the case of a holding of a Definitive Note or Registered Note, the Note (which expression shall, for the purposes of this Condition 5.2G(e), include Certificate(s), Receipts(s) and, if applicable, all unmatured Coupons and unmatured and unexchanged Talons, in accordance with the provisions of Condition 6.6 (*Unmatured Coupons and Receipts and Unexchanged Talons*)). In the event that the Note is represented by a Global Note, an Asset Transfer Notice must be delivered to the Issuer via the relevant Clearing System, by such method of delivery as the relevant Clearing System shall have approved.

After delivery of an Asset Transfer Notice, no transfers of the Notes specified therein which are represented by a Global Note will be effected by any relevant Clearing System and no transfers of Registered Notes specified therein will be effected by the Registrar.

Upon receipt of a duly completed Asset Transfer Notice and, in the case of Definitive Notes or Registered Notes, the Note to which such notice relates, the Issuer, any relevant Clearing System or the Registrar, as the case may be, shall verify that the person specified therein as the accountholder or registered holder, as the case may be, is the Holder of the Note referred to therein according to its books or the Register, as the case may be.

Subject as provided herein, in relation to each Note, the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations will be Delivered to the relevant Noteholder at the risk of such Noteholder.

If the Asset Transfer Notice and (with respect to Definitive Notes and Registered Notes) the relevant Note are delivered to the Issuer later than close of business in London on the Cut-Off Date, then the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations will be Delivered as soon as practicable after the date on which Delivery of the same would otherwise be made, at the risk of such Noteholder in the manner provided above. For the avoidance of doubt, such Noteholder shall not be entitled to any payment or to other assets, whether in respect of interest or otherwise, in the event of the Delivery of the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations taking place after the date on which Delivery of the same would otherwise be made pursuant to the provisions of this Condition 5.2G (*Physical Settlement*) or otherwise due to circumstances beyond the control of the Issuer.

If any Noteholder fails to deliver an Asset Transfer Notice in the manner set out herein or delivers an Asset Transfer Notice on any day falling after the day that is 180 calendar days after the date of delivery of the Notice of Physical Settlement or, in the case of Definitive Notes or Registered Notes, fails to deliver the Note related thereto or fails to pay the Delivery Expenses as referred to in Condition 5.2G(i) (*Costs and Expenses*), the Issuer shall be discharged from its obligations in respect of such Note and shall have no further obligation or liability whatsoever in respect thereof.

Until Delivery of the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations is made to the relevant Noteholder, the Issuer or any person holding such assets on behalf of the Issuer shall continue to be the legal owner of those assets. None of the Issuer and any such other person shall (i) be under any obligation to deliver or procure delivery to such Noteholder or any subsequent transferee any letter, certificate, notice, circular or any other document or payment whatsoever received by that person in its capacity as the holder of such assets, (ii) be under any obligation to exercise or procure the exercise of any or all rights (including voting rights) attaching or appertaining to such assets until the date of Delivery or (iii) be under any liability to such Noteholder or subsequent transferee for any loss, liability, damage, cost or expense that such Noteholder or subsequent transferee may sustain or suffer as a result, whether directly or indirectly, of that person not being the legal owner of such assets until the date of Delivery. For the avoidance of doubt, each Noteholder further acknowledges and agrees that the terms of any Deliverable Obligation may be subject to amendment by the Issuer, the Calculation Agent or the parties thereto prior to Delivery or otherwise.

(k) *Asset Transfer Notice Requirements*

An Asset Transfer Notice is irrevocable and must:

- (i) specify the account details and name of the person to whom Delivery of the Relevant Proportion of the Deliverable Amount of the Deliverable Obligation is to be made;
- (ii) specify the number of Notes which are the subject of such notice;
- (iii) in the event such Notes are represented by a Global Note:
 - (A) specify the number of the Noteholder's account at the relevant Clearing System to be debited with such Notes; and

- (B) irrevocably instruct and authorise the relevant Clearing System to debit the relevant Noteholder's account with such Notes on the due date for redemption of the Notes;
- (iv) in the event that such Notes are Registered Notes, irrevocably instruct and authorise the Registrar to effect the transfer of the relevant Notes;
- (v) authorise the production of such notice in any applicable administrative or legal proceedings;
- (vi) authorise the Issuer to deduct from the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations to be delivered in accordance with such notice, the Delivery Expenses as referred to in Condition 5.2G(i) (*Costs and Expenses*) below; and
- (vii) must be in the form in the relevant Appendix hereto with any amendments as determined by the Issuer or the Calculation Agent from time to time or in such other form made available by the Issuer or the Calculation Agent from time to time.

Failure properly to complete and deliver an Asset Transfer Notice and, in the case of Definitive Notes or Registered Notes, to deliver the relevant Note, may result in such notice being treated as null and void. Any determination as to whether such notice has been properly completed and delivered as provided in these Conditions shall be made by the Issuer in its sole and absolute discretion and shall be conclusive and binding on the relevant Noteholder.

(I) *Partial Cash Settlement due to impossibility, impracticability or illegality*

- (i) If due to an event beyond the control of the Issuer it is impossible, impracticable or illegal for the Issuer to Deliver, or due to an event beyond the control of any Noteholder or its designated nominee, it is impossible or illegal for such Noteholder to accept Delivery of, all or a portion of the Deliverable Amount of any of the Deliverable Obligations by the Physical Settlement Date (including, without limitation, failure of the relevant Clearing System or due to any law, regulation or court order, but not including market conditions or failure to obtain any requisite consent with respect to the Delivery of Loans) then by such date the Issuer or, as the case may be, the Noteholder shall provide a description in reasonable detail of the facts giving rise to such impossibility, impracticability or illegality and the Issuer shall Deliver and such Noteholder or its designated nominee shall take Delivery of that portion (if any) of the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations for which it is possible, practicable and legal to take Delivery. As soon as possible thereafter, the Issuer shall Deliver and such Noteholder, its originally designated nominee or any new designated nominee shall take Delivery of the remaining portion of the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations.
- (ii) If following the occurrence of any impossibility, impracticability or illegality referred to in (i) above, all or a portion of the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations is not Delivered on or prior to the Latest Permissible Physical Settlement Date, then Partial Cash

Settlement pursuant to Condition 5.2G(g)(iii) shall be deemed to apply with respect to that portion of the Deliverable Amount of the Deliverable Obligations that cannot be Delivered for the reasons specified above (and/or, together with any other Deliverable Obligation which have not been delivered under Condition 5.2G(c) (*Partial Cash Settlement following Extended Physical Settlement Date*), the "**Undeliverable Obligations**").

- (iii) On the Partial Cash Settlement Date, the Issuer shall pay to the relevant Noteholders the Partial Cash Settlement Amount to be apportioned *pro rata* amongst the relevant Noteholders and upon discharge by the Issuer of such payment obligation on the Partial Cash Settlement Date, the Issuer's obligations in respect of the relevant Note shall be discharged.

(m) *Fractional Entitlement*

If the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations comprises less than a multiple of a whole number of the Deliverable Obligations at the relevant time, then (i) the Issuer shall not Deliver and the relevant Noteholder shall not be entitled to receive in respect of its Notes that fraction of an asset which is less than a whole number (the "**Fractional Entitlement**") and (ii) the Issuer shall pay to the relevant Noteholder a cash amount (to be paid at the same time as Delivery of the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations) equal to the value (as determined by the Calculation Agent) of such Fractional Entitlement.

(n) *Costs and expenses*

- (i) The costs and expenses (the "**Delivery Expenses**") of effecting any delivery of the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations (except for the expenses of delivery by uninsured regular mail (if any), which shall be borne by the Issuer) shall be borne by the Noteholder and shall at the option of each Noteholder as specified in the Asset Transfer Notice either be:
 - (A) paid to the Issuer by such Noteholder prior to the Delivery of the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations (and, for the avoidance of doubt, the Issuer shall not be required to Deliver any portion of the Deliverable Amount of the Deliverable Obligations to such Noteholder until it has received such payment); or
 - (B) deducted by the Issuer from the amount which may be payable to such Noteholder, in accordance with Condition 5.2G(h) (Fractional Entitlement).
- (ii) If there is not a cash amount owing to a Noteholder sufficient to cover the Delivery Expenses, the Issuer may convert such amount of the Relevant Proportion of the Deliverable Amount of the Deliverable Obligations into cash sufficient to cover the Delivery Expenses in respect of such Note from which the Issuer shall deduct such Delivery Expenses. Each Note will then be redeemed by delivery of the remaining portion of the Deliverable Amount of the Deliverable Obligations in respect of such Note and, if applicable, payment

of a cash amount in respect of any Fractional Entitlement arising, together with any other amounts to which such Noteholder is entitled upon redemption of such Note.

(o) *No Obligation to Register Noteholder*

The Issuer shall not be under any obligation to register or procure the registration of any Noteholder or any other person as the registered holder of any of the Deliverable Obligations to be delivered in the register of members or holders of debt securities of any company whose securities form part of the Deliverable Obligations. The Issuer shall not be obliged to account to any Noteholder for any entitlement received or receivable in respect of any of the Deliverable Obligations to be delivered if the date on which such are first traded ex such entitlement is on or prior to the date of Delivery. The Issuer shall determine, in its sole and absolute discretion, the date on which such assets are so first traded ex any such entitlement.

"Trigger Level" means the level specified in the relevant Final Terms.

"Transferable" means an obligation that is transferable to institutional investors without any contractual, statutory or regulatory restriction **provided that** none of the following shall be considered contractual, statutory or regulatory restrictions:

- (a) contractual, statutory or regulatory restrictions that provide for eligibility for resale pursuant to Rule 144A or Regulation S promulgated under the United States Securities Act of 1933, as amended (and any contractual, statutory or regulatory restrictions promulgated under the laws of any jurisdiction having a similar effect in relation to the eligibility for resale of an obligation);

- (b) restrictions on permitted investments such as statutory or regulatory investment restrictions on insurance companies and pension funds; or
- (c) restrictions in respect of blocked periods on or around payment dates or voting periods;

"Underlying Obligation" means, with respect to a guarantee, the obligation which is the subject of the guarantee;

"Underlying Obligor" means, with respect to an Underlying Obligation, the issuer in the case of a Bond, the borrower in the case of a Loan, or the principal obligor in the case of any other Underlying Obligation;

"Valuation Date" means:

- (v) any date as selected by the Calculation Agent in its sole discretion that is no later than 122 Business Days after: (i) the Event Determination Date or (ii) Auction Cancellation Date or (iii) No Auction Announcement Date or (iv) if "Cash Settlement at Maturity" is specified in the Final Terms, Scheduled Termination Date or Trigger Event Date, as the case may be; or
- (vi) if Partial Cash Settlement applies, any date as selected by the Calculation Agent in its sole discretion that is no later than 15 Business Days after the Latest Permissible Physical Settlement Date or, as applicable, the Extended Physical Settlement Date;

"Valuation Obligation" means in respect of a Reference Entity, and unless otherwise specified in the relevant Final Terms notwithstanding anything to the contrary in this Credit Linked Derivatives Annex, one or more obligations of such Reference Entity (either directly or as provider of a Qualifying Guarantee or, as the case may be, Qualifying Affiliate Guarantee), which would constitute a "Deliverable Obligation" if Physical Settlement were the applicable Settlement Method as selected by the Calculation Agent in its sole and absolute discretion on the applicable Valuation Date, **provided that**, for such purpose:

- (a) any reference to the words "Delivery Date" in the definitions of Conditionally Transferable Obligation, Deliverable Obligation, within any of the terms comprising Deliverable Obligation Category or Deliverable Obligation Characteristic and Due and Payable Amount shall be deemed to be a reference to the words "relevant Valuation Date";
- (b) the deletion of the words "being Delivered" in the definition of "Deliverable Obligation"; and
- (c) the deletion of the whole of the second paragraph within the definition of "Not Contingent" and replacing it with the following:

"If an Obligation is a Convertible Obligation or an Exchangeable Obligation, then such Obligation may only be selected as a Valuation Obligation if the rights referred to in (A) and (B) above have not been exercised (or such exercise has been effectively rescinded) on or before the relevant Valuation Date."

For the avoidance of doubt, the use of Deliverable Obligation terms in the definition of "**Valuation Obligation**" is for convenience only and is not intended to amend the selected settlement method.

If the Calculation Agent selects more than one Valuation Obligation with respect to a Reference Entity, then the Calculation Agent shall in its sole and absolute discretion apportion to each such Valuation Obligation an outstanding principal balance (or the equivalent in the Specified Currency thereof converted at the foreign exchange rate prevailing on any date from (and including) the Event Determination Date to and (including) the Valuation Date, as selected by the Calculation Agent in its discretion), which in aggregate shall not exceed the relevant Reference Entity Notional Amount;

"Valuation Time" means the time specified as such in the Final Terms or if no such time is specified, 11:00 a.m. in London;

"Voting Shares" means the shares or other interests that have the power to elect the board of directors or similar governing body of an entity;

"Weighted Average Final Price" means the weighted average of the Final Prices determined for each selected Valuation Obligation of the relevant Reference Entity, weighted by the outstanding principal balance of each such Valuation Obligation;

"Weighted Average Quotation" means, in accordance with the Quotation Method, the weighted average of firm quotations obtained from Dealers at the Valuation Time, to the extent reasonably practicable, each for an amount of any Valuation Obligation or Deliverable Obligation with an Outstanding Principal Balance or Due and Payable Amount, as applicable, of as large a size as available but less than the Quotation Amount (but of a size equal to the Minimum Quotation) that in the aggregate are approximately equal to the Quotation Amount; and

Terms defined in the "Terms and Conditions of the Notes" and/or the Final Terms have the same meaning in this Credit Linked Derivatives Annex. In the event of any inconsistency between the Conditions and the Additional Conditions, the Additional Conditions will prevail. In the event of any inconsistency between the Final Terms and the Conditions and the Additional Conditions, the Final Terms will prevail.

DESCRIPTION OF AUCTION SETTLEMENT TERMS

If an Event Determination Date occurs with respect to the Notes and Auction Settlement applies, the Auction Settlement Amount with respect to the Notes will be calculated based on an Auction Final Price or Parallel Auction Final Price for the Reference Entity (if any). This description contains a summary of certain provisions of the Form of Credit Derivatives Auction Settlement Terms set forth at Annex B to the 2009 ISDA Credit Derivatives Determinations Committees and Auction Settlement Supplement to the 2003 ISDA Credit Derivatives Definitions, published by the International Swaps and Derivatives Association, Inc. ("**ISDA**") on 12 March 2009 (the "**Form of Auction Settlement Terms**") and is qualified by reference to the detailed provisions thereof and is subject to amendment from time to time in accordance with the Rules, including any amendment following the 2009 ISDA Credit Derivatives Determinations Committees, Auction Settlement and Restructuring Supplement dated 14 July 2009, as published by ISDA. The following does not purport to be complete and prospective investors must refer to the Form of Auction Settlement Terms for detailed information regarding the auction methodology set forth therein (the "**Auction Methodology**"). The Auction and the Auction Methodology apply to credit default swaps on the Reference Entity and do not apply specifically to the Notes. A copy of the Form of Auction Settlement Terms may be inspected at the offices of the Issuer and is also currently available at www.isda.org.

Investors should be aware that this summary of the Form of Auction Settlement Terms is accurate only as of the date hereof and the Form of Auction Settlement Terms may be amended from time to time without consultation with investors. At any time after the date of this memorandum, the latest Form of Auction Settlement Terms will be available on the ISDA website at www.isda.org (or any successor website thereto). Further, notwithstanding the fact that the Form of Auction Settlement Terms (as may be amended from time to time) appears on the ISDA website, investors should note that the Credit Derivatives Determinations Committees have the power to amend the form of Credit Derivatives Auction Settlement Terms for a particular auction and that this summary may therefore not be accurate in all cases.

Capitalized terms used but not defined in this summary have the meaning specified in the Rules and the Form of Auction Settlement Terms. All times of day in this summary refer to such times in London.

Publication of Credit Derivatives Auction Settlement Terms

Pursuant to the Credit Derivatives Determinations Committees Rules set forth in Annex A to the 2009 ISDA Credit Derivatives Determinations Committees and Auction Settlement Supplement to the 2003 ISDA Credit Derivatives Definitions (published on March 12, 2009) (the "**Rules**"), a Credit Derivatives Determinations Committee may determine that a Credit Event has occurred in respect of a Reference Entity (such entity, an "**Affected Reference Entity**") and that one or more auctions will be held in order to settle affected Auction Covered Transactions referencing such Affected Reference Entity based upon an Auction Final Price determined according to an auction procedure set forth in the Form of Auction Settlement Terms (each, an "**Auction**"). If an Auction is to be held, the Credit Derivatives Determinations Committee will publish Credit Derivatives Auction Settlement Terms in respect of the relevant Affected Reference Entity, based upon the Form of Auction Settlement Terms. In doing so, the Credit Derivatives Determinations Committee will make several related determinations, including the date on which the Auction will be held (the "**Auction**").

Date"), the institutions that will act as participating bidders in the Auction (the **"Participating Bidders"**) and the supplemental terms that are detailed in Schedule 1 to the Form of Auction Settlement Terms. The Credit Derivatives Determinations Committee may also amend the Form of Auction Settlement Terms for a particular auction and may determine that a public comment period is necessary in order to effect such an amendment if such amendment is not contemplated by the Rules.

"Auction Covered Transactions" are credit derivative transactions referencing the Affected Reference Entity which satisfy the criteria set forth in the Credit Derivatives Auction Settlement Terms in respect of the relevant Affected Reference Entity, including in respect of the provisions in such credit derivative transactions that set forth the criteria for establishing what obligations may constitute Deliverable Obligations (or, in the case of a cash settled credit derivative transaction, the provisions therein that set forth the criteria for establishing what obligations may be valued to determine a final price).

Auction Methodology

Determining the Auction Currency Rate

On a specified fixing date, the **"Administrators"** (being both Markit Group Limited and Creditex Securities Corp. or such other entities appointed by ISDA) will determine the rate of conversion (each, an **"Auction Currency Rate"**) as between the relevant currency and the currency of denomination of each Deliverable Obligation (each, a **"Relevant Pairing"**) by reference to a rate source or, if such rate source is unavailable, by seeking mid-market rates of conversion from Participating Bidders (determined by each such Participating Bidder in a commercially reasonable manner) for each such Relevant Pairing.

Initial Bidding Period

During the Initial Bidding Period (which is the period initially determined by the Credit Derivatives Determinations Committee and specified in the Credit Derivatives Auction Settlement Terms in respect of the relevant Affected Reference Entity, as such period may be extended by the Administrators, *inter alia*, to preserve the integrity of an Auction), Participating Bidders will submit to the Administrators: (a) Initial Market Bids; (b) Initial Market Offers; (c) Dealer Physical Settlement Requests; and (d) Customer Physical Settlement Requests (to the extent received from customers).

Initial Market Bids and Initial Market Offers are firm quotations, expressed as percentages, to enter into credit derivative transactions in respect of the Affected Reference Entity on terms equivalent to the Representative Auction-Settled Transaction. A **"Representative Auction-Settled Transaction"** is a hypothetical single-name, physically settled credit default swap transaction referencing the Affected Reference Entity with the standard terms specified in the Form of Auction Settlement Terms.

The Initial Market Bid and Initial Market Offer submitted by each Participating Bidder must differ by no more than the designated Maximum Initial Market Bid-Offer Spread and must be an integral multiple of the Relevant Pricing Increment (each as determined by the Credit Derivatives Determinations Committee and specified in the Credit Derivatives Auction Settlement Terms in respect of the relevant Affected Reference Entity). The Initial Market Bid must be less than the Initial Market Offer.

Dealer Physical Settlement Requests and Customer Physical Settlement Requests are firm commitments, submitted by a Participating Bidder, on its own behalf or on behalf of a customer, as applicable, to enter into a Representative Auction-Settled Transaction, in each case, as seller (in which case, such commitment will be a "**Physical Settlement Buy Request**") or as buyer (in which case, such commitment will be a "**Physical Settlement Sell Request**"). Each Dealer Physical Settlement Request must be, to the best of such Participating Bidder's knowledge and belief, in the same direction as, and not in excess of, its Market Position. Each Customer Physical Settlement Request must be, to the best of the relevant customer's knowledge and belief (aggregated with all Customer Physical Settlement Requests submitted by such customer), in the same direction as, and not in excess of, its Market Position.

If the Administrators do not receive valid Initial Market Bids and Initial Market Offers from at least a minimum number of Participating Bidders (as determined by the Credit Derivatives Determinations Committee and specified in the Credit Derivatives Auction Settlement Terms in respect of the relevant Affected Reference Entity), the timeline will be adjusted and the Initial Bidding Period extended, with the Auction recommencing at such time(s) specified by the Administrators, otherwise it will proceed as follows.

The "**Market Position**" with respect to a Participating Bidder or customer, as applicable, is the aggregate amount of Deliverable Obligations that the relevant Participating Bidder or customer, as applicable, would have to buy or sell in order to obtain an identical risk profile after the Auction Settlement Date compared to its risk profile prior to the Auction Settlement Date with respect to all Auction Covered Transactions (excluding those Auction Covered Transactions for which the trade date is the date on which the Auction Final Price is determined (the "**Auction Final Price Determination Date**")) and all Auction-Linked Cash Settled Transactions to which such Participating Bidder, or any affiliate of such Participating Bidder, as applicable, or such customer, or any affiliate of such customer, as applicable, is a party and to which every other party is an Auction Party, such risk profile to be determined without regard to whether the original transactions were documented as cash settled or physically settled transactions.

Determination of Open Interest, Initial Market Midpoint and Adjustment Amounts

The Administrators will calculate the Open Interest, the Initial Market Midpoint and any Adjustment Amounts in respect of the Auction.

The Open Interest is the difference between all Physical Settlement Sell Requests and all Physical Settlement Buy Requests.

To determine the Initial Market Midpoint, the Administrators will: (a) sort the Initial Market Bids in descending order and the Initial Market Offers in ascending order, identifying non-tradeable markets for which bids are lower than offers; (b) sort non-tradeable markets in terms of tightness of spread between Initial Market Bid and Initial Market Offer; and (c) identify that half of the non-tradeable markets with the tightest spreads. The Initial Market Midpoint is determined as the arithmetic mean of the Initial Market Bids and Initial Market Offers contained in the half of non-tradeable markets with the tightest spreads.

Any Participating Bidder whose Initial Market Bid or Initial Market Offer forms part of a tradeable market will be required to make a payment to ISDA on the third Business Day after the Auction Final Price Determination Date (an "**Adjustment Amount**"), calculated in

accordance with the Auction Methodology. Any payments of Adjustment Amounts will be used by ISDA to defray any costs related to any auction that ISDA has coordinated, or that ISDA may in the future coordinate, for purposes of settlement of credit derivative transactions.

If for any reason no single Initial Market Midpoint can be determined, the procedure set out above may be repeated.

At or prior to the Initial Bidding Information Publication Time (as determined by the Credit Derivatives Determinations Committee and specified in the Credit Derivatives Auction Settlement Terms in respect of the relevant Affected Reference Entity) on any day on which the Initial Bidding Period has successfully concluded, the Administrators publish the Open Interest, the Initial Market Midpoint and the details of any Adjustment Amounts in respect of the Auction.

If the Open Interest is zero, the Auction Final Price will be the Initial Market Midpoint.

Submission of Limit Order Submissions

In the event that the Open Interest does not equal zero, a subsequent bidding period will be commenced during the Initial Bidding Period which: (a) if the Open Interest is an offer to sell Deliverable Obligations, Participating Bidders submit Limit Bids; or (b) if the Open Interest is a bid to purchase Deliverable Obligations, Limit Offers, in each case, on behalf of customers and for their own account.

Matching bids and offers

If the Open Interest is a bid to purchase Deliverable Obligations, the Administrators will match the Open Interest against all Initial Market Offers and Limit Offers, as further described in the Auction Methodology. If the Open Interest is an offer to sell Deliverable Obligations, the Administrators will match the Open Interest against all Initial Market Bids and Limit Bids, as further described in the Auction Methodology.

(a) Auction Final Price when the Open Interest is Filled

The Auction Final Price will be the price associated with the matched Initial Market Bids and Limit Bids or Initial Market Offers and Limit Offers, as applicable, that is the highest offer or the lowest bid, as applicable, **provided that:** (a) if the Open Interest is an offer to sell and the price associated with the lowest matched bid exceeds the Initial Market Midpoint by more than the "**Cap Amount**" (being the percentage that is equal to one half of the Maximum Initial Market Bid-Offer Spread (rounded to the nearest Relevant Pricing Increment)), then the Auction Final Price will be the Initial Market Midpoint plus the Cap Amount; and (b) if the Open Interest is a bid to purchase and the Initial Market Midpoint exceeds the price associated with the highest offer by more than the Cap Amount, then the Auction Final Price will be the Initial Market Midpoint minus the Cap Amount.

(b) Auction Final Price when the Open Interest is Not Filled

If, once all the Initial Market Bids and Limit Bids or Initial Market Offers and Limit Offers, as applicable, have been matched to the Open Interest, part of the Open Interest remains, the Auction Final Price will be: (a) if the Open Interest is a bid to

purchase Deliverable Obligations, the greater of (i) zero, and (ii) the highest Limit Offer or Initial Market Offer received; or (b) if the Open Interest is an offer to sell Deliverable Obligations, zero.

100 per cent. Cap to Auction Final Price

In all cases, if the Auction Final Price determined pursuant to the Auction Methodology is greater than 100 per cent., then the Auction Final Price will be deemed to be 100 per cent.

Publication of Auction Final Price

At or prior to the Subsequent Bidding Information Publication Time (as determined by the Credit Derivatives Determinations Committee and specified in the Credit Derivatives Auction Settlement Terms in respect of the relevant Affected Reference Entity) on any day on which the subsequent bidding period has successfully concluded, the Administrators will publish on their websites: (a) the Auction Final Price; (b) the names of the Participating Bidders who submitted bids, offers, valid Dealer Physical Settlement Requests and valid Customer Physical Settlement Requests, together with the details of all such bids and offers submitted by each; and (c) the details and size of all matched trades.

Execution of Trades Formed in the Auction

Each Participating Bidder whose Limit Bid or Initial Market Bid (or Limit Offer or Initial Market Offer if applicable) is matched against the Open Interest, and each Participating Bidder that submitted a Customer Physical Settlement Request or Dealer Physical Settlement Request, is deemed to have entered into a Representative Auction-Settled Transaction, and each customer that submitted such a Limit Bid, Limit Offer, or Physical Settlement Request is deemed to have entered into a Representative Auction-Settled Transaction with the dealer through whom the customer submitted such bid or offer. Accordingly, each such Participating Bidder or customer that is a seller of Deliverable Obligations as a result of a trade formed in the auction must deliver to the buyer to whom such Participating Bidder or customer has been matched a Notice of Physical Settlement indicating the Deliverable Obligations that it will deliver, and such Deliverable Obligations will be sold to the buyer in exchange for payment of the Auction Final Price.

Timing of Auction Settlement Provisions

If an Auction is held in respect of an Affected Reference Entity, it is expected that the relevant Auction Date will occur on the third Business Day immediately prior to the 30th calendar day after which the relevant Credit Derivatives Determinations Committee received the request from an eligible market participant (endorsed by a member of the relevant Credit Derivatives Determinations Committee) to resolve whether a Credit Event has occurred with respect to such Reference Entity.

In respect of an Affected Reference Entity for which an Auction is held, the Auction Settlement Date will occur on a Business Day following the Auction Final Price Determination Date, as determined by the Credit Derivatives Determinations Committee and specified in the Credit Derivatives Auction Settlement Terms in respect of the relevant Affected Reference Entity. By way of example, in recent ISDA CDS Auction Protocols (prior to the publication of the 2009 ISDA Credit Derivatives Determinations Committees, Auction Settlement and Restructuring Supplement dated 14 July 2009, as published by ISDA) this has

been approximately five Business Days following the relevant Auction Final Price Determination Date.

Delayed Auction Provisions

The Auction timing may be adjusted under the relevant following circumstances: (a) the occurrence of an event or news the occurrence of which two or more Participating Bidders consider has or could have a material effect on the Auction Final Price; (b) if the Administrators are unable to determine an Auction Currency Rate on the Auction Currency Fixing Date with respect to each Relevant Pairing; (c) if the Auction Methodology does not result in an Auction Final Price for any reason (including, but not limited to, the failure to receive the minimum number of valid Initial Market Bids and Initial Market Offers); or (d) any combination of (a), (b) and (c) above.

Auction Cancellation

If an Auction Final Price has not been determined on or prior to: (a) the fifth Business Day following the Auction Date, in the events described in clause (a) or (d) of "Delayed Auction Provisions" above; or (b) the second Business Day following the Auction Date, in the events described in clause (b) or (c) of "Delayed Auction Provisions" above, then the Auction will be deemed to have been cancelled and the Administrators and ISDA will announce the occurrence of such cancellation on their respective websites.

For these purposes, "**Business Day**" means a day on which commercial banks and foreign exchange markets are generally open to settle payments in, if the Transaction Type of the relevant Affected Reference Entity is included in: (a) the Americas, New York; and (b) otherwise, London.

COMMODITY LINKED DERIVATIVES ANNEX

Where specified as applicable in any Pricing Supplement relating to the issue of Notes under the Programme, the provisions of this Commodity Linked Derivatives Annex shall apply to such Notes as if expressly set out in the relevant Pricing Supplement. This Annex relates to Exempt Notes only and the information contained herein has not been reviewed or approved by the Central Bank of Ireland.

Amendment to the Conditions

The following shall be inserted as Conditions 5.2A, 5.2B, 5.2C, 5.2D and 5.2E (together, the "Additional Conditions"):

5.2A Market Disruption Events

"Market Disruption Event" means, in respect of a relevant Commodity Reference Price, any of the following events if specified as applicable in the Pricing Supplement:

- (i) **"Price Source Disruption"**, which means (A) the failure of the Price Source to announce or publish the Specified Price (or the information necessary for determining the Specified Price) for the relevant Commodity Reference Price (or, if there is no Specified Price for a Commodity Reference Price, the failure of the Price Source to announce or publish the Commodity Reference Price for any relevant day (or the information necessary for determining such Commodity Reference Price for such day)), (B) the temporary or permanent discontinuance or unavailability of the Price Source; (C) if the Commodity Reference Price is "Commodity Reference Dealers", the failure to obtain at least three quotations as requested from the relevant Reference Dealers; or (D) if a Price Materiality Percentage is specified in the Pricing Supplement, the Specified Price for the relevant Commodity Reference Price differs from the Specified Price determined in accordance with the Commodity Reference Price "Commodity-Reference Dealers" by such Price Materiality Percentage;
- (ii) **"Trading Disruption"**, which means the material suspension of, or the material limitation imposed on, trading in the Futures Contract or the Commodity on the Exchange or in any additional futures contract, options contract or commodity on any Exchange as specified in the Pricing Supplement or as determined by the Calculation Agent. For these purposes:
 - (a) a suspension of the trading in the Futures Contract or the Commodity on any day shall be deemed to be material only if:
 - (I) all trading in the Futures Contract or the Commodity is suspended for the entire day; or
 - (II) all trading in the Futures Contract or the Commodity is suspended subsequent to the opening of trading on any day, trading does not recommence prior to the regularly scheduled close of trading in such Futures Contract or such Commodity on such day and such suspension is announced less than one hour preceding its commencement; and

- (b) a limitation of trading in the Futures Contract or the Commodity on any day shall be deemed to be material only if the relevant Exchange establishes limits on the range within which the price of the Futures Contract or the Commodity may fluctuate and the closing or settlement price of the Futures Contract or the Commodity on such day is at the upper or lower limit of that range;
- (iii) **"Disappearance of Commodity Reference Price"**, which means (A) the permanent discontinuation of trading in the relevant Futures Contract on the relevant Exchange; (B) the disappearance of, or of trading in, the relevant Commodity; or (C) the disappearance or permanent discontinuation or unavailability of the Commodity Reference Price, notwithstanding the availability of the Price Source or the status of trading in the relevant Futures Contracts or the relevant Commodity;
- (iv) **"Material Change in Formula"**, which means the occurrence since the Strike Date or such other date as may be specified in the Pricing Supplement of a material change in the formula for or the method of calculating the relevant Commodity Reference Price;
- (v) **"Material Change in Content"**, which means the occurrence since the Strike Date or such other date as may be specified in the Final Terms of a material change in the content, composition or constitution of the Commodity or relevant Futures Contract; and
- (vi) **"Tax Disruption"**, which means the imposition of, change in or removal of an excise, severance, sales, use, value-added, transfer, stamp, documentary, recording or similar tax on, or measured by reference to, the relevant Commodity (other than a tax on, or measured by reference to overall gross or net income) by any government or taxation authority after the Strike Date or such other date as may be specified in the Pricing Supplement, if the direct effect of such imposition, change, or removal is to raise or lower the Relevant Price on any day from what it would have been without that imposition, change, or removal.

5.2B Disruption Fallbacks

The Pricing Supplement may provide that if the Calculation Agent determines that a Market Disruption Event has occurred or exists on a day that is a Pricing Date (or, if different, the day on which prices for that Pricing Date would, in the ordinary course, be published or announced by the Price Source), the Relevant Price for that Pricing Date will be determined in accordance with the first Disruption Fallback (applied in accordance with its terms) specified as being applicable in the Pricing Supplement. The Pricing Supplement may provide that one or more Disruption Fallbacks may apply to any Pricing Date, and that such applicable Disruption Fallbacks may apply concurrently or sequentially, in such manner as specified in the Pricing Supplement.

The following events, if specified in the Pricing Supplement to be applicable in respect of a Pricing Date, shall be **"Disruption Fallbacks"** (and the Pricing Supplement may specify that different Disruption Fallbacks shall be applicable for different Pricing Dates):

- (vii) **"Fallback Reference Dealers"**, which means that the Relevant Price will be determined in accordance with the Commodity Reference Price, **"Commodity-Reference Dealers"**;
- (viii) **"Fallback Reference Price"**, which means that the Calculation Agent will determine the Relevant Price based on the price for that Pricing Date of the first alternate Commodity Reference Price, if any, specified in the Pricing Supplement and not subject to a Market Disruption Event;
- (ix) **"Postponement"**, which means that the Pricing Date will be deemed, for the purposes of the application of this Disruption Fallback only, to be the first succeeding Commodity Business Day on which the Market Disruption Event ceases to exist, unless that Market Disruption Event continues to exist (measured from and including the original day that would otherwise have been the Pricing Date) for consecutive Commodity Business Days equal in number to the Maximum Days of Disruption. In that case, the next Disruption Fallback specified in the Pricing Supplement will apply;
- (x) **"Calculation Agent Determination"**, which means that the Calculation Agent will determine the Relevant Price (or a method for determining a Relevant Price), taking into consideration the latest available quotation for the relevant Commodity Reference Price and any other information that in good faith it deems relevant; and
- (xi) **"Delayed Publication or Announcement"**, which means that the Relevant Price for a Pricing Date will be determined based on the Specified Price or, if there is no Specified Price for a Commodity Reference Price, such Commodity Reference Price in respect of the original day scheduled as such Pricing Date that is published or announced by the Price Source retrospectively on the first succeeding Commodity Business Day on which the Market Disruption Event ceases to exist, unless that Market Disruption Event continues to exist (measured from and including the original day that would otherwise have been the Pricing Date) or the Relevant Price continues to be unavailable for consecutive Commodity Business Days equal in number to the Maximum Days of Disruption. In that case, the next Disruption Fallback specified in the Pricing Supplement will apply.

The Pricing Supplement may in particular provide that, if **"Delayed Publication or Announcement"** and **"Postponement"** are both applicable Disruption Fallbacks to a Pricing Date, then both such Disruption Fallbacks are to operate concurrently with the other and that each shall be subject to two (or such other number as may be specified in the Pricing Supplement) Commodity Business Days as the applicable Maximum Days of Disruption, and that the price determined by Postponement will be the Relevant Price only if Delayed Publication or Announcement does not yield a Relevant Price within the Maximum Days of Disruption.

5.2C **Bullion Provisions**

If the Pricing Supplement specify that the "Bullion Provisions" shall apply to any Commodity, then, in respect of such Commodity, Conditions 5.2A, 5.2B, 5.2D and 5.2E shall be deemed to be amended by this Condition 5.2C as follows:

- (xii) each reference to "**Commodity Business Day**" shall be deemed to be a reference to "Bullion Business Day"; and
- (xiii) each reference to "**Reference Dealers**" shall be deemed to be a reference to "Bullion Reference Dealers".

The following terms and expressions shall have the following meanings in relation to any Commodity to which the "Bullion Provisions" shall apply:

"Bullion Business Day" means any day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) in London and New York, and (if applicable) in such Bullion Business Day Centres specified in the Pricing Supplement.

"Bullion Business Day Centres" means such places as may be specified in the Pricing Supplement.

"Bullion Reference Dealers" means, if the relevant Commodity Reference Price is "Commodity Reference Dealers", the four major dealers that are members of the LBMA specified in the Pricing Supplement, or if no such Bullion Reference Dealers are specified, selected by the Calculation Agent, in each case, acting through their principal London offices.

"Gold" means gold bars or unallocated gold complying with the rules of the LBMA relating to good delivery and fineness from time to time in effect, unless otherwise specified in the Pricing Supplement.

5.2D Common Pricing Provisions

If the Pricing Supplement specify that the "Common Pricing Provisions" shall apply to any two or more Commodities (such Commodities being "Linked Commodities" and each a "Linked Commodity"), then Conditions 5.2A, 5.2B, 5.2C and 5.2E shall be

deemed to be amended by this Condition 5.2D in respect of the Linked Commodities and the Pricing Dates to which the Common Pricing Provisions apply by changing each reference to "Pricing Date" to "Common Pricing Date".

The following terms and expressions shall have the following meanings in relation to any Commodity to which the "Common Pricing Provisions" shall apply:

"Common Pricing Date" means, in respect of Linked Commodities, each date specified as such in the Pricing Supplement (or determined pursuant to a method specified for such purpose), which date is a day in respect of which a Relevant Price is to be determined, **provided that** (unless otherwise specified in the Pricing Supplement) if such day corresponding to such Common Pricing Date is not a Commodity Business Day for each such Linked Commodity, then such Common Pricing Date will be the next following day which is a Commodity Business Day for each such Linked Commodity.

"Disruption Period End Date" means, in respect of a Common Pricing Date or such other date as specified in the Pricing Supplement, the last day of the period commencing on, and including, the original date that would otherwise have been the Common Pricing Date and ending on the day that is equal to the Maximum Days of Disruption (as defined in paragraph 2 (*Definitions*) below, and **provided that** the words "for all Linked Commodities" shall be deemed to be inserted following each occurrence of the words "Commodity Business Days" in that definition) in respect of each Linked Commodity after the original date that would otherwise have been the Common Pricing Date).

"Postponement" means that the Common Pricing Date will be deemed, for the purposes of the application of this Disruption Fallback only, to be the first succeeding day which is a Commodity Business Day for all the Linked Commodities on which there is no Market Disruption Event for any Linked Commodity, unless such day would fall after the Disruption Period End Date. In that case, the next Disruption Fallback specified in the Pricing Supplement will apply.

5.2E **Corrections to Published Prices**

The Pricing Supplement may provide that for the purposes of determining the Relevant Price for any day, if the price published or announced on a given day and used or to be used by the Calculation Agent to determine a Relevant Price is subsequently corrected and the correction is published or announced by the person responsible for that publication or announcement by the earlier of (i) 30 calendar days (or such other time frame as may be specified in the Pricing Supplement; **provided that** different time frames may be specified in the Pricing Supplement for different days or Pricing Dates) after the original publication or announcement, or (ii) the third Business Day prior to the next date upon which any relevant payment may have to be made by the Issuer or in respect of which any relevant determination in respect of the Notes may have to be made, the Calculation Agent, to the extent it deems necessary, may make such adjustments to any of the terms of the Notes that it determines in its sole and absolute discretion to account for such correction. The Issuer shall not have any responsibility in respect of any error or omission or subsequent corrections made in the calculation or announcement of a Commodity Reference Price, whether caused by negligence or otherwise.

2. Definitions

- (ii) where the Commodity Reference Price is not a price announced or published by an Exchange, a day that is (or, but for the occurrence of a Market Disruption Event, would have been) a day in respect of which the relevant Price Source published (or, but for the occurrence of a Market Disruption Event, would have published) a price.

"Commodity-Reference Dealers" means that the price for a Pricing Date will be determined on the basis of quotations provided by Reference Dealers on that Pricing Date of that day's Specified Price (or, if there is no Specified Price for a Commodity Reference Price, such Commodity Reference Price) for a Unit of the relevant Commodity for delivery on the Delivery Date (or, if there is no Delivery Date for a Commodity Reference Price, for delivery on such date that forms the basis on which such Commodity Reference Price is quoted). If four quotations are provided as requested, the price for that Pricing Date will be the arithmetic mean of the Specified Prices (or, if there is no Specified Price for a Commodity Reference Price, of such Commodity Reference Prices for the relevant date and time) for that Commodity provided by each Reference Dealer, without regard to the Specified Prices (or, as the case may be, Commodity Reference Prices for the relevant date and time) having the highest and lowest values. If exactly three quotations are provided as requested, the price for that Pricing Date will be the Specified Price (or, as the case may be, Commodity Reference Price for the relevant date and time) provided by the relevant Reference Dealer that remains after disregarding the Specified Prices (or, as the case may be, Commodity Reference Prices for the relevant date and time) having the highest and lowest values. For this purpose, if more than one quotation has the same highest or lowest value, then the Specified Price (or, as the case may be, Commodity Reference Price for the relevant date and time) of one of such quotations shall be disregarded. If fewer than three quotations are provided then the next Disruption Fallback specified in the Pricing Supplement will apply.

- (ii) if that Commodity Reference Price is not a price announced or published by an Exchange, (1) the relevant Commodity (including, if relevant, the type or grade of that Commodity, the location of delivery and any other details); (2) the relevant Unit; (3) the relevant Price Source (and, if applicable, the location in that Price Source of the Specified Price (or the prices from which the Specified Price is calculated)); (4) the relevant currency in which the Specified Price is expressed; (5) the Specified Price; and, if applicable, (6) the Delivery Date, in which case the price for a Pricing Date will be that day's Specified Price per Unit of that Commodity and, if applicable, for that Delivery Date, stated in that currency, published (or shown) in the issue of that Price Source that reports prices effective on that Pricing Date.

EMERGING MARKETS INDEX LINKED DERIVATIVES ANNEX

Where specified as applicable in any Final Terms relating to the issue of Notes under the Programme, the provisions of this Emerging Markets Index Linked Derivatives Annex shall apply to such Notes as if expressly set out in the relevant Final Terms.

1. Amendment to the Conditions

The following shall be inserted as Conditions 4.10A, 4.14, 4.15, 5.2A, 5.2B, 5.2C, 5.2D, 5.2E, 5.4A, 5.10A, 7A and 18 (together, the "**Additional Conditions**"):

4.10A Publication of Determinations pursuant to the Additional Conditions

- (a) The Calculation Agent shall cause any determination or calculation required to be made by the Calculation Agent pursuant to the Additional Conditions to be notified to the Issuer, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules of such exchange or other relevant authority so require, such exchange or other relevant authority as soon as reasonably practicable after their determination or calculation.
- (b) The Issuer shall cause any determination or calculation required to be made by the Issuer pursuant to Conditions 4.15(b), 5.2A(a), 5.2D(h) and the definitions of "**Dividend Amount**", "**Final Price**" and "**Maturity Date**" to be notified to the Noteholders, any Calculation Agent and, if the Notes are listed on a stock exchange and the rules of such exchange or other relevant authority so require, such exchange or other relevant authority as soon as reasonably practicable after their determination or calculation.

4.14 Payments

All payments are to be made in the Settlement Currency, except as otherwise provided herein.

4.15 Currency Conversion

(a) *Currency Conversion Determination*

Determinations of the equivalent in the Settlement Currency of any other price or amount hereunder shall be made by the Calculation Agent using the Exchange Rate on the date on which the Calculation Agent determines that the applicable conversion should be made.

"**Exchange Rate**" means, the currency exchange rate for the conversion of one unit of the Reference Currency into the Settlement Currency, as determined by the Calculation Agent using the rate which it determines that the Issuer would actually receive if it were converting such amounts into the Settlement Currency.

(b) *FX Disruption*

Where there is an FX Disruption which affects the conversion of the proceeds of a Hedge Position or any other amounts denominated in the Reference Currency, such conversion will be postponed until the first Currency Business Day on which such FX Disruption ceases to exist or, if that would not be commercially reasonable, as soon as reasonably practical thereafter (the "**Conversion Date**"); and the payment obligations of the Issuer under the

Notes will be postponed until the date falling two Currency Business Days after the Conversion Date or, if the Calculation Agent determines that would not be commercially reasonable, as soon as the Calculation Agent determines to be commercially reasonable thereafter.

Where there is an FX Disruption which affects the transfer of proceeds, the payment obligations of the Issuer under the Notes will be postponed until the date falling two Currency Business Days after the date on which the Calculation Agent determines that such transfer could be made.

In the event that such FX Disruption does not cease within 30 days, the Issuer may, by notice to the Noteholders in accordance with Condition 16 (*Notices*), elect (in its sole discretion) to convert all payment obligations in respect of the Notes into an obligation to pay such amounts in the Reference Currency (without taking into account any Exchange Rate movements during the period of deferral) (such election, a "**Reference Currency Election**" and the amounts due to a Noteholder as a result thereof, the "**Reference Currency Amounts**"). In order to obtain payment of the Reference Currency Amounts, the Noteholder must deliver to the Issuer a notice (the "**Reference Currency Notice**") specifying the name and address of the relevant Noteholder and details of the account to which the Reference Currency Amounts shall be paid. The Reference Currency Notice is irrevocable and may not be withdrawn following receipt thereof by the Issuer. Upon receipt of a valid and complete Reference Currency Notice, the Issuer shall make payment, as soon as reasonably practicable, of the Reference Currency Amounts to the account specified in the Reference Currency Notice. The Issuer shall have no obligation to make payment of the Reference Currency Amounts in respect of a Note unless and until the Noteholder has delivered a valid and complete Reference Currency Notice. If a Noteholder fails to deliver a valid and complete Reference Currency Notice on or before the date falling three months after the date of the Reference Currency Election, the Issuer shall have no further obligation to pay the Reference Currency Amounts or to satisfy the payment obligations which were converted into the obligation to pay such Reference Currency Amounts.

The Calculation Agent will determine the amount of any loss or costs incurred (or any gain or benefits derived) by the Issuer in connection with (i) postponing such payment obligations (including, but not limited to, any income or interest received and (internal or external) funding costs or other charges incurred) or (ii) terminating, liquidating, maintaining or re-establishing any transaction it deems necessary to hedge, in a commercially reasonable manner, the currency risk relating to the Notes as a result of such FX Disruption and will adjust (without duplication) the payment obligations in respect of the Notes to account for any such loss, costs, gain or benefits.

"FX Disruption" means the occurrence (as determined by the Calculation Agent) of any event after the Issue Date that makes the Issuer unable to:

- (i) transfer the proceeds of a Hedge Position or any other amounts denominated in the Settlement Currency or Reference Currency from accounts within the Local Jurisdiction to (a) accounts outside such Local Jurisdiction, (b) other accounts within such Local Jurisdiction or (c) the accounts of a non-resident of such Local Jurisdiction;

- (ii) convert the proceeds of a Hedge Position or any other amounts denominated in the Reference Currency into the Settlement Currency on or in respect of a Valuation Date;
- (iii) convert the proceeds of a Hedge Position or any other amounts denominated in the Reference Currency into the Settlement Currency, at a rate at least as favourable as the rate for domestic institutions located in the Local Jurisdiction; or
- (iv) obtain a rate or a commercially reasonable rate (as determined by the Calculation Agent), in each case, at which the proceeds of a Hedge Position or any other amounts denominated in the Reference Currency can be exchanged for the Settlement Currency.

If an event or circumstance that would otherwise (but for this provision) constitute a Hedging Disruption also constitutes an FX Disruption, it will be deemed to be an FX Disruption and will not constitute a Hedging Disruption.

5.2A Delivery of Shares

(a) *Election by Issuer*

If during the Relevant Period, the Issuer determines in its sole discretion that a Hypothetical Broker Dealer would be unable to sell or unwind all of its Hedge Positions following 20 Exchange Business Days after the Determination Date, the Calculation Agent shall determine, in its sole discretion, the number of Shares per Note (the "**Affected Index Shares**") that represent the equivalent portion of the relevant Hedge Positions corresponding to the Shares comprised in the Index in respect of that Note that the Issuer determines, in its sole discretion, that a Hypothetical Broker Dealer would have been unable to sell or unwind in lieu of payment of the Final Redemption Amount or Early Redemption Amount, as the case may be, that would have been payable by reference to the sale or unwind of those Hedge Positions. Following such determination, the Issuer may, by notice to the Noteholders in accordance with Condition 16 (*Notices*), elect (in its sole discretion but subject to any transfer restriction pursuant to any applicable law or regulation) to deliver the Affected Index Shares, such election, a "Delivery Election". The notice of a Delivery Election (the "**Delivery Election Notice**") shall specify (i) the jurisdiction(s), types of securities accounts and clearing system in, to and through which the Issuer is prepared to make delivery of the Affected Index Shares and (ii) the account details to which the Noteholder shall make payment of any Delivery Payments. The date on which the Delivery Election Notice is delivered shall be deemed to be the final day of the Relevant Period.

(b) *Calculation Agent Determinations*

Upon the occurrence of a Delivery Election in respect of a Note, the Calculation Agent shall:

- (i) adjust the Final Redemption Amount or Early Redemption Amount, as the case may be, in respect of the relevant Note so that it constitutes only the portion of the Final Redemption Amount or Early Redemption Amount, as the case may be, that is payable by reference to the sale or unwind of the Hedge Positions (corresponding to the Shares, other than the Affected Index Shares, comprised in the Index) that the Issuer determines, in its sole discretion, that a Hypothetical Broker Dealer would have been able to sell or unwind;

- (ii) calculate the Delivery Expenses, if any;
- (iii) calculate the Final Deduction Amount, if any; and
- (iv) determine the amount (if any) of the Delivery Expenses and Final Deduction Amount which will not be recoverable by the Issuer through the Noteholder Deduction Amount, such unrecoverable amount the "**Delivery Payments**".

(c) *Delivery Conditions*

In order to obtain delivery of the Affected Index Shares the relevant Noteholder must (i) deliver to the Issuer the relevant Note(s) and a duly completed Delivery Notice and (ii) pay to the Issuer (in accordance with the account details set out in the Delivery Election Notice) the Delivery Payments (the obligations in (i) and (ii) being the "**Delivery Conditions**").

The Delivery Notice shall be substantially in such form as the Issuer may determine and copies may be obtained from its Specified Office.

The Delivery Notice must:

- (i) specify the name and address of the relevant Noteholder and the securities account to be credited with the relevant Affected Index Shares (which securities account must comply with the Issuer's requirements as set out in the Delivery Election Notice); and
- (ii) authorise the production of such notice in any applicable administrative or legal proceedings.

A Delivery Notice is irrevocable and may not be withdrawn after receipt thereof by the Issuer.

Failure properly to complete and deliver a Delivery Notice may result in such notice being treated as null and void. Any determination as to whether such notice has been properly completed and delivered as provided in these Conditions shall be made by the Calculation Agent and shall be conclusive and binding on the Issuer and the relevant Noteholder.

If the relevant Note and the related Delivery Notice are delivered or are deemed to be delivered to the Issuer on a day that is not a Banking Day in London, such Note and Delivery Notice shall be deemed to be delivered on the next following Banking Day in London.

The Issuer shall have no obligation to make delivery of the Affected Index Shares in respect of such Note unless and until the Delivery Conditions have been satisfied and delivery of such Affected Index Shares shall be made as soon as possible thereafter but not earlier than the Share Delivery Date. If a Noteholder fails to satisfy the Delivery Conditions on or before the date falling three months after the date of service of the Delivery Election Notice, the Issuer shall have no further obligation to deliver the Affected Index Shares and such Noteholder shall cease to have any further claim to the Affected Index Shares or the portion of the Final Redemption Amount or Early Redemption Amount, as the case may be, represented by such Affected Index Shares.

(d) *Delivery of Affected Index Shares*

- (i) Delivery of Affected Index Shares

Without prejudice to Condition 5.2A(d)(ii) (*Delivery of Affected Index Shares; Settlement Disruption*), the Issuer shall on the Share Delivery Date, deliver or procure the delivery of the Affected Index Shares in respect of each Note to such securities account as may be specified in the relevant Delivery Notice at the risk and expense of the relevant Noteholder. As used herein, "**delivery**" in relation to any Affected Index Shares means the carrying out of the steps required of the Issuer (or such person as it may procure to make the relevant delivery) in order to effect the transfer of the relevant Affected Index Shares in accordance with the relevant Delivery Notice and "deliver" shall be construed accordingly. The Issuer shall not be responsible for any delay or failure in the transfer of such Affected Index Shares once such steps have been carried out, whether resulting from settlement periods of clearing systems, acts or omissions of registrars, incompatible or incorrect information being contained in the Delivery Notice or otherwise and shall have no responsibility for the lawfulness of the acquisition of the Shares comprising the Affected Index Shares or any interest therein by any Noteholder or any other person.

In respect of each Share comprising the Affected Index Shares, the Issuer shall not be under any obligation to register or procure the registration of the Noteholder or any other person as the registered shareholder in the register of members of the Share Issuer.

Noteholders should note that the actual date on which they become holders of the Shares comprising their Affected Index Shares will depend, among other factors, on the procedures of the relevant clearing systems and share registrar and the effect of any Settlement Disruption Events.

The Issuer shall not at any time be obliged to account to a Noteholder for any amount or entitlement that it receives by way of a dividend or other distribution in respect of any of the Affected Index Shares.

(ii) Settlement Disruption

If the Calculation Agent determines that delivery of any Affected Index Shares in respect of any Note by the Issuer in accordance with the Conditions is not practicable or permitted by reason of a Settlement Disruption Event subsisting, then the Share Delivery Date in respect of such Note shall be postponed to the first following Delivery Day in respect of which no such Settlement Disruption Event is subsisting and notice thereof shall be given to the relevant Noteholder by mail addressed to it at the address specified in the relevant Delivery Notice or in accordance with Condition 16 (*Notices*). No Noteholder shall be entitled to any payment whether of interest or otherwise on such Note in the event of any delay in the delivery of the Affected Index Shares pursuant to this paragraph and no liability in respect thereof shall attach to the Issuer.

Where a Settlement Disruption Event affects some but not all of the Shares comprising the Affected Index Shares, the Share Delivery Date for the Shares comprising such Affected Index Shares but not affected by the Settlement Disruption Event will be the original Share Delivery Date.

The Issuer shall give notice as soon as practicable to the Noteholders in accordance with Condition 16 (*Notices*) that a Settlement Disruption Event has occurred.

(iii) Neither the Issuer nor any other person shall be under any liability to any Noteholder or any subsequent beneficial owner of Affected Index Shares in

respect of any loss or damage which any Noteholder or subsequent beneficial owner may sustain or suffer as a result, whether directly or indirectly, of that person being registered at any time as the legal owner of Affected Index Shares.

(e) *Prescription*

Claims for payment of principal or delivery of any Affected Index Shares in respect of the Notes shall become void upon the expiry of ten years from the Relevant Date in respect thereof or, in the case of delivery, from the Share Delivery Date.

5.2B **Index Adjustments**

- (a) If, in relation to an Index, the relevant Index is (i) not calculated and announced by the Index Sponsor but is calculated and announced by a successor sponsor acceptable to the Calculation Agent, or (ii) replaced by a successor index using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Index, then in each case that index (the "**Successor Index**") will be deemed to be the Index.
- (b) The following provisions will apply if the Calculation Agent determines that an Index Adjustment Event has occurred:
 - (i) **Redemption and Payment**

If the consequence of the relevant Index Adjustment Event specified in the Final Terms is "**Redemption and Payment**", then the Issuer shall redeem the Notes at their Early Redemption Amount in accordance with Condition 5.4A (*Early Redemption Procedure*).

- (ii) **Calculation Agent Adjustment**

If the consequence of the relevant Index Adjustment Event specified in the Final Terms is "**Calculation Agent Adjustment**" or if no consequence of such Index Adjustment Event is so specified then the Calculation Agent shall determine if such Index Adjustment Event has a material effect on the Notes and, if so, shall calculate the Final Price using the formula for and method of calculating that Index last in effect prior to the change, failure or cancellation, but using only those securities that comprised that Index immediately prior to that Index Adjustment Event.

5.2C **Additional Disruption Events**

The following Additional Disruption Events will apply if specified as applicable in the Final Terms:

(a) *Hedging Disruption*

"**Hedging Disruption**" means that the Issuer is unable, after using commercially reasonable efforts, to (A) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity price risk and any other price risk (including but not limited to, currency risk) of entering into and performing its obligations with respect to the Notes or in connection with its Hedge Position or (B) realise, recover or remit the proceeds of any such transaction(s) or asset(s) (which shall include, but not be limited to, the Issuer's inability to freely realise, recover, receive, repatriate, remit or

transfer out of or into the Local Jurisdiction the proceeds of or any other amounts received in connection with its Hedge Positions).

(b) *Increased Cost of Hedging*

"Increased Cost of Hedging" means that the Issuer would incur a materially increased (as compared with circumstances existing on the Issue Date) amount of tax, duty, expense or fee (other than brokerage commissions) to (A) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity price risk of entering into and performing its obligations with respect to the Notes, or (B) realise, recover or remit the proceeds of any such transaction(s) or asset(s), **provided that** any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer shall not be deemed an Increased Cost of Hedging.

(c) *Consequences of an Additional Disruption Event*

If the Calculation Agent determines that an Additional Disruption Event shall have occurred, the Calculation Agent shall notify the Issuer of such determination and the Issuer may in its absolute discretion redeem the Notes at their Early Redemption Amount in accordance with Condition 5.4A (*Early Redemption Procedure*).

(b) *Change in Law Event*

"Change in Law Event" means that on or after the Issue Date (A) due to the adoption of or any change in any applicable law or regulation (including, without limitation, any tax law) or (B) due to the promulgation of or any change in the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation (including any action taken by a taxing authority), the Calculation Agent determines in good faith that (X) it has become illegal for the Issuer to hold, acquire or dispose of Hedge Positions relating the Notes, or (Y) the Issuer will incur an increased cost in performing its obligations under the Notes (including, without limitation, due to any increase in tax, liability, decrease in tax benefit or other adverse effect on its tax position).

(c) *Change in Regulations Event*

"Change in Regulations Event" means any change in laws or regulations (including any changes in taxation) covering any non-resident operations in the Local Jurisdiction whatsoever which occurs after the Issue Date and affects in any way (or is likely to affect in any way) the cost to the Issuer of acquiring, holding or selling Hedge Positions or of hedging, directly or indirectly, the obligations of the Issuer in respect of the Notes, or of converting any amount of the Reference Currency into the Settlement Currency (or any other freely convertible and transferable currency) or transferring Settlement Currency out of the Local Jurisdiction which will adversely affect the economic value of the terms of the Notes to the Issuer.

(d) *Market Disruption Event*

"Market Disruption Event" means that on any day, the Calculation Agent or the Issuer is unable to determine any amount or rate falling to be determined by it pursuant to terms of the Notes due to market conditions including but not limited to (a) market volatility, (b) market liquidity, and (c) regulatory, political or artificial market limitations imposed after the Issue Date.

(e) *Sovereign Event*

(f) *Inability to unwind Hedge Positions on an Index Change*

"Inability to unwind Hedge Positions on an Index Change" means that there is a change to the Shares comprised in the Index and the Issuer determines in its sole discretion that a Hypothetical Broker Dealer would be unable to unwind its Hedge Positions in whole or in part.

Upon a redemption of any Notes in whole or in part pursuant to the Conditions, the Issuer shall determine the extent of any loss suffered, or costs or expenses incurred, by the Issuer as a result of the occurrence of the Change in Market Conditions Event attributable to the Notes.

If an event or circumstance that would otherwise (but for this provision) constitute an Additional Disruption Event and/or an FX Disruption also constitutes a Change in Market Conditions Event, it will be deemed to be a Change in Market Conditions Event and will not constitute either an FX Disruption or an Additional Disruption Event.

5.2E Events applicable to Index Basket Notes

If, in respect of any Index Basket Note, the Calculation Agent determines that an Additional Disruption Event or the Issuer determines that a Change in Market Conditions Event has occurred in respect of an Index or a Hedge Position relating to an Index, the Issuer shall be entitled in its sole discretion to elect that Condition 5.2C (*Additional Disruption Events*) or as the case may be, Condition 5.2D (*Change in Market Condition Events*) shall apply solely to the Index or Hedge Position affected by such event. Accordingly, where the Issuer so elects if Condition 5.2C (*Additional Disruption Events*) would otherwise require redemption of the Notes, then (i) only the portion of each Note affected by the relevant Additional Disruption Event shall be redeemed, (ii) the remainder of each Note will continue with the Basket comprising the Indices (if any) that are not so affected and (iii) the Calculation Agent will adjust any relevant terms necessary to preserve as nearly as practicable the economic terms of the Notes for the non-affected Indices in the Basket.

Shares in respect of any gross cash dividend amount ("**Declared Dividend**") is not equal to that Declared Dividend (a "**Dividend Mismatch Event**") following the relevant due date, then in either case the Calculation Agent may adjust the Dividend Amount accordingly.

If less than the total Accruing Deduction Amount is paid on any Dividend Payment Date, the Calculation Agent shall make such adjustments to the Accrual Period following such Dividend Payment Date as it considers appropriate in order to ensure that the Issuer receives all due but unpaid Accruing Deduction Amount on the next date on which an Accruing Deduction Amount becomes payable.

- (a) The Calculation Agent shall cause any determination or calculation required to be made by the Calculation Agent pursuant to the Additional Conditions to be notified to the Issuer, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules of such exchange or other relevant authority so require, such exchange or other relevant authority as soon as reasonably practicable after their determination or calculation.

Disruption ceases to exist or, if that would not be commercially reasonable, as soon as reasonably practical thereafter (the "**Conversion Date**"); and the payment obligations of the Issuer under the Notes will be postponed until the date falling two Currency Business Days after the Conversion Date or, if the Calculation Agent determines that would not be commercially reasonable, as soon as the Calculation Agent determines to be commercially reasonable thereafter.

Where there is an FX Disruption which affects the transfer of proceeds, the payment obligations of the Issuer under the Notes will be postponed until the date falling two Currency Business Days after the date on which the Calculation Agent determines that such transfer could be made.

In the event that such FX Disruption does not cease within 30 days, the Issuer may, by notice to the Noteholders in accordance with Condition 15 (*Notices*), elect (in its sole discretion) to convert all payment obligations in respect of the Notes into an obligation to pay such amounts in the Reference Currency (without taking into account any Exchange Rate movements during the period of deferral) (such election, a "Reference Currency Election" and the amounts due to a Noteholder as a result thereof, the "**Reference Currency Amounts**"). - (iv) obtain a rate or a commercially reasonable rate (as determined by the Calculation Agent), in each case, at which the proceeds of a Hedge Position or any other amounts denominated in the Reference Currency can be exchanged for the Settlement Currency.

If an event or circumstance that would otherwise (but for this provision) constitute a Hedging Disruption also constitutes an FX Disruption, it will be deemed to be an FX Disruption and will not constitute a Hedging Disruption.

5.2A Delivery of Shares

(a) *Election by Issuer*

If during the Relevant Period in relation to any Share Note, the Issuer determines in its sole discretion that a Hypothetical Broker Dealer would be unable to sell or unwind all of its Hedge Positions following 20 Exchange Business Days after the Determination Date, the Calculation Agent shall determine, in its sole discretion, the number of Shares per Note (the "**Affected Shares**") that represent the equivalent portion of the relevant Hedge Positions in respect of that Note that the Issuer determines, in its sole discretion, that a Hypothetical Broker Dealer would have been unable to sell or unwind in lieu of payment of the Final Redemption Amount or Early Redemption Amount, as the case may be, that would have been payable by reference to the sale or unwind of those Hedge Positions. Following such determination, the Issuer may, by notice to the Noteholders in accordance with Condition 15 (*Notices*), elect (in its sole discretion but subject to any transfer restriction pursuant to any applicable law or regulation) to deliver the Affected Shares, such election, a "**Delivery Election**". The notice of a Delivery Election (the "**Delivery Election Notice**") shall specify (i) the jurisdiction(s), types of securities accounts and clearing system in, to and through which the Issuer is prepared to make delivery of the Affected Shares and (ii) the account details to which the Noteholder shall make payment of any Delivery Payments. The date on which the Delivery Election Notice is delivered shall be deemed to be the final day of the Relevant Period.

(b) *Calculation Agent Determinations*

Upon the occurrence of a Delivery Election in respect of a Note, the Calculation Agent shall:

- (i) adjust the Final Redemption Amount or Early Redemption Amount, as the case may be, in respect of the relevant Note so that it constitutes only the portion of

the Final Redemption Amount or Early Redemption Amount, as the case may be, that is payable by reference to the sale or unwind of the Hedge Positions that the Issuer determines, in its sole discretion, that a Hypothetical Broker Dealer would have been able to sell or unwind;

- (ii) calculate the Delivery Expenses, if any;
- (iii) calculate the Final Deduction Amount, if any; and
- (iv) determine the amount (if any) of the Delivery Expenses and Final Deduction Amount which will not be recoverable by the Issuer through the Noteholder Deduction Amount, such unrecoverable amount the "**Delivery Payments**".

(c) *Delivery Conditions*

In order to obtain delivery of the Affected Shares the relevant Noteholder must (i) deliver to the Issuer the relevant Note(s) and a duly completed Delivery Notice and (ii) pay to the Issuer (in accordance with the account details set out in the Delivery Election Notice) the Delivery Payments (the obligations in (i) and (ii) being the "Delivery Conditions").

The Delivery Notice shall be substantially in such form as the Issuer may determine and copies may be obtained from its Specified Office.

The Delivery Notice must:

- (i) specify the name and address of the relevant Noteholder and the securities account to be credited with the relevant Affected Shares (which securities account must comply with the Issuer's requirements as set out in the Delivery Election Notice); and
- (ii) authorise the production of such notice in any applicable administrative or legal proceedings.

A Delivery Notice is irrevocable and may not be withdrawn after receipt thereof by the Issuer.

Failure properly to complete and deliver a Delivery Notice may result in such notice being treated as null and void. Any determination as to whether such notice has been properly completed and delivered as provided in these Conditions shall be made by the Calculation Agent and shall be conclusive and binding on the Issuer and the relevant Noteholder.

If the relevant Note and the related Delivery Notice are delivered or are deemed to be delivered to the Issuer on a day that is not a Banking Day in London, such Note and Delivery Notice shall be deemed to be delivered on the next following Banking Day in London.

The Issuer shall have no obligation to make delivery of the Affected Shares in respect of such Note unless and until the Delivery Conditions have been satisfied and delivery of such Affected Shares shall be made as soon as possible thereafter but not earlier than the Share Delivery Date. If a Noteholder fails to satisfy the Delivery Conditions on or before the date falling three months after the date of service of the Delivery

Election Notice, the Issuer shall have no further obligation to deliver the Affected Shares and such Noteholder shall cease to have any further claim to the Affected Shares or the portion of the Final Redemption Amount or Early Redemption Amount, as the case may be, represented by such Affected Shares.

(d) *Delivery of Affected Shares*

(i) Delivery of Affected Shares

Without prejudice to Condition 5.2A(d)(ii) (*Delivery of Shares; Delivery of Affected Shares*), the Issuer shall on the Share Delivery Date, deliver or procure the delivery of the Affected Shares in respect of each Note to such securities account as may be specified in the relevant Delivery Notice at the risk and expense of the relevant Noteholder. As used herein, "delivery" in relation to any Affected Shares means the carrying out of the steps required of the Issuer (or such person as it may procure to make the relevant delivery) in order to effect the transfer of the relevant Affected Shares in accordance with the relevant Delivery Notice and "deliver" shall be construed accordingly. The Issuer shall not be responsible for any delay or failure in the transfer of such Affected Shares once such steps have been carried out, whether resulting from settlement periods of clearing systems, acts or omissions of registrars, incompatible or incorrect information being contained in the Delivery Notice or otherwise and shall have no responsibility for the lawfulness of the acquisition of the Shares comprising the Affected Shares or any interest therein by any Noteholder or any other person.

In respect of each Share comprising the Affected Shares, the Issuer shall not be under any obligation to register or procure the registration of the Noteholder or any other person as the registered shareholder in the register of members of the Share Issuer.

Noteholders should note that the actual date on which they become holders of the Shares comprising their Affected Shares will depend, among other factors, on the procedures of the relevant clearing systems and share registrar and the effect of any Settlement Disruption Events.

The Issuer shall not at any time be obliged to account to a Noteholder for any amount or entitlement that it receives by way of a dividend or other distribution in respect of any of the Affected Shares.

(ii) Settlement Disruption

If the Calculation Agent determines that delivery of any Affected Shares in respect of any Note by the Issuer in accordance with the Conditions is not practicable or permitted by reason of a Settlement Disruption Event subsisting, then the Share Delivery Date in respect of such Note shall be postponed to the first following Delivery Day in respect of which no such Settlement Disruption Event is subsisting and notice thereof shall be given to the relevant Noteholder by mail addressed to it at the address specified in the relevant Delivery Notice or in accordance with Condition 15 (*Notices*). No Noteholder shall be entitled to any payment whether of interest or otherwise on such Note

in the event of any delay in the delivery of the Affected Shares pursuant to this paragraph and no liability in respect thereof shall attach to the Issuer.

Where a Settlement Disruption Event affects some but not all of the Shares comprising the Affected Shares, the Share Delivery Date for the Shares comprising such Affected Shares but not affected by the Settlement Disruption Event will be the original Share Delivery Date.

The Issuer shall give notice as soon as practicable to the Noteholders in accordance with Condition 15 (*Notices*) that a Settlement Disruption Event has occurred.

- (iii) Neither the Issuer nor any other person shall be under any liability to any Noteholder or any subsequent beneficial owner of Affected Shares in respect of any loss or damage which any Noteholder or subsequent beneficial owner may sustain or suffer as a result, whether directly or indirectly, of that person being registered at any time as the legal owner of Affected Shares.

(e) *Prescription*

Claims for payment of principal or delivery of any Affected Shares in respect of the Notes shall become void upon the expiry of ten years from the Relevant Date in respect thereof or, in the case of delivery, from the Share Delivery Date.

(f) *Application to Share Basket Note*

This Condition 5.2A (*Delivery of Shares*) shall also apply to Share Basket Notes except that provisions contained in sub-paragraph (a) above shall be determined by reference to each Share comprised in such Basket and in a manner which the Calculation Agent deems appropriate in the context of such Notes.

5.2B Adjustments

(a) *Adjustments*

Where the Calculation Agent determines that a Share Issuer has declared a Potential Adjustment Event (as defined below) or that any adjustment has been made to the settlement terms of listed contracts on the relevant Shares traded on a Related Exchange, the Calculation Agent will determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the relevant Shares and, if so, will (i) make the corresponding adjustment, if any, to the calculation of the Final Redemption Amount and/or any other relevant terms as the Calculation Agent determines, in its absolute discretion, appropriate to account for that diluting or concentrative effect and (ii) determine the effective date(s) of the adjustment(s). In that case, such adjustments shall be deemed to be so made from such date(s). The Calculation Agent shall notify the Issuer and the Noteholders of any determination made under this Condition.

The Calculation Agent may (but need not) in its absolute discretion determine the appropriate adjustments by reference to the adjustment(s) in respect of such Potential Adjustment Event made by any Related Exchange to listed contracts on the relevant Shares traded on such Related Exchange.

For the purposes hereof:

"Potential Adjustment Event" means with respect to any Shares, any of the following:

- (A) a subdivision, consolidation or reclassification of such Shares (unless resulting in a Merger Event), or a free distribution or dividend of such Shares to existing holders by way of bonus, capitalisation or similar issue;
- (B) a distribution, issue or dividend to existing holders of such Shares of (1) such Shares or (2) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the relevant Share Issuer equally or proportionately with such payments to holders of such Shares, or (3) share capital or other securities of another issuer acquired or owned (directly or indirectly) by the relevant Share Issuer as a result of a spin-off or other similar transaction, or (4) any other type of securities, rights or warrants or other assets, in any case for payment (cash or other consideration) at less than the prevailing market price as determined by the Calculation Agent;
- (C) an Extraordinary Dividend;
- (D) a call by the relevant Share Issuer in respect of such Shares that are not fully paid;
- (E) a repurchase by the relevant Share Issuer or any of its subsidiaries of such Shares whether out of profits or capital and whether the consideration for such repurchase is cash, securities or otherwise; or
- (F) an event that results in any shareholder rights being distributed or becoming separated from shares of common stock or other shares of the capital stock of the relevant Share Issuer pursuant to a shareholder rights plan or arrangement directed against hostile takeovers that provides upon the occurrence of certain events for a distribution of preferred stock, warrants, debt instruments or stock rights at a price below their market value, as determined by the Calculation Agent, **provided that** any adjustment effected as a result of such an event shall be readjusted upon any redemption of such rights; or
- (G) any other event that may have a diluting or concentrating effect on the theoretical value of such Shares.

(b) *Consequences of a Merger Event*

The following provisions will apply if the Calculation Agent determines that a Merger Event has occurred:

(i) **Redemption and Payment**

If under "Consequences of a Merger Event" in relation to "Share-for-Share", "Share-for-Other" or "Share-for-Combined", the consequence specified in the Final Terms is "Redemption and Payment", then the Issuer shall redeem the Notes at their Early Redemption Amount in accordance with Condition 5.4A (*Early Redemption Procedure*).

(ii) Modified Calculation Agent Adjustment

If under "Consequences of a Merger Event" in relation to "Share-for-Share", "Share-for-Other" or "Share-for-Combined", the consequence specified in the Final Terms is "Modified Calculation Agent Adjustment" or if no consequence of a Merger Event is so specified then, on or after the relevant Merger Date, the Calculation Agent shall either (i)(A) make such adjustment to the exercise, settlement, payment or any other terms of the Notes (including, without limitation, the spread) as the Calculation Agent determines appropriate to account for the economic effect on the Notes of such Merger Event (including adjustments to account for changes in volatility, expected dividends, stock loan rate or liquidity relevant to the Shares or to the Notes), which may, but need not, be determined by reference to the adjustment(s) made in respect of such Merger Event by an options exchange to options on the relevant Shares traded on such options exchange and (B) determine the effective date of that adjustment, or (ii) if the Calculation Agent determines that no adjustment that it could make under (i) above will produce a commercially reasonable result, notify the Noteholders in accordance with Condition 15 (*Notices*) that the relevant consequence shall be the redemption of the Notes in which case "Redemption and Payment" will be deemed to apply.

(iii) Component Adjustment

If under "Consequences of a Merger Event" in relation to "Share-for-Share", "Share-for-Other" or "Share-for-Combined", the consequence specified in the Final Terms is "Component Adjustment", then in respect of a Share-for-Combined Merger Event, the consequence specified opposite "Share-for-Share" shall apply to that portion of the consideration that consists of New Shares (as determined by the Calculation Agent) and the consequence specified opposite "Share-for-Other" shall apply to that portion of the consideration that consists of Other Consideration (as determined by the Calculation Agent).

(c) *Consequences of a Tender Offer*

The following provisions will apply if Tender Offer is specified as applicable in respect of any Shares in the Final Terms and the Calculation Agent has determined that a Tender Offer has occurred:

(i) Redemption and Payment

If under "Consequences of a Tender Offer" in relation to "Share-for-Share", "Share-for-Other" or "Share-for-Combined", the consequence specified in the Final Terms is "Redemption and Payment", then the Issuer shall redeem the Notes at their Early Redemption Amount in accordance with Condition 5.4A (*Early Redemption Procedure*).

(ii) Modified Calculation Agent Adjustment

If under "Consequences of a Tender Offer" in relation to "Share-for-Share", "Share-for-Other" or "Share-for-Combined", the consequence specified in the Final Terms is "Modified Calculation Agent Adjustment" or if no consequence

of a Tender Offer is so specified then, on or after the relevant Tender Offer Date, the Calculation Agent shall either (i)(A) make such adjustment to the exercise, settlement, payment or any other terms of the Notes (including, without limitation, the spread) as the Calculation Agent determines appropriate to account for the economic effect on the Notes of such Tender Offer (including adjustments to account for changes in volatility, expected dividends, stock loan rate or liquidity relevant to the Shares or to the Notes), which may, but need not, be determined by reference to the adjustment(s) made in respect of such Tender Offer by an options exchange to options on the relevant Shares traded on such options exchange and (B) determine the effective date of that adjustment, or (ii) if the Calculation Agent determines that no adjustment that it could make under (i) above will produce a commercially reasonable result, notify the Noteholders in accordance with Condition 15 (*Notices*) that the relevant consequence shall be the redemption of the Note, in which case "Redemption and Payment" will be deemed to apply.

(iii) **Component Adjustment**

If under "Consequences of a Tender Offer" in relation to "Share-for-Share", "Share-for-Other" or "Share-for-Combined", the consequence specified in the Final Terms is "Component Adjustment", then in respect of a Share-for-Combined Tender Offer, the consequence specified opposite "Share-for-Share" shall apply to that portion of the consideration that consists of New Shares (as determined by the Calculation Agent) and the consequence specified opposite "Share-for-Other" shall apply to that portion of the consideration that consists of Other Consideration (as determined by the Calculation Agent).

(d) ***Delisting***

If at any time, the Calculation Agent determines that the relevant Exchange has announced that pursuant to the rules of such Exchange, the Shares have ceased (or will cease) to be listed, traded or publicly quoted on the Exchange for any reason (other than a Merger Event or Tender Offer) and have not been immediately re-listed, re-traded or re-quoted on an exchange or quotation system located in the same country as the Exchange (or, where the Exchange is within the European Union, in any member state of the European Union) and such Shares are no longer listed on an Exchange acceptable to the Calculation Agent ("**Delisting**"), the Calculation Agent shall notify the Issuer of such determination and the Issuer shall redeem the Notes at their Early Redemption Amount in accordance with Condition 5.4A (*Early Redemption Procedure*).

5.2C Additional Disruption Events

The following Additional Disruption Events will apply if specified as applicable in the Final Terms:

(a) ***Hedging Disruption***

"**Hedging Disruption**" means that the Issuer is unable, after using commercially reasonable efforts, to (A) acquire, establish, re-establish,

substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity price risk and any other price risk (including but not limited to, currency risk) of entering into and performing its obligations with respect to the Notes or in connection with its Hedge Position or (B) realise, recover or remit the proceeds of any such transaction(s) or asset(s) (which shall include, but not limited to, the Issuer's inability to freely realise, recover, receive, repatriate, remit or transfer out of or into the Local Jurisdiction the proceeds of or any other amounts received in connection with its Hedge Positions).

(b) *Increased Cost of Hedging*

"Increased Cost of Hedging" means that the Issuer would incur a materially increased (as compared with circumstances existing on the Issue Date) amount of tax, duty, expense or fee (other than brokerage commissions) to (A) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity price risk of entering into and performing its obligations with respect to the Notes, or (B) realise, recover or remit the proceeds of any such transaction(s) or asset(s), **provided that** any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer shall not be deemed an Increased Cost of Hedging.

(c) *Consequences of an Additional Disruption Event*

If the Calculation Agent determines that an Additional Disruption Event shall have occurred, the Calculation Agent shall notify the Issuer of such determination and the Issuer may in its absolute discretion redeem the Notes at their Early Redemption Amount in accordance with Condition 5.4A (*Early Redemption Procedure*).

5.2D **Change in Market Conditions Events**

The following Change in Market Conditions Events will apply if specified as applicable in the Final Terms:

(a) *Custodial/Broker Event*

"Custodial/Broker Event" means that a Bankruptcy occurs with respect to the custodian, broker or counterparty (or any successors thereof) used by the Issuer (or its designee) to buy, establish, hold, maintain, sell or unwind any Hedge Positions or the custodian, broker or counterparty (or any successor thereof) used by the Issuer (or its designee) to buy, establish, hold, maintain, sell or unwind any Hedge Positions fails to perform in a full and timely manner all of its obligations to Issuer (or its designee) under any custodian, broker or other arrangements entered into by the Issuer (or its designee) at any time in relation to any Hedge Positions, securities and/or amount (which shall include, for the avoidance of doubt, a repudiation or termination of any such arrangements without the prior consent of the Issuer (or its designee)).

(b) *Change in Law Event*

"Change in Law Event" means that on or after the Issue Date (A) due to the adoption of or any change in any applicable law or regulation (including, without limitation, any tax law) or (B) due to the promulgation of or any change in the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation (including any action taken by a taxing authority), the Calculation Agent determines in good faith that (X) it has become illegal for the Issuer to hold, acquire or dispose of Hedge Positions relating the Notes, or (Y) the Issuer will incur an increased cost in performing its obligations under the Notes (including, without limitation, due to any increase in tax, liability, decrease in tax benefit or other adverse effect on its tax position).

(c) *Change in Regulations Event*

"Change in Regulations Event" means any change in laws or regulations (including any changes in taxation) covering any non-resident operations in the Local Jurisdiction whatsoever which occurs after the Issue Date and affects in any way (or is likely to affect in any way) the cost to the Issuer of acquiring, holding or selling Hedge Positions or of hedging, directly or indirectly, the obligations of the Issuer in respect of the Notes, or of converting any amount of the Reference Currency into the Settlement Currency (or any other freely convertible and transferable currency) or transferring Settlement Currency out of the Local Jurisdiction which will adversely affect the economic value of the terms of the Notes to the Issuer.

(d) *Market Disruption Event*

"Market Disruption Event" means that on any day, the Calculation Agent or the Issuer is unable to determine any amount or rate falling to be determined by it pursuant to terms of the Notes due to market conditions including but not limited to (a) market volatility, (b) market liquidity, and (c) regulatory, political or artificial market limitations imposed after the Issue Date.

(e) *Expropriation Event*

"Expropriation Event" means any event or action under the authority of any governmental body which results in the seizure, compulsory acquisition, expropriation, nationalization or renationalisation, devaluation, revaluation, confiscation, freezing order, cancellation, destruction or similar action of all or any material part of the Shares, or the material business or assets of the Share Issuer, including, without limitation, by the management of the Share Issuer being wholly or partially displaced or curtailed in the conduct of its business or the Share Issuer being otherwise deprived of, or prevented from exercising ownership of, its material business or assets.

(f) *Share Issuer Insolvency*

"Share Issuer Insolvency" means the voluntary or involuntary liquidation, bankruptcy, insolvency, dissolution or winding-up of or any analogous proceeding affecting the Share Issuer, a holder of the Shares becoming legally prohibited from transferring the Shares or implementation of (or reasonable likelihood of the

implementation of) a requirement that the Issuer transfer all or any of its Hedge Positions or otherwise to a trustee, liquidator or other similar official.

(g) *Sovereign Event*

"Sovereign Event" means that the state or any political subdivision or government or agency, instrumentality, ministry, department or other authority (including, without limitation, the central bank) of or in the Local Jurisdiction disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, or declares or imposes a moratorium, standstill, roll-over or deferral, whether de facto or de jure, in respect of one or more of its obligations; becomes insolvent or is unable to pay its debts or fails or admits in writing its inability generally to pay its debts as they become due; makes a general assignment, arrangement or composition with or for the benefit of its creditors; institutes or has instituted against it a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors' rights; has a secured party take possession of any of its assets or has a distress, execution, attachment, sequestration or other legal process levied, enforced or sued on or against any of its assets; causes or is subject to any event with respect to it which, under the applicable laws of any jurisdiction, has an analogous effect to any of these events; or takes any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the foregoing acts.

(h) *Consequences of Change in Market Conditions Event*

If the Issuer determines that a Change in Market Conditions Event shall have occurred, the Calculation Agent shall determine the effect thereof on the Notes and the terms on which the Notes would remain outstanding and shall notify the Issuer and the Noteholders. Following such notification, the Issuer shall have the right to redeem the Notes (in whole or part). Where the Issuer determines that the Notes shall be redeemed in whole or in part, the Issuer shall redeem the relevant Notes in whole or in part at their Early Redemption Amount in accordance with Condition 5.4A (*Early Redemption Procedure*).

Upon a redemption of any Notes in whole or in part pursuant to the Conditions, the Issuer shall determine the extent of any loss suffered, or costs or expenses incurred, by the Issuer as a result of the occurrence of the Change in Market Conditions Event attributable to the Notes.

If an event or circumstance that would otherwise (but for this provision) constitute an Additional Disruption Event and/or an FX Disruption also constitutes a Change in Market Conditions Event, it will be deemed to be a Change in Market Conditions Event and will not constitute either an FX Disruption or an Additional Disruption Event.

5.2E **Events applicable to Share Basket Notes**

If, in respect of any Share Basket Note, the Calculation Agent determines that an Additional Disruption Event or the Issuer determines that a Change in Market Conditions Event has occurred in respect of a Share or a Hedge Position relating to a Share, the Issuer shall be entitled in its sole discretion to elect that Condition 5.2C

(*Additional Disruption Events*) or as the case may be, Condition 5.2D (*Change in Market Condition Events*) shall apply solely to the Share or Hedge Position affected by such event. Accordingly, where the Issuer so elects if Condition 5.2C (*Additional Disruption Events*) would otherwise require redemption of the Notes, then (i) only the portion of each Note affected by the relevant Additional Disruption Event shall be redeemed, (ii) the remainder of each Note will continue with the Basket comprising the Shares (if any) that are not so affected and (iii) the Calculation Agent will adjust any relevant terms necessary to preserve as nearly as practicable the economic terms of the Notes for the non-affected Shares in the Basket.

5.4A Early Redemption Procedure

If the Notes are to be redeemed in whole or in part prior to the Maturity Date in accordance with the Conditions, the Issuer shall redeem the Notes at their Early Redemption Amount. Notice of such redemption shall be given to the Noteholders in accordance with Condition 15 (*Notices*) and such notice shall specify the Determination Date in respect of such redemption. The redemption shall take place on the Early Redemption Date.

5.10A Stop-Loss Event

If on any Exchange Business Day between the Issue Date and the Determination Date, the Closing Price has fallen by 90 per cent. or more compared with the Initial Share Price, then the Issuer may in its absolute discretion redeem the Notes at their Early Redemption Amount in accordance with Condition 5.4A (*Early Redemption Procedure*).

7A Dividends

If the Type of Return specified in the Final Terms is "**Price Return**", this Condition will not apply.

If the Type of Return specified in the Final Terms is "**Total Return**" then on each Dividend Payment Date, the Issuer will pay in respect of each Share Note the relevant Dividend Amount (if any) on that Dividend Payment Date and in respect of each Share Basket Note the relevant Dividend Amount (if any) multiplied by the Number of Baskets on that Dividend Payment Date. Notice of any Dividend Amount shall be given to Noteholders in accordance with Condition 15 (*Notices*).

To the extent that in respect of a Dividend Amount, the amount that the Calculation Agent determines that would have been received by a Hypothetical Broker Dealer holding such Shares in respect of any gross cash dividend amount ("**Declared Dividend**") is not equal to that Declared Dividend (a "**Dividend Mismatch Event**") following the relevant due date, then in either case the Calculation Agent may adjust the Dividend Amount accordingly.

If less than the total Accruing Deduction Amount is paid on any Dividend Payment Date, the Calculation Agent shall make such adjustments to the Accrual Period following such Dividend Payment Date as it considers appropriate in order to ensure that the Issuer receives all due but unpaid Accruing Deduction Amount on the next date on which an Accruing Deduction Amount becomes payable.

18 **No rights**

Neither the Issuer nor any other person shall (i) be under any obligation to deliver (or procure delivery) to the Noteholders or any other person, any letter, certificate, notice, circular or any other document received by that person in its capacity as the holder of Shares or (ii) be under any obligation to exercise or procure exercise of any or all rights (including voting rights) attaching to.

Subject to Condition 6.13(f) (*Partial Cash Settlement*), failure by the Issuer to Deliver to a Noteholder the Relevant Proportion of the Deliverable Amount of the Substitute Asset on or prior to the date that is five Business Days after the Physical Settlement Date shall not constitute an Event of Default and shall not entitle the Noteholders to any right or claim for additional compensation or otherwise.

(c) ***Delivery***

"**Delivery**" and "**Delivered**" shall be construed accordingly.

(d) ***Pre-condition to Issuer's obligation to Deliver***

In order to obtain Delivery of the Relevant Proportion of the Deliverable Amount of the Substitute Asset, if requested by the Issuer

pursuant to Condition 6.13(a) (*Notice of Physical Settlement*), each Noteholder must deliver to the Issuer or the Registrar (if different) within five Business Days of the date of delivery of the Notice of Physical Settlement (the "**Cut-Off Date**"), a duly completed Asset Transfer Notice in accordance with Condition 6.13(h) (*Asset Transfer Notice Requirements*) the form of which may be obtained from the specified office of the Issuer or the Registrar (if different) and, in the case of a holding of a Definitive Note or Registered Note, the Note (which expression shall, for the purposes of this Condition 6.13(d), include Certificate(s), Receipt(s) and, if applicable, all unmatured Coupons and unmatured and unexchanged Talons, in accordance with the provisions of Condition 6.6 (*Unmatured Coupons and Receipts and Unexchanged Talons*)). In the event that the Note is represented by a Global Note, an Asset Transfer Notice must be delivered to the Issuer via the relevant Clearing System, by such method of delivery as the relevant Clearing System shall have approved.

After delivery of an Asset Transfer Notice, no transfers of the Notes specified therein which are represented by a Global Note will be effected by any relevant Clearing System and no transfers of Registered Notes specified therein will be effected by the Registrar.

(e) ***Timing of delivery of Asset Transfer Notice***

Upon receipt of a duly completed Asset Transfer Notice and, in the case of Definitive Notes or Registered Notes, the Notes to which such notice relates, the Issuer, any relevant Clearing System or the Registrar, as the case may be, shall verify that the person specified therein as the accountholder or registered holder, as the case may be, is the Holder of the Note referred to therein according to its books or the Register, as the case may be.

Subject as provided herein, in relation to each Note, the Relevant Proportion of the Deliverable Amount of the Substitute Asset will be Delivered to the relevant Noteholder at the risk of such Noteholder.

If the Asset Transfer Notice and (with respect to Definitive Notes and Registered Notes) the relevant Note are delivered to the Issuer later than close of business in London on the Cut-Off Date, then the Relevant Proportion of the Deliverable Amount of the Substitute Assets will be Delivered as soon as practicable after the date on which Delivery of the same would otherwise be made, at the risk of such Noteholder in the manner provided above. For the avoidance of doubt, such Noteholder shall not be entitled to any payment or to other assets, whether in respect of interest or otherwise, in the event of the Delivery of the Relevant Proportion of the Deliverable Amount of the Substitute Asset taking place after the date on which Delivery of the same would otherwise be made pursuant to the provisions of this Condition 6.13 or otherwise due to circumstances beyond the control of the Issuer.

If the relevant Noteholder fails to deliver an Asset Transfer Notice in the manner set out herein or delivers an Asset Transfer Notice on any day falling after the day that is 180 calendar days after the Cut-Off Date or (in the case of Definitive Notes or Registered Notes) fails to deliver the Notes related thereto, or fails to pay the Delivery Expenses or the FX Break Costs (if they are a negative amount) pursuant to Condition 6.13(j) (*Physical Settlement – Costs and expenses*), the Issuer shall be discharged from its obligations in respect of such Note and shall have no further obligation or liability whatsoever in respect thereof.

(f) ***Partial Cash Settlement***

(i) If due to an event beyond the control of the Issuer it is impossible, impracticable or illegal for the Issuer to Deliver, or due to an event beyond the control of any Noteholder or its designated nominee, it is impossible, impracticable or illegal for such Noteholder to accept Delivery of, all or a portion of the Relevant Proportion of the Deliverable Amount of the Substitute Asset by the Physical Settlement Date (including, without limitation, failure of the relevant Clearing System or due to any law, regulation or court order, but not including market conditions or failure to obtain any requisite consent with respect to the Delivery of loans) then by such date the Issuer shall provide a description in reasonable detail of the facts giving rise to such impossibility, impracticability or illegality and the Issuer shall Deliver and such Noteholder or its designated nominee shall take Delivery of that portion (if any) of the Relevant Proportion of the Deliverable Amount of the Substitute Asset for which it is possible, practicable and legal to take Delivery. As soon as possible thereafter, the Issuer shall Deliver and such Noteholder, its originally designated nominee or any new designated nominee shall take Delivery of the remaining portion of the Relevant Proportion of the Deliverable Amount of the Substitute Asset.

(ii) If:

(A) following the occurrence of any impossibility, impracticability or illegality referred to in (i) above, all or a portion of the Relevant Proportion of the Deliverable Amount of the Substitute Asset is not Delivered on or prior to the Latest Permissible Physical Settlement Date; or

(B) all or a portion of the Relevant Proportion of the Deliverable Amount of the Substitute Asset includes assets which, due to the non-receipt of any requisite consents, are not, by the Physical Settlement Date, capable of being delivered, assigned, novated, transferred or sold to any relevant Noteholder or its nominee and

such consents are not obtained or deemed given by the Latest Permissible Physical Settlement Date,

then Partial Cash Settlement pursuant to (iii) below shall be deemed to apply with respect to that portion of the Relevant Proportion of the Deliverable Amount of the Substitute Asset that cannot be Delivered for the reasons specified in (A) above (the "**Undeliverable Asset**") or that portion of the Relevant Proportion of the Deliverable Amount of the Substitute Asset of the type referred to in (B) above that cannot be Delivered to a Noteholder or its nominee without consent (the "**Consent Required Assets**").

- (iii) On the Partial Cash Settlement Date, the Issuer shall pay to each relevant Noteholder the Relevant Proportion of the Partial Cash Settlement Amount adjusted for any amount Delivered to the Noteholder pursuant to (i) above and upon discharge by the Issuer of such payment obligation on the Partial Cash Settlement Date, the Issuer's obligations in respect of the relevant Note(s) shall be discharged. For the purposes of this Condition 6.13(f):

"Partial Cash Settlement Amount" means, for each Undeliverable Asset or Consent Required Asset, the greater of (A) the Event Currency Amount or Specified Value, as applicable, of each Undeliverable Asset or Consent Required Asset, multiplied by the prevailing mid-market price of such Undeliverable Asset or Consent Required Asset as determined by the Calculation Agent and (B) zero; and

"Partial Cash Settlement Date" means the date that is three Business Days after the Latest Permissible Physical Settlement Date or as otherwise specified in the Final Terms.

(g) ***Delivery of Substitute Asset after Physical Settlement Date***

If, in accordance with Conditions 6.13(d) (*Pre-condition to Issuer's obligation to Deliver*), 6.13(e) (*Timing of delivery of Asset Transfer Notice*) and 6.13(f) (*Partial Cash Settlement*), the Relevant Proportion of the Deliverable Amount of the Substitute Asset is Delivered later than the Physical Settlement Date, until Delivery of the Relevant Proportion of the Deliverable Amount of the Substitute Asset is made to the relevant Noteholder, the Issuer or any person holding such assets on behalf of the Issuer shall continue to be the legal owner of those assets. None of the Issuer and any such other person shall (i) be under any obligation to deliver or procure delivery to such Noteholder or any subsequent transferee any letter, certificate, notice, circular or any other document or payment whatsoever received by that person in its capacity as the holder of such assets, (ii) be under any obligation to exercise or procure the exercise of any or all rights (including voting rights) attaching or appertaining to such assets until the date of Delivery, or (iii) be under any liability to such Noteholder or

subsequent transferee for any loss, liability, damage, cost or expense that such Noteholder or subsequent transferee may sustain or suffer as a result, whether directly or indirectly, of that person not being the legal owner of such assets until the date of Delivery.

(h) ***Asset Transfer Notice Requirements***

An Asset Transfer Notice is irrevocable and must (to the extent applicable):

- (i) specify the account details or name of the person to whom Delivery of the Relevant Proportion of the Deliverable Amount of the Substitute Asset is to be made;
- (ii) specify the number of Notes which are the subject of such notice;
- (iii) in the event such Notes are represented by a Global Note:
 - (A) specify the number of the Noteholder's account at the relevant Clearing System to be debited with such Notes; and
 - (B) irrevocably instruct and authorise the relevant Clearing System to debit the relevant Noteholder's account with such Notes on the due date for redemption of the Notes;
- (iv) in the event that such Notes are Registered Notes, irrevocably instruct and authorise the Registrar to effect the transfer of the relevant Notes;
- (v) authorise the production of such notice in any applicable administrative or legal proceedings;
- (vi) authorise the Issuer to deduct from the Relevant Proportion of the Deliverable Amount of the Substitute Asset to be delivered in accordance with such notice, the Delivery Expenses as referred to in Condition 6.13(j) (*Physical Settlement – Costs and expenses*) below; and
- (vii) contain any further information as may be requested by the Issuer in the Notice of Physical Settlement for the purpose of effecting such settlement.

Failure properly to complete and deliver an Asset Transfer Notice and, in the case of Definitive Notes or Registered Notes, to deliver the relevant Note(s), may result in such notice being treated as null and void. Any determination as to whether such notice has been properly completed and delivered as provided in these Conditions shall be made by the Issuer in its sole and absolute discretion and shall be conclusive and binding on the relevant Noteholder.

(i) ***Fractional Entitlement***

If the Relevant Proportion of the Deliverable Amount of the Substitute Asset comprises less than a multiple of a whole number of the Substitute Asset at the relevant time, then (i) the Issuer shall not Deliver and the relevant Noteholder shall not be entitled to receive in respect of its Notes that fraction of an asset which is less than a whole number (the "**Fractional Entitlement**") and (ii) the Issuer shall pay to the relevant Noteholder a cash amount (to be paid at the same time as Delivery of the Relevant Proportion of the Deliverable Amount of the Substitute Asset) equal to the value (as determined by the Calculation Agent) of such Fractional Entitlement.

(j) ***Costs and expenses***

- (i) The costs and expenses, including any stamp, registration, documentation or similar taxes (the "**Delivery Expenses**"), of effecting any delivery of the Relevant Proportion of the Deliverable Amount of the Substitute Asset (except for the expenses of delivery by uninsured regular mail (if any), which shall be borne by the Issuer) and the amount of the FX Break Costs (if they are a negative amount) shall be borne by the Noteholder and shall at the option of each Noteholder as specified in the Asset Transfer Notice either be:
 - (A) paid to the Issuer by such Noteholder prior to the Delivery of the Relevant Proportion of the Deliverable Amount of the Substitute Asset (and, for the avoidance of doubt, the Issuer shall not be required to Deliver any portion of the Substitute Asset to such Noteholder until it has received such payment); or
 - (B) deducted by the Issuer from the amount which may be payable to such Noteholder in accordance with Conditions 6.13(f)(iii) (Partial Cash Settlement) and 6.13(i) (Fractional Entitlement) (if applicable).
- (ii) If the cash amount (if any) owing to a Noteholder under Conditions 6.13(f)(iii) (*Partial Cash Settlement*) and 6.13(i) (*Fractional Entitlement*) is not sufficient to cover the Delivery Expenses, the Issuer may convert such amount of the Relevant Proportion of the Deliverable Amount of the Substitute Asset into cash sufficient to cover the Delivery Expenses and the amount of the FX Break Costs (if they are a negative amount) in respect of such Note from which the Issuer shall deduct such Delivery Expenses and the FX Break Costs. Each Note will then be redeemed by delivery of the remaining portion of the Relevant Proportion of the Deliverable Amount of the Substitute Asset in respect of such Note and, if applicable and after any deduction to cover the Delivery Expenses and the amount of the FX Break Costs (if they are a negative amount), payment of a cash amount

in respect of any Fractional Entitlement arising, together with any other amounts to which such Noteholder is entitled upon redemption of such Note.

- (iii) If the FX Break Costs are a positive amount, such amount shall be paid in cash to the Noteholder on the date on which the Relevant Proportion of the Deliverable Amount of the Substitute Assets is Delivered to the Noteholder or (if later) the date on which the remaining portion thereof is Delivered to the Noteholder pursuant to Condition 6.13(f)(iii) (*Partial Cash Settlement*) or on the Partial Cash Settlement Date.

The Issuer shall not be obliged to account to any Noteholder for any entitlement received or receivable in respect of any of the Substitute Asset to be delivered if the date on which such are first traded ex such entitlement is on or prior to the date of Delivery. The Issuer shall determine, in its sole and absolute discretion, the date on which such assets are so first traded ex any such entitlement.

"Settlement Currency" means, in respect of any payment obligation of the Issuer under the Notes, the currency in which the Issuer is required, subject to this Currency Annex and, unless the context otherwise requires, taking into account the application of any Disruption Fallbacks, to make such payment on a Settlement Date under these Conditions;

"Settlement Currency Amount" means, in respect of any payment obligation of the Issuer in respect of a Note, the amount of such payment obligation denominated in the Settlement Currency;

"Settlement Date" means, in respect of any payment obligation of the Issuer under the Notes, (a) the date on which such payment falls due under the terms of these Conditions, or (b), if applicable, determined in accordance with the definition of "Settlement Postponement" in these Conditions, **provided that** in either case, such date is subject to adjustment in accordance with the Following Business Day Convention unless another Business Day Convention is specified to be applicable generally or specifically to that Settlement Date in these Conditions;

"Settlement Rate" means, in relation to the making of any FX Calculation for any Valuation Date in respect of a Settlement Date, the currency exchange rate equal to (i) the FX Rate specified (or deemed specified), or (ii) the FX Rate determined in accordance with the specified (or deemed specified) Settlement Rate Option, or (iii) if an FX Rate or a Settlement Rate Option or a means of determining an FX Rate is not specified, the Spot Rate for that Valuation Date. For the avoidance of doubt, Section 4.7 of Annex A to the 1998 FX and Currency Option Definitions published by the International Swaps and

Derivatives Association, Inc. shall not apply for the purpose of determining the Settlement Rate pursuant to the specified Settlement Rate Option;

"Settlement Rate Option" means, in relation to the making of any FX Calculation, the method of determining the Settlement Rate specified (or deemed specified) pursuant to the Final Terms which may either be specified (i) by reference to any of the terms defined in Section 4.5 and Section 4.6 of Annex A to the 1998 FX and Currency Option Definitions published by the International Swaps and Derivatives Association, Inc. (as amended and supplemented up to and including the Issue Date) (in which case, the terms of such Section 4.5 and Section 4.6 shall, to the extent they are used in defining a Settlement Rate Option, be deemed to be incorporated in these Conditions) or (ii) by defining the Settlement Rate Option in the Final Terms;

"Settlement Postponement" means, if specified in the Disruption Event Terms or deemed to be applicable under these Conditions, that any Settlement Date for the Notes that is affected by a Disruption Event will be deemed to be the first succeeding Business Day on which the applicable Disruption Event ceases to exist, unless that Disruption Event continues to exist (measured from the original date that, but for the occurrence of a Disruption Event, would have been the Settlement Date) for a number of consecutive Business Days equal to the Maximum Days of Disruption. In that case, the last such consecutive Business Day will be the Settlement Date and the next Disruption Fallback specified in the Disruption Event Terms will apply to the Notes or if there is none and (if applicable) subject to Condition 6.10(e) (*Disruption Events – Early Redemption upon Occurrence of a Disruption Event*), Condition 6.11(c) (*Disruption Fallback – Settlement Currency*) shall apply;

"Specific Inconvertibility" means the occurrence of any event that makes it impossible for the Issuer to convert the Minimum Amount of the Event Currency into the Non-Event Currency in the Event Currency Jurisdiction, other than where such impossibility is due solely to the failure by the Issuer to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date of the Notes and it is impossible for the Issuer, due to an event beyond the control of the Issuer, to comply with such law, rule or regulation);

"Specific Non-Transferability" means the occurrence of any event that makes it impossible for the Issuer to deliver (A) the Non-Event Currency from accounts inside the Event Currency Jurisdiction to accounts outside the Event Currency Jurisdiction, or (B) the Event Currency between accounts inside the Event Currency Jurisdiction or to a party that is a non-resident of the Event Currency Jurisdiction, other than where such impossibility is due solely to the failure by the Issuer to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date of the Notes and it is impossible for the Issuer, due to an event beyond the control of the Issuer, to comply with such law, rule or regulation);

"Specified Amount" means, in respect of a Note and a Settlement Rate Option, the amount of Reference Currency specified as such in the Final Terms or, if such an amount is not specified, an amount equal to a "standard

"Specified Company" means, with respect to any Note for which the relevant Settlement Rate Option is "CURRENCY-IMPLIED RATE (ADR)", the company specified as such in the Final Terms or, if a company is not so specified, a company selected by the Calculation Agent, which company's shares trade (i) on an exchange located in the country for which the Reference Currency is the lawful currency and (ii) in the United States in the form of an American Depositary Receipt;

"Specified Currency" means the currency specified as such in the Final Terms as the currency in which the Notes are denominated;

"Specified Office" means, with respect to any Note for which the relevant Settlement Rate Option is "CURRENCY-REFERENCE DEALERS", the office or branch of the Reference Dealer located in the city specified for such purpose in the Final Terms. If a city is not so specified, the Specified Office will be deemed to be an office or branch of the Reference Dealer located in the Principal Financial Centre of the Reference Currency unless (i) no quotations are available from the relevant office or branch of each of the Reference Dealers due to the occurrence of an applicable Disruption Event, or (ii) "CURRENCY-REFERENCE DEALERS" is specified (or deemed specified) as the Fallback Reference Price for a Settlement Rate Option where the currency exchange rate specified in such Settlement Rate Option is an offshore currency exchange rate. In each such case, the Specified Office will be the office or branch of the Reference Dealer located in any major market for the purchase and sale of the Reference Currency and the Settlement Currency outside the country where the Reference Currency is the lawful currency, as selected by the Calculation Agent;

"Specified Rate" means, in respect of a Note and the determination of the Settlement Rate pursuant to a Settlement Rate Option, any of the following rates, as specified in the Final Terms: (i) the Reference Currency bid exchange rate, (ii) the Reference Currency offer exchange rate, (iii) the average of the Reference Currency bid and offer exchange rates, (iv) the Settlement Currency bid exchange rate, (v) the Settlement Currency offer exchange rate, (vi) the average of the Settlement Currency bid and offer exchange rates, or (vii) the official fixing rate. If no such rate is specified, the Specified Rate will be such rate as the Calculation Agent selects in its sole and absolute discretion.

"Specified Time" means, in respect of a Note and the determination of the Settlement Rate pursuant to the related Settlement Rate Option, the time specified as such in the Final Terms and if none is specified, 11.00 a.m. London Time;

"Specified Value" means, in respect of a Note and a Benchmark Obligation, any of the following values, as specified in the Disruption Event Terms: (i) outstanding principal balance (as valued on the Settlement Date), (ii) the stated principal balance, (iii) the face value, (iv) the market value (as valued on the

Settlement Date), or (v) any other value specified as the Specified Value in the Disruption Event Terms;

"Spot Rate" means, for any Rate Calculation Date, the FX Rate determined in accordance with the specified (or deemed specified) Settlement Rate Option, or if a Settlement Rate Option is not specified (or deemed specified), the currency exchange rate at the time at which such rate is to be determined for foreign exchange transactions in the two relevant currencies for value on the Settlement Date, as determined in good faith and in a commercially reasonable manner by the Calculation Agent;

"Substitute Asset" shall have the meaning set out in Condition 6.13(a) (*Physical Settlement – Notice of Physical Settlement*);

"Undeliverable Asset" shall have the meaning specified in Condition 6.13(f)(ii) (*Physical Settlement – Partial Cash Settlement*);

"Valuation Date" means each date specified or otherwise determined as a Valuation Date (or, if applicable, the Illiquidity Valuation Date) under the Final Terms and (if applicable) the Disruption Event Terms as of which a Settlement Rate is to be determined, subject to adjustment in accordance with the Preceding Business Day Convention unless another Business Day Convention is specified to be applicable to that Valuation Date; and

"Zero Coupon Note" means a Note in relation to which no Interest Amount is payable by the Issuer to the Noteholder.

- (b) For the purpose of these Conditions, sub-paragraphs (a) and (b) of Section 4.3 of Annex A to the 1998 FX and Currency Option Definitions published by the International Swaps and Derivatives Association, Inc. (as amended and supplemented from time to time up to the Issue Date) shall, to the extent those terms are used in these Conditions, be deemed to be incorporated in these Conditions.
- (c) If the currency exchange rate specified in the applicable Settlement Rate Option is reported, sanctioned, recognised, published, announced or adopted (or other similar action) by the relevant Governmental Authority, and such currency exchange rate ceases to exist and is replaced by a successor currency exchange rate that is reported, sanctioned, recognised, published, announced or adopted (or other similar action) by such Governmental Authority (the **"Official Successor Rate"**) then the Settlement Rate for the relevant Valuation Date will be determined as if this Currency Annex specifies any available price source which publishes or announces the Official Successor Rate (including, but not limited to, an official publication of that Governmental Authority) on such Valuation Date (or, if different, the day on which rates for that date would, in the ordinary course, be published or announced by the relevant price source) as the applicable Settlement Rate Option.
- (d) Subject to paragraph (c) above, each currency with respect to a particular country specified in relation to a Note will be deemed to include any lawful successor currency (the **"Successor Currency"**) of that country. If, after the

Issue Date and on or before the Settlement Date of a Note, a country has lawfully eliminated, converted, redenominated or exchanged its currency in effect on such Issue Date or any Successor Currency, as the case may be (the "**Original Currency**"), for a Successor Currency, then for purposes of calculating any amounts of such currency, and for purposes of effecting settlement thereof, any Original Currency amounts will be converted to the Successor Currency by multiplying the amount of Original Currency by a ratio of Successor Currency to Original Currency, which ratio will be calculated on the basis of the exchange rate set forth by such country for converting the Original Currency into the Successor Currency on the date on which the elimination, conversion, redenomination or exchange took place. If there is more than one such date, the date closest to the Settlement Date will be selected.

- (e) If the currency exchange rate specified in the applicable Settlement Rate Option is published or announced by more than one price source and the price source referred to in such Settlement Rate Option fails to publish or announce that currency exchange rate on the Valuation Date (or, if different, the day on which rates for that date would, in the ordinary course, be published or announced by such price source), then the Settlement Rate for that Valuation Date will be determined as if this Currency Annex specifies any other available price source which actually publishes or announces such currency exchange rate on such Valuation Date (or, if different, the day on which rates for that date would, in the ordinary course, be published or announced by the relevant price source) as the applicable Settlement Rate Option.
- (f) Terms defined in the "*Terms and Conditions of the Notes*" and/or the Final Terms have the same meaning in this Currency Annex. In the event of any inconsistency between the Conditions and the Additional Conditions, the Additional Conditions, will prevail. In the event of any inconsistency between the Final Terms and the Conditions and the Additional Conditions, the Final Terms will prevail.
